CHAPTER 1

GENERAL (U)

1. (U) Purpose. The purpose of the Emergency Actions  
Procedures of the Joint Chiefs of Staff is to prescribe the  
emergency action messages and associated conferences and  
procedures used by the Joint Chiefs of Staff to maintain  
worldwide command and control of US Forces and US nuclear  
weapons.
2. (U) Concept. The Emergency Action Procedures of the  
Joint Chiefs of Staff are designed for use in emergency  
situations requiring one or more of the following general  
categories of actions:

1  
2  
3  
4  
5  
6  
7  
8  
9  
10  
11  
12

~~SECRET~~

<u>3. (U) Reproduction and Release of Emergency Action Procedures.</u>	5
Because of their sensitivity, the Emergency Action Procedures	6
of the Joint Chiefs of Staff are published in multiple volumes	7
to restrict access of detailed procedures to appropriate users	8
with a need to know. Furthermore, reproduction and release	9
of these procedures are governed by JCS Memorandum of Policy	10
No. 39, "Special Safeguards for JCS Papers." Under this	11
policy, all agencies authorized to receive these procedures	12
shall employ every suitable measure to protect them against	13
unauthorized disclosure.	14
a. (U) Reproduction to effect initial distribution of,	15
to extend initial distribution of, or to reissue these	16
Emergency Action Procedures will be restricted to that	17
authorized by the Secretary, Joint Chiefs of Staff.	18
(1) (U) Chief of Staff, US Army; Chief of Naval Operations;	19
Chief of Staff, US Air Force; and Commandant of	20
the Marine Corps, within their area of concern, are	21
authorized to distribute Emergency Action Procedures of	22
the Joint Chiefs of Staff within their respective	23
Services following the guidance provided in JCS Memo-	24
randum of Policy No. 39 and based on a strict NEED TO	25
KNOW.	26
(2) (U) Commanders of unified and specified commands are	27
authorized to distribute Emergency Action Procedures of	28
the Joint Chiefs of Staff provided to them, including	29

~~SUBJECT~~

*SECRET*

extracts thereof, to their subordinate military activities or commands as required by their NEED TO KNOW. Whenever possible, extracts of these procedures rather than the entire publication will be used. 1  
b. (U) Requests for release of Emergency Action Procedures of the Joint Chiefs of Staff, or for information therefrom, to any person or agency, military or civilian, not on the original distribution list for these procedures will be referred to the Secretary, Joint Chiefs of Staff, for appropriate action. 2  
c. (U) Because the emergency action procedures of the Services and unified and specified commands are frequently based on the Emergency Action Procedures of the Joint Chiefs of Staff and contain extracts from them, the safeguards above apply to those Service and unified and specified command publications which reveal the Emergency Action Procedures of the Joint Chiefs of Staff. 3  
4. (U) Revisions to the Publication. The Director for Operations, Joint Staff, is responsible for maintaining these procedures and for accomplishing revisions in accordance with JCS Memorandum of Policy No. 114. Holders of this document should submit comments and recommendations for improvement to the Joint Chiefs of Staff, J-3 (ATTN: Command and Control Division(CCD)). The Director for Operations, Joint Staff, will revise these procedures as required, making urgent revisions by message and incorporating them into the next printed change. 4

DEFINITIONS (U)

1. (U) JCS Pub 1 contains standard definitions for planning and  
operational use. Listed below are selected definitions which  
do not appear in JCS Pub 1 and those which need to be expanded  
or redefined for specific application to the Emergency Action  
Procedures of the Joint Chiefs of Staff. Where appropriate,  
each paragraph indicates the source document for the definition.

7. (U) Exercises (Alert System of the JCS, Part I)
- a. (U) Exercise Terms. An exercise term is a combination of two unclassified words used exclusively to designate a test, drill, or exercise. An exercise term should be employed to preclude the possibility of confusing exercise directives with actual operations directives. The following exercise terms and meanings are assigned:
- | <u>ALERT CONDITION</u>  | <u>EXERCISE TERM</u> |           |
|---|----------------------|-----------|
| DEFCON 5  | FADE OUT             | <u>1</u>  |

EXERCISES (U)

1. (U) General. Exercises of emergency action procedures are conducted to insure a high level of proficiency in these procedures, to refine and improve existing procedures, and to provide a means for evaluating individual and system efficiency. To the extent that exercises accomplish these objectives, they are beneficial.
