~~SECRET~~ [redacted]

Item Number: B-232

~~CONFIDENTIAL~~ Intelligence Historical Report
J2, JTF 1-79

SUBJECT: LZ/DZ Search and Identification

TIMEFRAME: November 1979 - December 1980

SUMMARY:

(U) 1. [redacted] COMJTF provided J2 with commander's guidance on parameters for selection of FWLA's and HLZ's.

(U) 2. [redacted] J2 initially applied commander's guidance in conducting map reconnaissance for selection of areas that might contain suitable FWLA's and HLZ's.

(U) 3. [redacted] J2 identified areas for DIA to conduct photo search and analysis for suitability.

(U) 4. [redacted] Areas identified through photography were intensively studied, targeted for collection and analyzed by a geologist.

COMMENTS:

1. [redacted] Clear guidance must be utilized to avoid wasted time in searching non-suitable areas.

(U) 2. [redacted] Basic geological knowledge or familiarity of an area of operation by intel personnel is desirable.

3. [redacted] Photo reconnaissance has limitations in analysis that can only be overcome by actual ground reconnaissance.

[redacted]

- (U) Comments on Iranian Press :

-- (U) Khomeini made a plea for an affirmative vote on the 2 December Constitutional referendum. He called the new draft constitution one of the greatest fruits of the Islamic revolution. The National Front and other groups have already called for a boycott of the referendum because of their many differences with the draft.

- (U) Significant Propaganda:

-- (U) The Revolutionary Council, in common with the people and the Imam, will in advance declare any decision by this satanical security council null and void. The US government must know that it has no alternative but to surrender to the will and demands of our nation. It must as soon as possible return this fugitive criminal with all the wealth he has plundered from Iran, to our nation. Otherwise the trial of the hostages will be a certainty.

Subject: [redacted] Facility (SEAL Option)

Concept: [redacted] delivered into the general objective area by [redacted] SEALs depart [redacted] and proceed into the target area in two small rubber boats. Swimmers, equipped with closed circuit scuba, attach limpet mines to the [redacted] In addition, the swimmers would cut the [redacted] loose from the pier and time the detonation of the limpets to coincide with ebb tide which should bring the ship in or toward the channel. [redacted] would be utilized to cut anchor chains and cables. Upon completion of the placement of the charges and the cutting of the mooring lines, [redacted] to the [redacted] and depart area.

Forces Required: [redacted]

- 1 [redacted] provide).

Times: - Timing would primarily be dependent upon the time it would take [redacted] to provide the [redacted]

Routes: - [redacted] would proceed to within [redacted] of the [redacted] facility. [redacted] with silent outboard engines, would proceed into the general target area.

[redacted]

Issues/Problems:

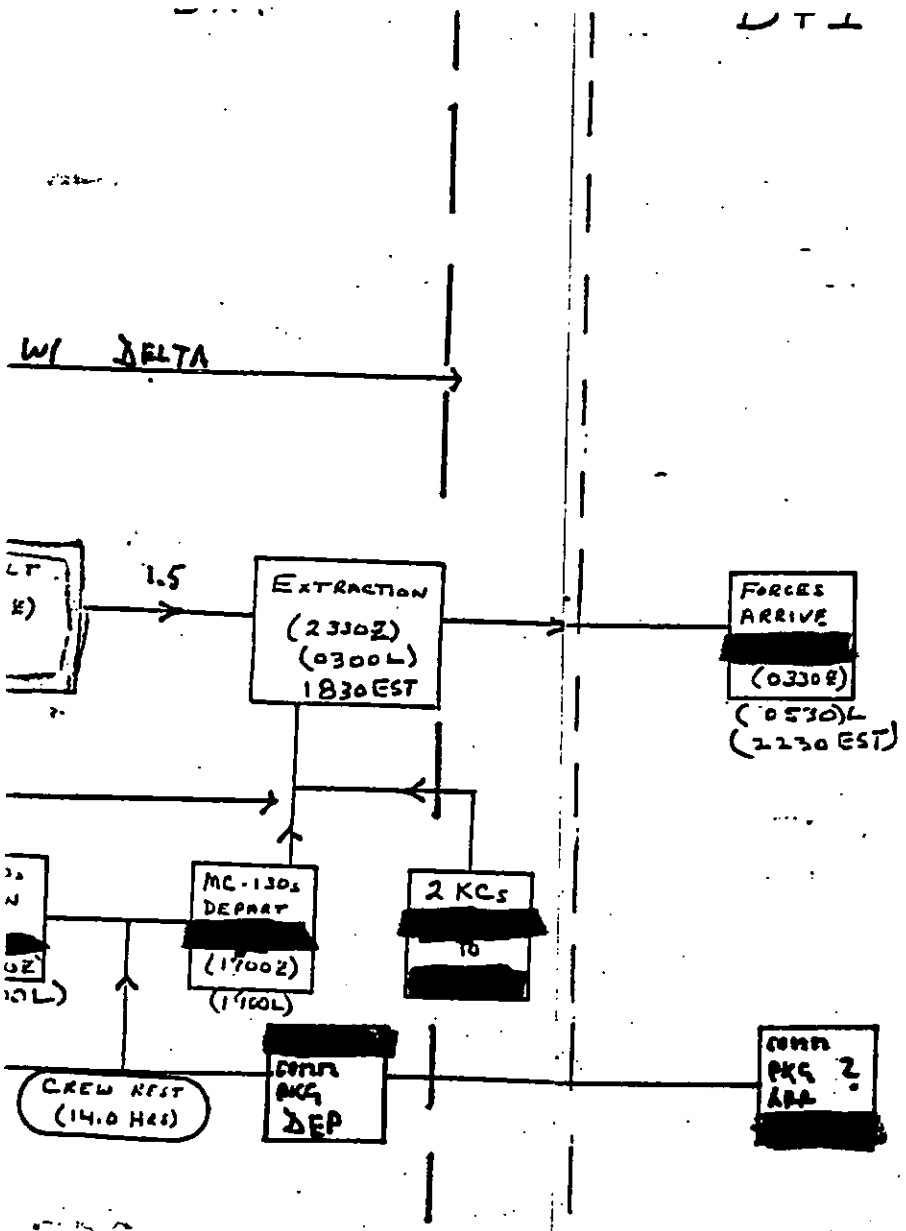

- The [redacted] and/or other shipping in the [redacted] facility can be sunk; however, the likelihood of this action being perfectly timed with the tides to result in blockage of the channel is questionable.
- Intelligence indicates there are a large number of Italian construction workers located at the [redacted] and some of these personnel may be lodged on the [redacted] The possibility of injury or death to some of these personnel must be considered.
- This option would inject 14 personnel into country; however, the risk for the personnel involved is considered low to medium. The possibility of detection of [redacted] would be highest during the removal of the mooring lines on the pier.
- The use of [redacted] for delivery of [redacted] into the object area has been discounted due to the [redacted] (rubber boats or swimmer delivery vehicles); [redacted] drop off point into the target area.

BASE CASE OPTION

Preliminary assessment (much information is still soft). Furthermore, assessment has not been formally coordinated with intelligence agencies.

SITUATION:

1. The current situation is the result of several weeks of detailed planning and is sanctioned by the Ayatollah Khomeini. The situation has been and will continue to be orchestrated by the shiite religious leadership using the students and the Revolutionary Guards propaganda and security apparatus.

2. The situation at the compound has now settled into a routine with demonstrations periodically staged outside the Chancellory Gate on Takhi-E-Jamshid Blvd. Crowd size varies from 50 curiosity seekers to several thousand at lunch/prayer time when announcements go out via the radio and the local public address system.

3. [redacted]

7. The principal external reaction forces are listed below with their estimated reaction times for the 0200 - 0400 time frame (from notification).

A. Within 10 - 15 minutes - local IRG Militia/Pasdaran - 50 - 100 (see note below) [redacted]

B. Within 15 - 20 minutes - local crowds - 100 - 300

C. Within 20 - 30 minutes - [redacted]

D. [redacted]

E. Within 30 - 45 minutes - IRG back-up strike forces - 1,000 - 1,500 [redacted]

F. Within 45 - 60 minutes - [redacted] Residual - 1,500 - 2,000 late arrivals

NOTE: Of special significance is the [redacted] Force of greatest concern

[redacted]

[redacted]

CONCEPT

a. 75 Delta military personnel required to assault compound (high risk but entry is "doable" providing intelligence is accurate and surprise is achieved).

b. Insertion of one or more Delta persons into country day or two in advance of insertion.

c. Delta team trains at special stateside location. Transportation to [redacted] by C141, to [redacted] by special MC-130's.

Air refuelable Combat Talon (low level covert infiltration aircraft) MC-130s fly to [redacted] from Pacific and Florida.

Delta team inserted by MC-130's. [redacted] rest for 24 hours in Tehran. Safe haven [redacted]

Assault compound in middle of night. Free hostages and proceed to pick up point.

MC-130s make blackout, night assault landing, pick up personnel and fly to 3rd country.

Extraction most difficult part of operation and is very high risk.

[redacted]

[redacted]

TIME CONSUMING ACTIONS TO ENHANCE BASE CASE SUCCESS

A. Obtain additional intelligence on compound and city activities.

B. DELTA continues to train, review mockup, study intelligence and review planning.

C. [redacted] communication and other requirements to support insertion/extraction.

D. Determine feasibility of inserting 15 man advance element by covert/clandestine means.

E. Determine if better way to insert through covert means.

F. Establish close, definite contact with 3rd country with help in Iran, for insertion, aid in objective area and extraction or movement to safe haven.

G. Improve communications capability for positive control at each decision point.

H. Develop detailed deception plans, to include method of creating local diversions, neutralizing radio/TV stations and developing capability to shut off commercial power.

I. Develop national diversions (KURDISH, etc.)

J. Assure vehicle availability both for insertion/extraction use.

K. Identify multiple extraction assault landing areas.

L. Arrange for safe havens for all if assault extraction delayed or unsuccessful.

M. Develop [redacted] for MC-130 operations fro[redacted]

[redacted]

BASE CASE [redacted]

PROBLEM: Analyze pros and cons of one or more nights between insertion of rescue force and assult/extraction, V.S. single night operation.

One or More Nights

ro:
- Provides more flexibility for JTF to gauge weather, local threat, etc.
- Simplifies tanker MC-130 maintenance and aircraft problems
- Reduces requirement for "D" advance party
- Enables air land or airdrop further from city
- Provides significantly more time for D-Force regroup, transportation, orientation and observation and prepration
- Provides flexibility for D-Force selection of rescue time for best conditions

ons:
- Increases possibility of exposure and alarm for initial insertion, and while in city

Single Night

Pro:
- Reduces possibility of exposure at ISB
- Reduces exposure of group while in the city
- Overall reduction in possibility of exposure of aircraft and D-Forces

Cons:
- Reduces flexibility for D-Force execution (wx etc)
- Requires "one shot" decision by JTF CO
- Doubles tanker and MC-130 requirement
- Complicates tanker MC-130 maintenance and air crew problems
- Requires "D" Force advance party
- Shortens time for D-Force regroup, transportation to city infilitration, orientation, and preparations for assult
- Increases significantly the probability of aircraft detection during insertion
  - overfly the during daytime

THE JOINT STAFF

21 July 1980

MEMORANDUM FOR THE CHAIRMAN, JOINT CHIEFS OF STAFF

Subject: Intelligence Support Schedule

1. Per your request, this memo forwards a schedule for establishing an effective in-country support structure. The schedule was prepared against a Generic Operational Concept which envisioned simultaneous assaults against [redacted] locations as listed below:

C

[redacted]

2. The following generic description applies to all targets: two-three story masonry building within a walled compound; located in a suburban environment approximately 30 minutes helicopter flight time from an adequate fixed wing offset insertion site; and 30 minutes driving time (or 12 minutes helicopter flight time) from the nearest potential fixed wing extraction site.

3. The following intelligence and mission support requirements apply to all target locations:

B, C

a. [redacted]

b. [redacted]

c. [redacted]

d. [redacted]

e. [redacted]

f. [redacted]

[redacted]

g. [redacted]

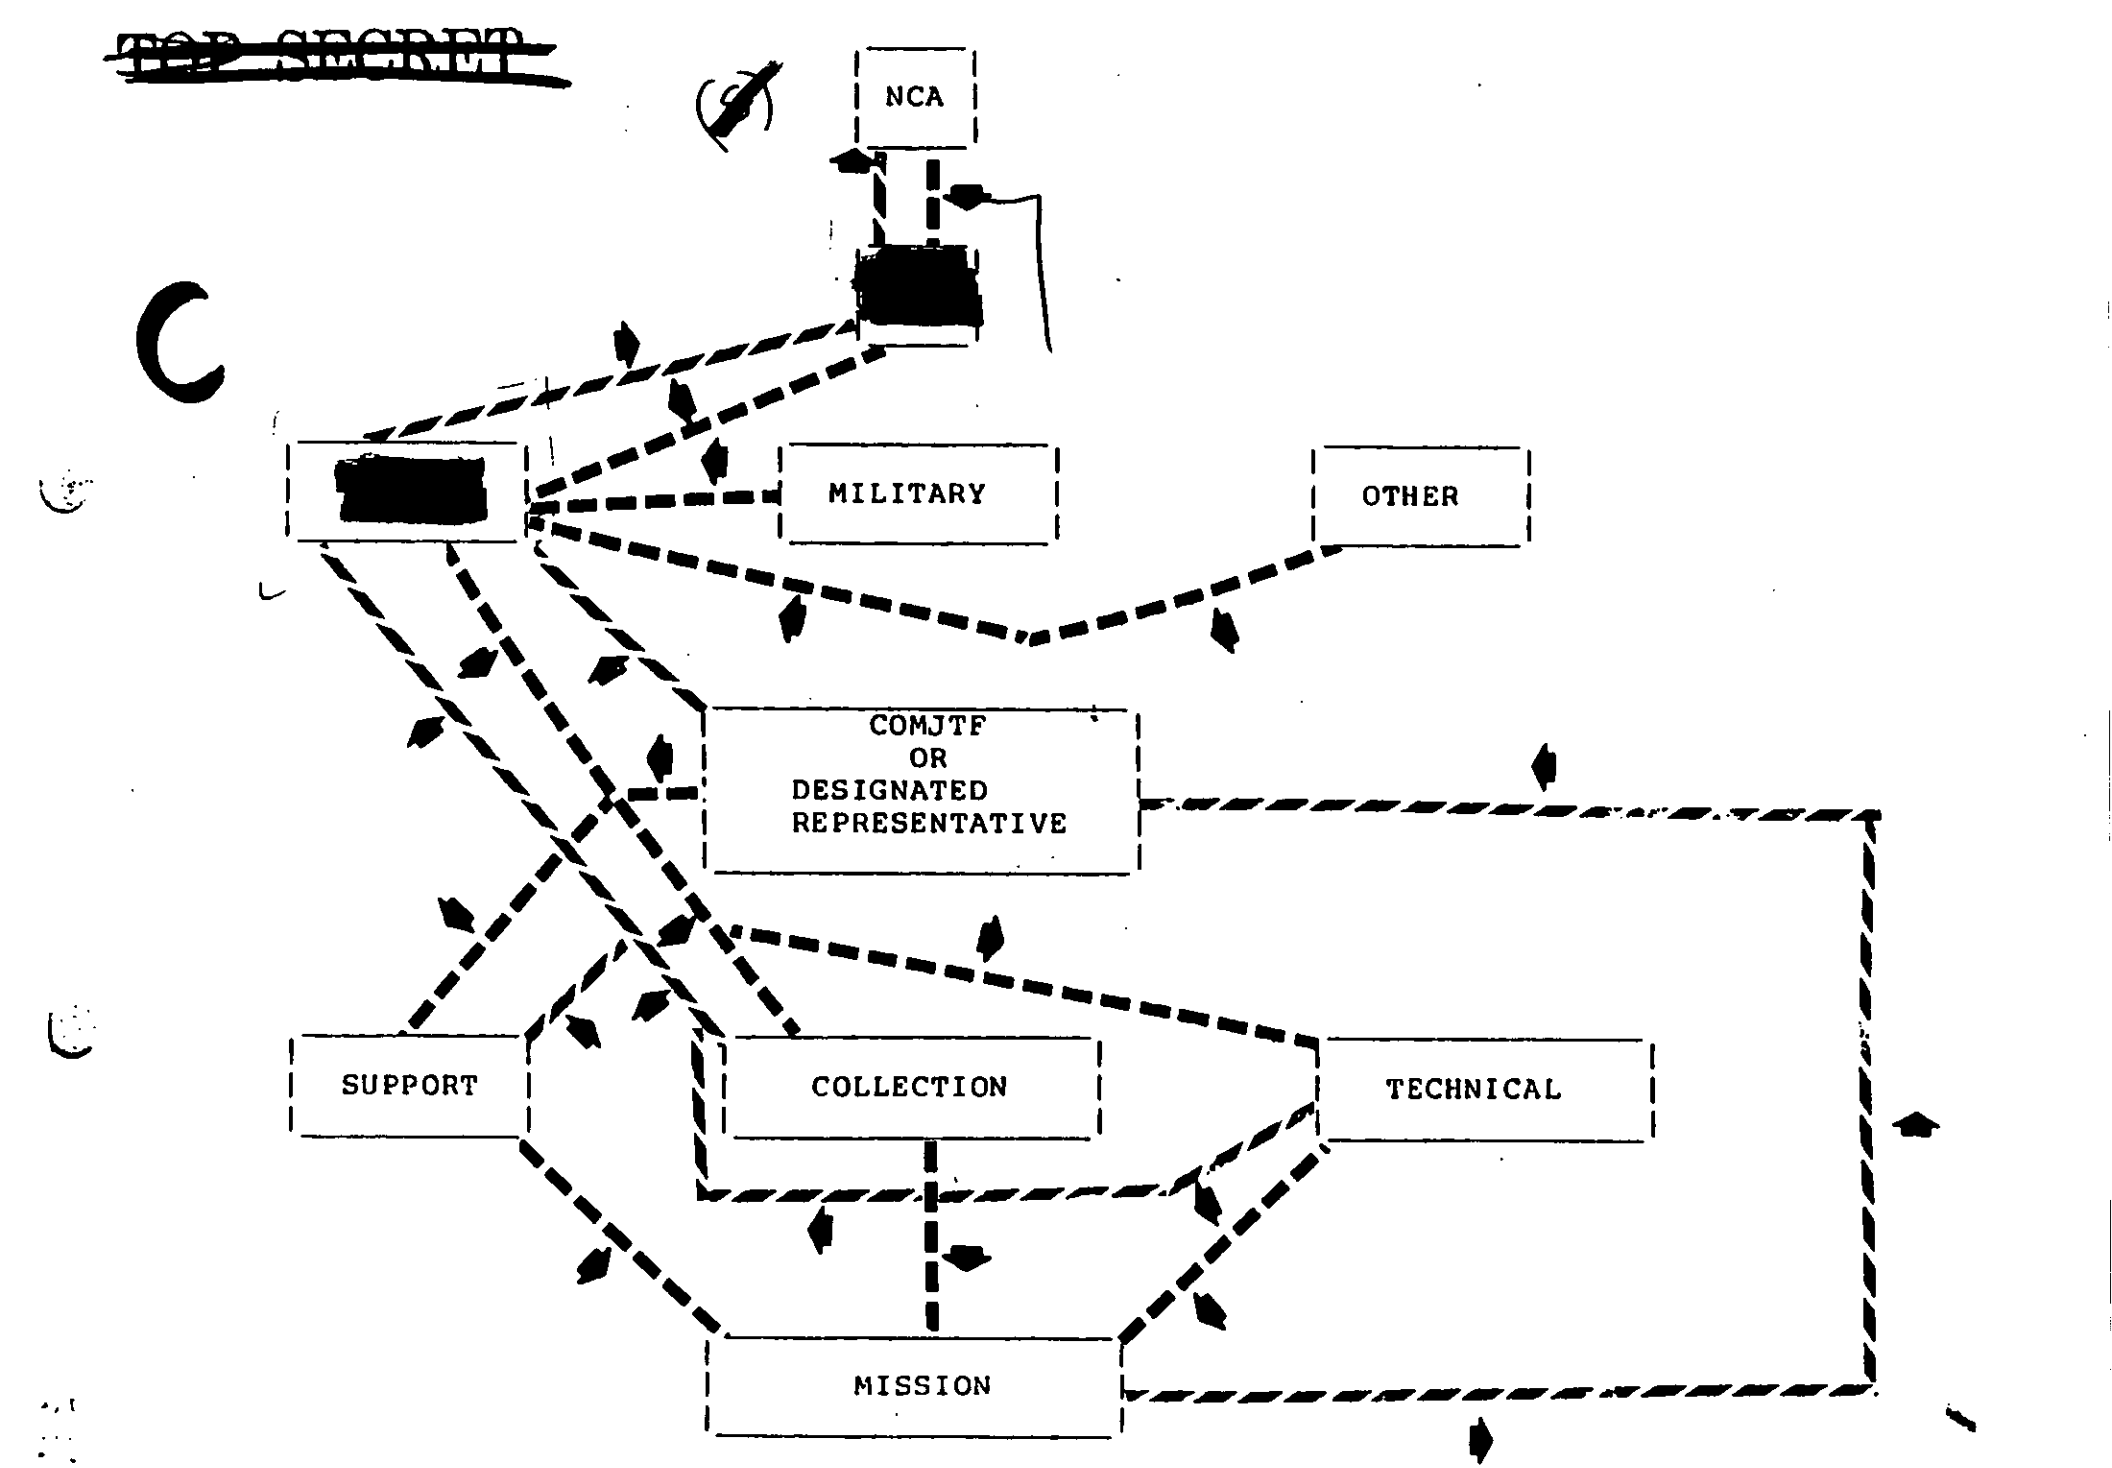

h. [redacted]

4. The support schedule outlined on the next page would require 92 calendar days if conducted sequentially. Time could be saved if some actions were accomplished in an overlap fashion. However, practically speaking, sixty days or more will be required to establish the necessary structure, unless drastic measures are taken to upgrade the priority accorded this project [redacted]

5. Recommend priority of intelligence support to SNOWBIRD be addressed at senior levels of DOD and [redacted]

Subject: Iran Situation Report as of 0500 26 April 1980

(U) Significant Events:

[redacted]

--(C) In response to the aborted US rescue attempt, the militants at the US Embassy announced that they would kill the hostages if another attempt is made. [redacted] According to one press report, the militants have called for Revolutionary Guards to build up the 24-hour patrols around the embassy. One possible reaction by the militants could be to move some or all of the hostages to one or more undisclosed locations. Militating against this action, however, would be the additional control and coordination problems it would cause as well as logistic support problems. [redacted] likely increase the readiness of [redacted] near Tehran and the Gulf.

--(C) Ayatollah Khomeini will most likely use the incident to once more divert the Iranian people's attention from pressing domestic problems and to revive popular fervor for his Islamic revolution. He will cite the aborted rescue attempt as proof that the US is trying to undermine the revolution.

(U) [redacted] Significant Military Activity:

INTELLIGENCE SUMMARY

--- Results of photo coverage not yet available.

[redacted]

A news release from Iran indicates one Revolutionary Guard was killed and two others were injured "when the Iranian Army blew up the helicopters". The official PARS News Agency quoted the Office of the Chief of Joint Staff, General Mohammad Hadi Shadmehr as confirming the destruction of the helicopters, but denying that they had been bombarded by jet fighters.

--- No new HUMINT reports have been received regarding the possible regrouping or transfer of the hostages.

--- In a late news item; REUTERS reports that a spokesman for the militants stated the hostages will be moved to different cities as a security precaution against another rescue attempt.

[redacted]

TOP SECRET [redacted]

OVERALL CONCEPT OF OPERATIONS

- The operation will be accomplished during a nine day period (7 days for warning and positioning the force and 2 days for execution and recovery). Heavy lift helicopters (RH-53s), AC and MC-130 aircraft, refuelable C-130Es, C-141 airlifters and KC-135 tankers will be used. The helicopters will launch from the Nimitz. Other air operations will be conducted from [redacted]

- The operation in Iran takes two nights and one day. It is divided into three phases - Insertion, Hostage Release and Extraction.

- Upon last light of the insertion day, SFOD-Delta [redacted] will be airlifted [redacted] to an isolated desert LZ in Iran.

  -- The first MC-130 will land on the desert LZ and Delta forces will immediately set up blocking positions on the road in order to control any vehicular traffic transiting the area.

  -- The second and third MC-130 land desert LZ where number one has secured the area.

  -- The MC-130 aircraft will be followed by three EC-130s from [redacted] Each of these aircraft will have [redacted] bladders for a total of 18,000 gallons of fuel available for refueling purposes. Once the EC-130s have landed and are in position, the 3 MC-130s will depart for [redacted]

  -- Concurrently, 7 RH-53s will depart the USS Nimitz to marry up with the forces at the LZ. While at the LZ, the helos will refuel from the EC-130s and load the Delta personnel (the [redacted]

  -- Once refueled and loaded, the helos will fly to a hideout area which is located approxrmately 100 KM from Tehran.

  -- The MC & EC-130s at the desert LZ will depart [redacted]

  -- Once the helos reach the hideout area, they will be camouflaged and defensive positions set up. This evolution will be completed prior to sunrise.

-- The Delta force will [redacted] hideout area to a warehouse which is located approximately 15 KM from Tehran [redacted] previously purchased [redacted].

-- While at the warehouse, final preparations will be made for the hostage release phase.

-- That night, Delta will [redacted] enter the compound early the next morning.

-- The hostage release can be completed in less than one hour - most will be out in 30 minutes or less.

-- Two AC-130s will fly from [redacted] to the compound and provide on-call fire support if required.

-- Concurrently, 4 MC-130s w/Rangers (75 personnel) and fuel [redacted] from [redacted] will secure Manzariyeh. Two C-141s from [redacted] will land immediately thereafter and prepare for the arrival of the helos from Tehran.

-- A third AC-130 from [redacted] will be available to provide on call fire support at Manzariyeh.

-- Once Delta has entered the Embassy Compound and initiated the hostage release, the helos will be called in for extraction and transportation of the hostages and Delta to Manzariyeh.

-- A separate fully coordinated, concurrently executed plan will be used to free Mr. Laingen + 2 from the Foreign Ministry.

-- At Manzariyeh the former hostages and any wounded JTF personnel will be loaded on the C-141 which will be staffed with an emergency medical team. This aircraft will fly to the nearest US military hospital [redacted]

-- Other personnel (Delta, helo crews) will board the second C-141 and fly to [redacted] for further transportation to CONUS.

-- The AC and MC-130s (with 75 Rangers) will return to [redacted] or to other airfields, as the situation requires. All MC/AC-130 flights from [redacted] to Iran and return will require air refueling over [redacted]

PENETRATION OF IRANIAN AIRSPACE

Q: What was the first take off time for the helicopters departing the carrier?

A: 1507Z (1007 EST) (1937 Tehran local)

Q: What was the first take off time for the C-130 aircraft?

A: [redacted] first aircraft departed at 1400Z (0900 EST) (1830 [redacted] NO [redacted]

Q: At what time did the helicopters enter Iranian airspace?

A: Based on an estimated position of 50 NM from the land mass of [redacted] and recognizing a 12 mile boundry [redacted] from territorial land, the aircraft should have entered [redacted] space at 1518Z (1018 EST) (1948 Tehran).

Q: When did the C-130s first enter Iranian airspace?

A: Again using the 12 mile limit as criteria, the first C-130 would have been in Iranian airspace at 1531Z (1031 EST) (2001 Tehran).

Q: When did the aircraft depart the landing area?

A: The exact time of departure and route flown by the aircraft are unknown. Estimated departure time was 2245Z.

Q: When did the aircraft depart Iranian airspace on the return?

A: The exact time is unknown. Based on the expected coast out time, the aircraft would have passed the 12 mile limit at 0113Z (2113 EST) 0543 Tehran).

Q: What was the exact number of US personnel on or over Iranian soil?

A: The exact number is unknown due to changes in the force made up after the JTF had moved to its forward location. However, based upon best information available here, the force was between [redacted]

NOTE: This can be broken down into:
Aircrew: [redacted]
Others: [redacted]
Both figures are approximate

Q: What was the nature of the operation?

A: The mission was humanitarian in nature and designed solely to rescue Americans held hostage in the Embassy in Iran with minimum injury to Iranians. Evidence of this was the detaining and subsequent release of Iranian citizens at the desert site.

Q: What was the maximum penetration of Iran?

A: Distance from the coast to the actual landing site is approximately 500 Nautical Miles.

Q: How long was the force actually on the ground?

A: As the actual departure time is unknown, an exact answer cannot be given. However, from the landing of the first aircraft at 1813Z until the estimated departure time of 2245Z is four hours and 32 minutes.

1845Z THE TWO ASSIST HELOS ENROUTE TO REFUEL SITE. NO CLEAR STATUS ON TWO DOWNED HELOS.

1813Z ONE MC-130 ARRIVED REFUEL SITE.

1836Z ONE KC-135 DEPARTED [redacted] FOR ARCT DEF NIMITZ [redacted]

1930Z TWO MC-130'S ARRIVED REFUEL SITE. SECURITY FORCE ENGAGED BUS, GAS TRUCK, AND UNK THIRD VEHICLE. GAS TRUCK BURNING THIRD VEHICLE ESCAPED TO WEST. BUS CAPTURED AND 53 HOSTAGES TAKEN.

2000Z ONE MC-130 AND THREE C130 REPORTED ON GROUND AT REFUEL SITE. FIRST TWO MC-130 DEPART FOR [redacted]

2024Z FIRST RH-53 ARRIVED REFUEL SITE.

2030Z SECOND RH-53 ARRIVED REFUEL SITE.

2035Z THIRD RH-53 ARRIVED REFUEL SITE. TWO RH-53 ONE AT 2100Z. OTHER HELO STATUS NOT KNOWN.

2050Z FOUR RH-53 (TOTAL) NOW AT REFUEL SITE.

2102Z SIX RH-53 (TOTAL) NOW AT REFUEL SITE. STATUS OF REMAINING TWO RH-53 NOT KNOWN.

2135Z FIVE RH-53 FMC. SIXTH RH-53 HARD DOWN FOR HYDRAULICS. COMJTF REQUESTED THREE ON SCENE COMMANDERS(DEP COMJTF FOR AIR/DELTA/RH-53) TO CONSIDER FORCE REDUCTION TO ALLOW MISSION TO CONTINUE, AND ADVISE.

2148Z ON SCENE COMMANDER REQUESTED DISPOSITION INSTRUCTIONS FOR 53 HOSTAGES AND THE CAPTURED BUS IN THE EVENT OF A DECISION TO ABORT.

2149Z JTF ADVISES DELTA TO PREPARE TO DESTROY SIXTH (DOWN) RH-53

2205Z COMJTF CONFERS WITH HIGHER HEADQUARTERS.

2212Z COMJTF DIRECTS ON-SCENE COMMANDERS TO ABORT MISSION, TO RELEASE HOSTAGES AND TO RECOVER HELOS AND FIXED WING TO NIMITZ AND [redacted] RESPECTIVELY.

2227Z DELTA ADVISES THAT HELO IMPACTED IN EC-130. EC-130 AND HELO ON FIRE. JTF HQ STAFF INITIATES RECOVERY PLAN.

2250Z DELTA ADVISES NO SURVIVORS FROM HELO. MANY INJURIED, SOME BURNED (PRESUMED TO BE EC-130 PERSONNEL/PAXS)

2251Z DELTA REQUESTED TAC AIR TO DESTROY HELOS. ALL C-130 EXCEPT DAMAGED ONE WILL ABORT AND MAKE [redacted] WITH ON BOARD FUEL. JTF ADVISES JCS SAR AND CAP MAY BE REQD

2257Z DELTA REPORTS THAT SOME PEOPLE MAY HAVE BEEN TRAPPED IN EC-130. FIRE TOO INTENSE TO SEARCH. 1MC-130 AND 2 EC-130 ENROUTE [redacted]

2300Z ONE OF TWO MISSING RH-53 (5) ARRIVED NIMITZ.

2320Z EC-MC-130'S REPORTED INTERIM PERSONNEL FIGURES [redacted] ROUGH COUNT)

2[redacted]Z 1 C-141 DEPARTED [redacted] AS MEDEVAC.

0[redacted]Z JTF REQUESTED [redacted] MEDEVAC FROM MAC [redacted]

[redacted] AIRCRAFT COMMANDER REPORTED THAT MISSING HELO CREW WAS PICKED UP BY ANOTHER HELO PRIOR TO ARRIVAL AT DESERT TRACK. ONLY CREW NOT PRESENT IS CREW ON RH-53 THAT CRASHED INTO C-130 AT DESERT TRACK.

[redacted] PERSONNEL ACCOUNTING AND RECOVERY EFFORTS UNDERWAY.

4. COMMANDER'S COMMENTS:

A. MISSION WAS PROGRESSING WITHIN EXCEPTABLE RANGE UNTIL ON SCENE COMMANDER REPORTED ONLY 5 HELICOPTERS FMC. WE STILL HAD SUFFICIENT TIME TO REACH DROP OFF/HIDEOUT AREA BEFORE DAYLIGH[redacted]

[redacted]

B. SINCE ARRANGEMENTS HAD BEEN MADE TO [redacted] OF FUEL TO MANZARIYEH, JTF HQ THOUGHT IT MIGHT BE POSSIBLE TO CONTINUE MISSION BEYOND DESERT ONE WITH 5 FMC HELICOPTERS.

C. IN VIEW OF THE THREE ON SCENE COMMANDER'S RECOMMENDATION THAT THE MISSION BE ABORTED (THIS CONFORMS WITH THE ORIGINAL DECISION SCENARIO) I TENTATIVELY CONCURRED WITH THEIR RECOMMENDATION AND REQUESTED THEY WAIT WHILE I CONFER WITH HIGHER AUTHORITY. AFTER CONSULTATION WITH HIGHER AUTHORITY I ORDERED ON SCENE COMMANDERS TO ABORT, INITIATE EXTRACTION, AND RETURN FORCES TO POINT OF ORIGIN.

D. PER OUR PLAN, HELICOPTERS WERE TO FLY BACK TO NIMIZ WITH ONLY THEIR CREWS AND REMAINING 4 C-130'S (ONE MC AND 3 EC'S) WERE TO EXTRACT ALL OTHERS TO LAUNCH BASE. ON SCENE COMMANDERS ACKNOWLEDGED DECISION AND INITIATED EXTRACTION AT 2212Z.

E. AT THIS POINT, NO LIVES HAD BEEN LOST (TF OR IRANIAN).

F. WE HAD JUST BEGAN NOTIFYING LOCAL JTF REAR COMPONENTS TO PREPARE TO RECEIVE THE RETURNING TASK ELEMENTS WHEN WE WERE INFORMED THAT AN ACCIDENT HAD OCCURRED BETWEEN AN RH-53 AND A C-130 AT DESERT TRACK.

G. THE STAFF THEN BEGAN TO FORMULATE EMERGENCY MEDICAL SUPPORT PLANS TO COMPIMENT THE EXTRACTION.

H. OTHER DETAILS OF ACTION TAKEN AT DESERT TRACK MUST AWAIT DEBRIEF OF OTHER TASK FORCE PERSONNEL WHO WERE AT THE SCENE. WILL PROVIDE ORAL PROGRESS REPORTS UNTIL NEXT SITREP. CAUTION AS ABOVE DATA WAS DERIVED FROM INFORMATION AVAILABLE AT HQ LOCATION ONLY AND LIMITED MONITORING OF SUB-ELEMENTS TRANSMISSION. HOWEVER, INTERNAL JTF COMMUNICATIONS WORKED EXCEPTIONALLY WELL THROUGHOUT THE OPERATION. WE HAD EMPHASISED STRICK COMMUNICATIONS DISCIPLINE, HENCE DETAILS WHICH WOULD NORMALLY BE AVAILABLE WERE NOT TRANSMITTED9

[illegible]	1 MC-130 launch/1 EC-130 launch
[illegible]	1 MC-130 launch/2 EC-130
1600	2 KC-135 take off fm [redacted]
1710	2 helos rptd down at 1210L by Site Alpha 29-16N 58-55E (our computation)
1742	[illegible] reports J-3 estimate of downed helos at 29-16N 58-55E
1814	C of S rqstd study on possibility/options of recovery w/Fulton Rigs
1800	(Delay Log) Mr [redacted] called secure fm Bragg. Acft being loaded - crew not full - will advise.
1836	Tasked to develop recovery plan for downed crew. Consider fixing Loc by RDF on Guard & IR strobe by returning acft from Desert One & then return in 24hrs for Fulton recovery or SAR.
1905	C of S (Relay fm JTF) confirm 2 helos on ground for mechanical. Crew on extraction birds. Msn going on. Bad commo w/birds to Vaught. No update probably for 2 hrs. (MG Vaught indicated this was his supposition based on poor commo).
1910	We think 2 MC-130 on ground at Desert One.
1857	Confirmed acft on ground (1) msg fm Alpha. (unk how many)
1856	3d MC-130 rptd landing at Desert One (NSE rpt) (3 now on ground)
1952	Msg fm Alpha: (1952Z) (3 vehicles on road. 1 escaped. 1 vehicle was a bus w/44 pax. Gas truck on fire. 2 MC-130s at Desert Track. No injuries.
2006	Msg 1955Z: 5 Sierra called by RH-53 requesting position.
2020	2020 speculative lift-off helos
	1924 speculative lift-off MC-130s
2030	Foncon CPT [redacted] - USAF - (2444) - at [redacted] Can't fly [redacted] to [redacted] will talk to him.
2047	[redacted]
2050	We think #5 helo is attempting to return to NIMITZ. Comm from Vaught to Desert One is poor.
2052	Trying to confirm that KC-135 tankers are aloft.

[illegible]

TIME (ZULU)	EVENT/COMMENT/NAME
242109	Msg 24055Z fm JTF C-141 extraction acft status See file.
2110	Vaught to CJCS indicates that 6 helos are on ground with 4 refueled & 2 taking on fuel. Should leave in 40 min. Msn continues. Escapee moved south. No pax injured at Desert One.
2140	CINCPAC trying to contact NIMITZ ref the helo apparently trying to gain ship.
2147	Power went out in Comms Room.
2150	C of S indicated that MG V rcmded abort in that 6th helo is down. NCA developing decision.
2158	C of S - indicated plan is to recover helos on NIMITZ. Speculation on whether or not to launch SAR fr Kirtland AFB. One helo crew unaccounted. Do we launch fm [redacted]
2207	C of S indicated CJCS will talk to Gen [redacted] & begin moving SAR acft east.
2210	JTF RC rcmds using [redacted] as SAR point.
2219	C of S indicated: 5 helos w/7 crews flyable at Desert One. One dead bird at Desert One, one dead bird on flight route, one bird returning to NIMITZ.
2226	Call fm Mr [redacted] C-141B crew (refuel) will arrive at [redacted] 2000L. Will advise when ready to launch.
2236	C of S passed CJCS desire to indicate flight profile if a 1700L EST lift off. (JTF RC indicates a 4 hr flight).
2244	Call from Alpha. Rqstd we advise NIMITZ of possible TAC AIR CAP on return.
2248	Rpt fm CINCPAC. Apparently one helo bumped a C-130 at refuel point causing a burn victim. Hostages apparently released. MEDEVAC for [redacted] rqstd.
2302	[redacted] to Alpha. Do you desire C-141 at [redacted] configured for medical launche now? Yes. Instructions to JTF RC: Launch 1 C-141 [redacted] to [redacted] engine run 1 C-141 and hold at [redacted] Cock 1 C-141 at [redacted] MED 141 & C-9 to [redacted] ASAP.
2318	Fm Alpha: Need F[redacted] hospital prepared. Bring blood w/acft - 20 units per acft. Do not delay for blood. Neg info on casualties. Passed to MAC.
2320	Fm Alpha: Hold C-141 fm [redacted]

TIME (ZULU)	EVENT/COMMENT/NAME
242323	Fm [redacted]. Extend tkrs over NIMITZ, launch what is available from [redacted] Will rtn call when he contacts [redacted]
2330	Notified EUCOM Ops to be prepared to rcv an unspecified amount of burn casualties. Told to keep it low key (Col [redacted] 6420).
2339	C of S indicates that one crew is unaccounted for. Rqst [redacted] assist.
2340	[redacted] to BTF: What do you want to do to helos? (Do not destroy helos) NIMITZ prepared to launch a RH-53. Understood one man dead. EC-130 pilot & one RH pilot missing. (Fm [redacted] believed to be one more dead.
2349	Query fm LTG Shutler. Can we get an RDF on the beeper? Guidance: Get to [redacted] & tell him to tell C-130s at Desert to try & get an RDF fix.
2355	[redacted] Try to get acft to monitor guard & get a fix (WILCO)
250001	CJCS confirmed not destroying helos. Try & maintain low profile on xtract.

20	Pyrotechnic Pistols, (MK8)	On board NIMITZ
[redacted]	[redacted]	DELTA
Unknown	Other sidearms (e.g. Cal .45 Pistols)	

2. The following weapons (serialized items only) were put aboard mission aircraft and were introduced into Iran:

40 M16A1s
40 Cal .38 Pistols
18 Cal .50 MG

Draft
April 26, 1980

Dear [Mr. Speaker]
[Mr. President]

This is the Report required by Section 4(a)(2) of the War Powers Resolution (Public Law 93-138) and, to the extent applicable, by Section 4(a)(1) of that Resolution.

On April 24, 1980 I directed elements of the United States ~~forces~~ to commence the positioning stage of a rescue operation which was designed, if the subsequent stages had been executed, to effect the rescue of the American hostages who have been held captive in Iran since November 4, 1979 in clear violation of international law and the norms of civilized conduct among nations. The subsequent phases of the operation were not executed. Instead, for the reasons described below, ~~the Armed Forces of the United States~~ all these elements were withdrawn from Iran, and no hostilities occurred.

The sole objective of the operation that actually occurred was to position the rescue team for the subsequent effort to withdraw the American hostages. The rescue team was at all times under my command and control and required ~~further orders~~ my approval before executing the subsequent phases of the operation designed to effect the rescue itself. ~~While the subsequent phases could have resulted in hostilities if orders to execute these phases had been issued,~~ No such orders were issued, ~~and instead the mission was aborted~~.

My approval was requested on [illegible] as described above, the mission was aborted.

Beginning approximately 10:30 AM EST on April 24 six U. S. C-130 transport aircraft and 8 RH-53 helicopters entered Iranian air space. These aircraft were not equipped for air combat or bombing. Their crews were not equipped for combat. Some of the C-130 aircraft carried a force of approximately 90 members of the rescue team equipped for combat, plus various support personnel.

From ~~1:57~~ approximately 2 to ~~4:02~~ 4 PM EST the six transports and six of the eight helicopters landed at a remote desert site in Iran approximately 200 miles from Tehran where they disembarked the rescue team, commenced refueling operations and began to prepare for the subsequent phases.

During the flight to the remote desert site, two of the eight helicopters developed operating difficulties. One was forced to return to the carrier Nimitz; the second was forced to land in the desert, but its crew was taken aboard another of the helicopters and proceeded on to the landing site. Of the six helicopters which landed at the remote desert site, one developed a serious hydraulic problem and was unable to continue with the mission. The operational plans called for a minimum of six helicopters in good operational condition able to proceed from the desert site. Eight helicopters had been included in the force to provide sufficient redundancy without imposing excessive strains on the refueling and exit requirements of the operation.

When the number of helicopters available to continue dropped to five, it was determined that the operation could not proceed as planned. Therefore, on the recommendation of the force commander and my military advisers, I decided to cancel the mission and ordered the U. S. force to return from Iran.

During the process of withdrawal, one of the helicopters accidentally collided with one of the C-130 aircraft, resulting in the death of eight personnel and the injury of several others. At this point, the decision was made to load all surviving personnel aboard the remaining C-130 aircraft and to abandon the remaining helicopters at the landing site. Altogether, the U. S. force remained on the ground for a total of approximately three hours. The five remaining aircraft took off about 5:45 PM EST and departed from Iranian airspace without further incident at about 8:00 PM EST on April 24. No U. S. Armed Forces remain in Iran except [illegible] in captivity as hostages.

The remote desert area was selected to conceal this phase of the mission from discovery. At no time during the temporary presence of U. S. forces in Iran did they encounter Iranian forces of any type. We believe, in fact, that no Iranian military forces were in the desert area, and that the Iranian forces were unaware of the temporary presence of U. S. forces until after their departure from Iran. As planned, no hostilities occurred during this phase of the mission - the only phase

that was executed.

At one point during the period in which U. S. forces were on the ground at the desert landing site a bus containing about fifty Iranian civilians happened to pass along a nearby road. The bus was stopped and its occupants were detained by U. S. forces until the departure of U. S. forces at which time they were released unharmed. One truck closely followed by a passenger car also passed by while U. S. forces were on the ground. U. S. forces stopped the truck by a shot into the engine. The driver ran to the passenger car which then took off across the desert - an escape routine usually associated with smuggling. Neither of those incidents affected the safety or concealment of the mission.

Our rescue team knew, and I knew, that the operation was certain to be dangerous. We were all convinced that if and when the rescue operation had been commenced that it had an excellent chance of success. They were all volunteers, they were all highly trained. I met with their leaders before they went on this operation. They knew then what hopes of mine and of all Americans they carried with them.

To the families of those who died and who were wounded, I have expressed the admiration I feel for the courage of their loved ones and the sorrow that I feel personally for their sacrifice.

The mission on which they were embarked was a humanitarian mission. It was not directed against Iran; it was not directed against the people of Iran. It was not undertaken with any feeling of hostility toward Iran or its people. It caused no Iranian casualties.

This operation was ordered and conducted pursuant to the President's powers under the Constitution as Chief Executive and as Commander-in-Chief of the United States Armed Forces.

In carrying out this operation, the United States was acting wholly within its right, in accordance with Article 51 of the United Nations Charter, to protect and rescue its citizens where the government of the territory in which they are located is unable or unwilling to protect them.

Nothing in this report is intended to waive the constitutional authority of the President expressly reserved in Section 8(d)(1) of the War Powers Resolution.

Dear Mr. [Speaker:
[President:

On April 24, 1980, I directed United States forces to commence the execution of an operation designed to effect the rescue of the American hostages who have been held captive in Iran since November 4, 1979, in clear violation of international law and the norms of civilized conduct among nations. The sole objective of this operation was to position the rescue team for the subsequent withdrawal of the American hostages. The measures taken and planned were limited to those strictly necessary to rescue those hostages and to ensure the safety of the U.S. forces involved.

In accordance with my desire that the Congress be fully informed on this matter, and pursuant to Section 4 (a)(2) of the War Powers Resolution, I wish to report to you concerning the circumstances of this rescue operation.

At about 8:00 on April 24, six U.S. C-130 transport aircraft and eight RH-53 helicopters entered Iranian airspace en route to a remote desert landing site approximately 200 miles from Tehran for the purpose of refueling operations.

These aircraft carried a force of approximately ninety members of the rescue team, and about an equal number of air-crew and support personnel. During the flight to this landing site, two of the eight helicopters developed

operating difficulties. One was forced to return to the carrier Nimitz; the second was forced to land in the desert, but its crew was taken aboard another of the helicopters and proceeded on to the landing site. At the landing area, a third helicopter developed problems and was unable to continue with the mission. Because of the operational requirements of the rescue mission, it was determined that the operation could not continue as planned with as few as five helicopters. Therefore, I decided to cancel the mission and ordered the U.S. force to return from Iran.

During the process of withdrawal, one of the helicopters accidently collided with one of the C-130 aircraft, resulting in the death of eight personnel and the injury of several others. At this point, the decision was made to load all surviving personnel aboard the remaining C-130 aircraft and to abandon the remaining helicopters at the landing site. Altogether, the U.S. force remained on the ground for a total of approximately three hours. The five remaining aircraft departed from Iranian airspace without further incident at about 0100 on April 25. No U.S. forces remain in Iran.

At no time during the ~~mission did U.S. forces in Iran~~ encounter Iranian forces of any type. We believe, in fact, that Iranian forces were unaware of the presence of U.S. forces until after their departure from Iran. At one point during the period in which U.S. forces were on the ground at the desert landing site, a group of about fifty Iranian civilians happened to pass by in a bus, and were detained by ~~U.S. personnel~~ until the departure of U.S. forces, at which time they were released unharmed. In carrying out this operation, the United States was acting wholly within its right, in accordance with Article 51 of the United Nations Charter, to protect and rescue its citizens where the government of the territory in which they are located is unable or unwilling to protect them. This operation was ordered and conducted pursuant to the President's Constitutional Executive power and his authority as Commander-in-Chief of the United States Armed Forces.

Sincerely,

Jimmy Carter

COMMAND CONTROL AND COMMUNICATION

Command and control of the rescue effort required the establishment of a highly reliable, secure system from the National Command Authority to the Joint Task Force Headquarters (and alternates) and from that location to deployed elements.

The system was tailored to the unique operations requirements and exercised extensively. The training program the JTF developed and implemented allowed the simulation and testing of the command and control networks in a very realistic environment. Effective command and control could have been exercised in the event of plan execution as early as late November 1979. The fact that execution was not effected, however, allowed responsible individuals several months in which to test a variety of techniques, procedures and equipments. Thus, by the time the rescue plan was implemented high confidence had been attained in overall system reliability, security, and responsiveness to operational needs.

The concept of operations provided for a chain of command from the NCA thru the CJCS direct to Hq JTF, and from the JTF to deployed force elements.

The systems were in every case secure and redundant. Reliance was primarily on satellite media, backed up by HF/SSB. Codewords were provided for personnel, events and locations for use in both secure and non-secure modes and to reduce broadcast signatures. Force elements used no fixed communications; all equipments were mobile and portable. These latter factors significantly reduced our power available due to weight constraints and dictated the development of a highly disciplined system relying on the UHF satellites.

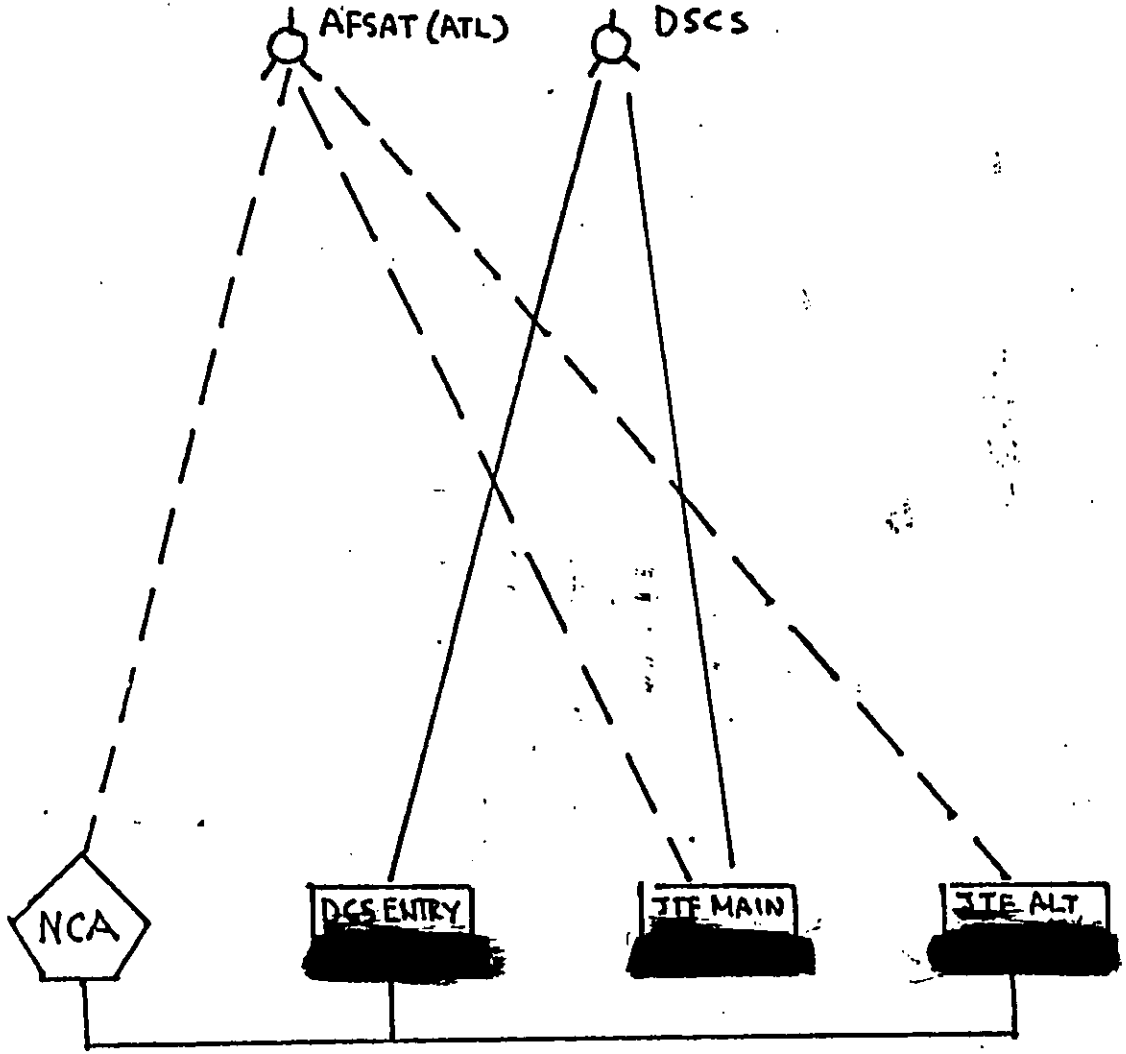

Four networks were established for command and control purposes. Not included herein are radio equipments used within the various force elements for intra-unit functions.

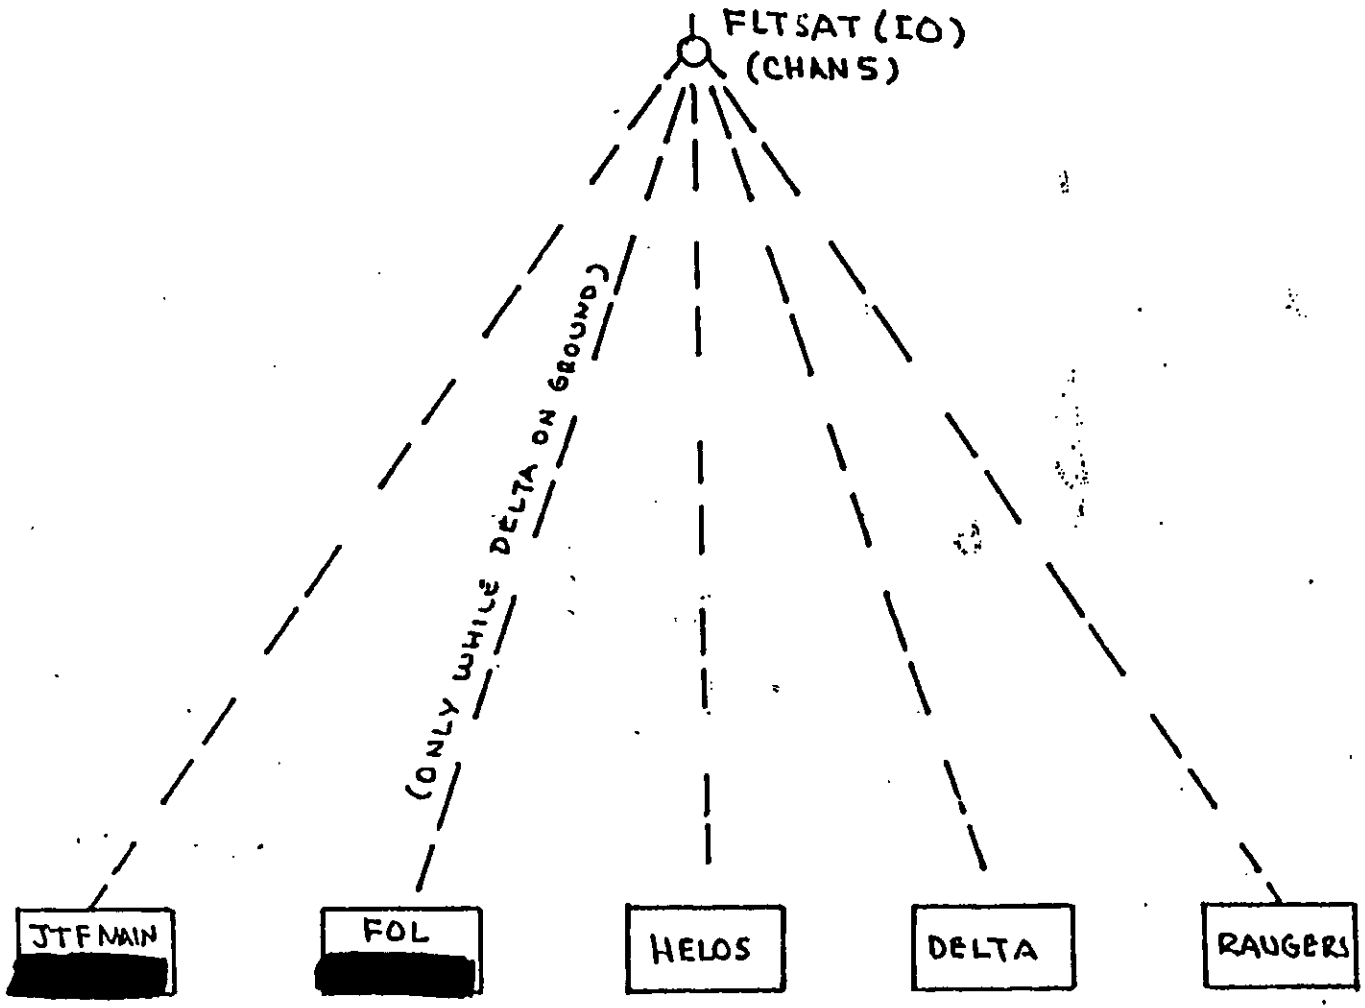

Command Net Alpha: Designed to provide the essential link from the NCA/CJCS to Hq JTF (JTF main) and to the limited alternate facility (see diagram A attached).

Command Net Bravo: Provided command and control from Hq JTF to the staging base, and the various force elements. (See diagram B).

Command Net Charlie: The intra-theatre command and control net. Not used as primary where UHF satellite capability could be used effectively by those units possessing (see diagram C).

Command Net Delta: The basic redundant capability but also used as primary path when desired (see diagram D).

POINT PAPER

Subject: JTF Training Exercises

- There were seven major training exercises conducted by the JTF that included all JTF components (entire mission package current at the time):

  3-6 Dec 79
  16-28 Dec 79
  16-18 Jan 80
  29-31 Jan 80
  26-27 Feb 80
  25-27 Mar 80
  14-15 April (partial exercise)

- Training exercises included:
  - Navigational training
  - Nite landing training
  - Refueling practice
  - Practice assaults on the AMEMB
  - Securing airfield
  - Contingency options
- Training Exercises were conducted in operational sequence and approximate mission distances.
- There was a continuous unit training cycle prior and subsequent to each major exercise.
- Each exercise included comprehensive command/control and communications training.

TRAINING SUMMARY:

In all major exercises, the assault package was rehearsed in its entirety using real time and distance factors. Additionally, various options, force packages and contingency situations were fully rehearsed and provided. Each aspect of the system was tested individually and then as part of the whole. Modifications were made continuously as the situation dictated. The results of each exercise consistently indicated that the amount of helos and USAF aircraft was optimum for the plan.

POINT PAPER ON MISCELLANEOUS QUESTIONS

1. Crew status on RH-53 helicopters:

   - 43 personnel from the four Services served as crew members on the eight helicopters used in the operation. There were 32 USMC, 8 USN, 2 USA and 1 USAF crew members.

     #1 - 4 USMC, 1 USN, 1 USA

     #2 - 4 USMC, 1 USN

     #3 - 5 USMC

     #4 - 5 USMC

     #5 - 5 USMC, 1 USN, 1 USA

     #6 - 4 USMC, 1 USN

     #7 - 3 USMC, 1 USN, 1 USAF

     #8 - 2 USMC, 3 USN

2. EC-130/RH-53 fire at Desert One:

   - Both the EC-130 and the RH-53 were seen burning by ground force and aircrew members at the time of egress from Desert One. One aircrew member was pulled from the cargo compartment of the burning EC-130 just prior to egress.

3. Air refueling capability of MC/EC-130s:

   - All MC-130 and EC-130 aircraft used in the operation were air refuelable and had participated in aerial refueling operations during training and deployment.

4. Number of detainees:

   - Debrief of Ranger security personnel at Desert One revealed that the only detainees were 44 personnel, to include the driver, who were on the bus that was stopped.

5. RH-53 Operational Summary:

   - Eight RH-53's departed NIMITZ for Desert One.

   - One RH-53 had equipment problems and was forced to land. A second RH-53 landed to provide assistance. The crew from the RH-53 that was forced to land transferred to the assisting RH-53 and also continued toward Desert One. Subsequently, two others landed during a sandstorm and remained on ground for about 45 minutes until WX permitted them to continue toward Desert One.

- One RH-53 became separated and headed back for Nimitz.

- Six RH-53s landed at Desert One.

- One of the six RH-53s was determined incapable of completing the mission. Decision was made to abort mission and return.

- One of the five remaining mission capable RH-53s collided with an EC-130. Both caught fire.

- Four remaining mission capable RH-53s, one not mission capable RH-53 and burning RH-53 and EC-130 were abandoned at Desert One. Personnel egressed from Desert One aboard MC-130 and remaining EC-130 aircraft.

- One RH-53 recovered at Nimitz, three MC-130s and remaining two EC-130s recovered at [redacted]

MEMORANDUM FOR CHAIRMAN

Subject: Discrepancies between JCS LOG/JTF Reports

INITIAL DOWN RH53 STATUS

Two Helos reported down by JTF 1210 EST. (2140Z)
No report of two additional assisting

JTF SITREP 2142L (EFF 250100Z)

Recap of JTF Ops log
Indicates 2 helos went down 1720Z
Indicates 2 helos assisting at 1837Z
Indicates 4 helos at desert track 2050Z
Indicates 6 helos at desert track 2102Z
Status of 2 Helos UNK

JTF RC aware through [redacted] channels a RH53 was closing on NIMITZ 0120Z.

JTF Ops log indicates RH53 arrived NIMITZ eff 2300Z

SUMMARY

JTF RC unaware of 2 good helos assisting 2 down helos

JTF CDR apparently initially unaware one bad helo was later flyable and RTB.

JTF RC prepared to initiate SAR plan until helo RTB on NIMITZ

DUST STORM REPORT
First indicated in debrief report 251135Z
Required IFR most of route
Formation flying impossible
Altitude required 7,500 feet

HOSTAGES CAPTURED
Initial report to JTF RC was 44 hostages captured (1945Z)
JTF SITREP, 250100Z, stated 53 hostages
FONCON w/Col [redacted] this AM indicated that a subsequent rpt from field was 53, since changed back to 44, correct figure to be confirmed by debrief.

BLADE STRIKE INCIDENT

Initial indication was foncon from CINCPAC to JTF RC 0328Z
JTF provided input 0428Z.

PRINCIPAL DISCREPANCIES

Duststorm not reported with effect on flight planning.
Confusion regarding status of two down helos.
Number of hostages.
Blade strike info late in arriving.

TOP SECRET ~~CONFIDENTIAL~~ 27 Apr 80

POINT PAPER

on

Why 8 Helos and Why Use of Carrier

Background:

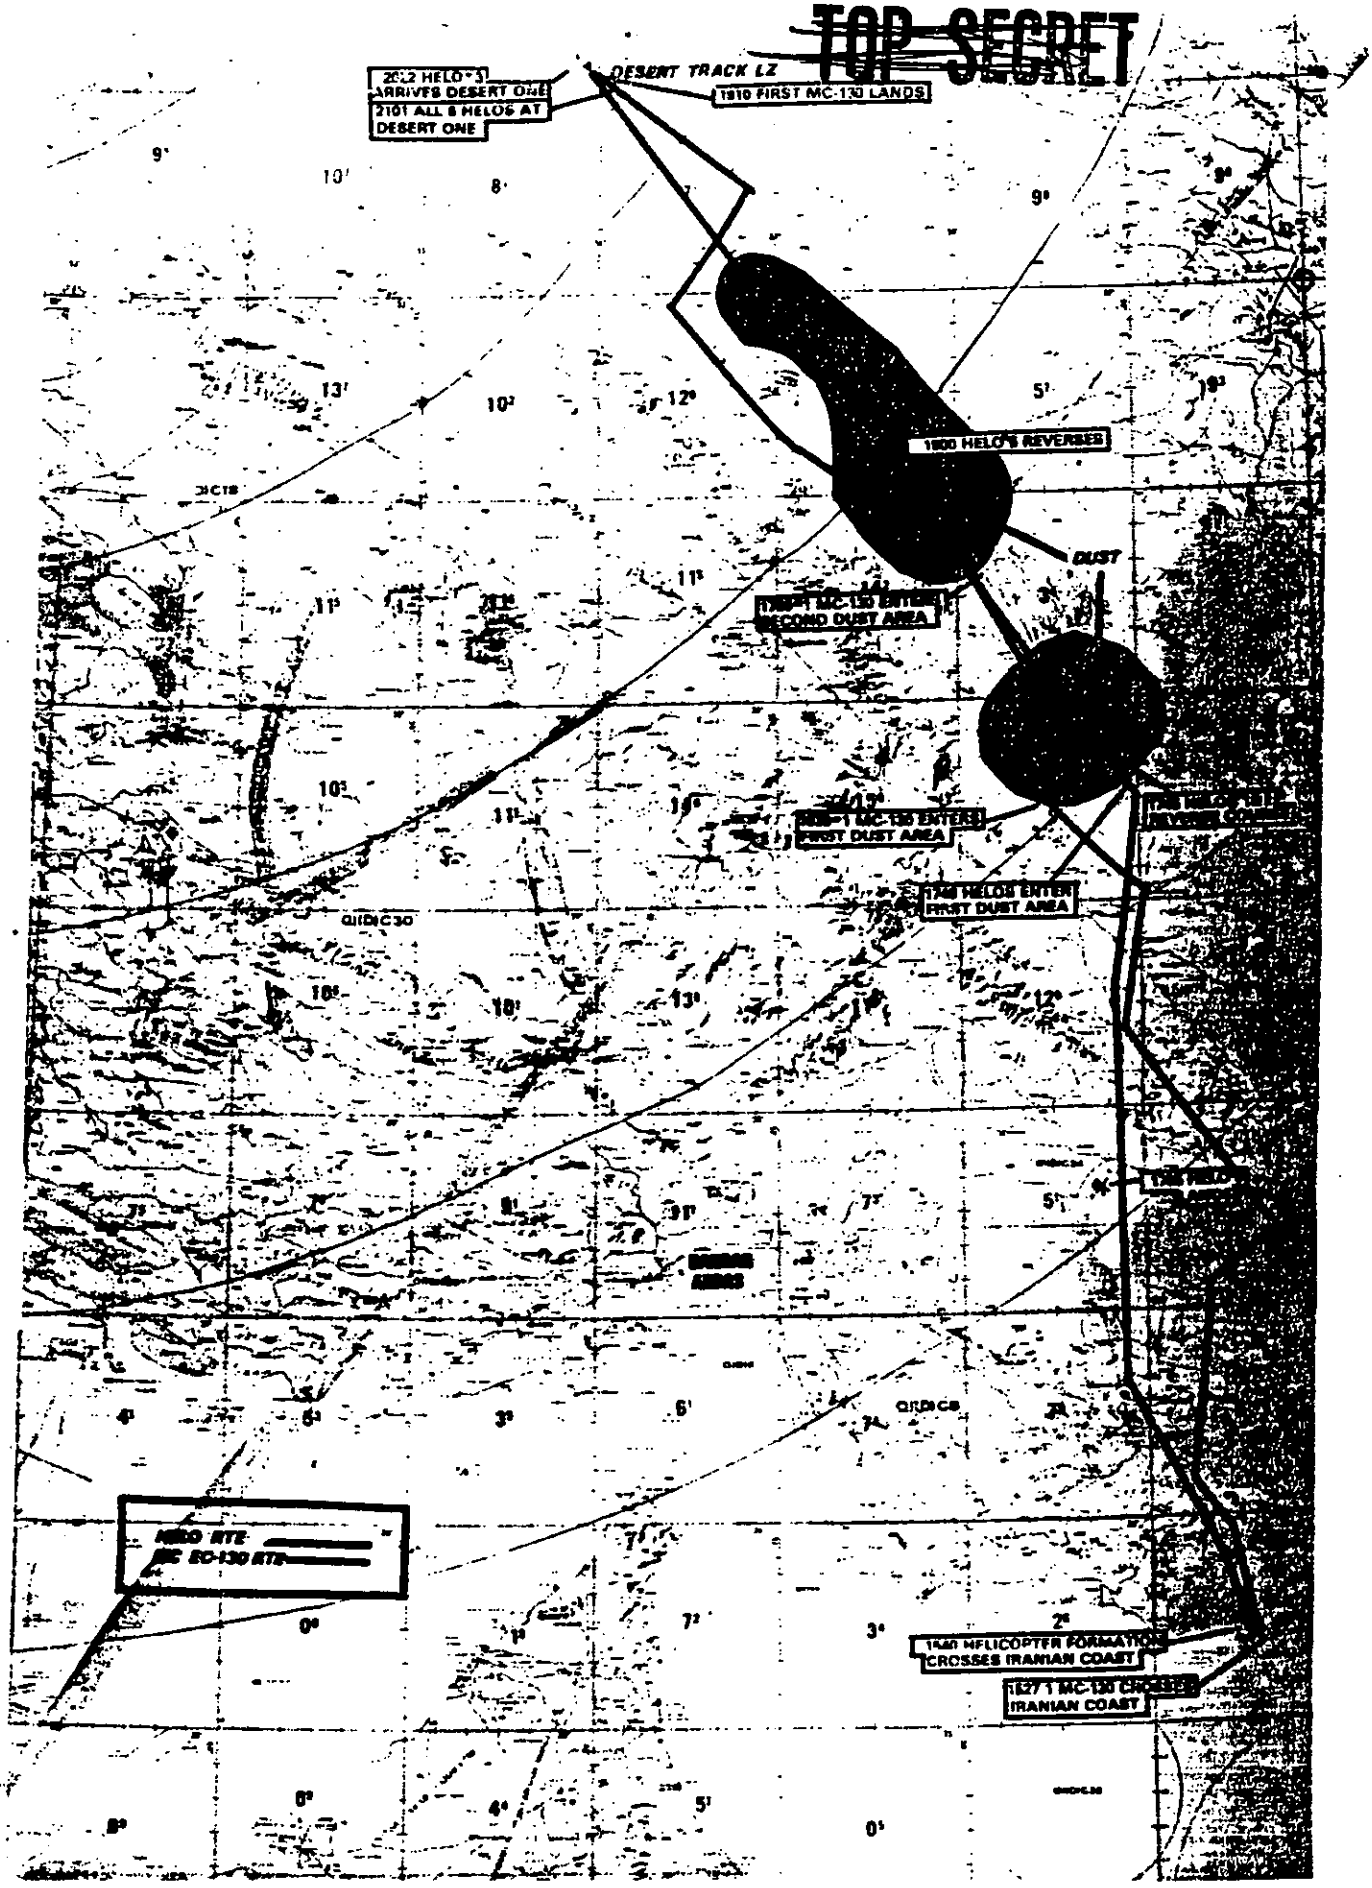

- At outset of mission planning, lift requirements for inserting team and extracting Americans dictated four helos minimum required.
  - Temperature in target area cold.
  - Were not going to attempt rescue at Ministry Bldg.
  - In mid Nov six helos taken to [redacted] by C-5.
  - Flown aboard Kitty Hawk.
- As mission refined, equipment and personnel required to be moved forward dictated use of six helos minimum.
  - Moved two additional helos aboard Nimitz when deployed.
  - When helo transfer accomplished, gave us eight helos aboard Nimitz to assure six available for mission launch.
- When decision made to attempt rescue at Ministry Bldg also
  - Additional rescue personnel required.
  - Requirement for extraction helo rose to five.
- With requirement for minimum of five, planned to launch seven to assure five.
  - Eighth helo was broken for 2 months due to onboard accident.
  - Decision to use all eight helos made first prior to launch date when the last helo came in commission.
    - Higher temperature in Teheran one reason for decision.
    - Insurance another reason.
- Why didn't we move more helos forward?
  - Would have had to remove tactical aircraft from Nimitz.
    - This was not the only mission the Nimitz was to be prepared to do.
  - OpSec was a driving consideration.
  - Would have had trouble moving additional helos for-

~~CONFIDENTIAL~~

ward, could have blown cover of force presence.

- Availability of foam-filled external fuel tanks restricted adding assets.
- Availability of portable internal navigation systems (PINS)
  - We were using nearly all of SAC's inventory (14 of 20).
- Every helo we added meant additional EC-130s with fuel tanks.
  - Required larger refueling area.

- Why did we not use a helo carrier (LPH) vice a normal carrier.
  - Would have had to increase force presence in operations area.
  - Would have signaled intent to use sea launched helo force.
  - The fact that an LPH would have given us a better maintenance capability and force size did not override the OpSec nor the additional support (EC-130) considerations.

SUBJ: INTELLIGENCE ASSESSMENT NBR 6

1. EVENTS OF THE LAST THIRTY DAYS HAVE HAD A PROFOUND IMPACT ON THE HOSTAGE SITUATION, IN RESULTS OF WHICH ARE ONLY FAINTLY DISCERNABLE AT THIS TIME. ANY PROJECTION OF FUTURE EVENTS AND THEIR FINAL OUTCOME IS AT BEST AN EDUCATED GUESS BASED ON VERY LIMITED DATA PLAYED AGAINST A DYNAMIC BACKDROP OF COMPETING POLITICAL FACTIONS WITHIN AND WITHOUT THE IRANIAN GOVERNMENT. THE FOUR PRINCIPAL FACTIONS ARE:

A. THE GOVERNMENT OFFICIALS SUCH AS BANI-SADR WHO SEE THE HOSTAGE ISSUE AS A LIABILITY AND WISH TO END IT AS SOON AS POSSIBLE, BUT RECOGNIZE THEIR OPINION IS AT ODDS WITH THE SENIOR CLERICS.

PAGE 2 RUEIZJC 0136 [redacted] SECRET

B. THE HARDLINE CLERICS OF THE ISLAMIC REVOLUTIONARY PARTY AND THE REVOLUTIONARY COUNCIL WHO SEE THE HOSTAGE ISSUE AS A MEANS OF HUMILIATING THE UNITED STATES AND EVENTUALLY OBTAINING COMPENSATION FROM THE USG WITHOUT BECOMING SUBJECT TO U.S. ECONOMIC. POLITICAL, OR MILITARY INFLUENCE.

C. THE PARLIAMENT WHO SEE THE ISSUE AS A "TAR BABY" AND ARE CAUGHT IN A DILEMA OF THEIR OWN PRIVATE CONVICTIONS, AND PRESSURE FROM KHOMEINI TO PRESERVE THE PURITY OF THE ISLAMIC REVOLUTION.

D. THE MILITANTS WHO SEE THEMSELVES IN THE VANGARD OF THE REVOLUTION AND BELIEVE THAT AS LONG AS THEY HOLD THE HOSTAGES THEY HAVE A POWERFUL WEAPON TO INFLUENCE THE DIRECTION OF THE REVOLUTION AND THE ACTIONS OF THE GOVERNMENT AND PARLIAMENT.

2. BEFORE MAKING ANY ASSESSMENT IT IS ESSENTIAL TO BRIEFLY REVIEW SOME OF THE EVENTS, SUSPICIONS, AND PRECEPTIONS WHICH (ASIDE FROM THE FACT THAT THE U. S. GOVERNMENT DID EXERCISE MILITARY FORCE IN AN ATTEMPT TO SECURE THE RELEASE OF THE HOSTAGES) WILL HAVE A BEARING ON THE INTERPLAY DURING THE NEXT

[redacted] SECRET

60 DAYS. SOME OF THESE INCLUDE:

A. IRANIAN AWARENESS THAT U.S.G. PATIENCE HAS LIMITATIONS.

B. IRANIAN RECOGNITION THAT U.S. MILITARY FORCES CAN PENETRATE IRANIAN TERRITORY UNDETECTED.

C. IRANIAN SUSPICIONS THAT PART OF THE IRANIAN POPULATION SUPPORTED THE U.S. EFFORT.

D. CLAIMS BY SOME IRANIAN GOVERNMENT OFFICIALS THAT A NEGOTIATED SETTLEMENT IS ESSENTIAL.

E. EVALUATION BY EUROPEAN DIPLOMATS THAT ALTHOUGH CERTAIN IRANIAN GOVERNMENT OFFICIALS FAVOR AN EARLY RESOLUTION OF THE HOSTAGES, THE ISLAMIC HARDLINE CLERICS ARE IN NO HURRY TO REACH A SETTLEMENT.

F. [redacted] SOME RADICAL IRANIAN CLERICS THAT THE UNCONDITIONAL RELEASE OF THE HOSTAGES WITHOUT CLEAR U.S. ACKNOWLEDGEMENT OF GUILT AND SOME FORM OF RECOMPENSATION IS UNACCEPTABLE TO THE PRINCIPLES OF THE ISLAMIC REVOLUTION.

G. CONFIRMATION THAT THE HARDLINE CLERICAL ISLAMIC REPUBLIC PARTY WILL DOMINATE THE NEWLY SELECTED IRANIAN PARLIAMENT (THE MAJLIS).

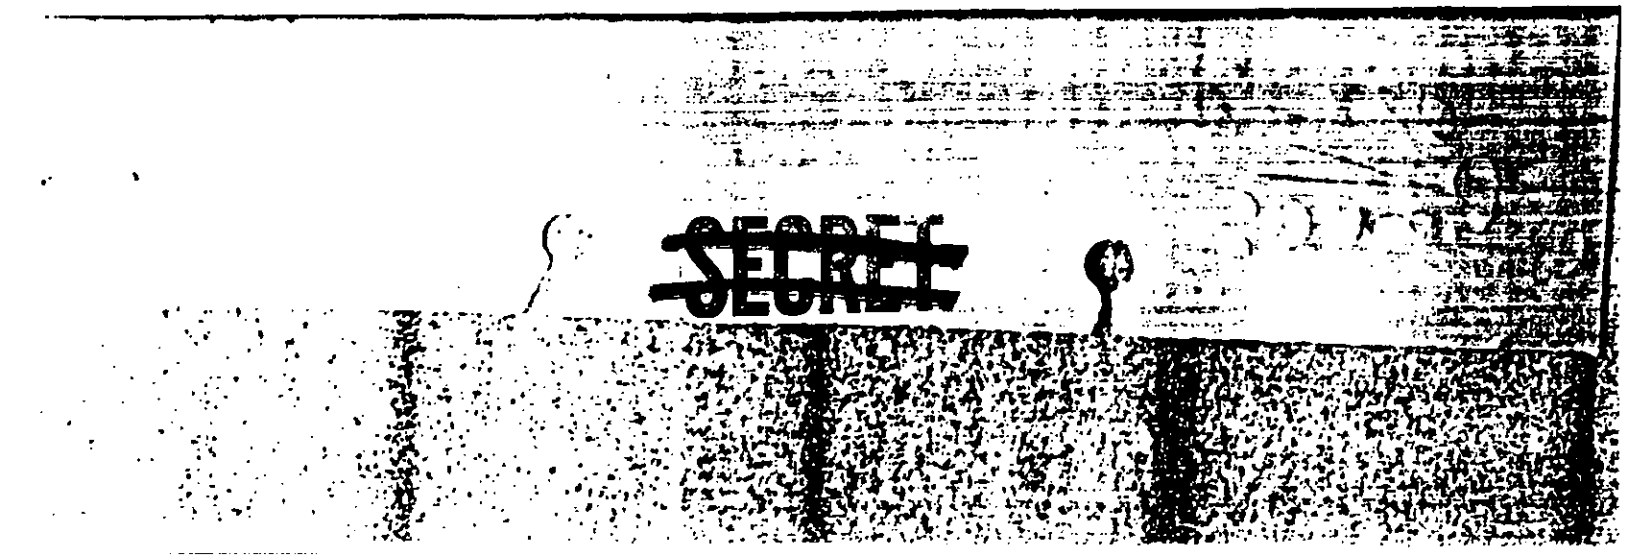

H. KHOMEINI'S 26 MAY 88 CHARGE TO THE MAJLIS TO MAINTAIN UNITY AND PROTECT THE PRINCIPLES OF THE REVOLUTION. THIS WAS REINFORCED IN KHOMEINI'S ADDRESS READ TO MAJLIS BY HIS SON AT THE OPENING OF THE ASSEMBLY ON THE 28TH.

I. ALSO ON THE 28 MAY MILITANT RADIO BROADCAST WHICH RESTATED THE THREAT OF TRIALS FOR THE HOSTAGES UNLESS THE SHAH IS RETURNED. THE STATEMENT ALSO CHARGED THE PARLIAMENT THAT ANY DECISION OTHER THAN THE ABOVE SHOULD HAVE A LEGITIMATE REASON WHICH IS ACCEPTABLE TO THE IRANIAN NATION.

[redacted]

AND THAT THIS TYPE OF ACTIVITY WILL CONTINUE TO BE USED IN THE FUTURE AS IT HAS BEEN PERIODICALLY THROUGHOUT THE CRISIS.

K. RECENT INTELLIGENCE REPORTING INDICATES A FACTION IN THE LEADERSHIP OF THE MILITANTS WHICH COULD PORTENT A FAR GREATER DEGREE OF INSTABILITY IN THE OPERATION OF THE COMPOUND AND HANDLING OF THE HOSTAGES. ACCORDING TO THESE REPORTS, A HARDLINE RADICAL WITH MIXED ISLAMIC/MARXIST PHILOSOPHY AND

STRONG DOMINEERING PERSONALITY MAY BE EMERGING AS A DOMINANT FORCE. SUCH A PERSONALITY IS LIKELY TO TAKE OR ORDER PRECIPITOUS ACTIONS WHICH PUT THE SAFETY AND LOCATION OF THE HOSTAGES INTO AN UNKNOWN EQUATION.

3. THE FOLLOWING IS A LISTING OF KEY DATES WHICH PROVIDE A CHRONOLOGICAL FRAMEWORK FOR THE ESTIMATE PRESENTED IN THE CONCLUDING PARAGRAPH

A. 28 MAY- CONVOCATION OF PARLIAMENT
B. 5 JUNE - NATIONAL DAY OF REVOLUTIONARY MOURNING - LARGE POLITICAL DEMONSTRATIONS POSSIBLE
C. 2-5 JUN - CONFERENCE OF THIRD WORLD NATIONS TO REVIEW IRANIAN CHARGES OF U.S. CRIMES AGAINST IRAN DURING THE RULE OF THE SHAH.
D. 11 JUNE - FESTIVE RELIGIOUS PARADES CELEBRATING THE APPOINTMENT OF THE PROPHET
E. 13 JUNE- FIFTH ANNIVERSARY OF ALGIERS ACCORD BETWEEN IRAN AND IRAQ - ANTI-IRAQ POLITICAL DEMONSTRATIONS POSSIBLE
F. 29 JUNE - CELEBRATION OF THE BIRTHDAY OF HIDDEN IMAN
G. 14 JULY - BEGINNING OF THE ISLAMIC MONTH OF RAMADAN - HIGHLY RELIGIOUS WITH DAILY FASTING DURING THE DAY FOR THE NEXT

30 DAYS.
H. 21 JULY - 2ND ANNIVERSARY OF THE '78 INCIDENT IN MASHHAD DURING WHICH MANY PEOPLE WERE KILLED BY THE GOVERNMENT FORCES.

4. IN ATTEMPTING TO MAKE AN ASSESSMENT OF EVENTS IN THE NEXT SIXTY TO NINETY DAYS IT IS NECESSARY TO REVIEW THE THREE BROAD SCENARIOS THAT COULD PREVAIL.

A. THE MOST LIKELY IS THAT THE PARLIAMENT WILL ADJOURN AT THE START OF RAMADAN O/A 14 JULY WITHOUT HAVING TAKEN ANY DEFINITIVE ACTION ON THE HOSTAGE QUESTION. FROM A MORE OPTOMISTIC PERSPECTIVE THE BEST THAT COULD BE EXPECTED PRIOR TO RAMDAN WOULD BE A SYMBOLIC RELEASE OF A TOKEN NUMBER OF HOSTAGES.
B. THE OTHER TWO SCENARIOS THAT COULD APPLY ARE UNPREDICTABLE AS TO TIMING, HIGHLY REACTIVE IN NATURE AND BOTH WOULD PUT THE HOSTAGES AT RISK. NEITHER ARE VERY LIKELY BUT THE POSSIBILITY OF THEIR OCCURRING MUST BE CONSIDERED.
C. THE FIRST OF THESE IS THE UNEXPECTED DEATH OF KHOMEINI PARTICULARLY IF HIS DEATH OCCURRED AS A RESULT OF A REAL OR ALEDGED ASSASSINTION. IF THIS WERE TO HAPPEN GENERAL CHAOS WOULD

SUBJ: INTELLIGENCE ASSESSMENT NBR 6
RESULT, EMOTIONS WOULD RUN HIGH AND AFTER THE INITIAL PERIOD OF MOURNING THE HOSTAGES WOULD PROBABLY BECOME THE FOCUS OF REVENEGE.

D. THE OTHER UNPREDICTABLE EVENT WOULD BE THE INITIATION OF AN ARMED COUNTER-REVOLUTION BY DISSIDENT ELEMENTS WHICH WAS PERCEIVED BY THE CLERICS AND MILITANTS TO BE AMERICAN INSPIRED. IF THIS WERE TO OCCURR SECURITY AROUND THE HOSTAGES WOULD INCREASE AND IF THE COUNTER-REVOLUTIONARY FORCES APPEARRED TO BE THREATENING THE COMPOUND, IT IS POSSIBLE THE MILITANTS WOULD TAKE SOME COMBINATION OF THE FOLLOWING ACTIONS
(1) KILL SOME OR ALL HOSTAGES WHILE HOLDING THE COMPOUND
(2) KILL SOME HOSTAGES AND DISPERSE OTHERS TO HIDDEN LOCATIONS

(3) DISPERSE ALL THE HOSTAGES UNDER 2:1 CONTROL AND GO INTO HIDING.

5. AGAINST THIS BACKGROUND THE BASIC PROBLEM REMAINS THE NEED TO CONVINCE THE HARDLINE CLERICS INCLUDING KHOMEINI AND BEHESTI THAT IT IS IN THEIR BEST INTEREST TO RELEASE THE HOSTAGES.

6. SUMMARY, IF NO POSITIVE ACTION (RELEASE OF SOME OR ALL HOSTAGES) BY MID-JULY IS TAKEN BY THE IRANIAN PARTIES CONCERNED THE LIKLIHOOD OF A RELEASE IN THE FOLLOWING THIRTY DAYS IS CONSIDERED LOW, AND AS TIME PASSES AND THE FIRST YEAR ANNIVERSARY OF THE TAKE OVER APPROACHES THE ODDS OF A RELEASE PRIOR TO NOVEMBER FOURTH DECREASE DRASTICALLY.

SUBJ: COORDINATION ASSESSMENT (U)

1. (TS) THIS MESSAGE PROVIDES AN ASSESSMENT OF THE CURRENT EXTENT OF COORDINATION AND COOPERATION BETWEEN IRANIAN MILITARY, PARAMILITARY, GOVERNMENTAL OFFICIALS, RELIGIOUS LEADERS AND THE MILITANTS CONTROLLING THE AMERICAN HOSTAGES.

2. SHORTLY AFTER THE ABORTED AMERICAN RESCUE ATTEMPT [redacted]

[redacted]

PAGE 2 RUEIZJC 0157 ~~T O P S E C R E T~~

[redacted]

4. GIVEN THIS ENVIRONMENT, IT MUST BE ASSUMED THAT A SUBSTANTIAL INCREASE IN REPORTING AND COORDINATION BETWEEN THE GENDARMERIE NETWORK, THE MILITARY STRUCTURE, AND SENIOR GOVERNMENT OFFICIALS HAS OCCURRED. IT MUST ALSO BE RECOGNIZED THAT COMMUNICATIONS BETWEEN SENIOR GOVERNMENT OFFICIALS AND SELECTED HARDLINE CLERICS IN THE REVOLUTIONARY COUNCIL (SUCH AS BEHESTI) HAVE UNDOUBTEDLY BEEN IMPROVED. IT ALSO MUST BE ACCEPTED THAT COMMUNICATION FROM BEHESTI, KHALKHALI AND AHMAD KHOMEINI TO THE MILITANTS IS NOW A FACT OF LIFE AND A TELEPHONE CALL FROM ONE OF THESE INDIVIDUALS TO THE MILITANTS COULD SUBSTANTIALLY DESTABLIZE THE SITUATION AND INCREASE THE PASDARON/ MILITANT ALERT POSTURE.

~~SECRET~~

2 3 RUEIZJC 0157 [redacted] [redacted]
UNDETECTED AMERICAN PENETRATION AND UNIMPEDED WITHDRAWAL.
THE GOVERNMENT WAS AND IS UNDER PRESSURE TO SHOW THE CLERICS
THAT THE CIVIL LEADERS AND MILITARY HEIRARCHY ARE RESPONSIBLE
AND EFFECTIVE WITHIN THEIR OWN SPHERES. AS LONG AS THIS
SITUATION PREVAILS THE CHANCE OF THE REPORTING OF RANDOM
DETECTION INCIDENTS BY THE GENDARMERIE AND THE AIR DEFENSE
STRUCTURE IS INCREASED SUBSTANTIALLY. UNIDENTIFIED HELICOPTER
ACTIVITY WILL BE REPORTED AND REACTED TO IN SOME MANNER.
SUSPICIOUS GROUND ACTIVITY WILL BE REPORTED IF IT APPEARS TO
HAVE A MILITARY CONNOTATION.

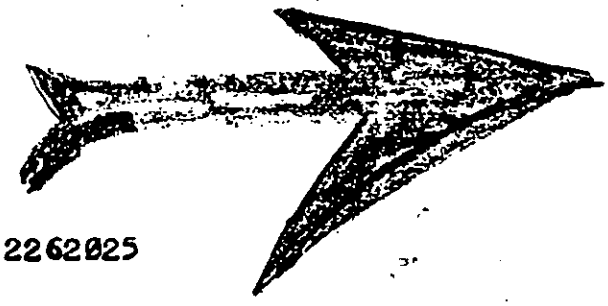

6. CONCLUSION: RECOGNIZING THESE POSSIBILITIES THE CHANCES OF
A MAJOR AMERICAN MILITARY PRESENCE IN IRAN BEING DETECTED, IDENTIFIED
AND REACTED TO HAS INCREASED OVER WHAT IT WAS IN APRIL 1980
AND WILL BE INCREASED AGAIN BY SOME UNKNOWN FACTOR FOR
EVERY ADDITIONAL AIR FRAME EMPLOYED , FOR EVERY EXTRA HOUR SPENT
ON THE GROUND, PARTICULARLY IF IN A STATIC MODE.

SUBJ: 60-90 DAY SITUATION PROJECTION

REF: A. JCS/SNOWBIRD/J2 CITE 0274

B. JCS/SNOWBIRD/J2 NBR 065

1. (U) MESSAGES CITED ABOVE PROVIDED JTF ASSESSMENT OF HOSTAGE LOCATIONS BASED ON DATA DATELINED AS OF 18 JUN THROUGH 31 JULY 1980. RECENT POLITICAL EVENTS IN IRAN AND CONUS PLUS RENEWED REPORTS OF THE POSSIBILITY OF HOSTAGE TRIALS WARRANT A REEXAMINATION OF THE SITUATION AND THE DISSEMINATION OF AN 60-90 DAY EVENTS PROJECTION. THIS MESSAGE PROVIDES SUCH AN ASSESSMENT.

2. (U) A MAJOR GOAL OF KHOMEINI IS TO ESTABLISH A PURE ISLAMIC GOVERNMENT DEVOID OF WESTERN INFLUENCE AND AT THE SAME TIME HUMILIATE THE UNITED STATES, OBTAIN U.S. ACKNOWLEDGEMENT OF ITS "SINS" DURING THE REGIME OF THE SHAH, AND PUNISH THE U.S. PRESIDENT WHO PROTECTED THE SHAH (AN AVOWED TARGET OF KHOMEINI'S HATE). THE PROTRACTION OF THE HOSTAGE SITUATION ACHIEVES SOME

PAGE 2 RUEIZJC 0288 [redacted] ~~S E C R E T~~
OF THESE OBJECTIVES SPECIFICALLY; HUMILIATION OF USG, AND PUNISHMENT OF THE PRESIDENT BY THEORETICALLY REDUCING HIS POTENTIAL FOR REELECTION.

3. (U) BASED UPON ONGOING EVENTS IN IRAN, SUCH AS THE CONTINUING PURGE OF MILITARY AND POLITICAL LEADERS WITH WESTERN BACKGROUNDS INCREASING CONTROL BY IRP, AND SELECTION OF IRP ISLAMIC HARDLINER AS PRIME MINISTER IT IS CLEAR THAT SECULAR (MODERATE) INFLUENCE IS DECLINING AS THE POWER OF THE HARDLINER AND CLERICS RISES. THESE INFLUENCES ARE NOT LIKELY TO ASSIST IN OBTAINING A POLITICAL SOLUTION TO THE HOSTAGE SITUATION.

4. (U) BASED UPON THE FOREGOING THE FOLLOWING PROJECTION OF EVENTS IS PROVIDED FOR PLANNING PURPOSES.

(A) NO HOSTAGES WILL BE RELEASED PRIOR TO U.S. PRESIDENTIAL ELECTIONS UNLESS USG MEETS IRANIAN DEMANDS OR ANOTHER HOSTAGE MEDICAL PROBLEM OCCURS.

(B) REPORTING ON POSSIBLE TRIALS WILL INCREASE, BUT ACTUAL

~~SECRE~~

TRIALS OF INDIVIDUALS IS UNLIKELY ALTHOUGH A "GRAND JURY STYLE" OF INDICTMENT PROCEEDINGS IS POSSIBLE.

(C) TEMPO OF ACTIVITY WILL PICKUP WITH THE APPROACH OF U.S. ELECTIONS, REACHING A PEAK IN MID-LATE OCTOBER.

(D) IF PRESIDENT CARTER LOSES THE ELECTION, KHOMEINI THRU THE MAJLIS MAY DIRECT THE INCREMENTAL RELEASE OF MOST OF THE HOSTAGES, RETAINING SOME NUMBER (5-10) AS SPIES AND WAR CRIMINALS, HOPING TO OBTAIN CONCESSIONS FROM THE NEW PRESIDENT IN JANUARY. HOWEVER, IF PRESIDENT CARTER WERE TO BE RE-ELECTED IT IS EXTREMELY DOUBTFUL THAT ANY OF THE HOSTAGES WOULD BE RELEASED WITHOUT SIGNIFICANT CONCESSIONS BY THE USG.

5. (S) IN SUMMARY, THE CURRENT JTF ANALYSIS IS THAT NO BREAKTHROUGH IS LIKELY PRIOR TO THE U.S. PRESIDENTIAL ELECTIONS AND KNOWLEDGE OF ACTUAL LOCATIONS WILL CONTINUE TO BE EXTREMELY RESTRICTED WHILE EXTENSIVE DECEPTION ACTIONS WILL CONTINUE TO BE EMPLOYED.

SUBJECT: INTELLIGENCE ASSESSMENT.

REF: JCS/SNO&IRD/03 CITE 0286 SUBJ: 60-90 DAY SITUATION PROJECTION

A 1. [redacted] THIS MESSAGE PROVIDES A HARDCOPY FOLLOW-UP TO THE INTELLIGENCE ASSESSMENT PRESENTED AT THE [redacted] PLANNING CONFERENCE. AND IS A SUPPLEMENT TO REFERENCE.

A. THE AMERICAN-IRANIAN HOSTAGE SITUATION REMAINS AS IT DID IN NOVEMBER AND DURING THE INTERVENING MONTHS, IT IS A POLITICAL PROBLEM WITHOUT A POLITICAL SOLUTION. POLITICAL SOLUTIONS ARE THE PRODUCT OF COMPROMISES. IN THE CURRENT SITUATION, THE POSITIONS OF THE OPPOSING PARTIES THE USG AND THE IRANIAN ENTITIES ARE NON-NEGOTIABLE.

B. ALTHOUGH A HUMANITARIAN SOLUTION IS POSSIBLE THE POLITICAL IMPASSE IS LIKELY TO CONTINUE PAST 4 NOVEMBER BEFORE A MAJOR CHANGE. AFTER 4 NOVEMBER IRANIAN OPTIONS INCLUDE A RELEASE OF SOME HOSTAGES WHILE REQUESTING CONCESSIONS FROM THE NEW US ADMINISTRATION (IF THERE IS A NEW ADMINISTRATION), OR THE CONTINUED DETENTION OF MOST OF THE HOSTAGES AND THE INITIATION OF A GRAND JURY TYPE TRIAL HEADING TO THE INDICTMENT OF THE USG AND SEVERAL OF THE HOSTAGES.

C. A MAJOR UNKNOWN IN THE PROJECTION EQUATION IS THE HEALTH OF AYATOLLAH KHOMEINI. HE IS CURRENTLY A MAJOR STABILIZING FORCE; IF HE WERE TO DIE OF NATURAL CAUSES AND HIS DEATH ACKNOWLEDGED AS SUCH NO SIGNIFICANT CHANGE IN THE HOSTAGE SITUATION IS LIKELY TO OCCUR AS THE HARDLINE CLERICS NOW POSSESS A FAR GREATER DEGREE OF CONTROL THAN THEY DID PRIOR TO THE ELECTION OF THE PARLIAMENT AND NAMING OF THE PRIME MINISTER. HOWEVER, IF KHOMEINI WERE TO BE ASSASSINATED OR HIS DEATH CLAIMED BE THE RESULT OF AN AMERICAN PLOT THEN CHAOS AND CONFUSION WOULD RESULT AND WITHIN THREE-FIVE DAYS THE LIVES OF THE HOSTAGES WOULD BE AT SERIOUS RISK.

2. [redacted] IN REVIEWING THE THREAT, FIVE ENTITIES WARRANT DISCUSSION.

A. THE CONVENTIONAL IRANIAN MILITARY CONTINUES TO DETERIORATE DUE TO INTERNAL PURGES OF THE PROFESSIONAL LEADERSHIP AND DIFFICULTIES IN MAINTAINING SOME OF THE MORE SOPHISICATED WEAPONS SYSTEMS. HOWEVER [redacted]

B. THE REVOLUTIONARY GUARD STRUCTURE IS BECOMING MORE STRUCTURED AND IS UNQUESTIONABLY A TOOL OF THE CLERICS. IN THE RURAL AREAS THE GUARD HAS ATTEMPTED TO REPLACE THE ARMY BUT INTERGRATION HAS NOT OCCURRED. IN THE LARGER CITIES PARTICULARLY TEHRAN REPORTS NOW INDICATE GUARD MEMBERS HAVE TAKEN TO BULLYING THE POPULATION AT THE SLIGHTEST OPPORTUNITY AND SOME HAVE ESTABLISHED A NEIGHBORHOOD PROTECTION PAYOUT MECHANISM.

C. THE COMPOSITION OF THE MILITANTS SEEMS TO HAVE CHANGED SOMEWHAT WITH THE HARD CORE RADICALS, MANY WITH MARXIST INFLUENCED BACKGROUNDS, CONTINUING TO CONTROL THE FATE OF THE HOSTAGES, ALTHOUGH THERE IS NO QUESTION THAT THEY HAVE RECEIVED ASSISTANCE FROM THE REVOLUTIONARY GUARD AND HARDLINE CLERICS SUCH AS AYATOLLAH BEHESTI.

D. THE U.S. MEDIA AND SELF PROCLAIMED POLITICAL MORALISTS POSE A SIGNIFICANT DANGER TO ANY PROSPECTS OF A POLITICAL SOLUTION AND A TREMENDOUS THREAT TO MILITARY PLANNING WITH FALSE LEAKS AND COMPROMISES THEIR REAL DANGER LIE IN THEIR POTENTIAL FOR CREATING A DANGEROUS DEGREE OF INSTABILITY IN BOTH HOSTAGE LOCATION AND SECURITY.

E. THE FIFTH THREAT ENTITY IS THE INTELLIGENCE APPARATUS OF THE USSR AND ITS ALLIES.

[redacted]

AND WHILE AWAITING THE ADVENT OF ONE OF THESE POSSIBILITIES, THE USSR IS BUSILY LAYING THE PROPAGANDA GROUND-WORK TO CAPITALIZE ON THE ABOVE AND JUSTIFY A UNILATERAL MOVE ON THE PRETEXT OF COUNTERING THE ALLEDGED PRESENCE OF COUNTER REVOLUTIONARY FORCES OPERATING IN IRAN AGAINST THE GOVERNMENT OF IRAN AND THE GOVERNMENT OF AFGANHISTAN.

3. (S) HOSTAGE SITUATION:

[redacted]

A. FACT: PLANNING MUST CONSIDER MULTIPLE TARGETS

[redacted]

B. CURRENT ESTIMATES PU[redacted] AS FOLLOWS: MFA(3), [redacted]

[redacted]

[redacted]

(U) (S) 4. (S) OPERATIONAL PLANNING. DURING THE REVIEW AND CROSSCHECKING OF POSSIBLE LOCATIONS WE HAVE LOCATED AT LEAST ONE POTENTIAL FIXED WING LANDING ZONE WITHIN 100NM OF EACH OF THE MORE LIKELY HOSTAGE DETENTION LOCATION, AND AT LEAST ONE ACTIVE AIRHEAD WITH EXTRACTION POTENTIAL WITHIN 12-15 MILES. OF ALL THE LOCATIONS TEHRAN OFFERS THE GREATEST NUMBER OF POSSIBILITIES FOR INSERTION AND EXTRACTION.

A. IN THE CITY PROPER BOTH [MEHRABAD AND DOSHAN TAPPEH] HOLD POSSIBILITIES WITH D/T BEING WITHIN 5-6 MINUTES DRIVING TIME OF THE COMPOUND AND M/B WITHIN 20-25 MINUTES DRIVING TIME.

B. IN THE IMMEDIATE SUBURBS AT LEAST TWO ADDITIONAL SITES HAVE BEEN IDENTIFIED AS C130 CAPABLE AND TWO OTHERS HAVE BEEN IDENTIFIED WITHIN 30 NM.

C. FARTHER OUT [MANZARIYEH] STILL HOLDS A POTENTIAL FOR USE. IN ADDITION THREE FIXED WING CAPABLE SITES (ONE C141) HAVE BEEN IDENTIFIED IN THE SEMNAN AREA.

D. THE SEARCH FOR ADDITIONAL SITES IS CONTINUING AND FIELD SURVEY OF THE MORE PROMISING SITES IS HOPED TO BE STARTED WITHIN 3-4WEEKS.

5. (U) (S) IN SUMMARY THREE POINTS ARE IMPORTANT TO REMEMBER DURING FUTURE PLANNING AND TRAINING.

A. THE SITUATION IS NOT STABLE AND THE CONFIRMED LOCATIONS OF TODAY CAN BE INVALID TOMORROW BECAUSE OF A MILITANT REACTION TO A NEWS RUMOR.

B. THE SECOND POINT IS THAT THE SOVIETS [redacted] A PROLONGED-WIDE-SPREAD RESCUE OPERATION THAT CARRIED A LARGE SIGNATURE BEFORE OR DURING THE OPERATION COULD PROVIDE THEM WITH THE RATIONAL TO REACT AGAINST AN "AMERICAN INVASION".

C. THE THIRD AND FINAL POINT IS THAT REGARDLESS OF THE HOLLOWAY BOARD'S INFERRENCE THAT OPSEC WAS TOO RESTRICTIVE DURING THE PLANNING FOR THE LAST ATTEMPT, IT WAS ESSENTIAL THEN AND AN ABSOLUTE IMPERATIVE NOW. SECRECY WAS PARAMOUNT TO MISSION SUCCESS THE LAST TIME, AND THE SAME IS DOUBLY TRUE NOW, SECRECY IS ESSENTIAL FOR MISSION SUCCESS AND FOR WORLD PEACE. THE BEAR IS STANDING IN WINGS ANTICIPATING THE SCRIPT AND WATCHING FOR HIS CUE TO ENTER STAGE NORTH.

Working Paper for J-3

SUBJECT: Comments on Intelligence Assessment No. 7 (U)

1. (T[redacted]) Reference paragraph 9. Detection of the force at "Peggy" would probably fall in the "mod-high" category given the presence of the air-traffic control radar near Manzariyeh and the major highway just east of the airfield. Likewise, the reporting probability should also increase to "mod-high". Detection of the force at "Anne" would probably be "mod-high" due to coverage from the air traffic control radar at Tehran/Mehrabad [redacted] Additionally, a major highway lies just west of the airstrip. Commensurately, reporting would also likely be "mod-high".

2. (U) ~~(TS)~~ Reference paragraph 10. "Elements from Kathy" are listed under "Kathy" column during the 45-60 minute time frame. This comment probably belongs under the "Susan" column.

3. (U) ~~(TS)~~ Reference paragraph 11, AMERICAN EMBASSY. Arrival of regular Army and Air Force within 60-90 minutes is almost certain. However, the arrival of these forces is much more likely to occur at 60 minutes rather than 90 minutes.

1. (U) (S) REF ALPHA WAS A COMPREHENSIVE REVIEW OF THE HOSTAGE SITUATION. REF B PROVIDED SUPPLEMENTAL DATA ON A POTENTIAL LANDING ZONE. THIS MESSAGE PROVIDES A 30 DAY SITUATION PROJECTION.

2. (U) (S) THE CONDITIONS ESTABLISHED BY THE MAJLIS ARE NOT NEW AND NOT EASILY MET. SIMULTANEOUS OR COMPLETE RELEASE OF ALL HOSTAGES IN THE SHORT TERM (2-3 WEEKS) IS HIGHLY DOUBTFUL.

3. (U) (S) AS NEGOTIATIONS DRAG ON, DISPUTES WITHIN IRAN WILL GROW, PARTICULARLY IF THE US ADMINISTRATION IS TRANSITORY VICE PERMANENT AND GIVEN TRUCE OR STAGNATION ON THE IRAN/IRAQ BORDER THE MAJLIS MAY ASSUME A SELF PERCEPTION OF IRAN AS HAVING AN INDEPENDENT SENSE OF VIEABILITY SUFFICIENT ENOUGH TO FOSTER A CONTINUATION OF ITS REVOLUTIONARY TACT. CONVERSELY A TRANSITORY ADMINISTRATION OR FLARE UP ON THE BORDER WILL PROVIDE THE RADICALS WITH A REASON TO HOLD AT LEAST A FEW TRUMP CARDS (HOSTAGES) AGAINST A POSSIBILITY OF A CHANGE IN US POLICY, A RESUMPTION OF IRAQ AGGRESSION, OR THE ACTIVE INITIATION OF AN ACTIVE COUNTER-REVOLUNTARY MOVEMENT WITHIN IRAN BY ONE OR BOTH OF THE EXILE MOVEMENTS.

4. (U) (S) CONTINUED SUPPORT BY NORTH KOREA, LIBYA AND OTHER ARMS SOURCES WILL PROVIDE AN AURA OF MILITARY SUBSTANCE BUT ACUTE SHORTAGES OF DOMESTIC HEATING FUEL WILL HAVE A COUNTERVENING IMPACT OFFSET ONLY BY CONTINUED CALLS BY THE REVOLUTIONARY CLERICS FOR THE NEED TO SACRIFICE TO INSURE THE ISLAMIC REVOLUTION SURVIVES.

5. (U) (S) IN SUMMARY, PARTIAL RELEASE OF SOME, POSSIBLY HALF OF THE HOSTAGES , IS POSSIBLE WITHIN THE NEXT FEW WEEKS, BUT THE OUTLOOK FOR AN EARLY AND COMPLETE RESOLUTION OF THE HOSTAGE SITUATION SHORT OF PUBLIC INTERVENTION BY AYOTOLLAH KHOMEINI IS HIGHLY UNLIKELY.

SUBJ: CRITICAL FACILITIES ASSESSMENT

(U) 1. (TS) THIS MESSAGE PROVIDES PRELIMINARY ASSESSMENT OF SELECTED FACILITIES WHICH COULD HAVE AN IMPACT ON MISSION EXECUTION. THE LIST CONTAINS THREE CATEGORIES OF FACILITIES.

(A) CATEGORY ONE ARE THOSE FACILITIES WHOSE UNOBTRUSIVE NEUTRALIZATION PRIOR TO MISSION EXECUTION WOULD INCREASE THE LIKLIHOOD OF MISSION FORCES CLOSING WITH THE CRITICAL TACTICAL OBJECTIVES PRIOR TO THEIR DETECTION.

(B) CATEGORY TWO ARE THOSE FACILITIES WHOSE NEUTRALIZATION SIMULTANEOUS WITH OR FOLLOWING SHORTLY AFTER H-HOUR WOULD SUBSTANTIALLY REDUCE FORCE ATTRITION DUE TO HOSTILE ACTION.

(C) CATEGORY THREE INCLUDES FACILITIES WHOSE NEUTRALIZATION WOULD INCREASE PROBABILITY OF UNOPPOSED FORCE EGRESS.

(U) 2. (TS) THE LIST CONTAINS 24 FACILITIES. THE FIRST FIVE MEET THE CRITERIA FOR ALL THREE CATEGORIES. THE NEXT TEN FACILITIES (6-15) MEET THE CRITERIA FOR CATEGORY TWO. THE LAST NINE MEET THE CRITERIA FOR CATEGORY THREE AND FOR THE MOST PART ARE MISSION ENHANCING VICE MISSION CRITICAL AS ARE THE 15 CAT I/CAT II FACILITIES.

3. (TS) THE 24 FACILITIES ARE LISTED BELOW ALONG WITH AN ESTIMATE OF EFFECTIVENESS BY WEAPONS SYSTEM, WITH A PRIME CONSIDERATION GIVEN NOT ONLY THE SYSTEMS BASIC EFFECTIVENESS BUT ITS SURVIVABILITY. THE SYSTEMS CODE USED IS [redacted]

THE LISTING IS NOT ALL ENCOMPASSING, EXCLUDING, FOR EXAMPLE, SITUATION-SENSITIVE FACILITIES NEAR THE COMPOUND SUCH AS THE [redacted] THE LIST SHOULD BE USED AS A PLANNING REFERENCE NOT DECISION DOCUMENT. ASSIGNMENT OF WEAPON SYSTEM RESPONSIBILITY WILL BE ACCOMPLISHED AT LATER

To: J-2 (Snowbird), OJCS

Subject: Assessment of likelihood of hostage release/transfer (U)

Requirement: Assess the likelihood of a full or partial release of the hostages prior to 1 December, 1 January, or 1 February, and the likelihood of the transfer of control over the hostages prior to their release.

1. (U) ~~(S/NOFORN/WNINTEL)~~ A release of all 52 of the hostages at any time prior to 1 February appears unlikely. Although domestic support within Iran for a release has grown since the war began in September, any move to return the hostages remains highly vulnerable to a last minute spoiling action by any of a number of key individuals or groups. It does seem possible, however, that during the Christmas holidays a limited number of hostages might be released as a humanitarian gesture. The likelihood of such a gesture would increase if negotiations between Iran and the US on Tehran's public demands are proceeding well from the Iranian perspective. By 1 February it appears highly possible that many of the hostages, possibly all but eight or ten, will be returned. Those hostages which Iran has charged with espionage are unlikely to be released until: (1) all of Iran's public demands including a return of the former monarch's wealth and a complete release of Iranian assets are met; (2) Tehran receives some type of assurance from the new US administration that Iran will not be subjected to any sort of political, economic, or military reprisals for seizing the American diplomats; and (3) Iraq withdraws its forces from all Iranian territory. Concerning the last point, any significant defeat by Iranian forces in the current conflict would probably precipitate a major government crisis in Tehran. Political moderates and the military would press even harder for a release of the hostages as a means of gaining access to Western arms and equipment. They would be opposed by radical clerics who would advocate drastic action -- such as a trial of the hostages and/or military/terrorist strikes against Arab and European governments which they perceive as having supported Iraq. The outcome of such a crisis remains problematic at best.

~~WARNING NOTICE - INTELLIGENCE SOURCES AND METHODS INVOLVED~~

~~SECRET~~

~~NOT RELEASABLE TO FOREIGN NATIONALS~~

Declassified by:
DDO, NMC

2. (U) ~~(S/NOFORN/WNINTEL)~~ The Iranians would gain maximum propaganda value from any partial release. World reaction to a Christmas release would be favorable; therefore, Iran could be expected to attempt to achieve maximum propaganda value from such a humanitarian gesture before releasing other hostages. The Iranian's may also reason that by releasing some of the hostages while the current administration is still in office, they will be able to deal with the new administration on fresh terms. This would ease the way to have economic sanctions lifted by the European Community, thereby relieving a growing requirement for certain economic and military/industrial goods. If no release occurs on or before the end of January, the next logical period would be just prior to the 20/21 March 81 Iranian New Year. Traditionally, this is a time when one settles debts and cancels out old requirements in preparation for the new year.

3. (U) ~~(S/NOFORN/WNINTEL)~~ All available evidence indicates that the hostages remain under the physical control of the student militants, although the Iranian government now ostensibly has the authority to arrange for their repatriation. We expect the hostages to remain under the control of their captors until such a time as they are handed over at the airport to whatever party has actually arranged for their transportation out of Iran. Any of several "neutral" parties could be called upon to make such arrangements including: (1) international organizations such as the Red Cross or the UN; (2) friendly Muslim countries like Syria or Algeria; or (3) "neutral" countries such as Sweden, Switzerland, or Austria.

SUBJ: HOSTAGE CONTROL

1. ~~(S/NF)~~ IT IS BECOMING MORE AND MORE APPARENT THAT A CHANGE IN CONTROL OF THE HOSTAGES HAS EVOLVED DURING THE PAST SEVERAL MONTHS.
(A) PRIOR TO THE APRIL RESCUE EFFORT HOSTAGE CARE AND CONTROL WAS PRINCIPALLY A FUNCTION OF THE STUDENT MILITANTS WITH SOME GUIDANCE FROM AN ADVISORY COMMITTEE CONSISTING OF HARDLINE CLERICS AND REVOLUTIONARY PERSONALITIES, AND PHYSICAL SUPPORT FROM REVOLUTIONARY GUARD ELEMENTS AND AT LEAST THE MINISTRY OF INFORMATION.

PAGE 2 RUEIZJC0502 ~~TOP~~ [redacted] LIMDIS

(B) SUBSEQUENT TO THE APRIL RESCUE ATTEMPT THE INFLUENCE OF THE CLERICS GREW AND THE NEED FOR GOVERNMENTAL AND REVOLUTIONARY GUARD ASSISTANCE (AIR TRANSPORTATION, MOVEMENT SECURITY, AND DETENTION SITE SUPPORT) INCREASED SUBSTANTIALLY.

(C) BEGINNING IN MID-SEPTEMBER AS THE INFLUENCE OF THE MODERATES AND THE PRIME MINISTER GREW AND THESE ENTITIES CAME TO REALIZE THAT CONTINUED DETENTION OF THE HOSTAGES, ITS ASSOCIATED ECONOMIC BLOCKADE AND RESULTING DEPLETION OF IRAQI FUNDS WAS HAVING A SIGNIFICANT IMPACT ON IRAN'S ABILITY TO MAINTAIN A RESPECTABLE INTERNATIONAL CREDIT POSTURE, THE WHEELS WERE SET IN MOTION FOR ANOTHER CHANGE. THE IMPACT OF THE IRAQI WAR ON HOSTAGE DISPOSITION IS UNKNOWN HOWEVER,

[redacted]

SUBJ: CHRISTMAS '80 FILMING

1. (S) THIS IS A PRELIMINARY ANALYSIS OF FILM FOOTAGE AND SOME STILL PICTURES RELEASED BY IRAN 25 TO 29 DECEMBER 1980.

2. (U) ~~(S)~~ ALTHOUGH RELEASED OVER A FIVE DAY PERIOD, ALL FILMING WAS COMPLETED ON OR BEFORE 26 DECEMBER 1980 AND FOR PURPOSES OF ANALYSIS SHOULD BE VIEWED AS TWO SEPARATE PARTS: (1) CHRISTMAS SERVICES (24/25 DEC), AND (2) DIPLOMATIC VISIT BY THE ALGERIAN AMBASSADOR TO TEHRAN (25-26 DEC 80)

PAGE 2 RUAIZJC 0503 ~~S E C R E T~~

3. (S) ~~(S)~~ CHRISTMAS SERVICES TOOK PLACE IN TWO SEPARATE, RATHER NON-DISTINCT ROOMS. THERE WERE, HOWEVER, SOME NOTICEABLE SIMILARITIES BETWEEN THESE ROOMS AND THE ROOMS THE HOSTAGES WERE LIVING IN WHEN VISITED BY THE ALGERIAN AMBASSADOR. FOR PURPOSES OF DIFFERENTIATION, THE ROOMS IN WHICH CHRISTMAS SERVICES TOOK PLACE ARE LABELED THE CURTAIN ROOM AND THE RIBBON ROOM.

A. 26 HOSTAGES WERE SEEN IN SIX GROUPS IN THE CURTAIN ROOM BY THE VATICAN REPRESENTATIVE TO TEHRAN. THESE GROUPS OF HOSTAGES WERE:

1). GROUP 1 (5): LEWIS, MOORE, HERMENING, WARD, MCKEEL

2) GROUP 2 (4): SCOTT, SHARER, RAGAN, MOREFIELD

3) GROUP 3 (5): ROYER, COOK, PERSINGER, HALL, KIRTLEY

4) GROUP 4 (2): KOOB, SWIFT

5) GROUP 5 (5): ROSEN, LAUTERBACH, ENGELMANN, GERMAN, KEOUGH

~~SECRET~~
[redacted]

(6) GROUP 6 (5): ODE, BELK, MIELE, GRAVES, SCHAEFER

B. ELEVEN HOSTAGES MAKING UP FOUR GROUPS PLUS ONE HOSTAGE BY HIMSELF WERE SEEN BY TWO IRANIAN CHRISTIAN CLERGYMEN IN THE RIBBON ROOM. THESE GROUPS OF HOSTAGES WERE:

1) GROUP 7 (5): SICKMAN, GILLETTE, GALLEGOS, SOLACINSKI, PLOTKIN

(2) GROUP 8 (2): HOLLAND, LIMBERT

(3) GROUP 9 (2): NEEDHAM, MOELLER

(4) GROUP 10 (2): ROEDER, METRINKO

(5) AHERN (ALONE)

C. (U) (TS) HOSTAGE JONES WAS NOT SEEN IN FILM OF CHRISTMAS SERVICES, BUT WAS SEEN IN FILM OF GROUP FIVE MEETING IN THEIR ROOM WITH THE ALGERIAN AMBASSADOR.

(U) (TS) HOSTAGE NORMAN WAS SEEN ONLY IN A STILL PICTURE SAID TO HAVE BEEN TAKEN AT THE RECENT CHRISTMAS SERVICES.

E. (U) (TS) THE THREE HOSTAGES HELD IN THE MFA WERE SEEN IN A STILL PICTURE OF THEM MEETING IN AN U/I ROOM WITH THE AMBASSADOR.

F. (U) (TS) NOT SEEN IN ANY PICTURES WERE (9) HOSTAGES: DAUGHERTY, KALP, LEE, BLUCKER, BARNES, LOPEZ, SUBIC, KENNEDY, AND KUPKE.

(U) (TS) THE ALGERIAN AMBASSADOR [redacted] IS SHOWN IN FILM FOOTAGE WITH ELEVEN HOSTAGES IN FOUR GROUPS AND ONE HOSTAGE ALONE. (LOCATIONS APPEAR TO BE THE ROOMS THE HOSTAGES WERE BEING HELD IN TEMPORARILY.) THE HOSTAGE GROUPS SEEN WERE IDENTICAL IN COMPOSITION TO THOSE SEEN DURING CHRISTMAS SERVICES AND WERE GROUPS 4, 7, 8 AND 9. THE LONE HOSTAGE WAS AHERN. THE AMBASSADOR'S VISIT OCCURRED AFTER THE CHRISTMAS SERVICES, PROBABLY THE NEXT DAY.

[redacted] RAJAI STATED ON IRANIAN TELEVISION THAT KHOMEINI HAD AGREED TO ACCEPT AN ALGERIAN OFFER OF ITS GOOD OFFICES TO RESOLVE THE REMAINING DIFFERENCES BETWEEN USG AND GOI.

[redacted]

[redacted]

4. (U) ALTHOUGH ALL OF THE ABOVE IS PROBABLY TRUE, RECENT MEDIA REPORTS AND SPECULATION COULD JEOPARDIZE ANY TENTATIVE AGREEMENTS. IT MUST BE RECALLED THAT AT LEAST FOUR TIMES DURING THE PAST THIRTEEN MONTHS THE POSSIBILITY OF RELEASE WAS VIEWED, AT LEAST BY SOME OPTIMISTS, AS BEING IMMINENT. IN EACH CASE THE POSSIBILITY WAS STYMIED MORE OR LESS AT THE LAST MINUTE AS A RESULT OF IN-FIGHTING BETWEEN CONTENDING FACTIONS WITHIN TEHRAN.

PAGE 3 RUEIZJC 0523 [redacted]

5. (U) THE SPECULATION OF AN IMMINENT HOSTAGE RELEASE WILL CONTINUE TO PERSIST FOR THE NEAR TERM. THE POSSIBILITY OF RELEASE, HOWEVER, COULD BE INVARTED AT ANYTIME FOR ANY NUMBER OF REASONS RELATED TO THE POLITICAL FACTIONALISM. ADDITIONALLY, EVEN IF A HOSTAGE RELEASE IS ANNOUNCED, THE POSSIBILITY STILL EXISTS THAT SOME HOSTAGES COULD BE DETAINED AT THE LAST MOMENT WITHOUT ANY FOREWARNING TO USG.

6. (U) COORDINATION WITH [redacted] DIA, [redacted] THIS DATE HAS CONFIRMED THAT ALL INTELLIGENCE ACTIVITIES RELATED TO THE HOSTAGES ARE CONTINUING, AND WILL CONTINUE UNTIL ALL 52 HOSTAGES ARE IN USG HANDS.

SUBJ: HOSTAGE DEBRIEFING REPORT

1. (~~S/NF~~) (U) EXECUTIVE SUMMARY

(A) A JOINT DEPARTMENT OF STATE (DOS)/DEPARTMENT OF DEFENSE (DOD) DEBRIEFING TEAM INTERVIEWED 50 OF THE 52 RETURNEES DURING A TWO AND

A HALF DAY PERIOD IN WEISBADEN USAF HOSPITAL, GERMANY. TWO RETURNEES WERE NOT DEBRIEFED FOR MEDICAL REASONS.

(B) LOCATION OF THE HOSTAGES FLUCTUATED BETWEEN CONSOLIDATION AND DISPERSION. THREE DETENTION SITES IN TEHRAN WERE USED BETWEEN 4 NOVEMBER AND MID-DECEMBER 1979, THE EMBASSY COMPOUND AND TWO PRIVATE RESIDENCES. DURING THIS INITIAL PERIOD MORE THAN 20 HOSTAGES WERE ROTATED BETWEEN THE COMPOUND AND THE TWO RESIDENCES. BY MID-DECEMBER ALL HOSTAGES, WITH THE EXCEPTION OF THE THREE WHO RESIDED IN THE MINISTRY OF FOREIGN AFFAIRS (MFA), WERE BACK ON THE COMPOUND WHERE THEY REMAINED, DISPERSED INTERNALLY UNTIL MARCH 1980. BEGINNING IN MID-MARCH ALL WERE CONSOLIDATED IN THE CHANCERY WHERE THEY STAYED TOGETHER UNTIL THE EVENING OF 25 APRIL 1980.

(C) DURING THE NIGHT OF 25/26 APRIL 1980 A RAPID AND ALMOST COMPLETE DISPERSION TOOK PLACE. THREE SMALL GROUPS WERE LOCATED WITHIN TEHRAN; IN THE CHANCERY, EVIN PRISON, AND A PRIVATE RESIDENCE. THE REMAINDER OF THE HOSTAGES WERE IMMEDIATELY DISPERSED THROUGHOUT THE COUNTRY. THOSE IN EVIN AND THE TEHRAN RESIDENCE WERE MOVED OUT OF TEHRAN WITHIN A FEW DAYS, THOSE IN THE CHANCERY REMAINED.

[redacted]

(D) BEGINNING IN JUNE 1980 A RECONSOLIDATION INTO TEHRAN BEGAN. AS THE HOSTAGES RETURNED TO TEHRAN MOST WERE PLACED IN KOMITEH PRISON. BY SEPTEMBER THE MAJORITY WERE HELD IN THE KOMITEH PRISON. AT THE END OF OCTOBER THE FIVE IN THE CHANCERY WERE RELOCATED AND SPLIT BETWEEN KOMITEH AND EVIN PRISONS. BY 1 NOVEMBER THE EMBASSY COMPOUND WAS VACANT OF AMERICANS.

(E) ASSEMBLY OF THE HOSTAGES AT THE PRE-RELEASE SITE, A COMPLEX IN NORTHERN TEHRAN, BEGAN IN MID-DECEMBER AND WAS CONCLUDED BY 24 DECEMBER WITH THE EXCEPTION OF THE MFA TRIO. THE MFA HOSTAGES WERE TAKEN TO KOMITEH PRISON ON 5 JANUARY AND REMAINED THERE UNTIL 15/16 JANUARY WHEN THEY WERE TAKEN TO THE PRE RELEASE SITE.

(F) DEPARTURE FROM THE PRE-RELEASE SITE TO THE AIRPORT CAME ON SHORT NOTICE, LESS THAN FIFTEEN MINUTES. AT THE AIRPORT THE HOSTAGES WAITED LESS THAN AN HOUR BEFORE BOARDING THE ALGERIAN AIRCRAFT FOR THE FLIGHT TO WEISBADEN VIA ALGERIA.

(G) HOSTAGE TREATMENT DURING CAPTIVITY VARIED BUT INCLUDED BEATINGS LONG PERIODS OF SOLITARY CONFINEMENT, EXTENDED PERIODS OF BEING TIED OR HANDCUFFED, MOCK FIRING SQUADS, IN SEVERAL CASES DENIAL OF

MEDICAL ATTENTION OR MEDICATION, AND THREATS OF BEING THROWN TO THE CROWD OR SHOT. INDIVIDUALS RECEIVING SERIOUS ABUSES APPEAR TO FALL INTO THREE CATAGORIES; THOSE WHO WERE KNOWN OR SUSPECTED TO BE ASSOCIATED WITH THE CIA/INTELLIGENCE; THOSE WHO ATTEMPTED ESCAPE; AND THOSE WHO ANTAGONIZED THEIR CAPTORS.

(U)

2. ~~(S/NFD)~~ CHRONOLOGY OF EVENTS

(A) AT APPROXIMATELY 1015 HOURS ON 4 NOVEMBER 1979 DEMONSTRATORS WERE OBSERVED CLIMBING OVER THE MAIN GATE OF THE EMBASSY. THEY SUCCEEDED IN OPENING THE GATE ALLOWING A LARGE GROUP OF CHADOR-CLAD FEMALES, CARRYING PLACARDS AND BANNERS, TO ENTER THE EMBASSY COMPOUND. NATIONAL POLICE IN THE AREA DID NOT MOVE TO STOP THE INTRUDERS. PART OF THE CROWD COLLECTED IN FRONT OF THE CHANCERY, OTHERS WENT DIRECTLY TOWARD THE RESIDENCES. ONE GROUP BROKE OFF FROM THE OTHERS AND PROCEEDED TO THE REAR OF THE CHANCERY AND BEGAN A FORCED ENTRY THROUGH THE BASEMENT. ANOTHER GROUP HAD GAINED ENTRANCE TO THE CONSULATE AND FORCED AN ENTRY THROUGH AN UNBARRED, SECOND STORY BATHROOM WINDOW.

(B) WORD OF THE PRESENCE OF DEMONSTRATORS ON THE COMPOUND QUICKLY

SPREAD AMONG EMBASSY PERSONNEL, BUT THERE WAS NO PANIC. THE CHANCERY AND CONSULATE BUILDINGS WERE SECURED. OFF DUTY MARINES IN THE BIJON APARTMENTS WERE CALLED AND TOLD TO REMAIN WHERE THEY WERE. THEY WERE SUBSEQUENTLY CAPTURED. TELEPHONE CONTACT WAS ESTABLISHED WITH THE CHARGE AT THE MFA WHERE HE HAD A 1030 HOURS APPOINTMENT. TELEPHONE

[redacted] EMERGENCY DEFENSE PLAN. UPON LEARNING SOME OF THE CROWD HAD PENETRATED THE BASEMENT OF THE CHANCERY RSO WENT DOWN, HAD A DISCUSSION WITH THE STUDENT LEADER, CONVINCING HIM TO WITHDRAW THE GROUP. MEANWHILE, ALL EMBASSY PERSONNEL IN THE CHANCERY HAD MOVED TO SECOND FLOOR.

(D) THE RSO DEPARTED THE CHANCERY THROUGH THE WINDOW THE PENETRATORS HAD USED, WITH THE GROUP'S LEADERS AND WENT TO INVESTIGATE THE SITUATION AT THE CONSULATE BUILDING. HE FOUND THE BUILDING SECURE AFTER THE ATTEMPTED PENETRATION THROUGH THE SECOND FLOOR WINDOW WAS THWARTED BY MARINE GUARD, THE RSO THEN RETURNED TO THE CHANCERY WITH

THE STUDENT LEADER.

(E) DUE TO A LACK OF DEMONSTRATORS NEAR THE CONSULATE, MOST OF ITS OCCUPANTS WERE ABLE TO ESCAPE IN SMALL GROUPS. THE LAST GROUP OF FIVE WERE SUBSEQUENTLY CAPTURED A FEW BLOCKS FROM THE COMPOUND BY A COMBINATION OF STUDENTS AND PASDARAN. NATIONAL POLICE IN THE AREA DID NOT INTERFERE. THIS GROUP OF AMERICANS WAS TAKEN TO THE AMBASSADOR'S RESIDENCE WHICH APPARENTLY HAD BEEN PREDESIGNATED AS A HOSTAGE ASSEMBLY POINT.

(F) DURING THIS TIME THE RSO, AFTER ENTERING THE CHANCERY, RECEIVED PERMISSION FROM THE CHARGE TO GO BACK OUTSIDE AND ATTEMPT TO DIFFUSE THE CROWD IN FRONT OF THE BUILDING. HE LEFT HIS FLAK JACKET AND WEAPON WITH THE MARINE GUARD AND AGAIN DEPARTED THE CHANCERY BUILDING. THE RSO BEGAN A DIALOGUE WITH THE STUDENT LEADERS ALONG THE LINES OF ALLOWING THEM TO CONDUCT A SIT-IN. DURING THESE DISCUSSIONS, WHICH APPEARED TO BE BRINGING SOME CONTROL TO THE SITUATION, TWO OLDER INDIVIDUALS EMERGED FROM THE CROWD. THE CROWD NOW CONTAINED A NUMBER OF MALES, SOME OF WHOM WERE CARRYING CLUBS PAINTED WITH "DOWN WITH AMERICA".

(G) THE TWO OLDER INDIVIDUALS USHERED THE STUDENT LEADER ASIDE, TOOK THE RSO'S RADIO AND TOLD HIM TO HAVE THE DOOR TO THE CHANCERY OPENED. THE RSO TOLD HIS CAPTORS SUCH A DECISION WOULD HAVE TO COME FROM THE CHARGE. THE RSO THEN SHOUTED TO THE MARINE INSIDE THE BUILDING WHO HAD BEEN COVERING HIM TO CALL THE CHARGE' AND TELL HIM IT WAS JUST LIKE FEBRUARY 14. THIS HAD NO IMMEDIATE RESULT, AND THE RSO WAS LED AWAY TO THE BUILDING BEHIND THE MOTOR POOL, TIED, AND PLACED UNDER ARMED GUARD.

PAGE 2 RUEIZJC0549 S[redacted]/NOFORN LIMDIS

(H) APPROXIMATELY TEN MINUTES LATER HE WAS TAKEN BACK INTO THE BASEMENT OF THE CHANCERY THROUGH THE ORIGINAL PENETRATION POINT. INSIDE THE BUILDING THE STUDENTS HAD STARTED A FIRE ON THE FIRST FLOOR TO DISPELL THE EFFECTS OF A TEAR GAS GRENADE WHICH WAS ACCIDENTALLY DISCHARGED.

(I) THE RSO WAS LED TO THE SECOND FLOOR AND USED TO COMMUNICATE WITH THE PEOPLE IN THE SECURE AREA. AFTER SOME DELAY, DURING WHICH THE SITUATION WAS DISCUSSED VIA TELEPHONE BETWEEN THOSE IN THE SECURE AREA AND THE CHARGE, THE CHARGE MADE THE DECISION TO OPEN THE DOOR. THIS ORDER WAS PASSED AND THE DOOR WAS OPENED. AS AREAS OF THE CHANCERY CAME UNDER STUDENT CONTROL, THEY WERE RANSACKED AND DEFACED. ATTEMPTS TO COERSE AMERICANS TO OPEN SAFES, OFTEN AT GUN OR KNIFE POINT WERE COMMON. THE TAKEOVER WAS COMPLETED BY 1500 HOURS.

(J) AS THE AMERICANS WERE CAPTURED THEIR HANDS WERE TIED WITH PRE-[redacted]

~~SECRET~~
[redacted]

CED AFTER CAPTURE, THE AMERICANS WERE CONFINED TO EITHER THE AMBASSADOR RESIDENCE OR ONE OF THE STAFF COTTAGES. DURING THE NEXT THREE DAYS, A GENERAL SCREENING AND IDENTIFICATION PROCESS OF THE AMERICANS WAS CONDUCTED BY THE IRANIANS. THIS SOMETIMES INCLUDED BEING BROUGHT BACK TO A WORK AREA AND BEING ASKED TO OPEN SAFES. IT WAS NOT UNTIL THE SECOND DAY THAT KOOB, WHO HAD BEEN AT THE ICA OFFICES OFF THE COMPOUND WAS CAUGHT, AND TAKEN CAPTIVE.

(K) BEGINNING ON 6 NOVEMBER THE MILITANTS RELOCATED SOME OF THE AMERICANS TO ONE OF TWO PRIVATE RESIDENCES IN NORTHERN TEHRAN. EVENTUALLY MORE THAN TWENTY MALE AMERICANS WERE ROTATED THROUGH THESE TWO BUILDINGS, WITH A NORMAL OFF COMPOUND NUMBER AVERAGING TWELVE. ALL THE AMERICANS WERE RETURNED TO THE COMPOUND BY MID-DECEMBER.

(L) DURING THE THIRD WEEK OF NOVEMBER, THIRTEEN OF THE ORIGINAL 63 COMPOUND HOSTAGES WERE RELEASED AND IT BECAME EVIDENT THAT MFA TRIO OF LAINGEN, HOWLAND, AND TOMSETH HAD LOST THEIR FREEDOM OF MOVEMENT. ANOTHER SIX AMERICANS ASSIGNED TO EMBASSY WERE LUCKY ENOUGH TO HAVE BEEN OFF THE COMPOUND AT THE TIME OF THE TAKEOVER AND WITH THE ASSISTANCE OF THE CANADIAN AMBASSADOR REMAINED OUT OF SIGHT AND EVENTUALLY WERE ABLE TO LEAVE THE COUNTRY UNDETECTED WITH CANADIAN ASSISTANCE.

(M) DURING THE PERIOD MID-DECEMBER THROUGH MID-MARCH, AMERICAN [redacted] HOSTAGES WERE HELD IN THE AMBASSADOR'S RESIDENCE, THE [redacted] AND THE CHANCERY, WITH A SINGLE STAFF COTTAGE USED ONCE. BY MID-MARCH ALL THE AMERICANS WERE BEING HELD IN THE CHANCERY, WHERE THEY REMAINED UNTIL THE NIGHT OF 25/26 APRIL WHEN ALL BUT FIVE WERE RELOCATED OFF THE COMPOUND.

(N) DISPERSIONS OUT OF TEHRAN BEGAN THAT NIGHT WITH SOME 34 HOSTAGES MOVED BY CLOSED VANS IN SMALL CONVOYS TO THE CITIES OF TABRIZ, HAMADAN, QOM, ESFAHAN, SHIRAZ, YAZD, AND POSSIBLY JAHROM. THE OTHERS WERE HELD IN THE TEHRAN AREA FOR A FEW DAYS AND THEN DISPERSED. FIVE WERE FLOWN TO MASHAD, AND THE OTHERS HELD IN SMALL TOWNS A FEW HOURS FROM TEHRAN.

(O) RECONSOLIDATION INTO TEHRAN BEGAN IN EARLY JUNE AND CONTINUED UNTIL LATE AUGUST. BY 1 SEPTEMBER ALL AMERICAN HOSTAGES WERE IN TEHRAN, WITH THE MAJORITY (44) HELD IN KOMITEH PRISON, NEAR THE MFA. FIVE WERE HELD IN THE CHANCERY AND THREE AT THE MFA.

(P) DURING THE LAST WEEK OF OCTOBER 1980, APPROXIMATELY A DOZEN OF THE SENIOR OFFICERS WERE RELOCATED TO THE EVIN PRISON COMPLEX. BY THE END OF OCTOBER THE COMPOUND HAD BEEN EMPTIED OF AMERICANS WITH THE FORMER CHANCERY DETAINEES BEING RELOCATED, THE WOMEN TO EVIN AND THE MEN TO KOMITEH.

(Q) DURING THE WEEK BEFORE CHRISTMAS ALL OF THE KOMITEH POPULATION WAS MOVED TO THEIR FINAL DETENTION SITE, A COMMANDEERED HOTEL COMPLEX IN NORTHERN TEHRAN. THIS COMPLEX WAS THE SITE OF THE CHRISTMAS TV FILMING AND THE FOLLOW-ON ALGERIAN VISITS.

(R) BEGINNING ON 19 JANUARY, THE AMERICANS WERE TOLD INDIVIDUALLY THEY WERE CANDIDATES FOR RELEASE AND THEIR ANSWERS TO QUESTIONS ABOUT [redacted]

(R) BEGINNING ON 19 JANUARY, THE AMERICANS WERE TOLD INDIVIDUALLY, THEY WERE CANDIDATES FOR RELEASE AND THEIR ANSWERS TO QUESTIONS ABOUT THE CONDITIONS OF THEIR CAPTIVITY WOULD HAVE AN IMPACT ON THEIR CHANCES FOR RELEASE. THEY ALSO WERE READ AN ARTICLE FROM AN ENGLISH LANGUAGE EDITION OF AN 18 JANUARY TEHRAN NEWSPAPER WHICH SUMMARIZED THE ONGOING NEGOTIATIONS. EACH, WAS BRIEFLY INTERVIEWED BY A FEMALE MILITANT AND ANSWERED WITH NOD [illegible] WERE FILMED "FOR THE STUDENT RECORDS." FOLLOWING THE INTERVIEW, EACH AMERICAN WAS GIVEN A GENERAL PHYSICAL EXAM BY THE ALGERIAN DOCTORS, AND RETURNED TO THE ROOM.

(S) AT APPROXIMATELY 1900 TEHRAN TIME ON 20 JANUARY THE AMERICANS, WERE TOLD THEY HAD AN HOUR TO PACK. WITHIN 15 MINUTES, THE GUARDS CAME BACK AND TOLD THEM THEY WERE LEAVING. THE AMERICANS WERE BLINDFOLDED, PLACED ON SEVERAL BUSES AND DRIVEN TO MEHRABAD AIRPORT. ONE AMERICAN, METRINKO, WAS PULLED OFF THE BUS BEFORE IT LEFT THE HOTEL BECAUSE HE REPLIED TO SOME PROFANITIES MADE BY A GUARD. HE WAS DELIVERED TO THE AIRPORT SEPARATELY IN A SEDAN.

(T) THE TRIP TO THE AIRPORT TOOK APPROXIMATELY THIRTY FIVE MINUTES. THE AMERICANS WAITED ON THE BUSES BETWEEN 30-45 MINUTES, BEFORE BEING TAKEN OFF ONE AT A TIME AND USHERED THROUGH A HUMAN CORRIDOR OF APPROXIMATELY FIFTY MILITANTS. NONE OF THE RETURNEES CLAIMED TO HAVE BEEN HIT OR SWUNG AT DURING THE MOVEMENT TO THE AIRCRAFT, BUT THE MILITANTS CHANTED FANATICALLY "DOWN WITH AMERICA."

3. (U) ~~(S/NF)~~ CONTROL, DIRECTION AND SUPPORT:

(A) THE MILITANTS EXERCISED DIRECT PHYSICAL CONTROL OF THE AMERICANS FROM CAPTURE TO RELEASE. THE AMERICANS WERE BLINDFOLDED AND TIED UPON SEIZURE AND A NO-TALKING RULE WAS IMPOSED. THESE RESTRICTIONS REMAINED IN FORCE FOR THE FIRST THREE MONTHS. THEREAFTER, THE

NO-TALKING BAN WAS LIFTED BETWEEN ROOMMATES. HOWEVER, THE BLINDFOLD RULE WAS APPLIED ON ALL MOVEMENT OUT OF A CELL OR ROOM AND THE HANDS TIED PROCEDURE WAS ENFORCED ON ANY OUT-OF-BUILDING TRANSFERS. PHYSICAL SECURITY WAS HIGH THROUGHOUT, BUT VARIED WITH TIME, LOCATION AND PRISONER. DURING THE FIRST FEW MONTHS IT WAS NOT UNCOMMON FOR AMERICANS HELD IN ISOLATION TO HAVE AN ARMED MILITANT GUARD PRESENT. BY MARCH THIS PROCEDURE HAD BEEN DROPPED, WITH UNARMED GUARDS

PAGE 2 RUEIZJC0550 ~~S E C R E T~~/NOFORN LIMDIS
IN THE HOSTAGE HALLWAYS AND ARMED GUARDS AT KEY ENTRY AND CONTROL POINTS AND EXTERNAL PERIMETERS. CONTROL EXTENDED TO CENSORSHIP OF BOTH OUTGOING AND INCOMING MAIL. CENSORSHIP WAS A FUNCTION OF PRISONER BEHAVIOR, TRANSLATION COMPETENCY OF THE GUARD GROUP, VOLUME OF MAIL, AND EXTENT OF CONFLICTING MILITANT DUTIES.

(B) ALL EXTERNAL MOVES, EVEN TRIPS FROM THE CHANCERY TO MUSHROOM INN AND THE AMBASSADOR'S RESIDENCE FOR SHOWERS, WERE ACCOMPLISHED IN CARS OR VANS AND UNDER GUARD. ALL OFF-COMPOUND TRANSFERS WERE ACCOMPLISHED IN VANS WITH THE WINDOWS BLACKED OUT. CIRCUITOUS ROUTING WAS OFTEN USED TO CONFUSE THE AMERICANS AS TO DISTANCE AND DIRECTION. THIS PRACTICE CONTINUED UNTIL 24 DECEMBER 1980 WHEN SEVERAL AMERICANS WERE MOVED FROM ONE BUILDING WITHIN THE PRE-RELEASE COMPOUND TO ANOTHER. THE AMERICANS WERE BLINDFOLDED, HANDS TIED, PLACED IN A CLOSED VEHICLE AND DRIVEN AROUND FOR APPROXIMATELY 20 MINUTES THEN BROUGHT BACK TO THE BUILDING ADJACENT TO THEIR POINT OF ORIGIN. TRANSFER FROM THE PRE-RELEASE SITE TO THE AIRPORT WAS DONE UNDER BLINDFOLD AND VEHICLE DARKENED CONDITIONS ONLY. HANDS WERE NOT TIED.

(C) THE MILITANTS WERE CONTROLLED AND RESPONDED TO DIRECTION FROM

~~SECRET~~

A HARDLINE FACTION OF THE ISLAMIC RELIGIOUS HIERARCHY. THE CONTINUING PRESENCE OF MULLAHS AT THE COMPOUND AND VARIOUS DETENTION SITES CONFIRMED THE EXTENT OF THEIR INVOLVEMENT. THE MULLAHS IN TURN CONTROLLED REVOLUTIONARY GUARD ENTITIES THROUGHOUT THE COUNTRY. RAPID DEVELOPMENT COORDINATION AND IMPLEMENTATION OF THE 25 APRIL DISPERSAL PLAN IS CLEAR EVIDENCE OF THIS INTERFACE. MANY OF THE DISPERSED DETENTION SITES WERE GUARDED BY MEMBERS OF THE REVOLUTIONARY GUARD, AND SOME ARE BELIEVED TO HAVE BEEN PASADARAN TRAINING SITES. THE EXTENDED USE OF KOMITEH PRISON, WHICH IS RUN UNDER THE AUSPICES OF THE MINISTRY OF JUSTICE, CONTROLLED BY THE CLERICS, IS FURTHER EVIDENCE OF THEIR INVOLVEMENT.

(D) ALTHOUGH THE MILITANTS ACCOMPLISHED MUCH OF THEIR OWN HOUSEKEEPING CHORES, THEY DID RECEIVE SUPPORT AT LEAST TACITLY FROM SECULAR SEGMENTS OF THE IRANIAN GOVERNMENT STRUCTURE. SUCH SUPPORT INCLUDED NEWS COVERAGE; RADIO AND TV BROADCAST TIME AND SUPPORT (ALL KEY EVENTS WERE VIDEO TAPED BY TECHNICAL TEAMS FROM THE GOVERNMENT-RUN TV); AS WELL AS TELEPHONE, WATER AND POWER SERVICE. REVOLUTIONARY GUARD MAINTAINED SECURITY AROUND THE COMPOUND, BUT ALLOWED FREE MOVEMENT TO THE MILITANTS. THE MILITANTS WERE GIVEN SMALL ARMS

TRAINING EITHER BY THE REVOLUTIONARY GUARD OR THE CONVENTIONAL ARMY. THEY WERE PROVIDED VERY SOUND SECURITY ADVICE BY KNOWLEDGEABLE PERSONS THROUGHOUT, AND GIVEN THE MEANS AND GUIDANCE TO CARRY IT THROUGH. THEY RECEIVED SUPPORT, AT LEAST INDIRECTLY FROM THE CONVENTIONAL MILITARY ELEMENTS IMMEDIATELY AFTER 25 APRIL 1980, WHEN MEASURES WERE INITIATED TO DETER ANOTHER RESCUE ATTEMPT. IN ADDITION THE MILITANTS RECEIVED SUBSTANTIAL INFORMATION, MORAL AND PSYCHOLOGICAL SUPPORT FROM IRANIAN STUDENT GROUPS IN THE UNITED STATES.

(E) IN SUMMARY, THE EVENTS OF THE PAST FIFTEEN MONTHS BEAR THE HALLMARKS OF AN ORCHESTRATED CAMPAIGN OF PSYCHOLOGICAL WARFARE DESIGNED TO ENHANCE THE INFLUENCE OF THE ISLAMIC REVOLUTIONARY HARDLINERS, HUMILIATE THE UNITED STATES, AND PURGE AMERICAN INFLUENCE AND VALUES FROM IRANIAN SOCIETY.

WASHINGTON, D.C. 20301

2 October 1980

MEMORANDUM FOR THE SECRETARY OF DEFENSE

Subject: SNOWBIRD Intelligence Status

1. (TS) Pursuant to NCA direction of 28 April 1980, Joint Task Force 1-79 began on 1 May to rebuild and prepare various military forces for another rescue effort. Since that time and continuing unabated to date, the men of JTF 79-1, and many elements of the military Services and DOD agencies have invested substantial time, effort, personnel, equipment, and funds to reconstitute the force and improve its capabilities. These goals have essentially been accomplished. DOD capabilities today are several fold more redundant and reliable than last April. However, this large investment does not appear to have been matched by a similar intelligence community effort. The basic charge given the DCI by the NCA on 28 April remains unfulfilled. [redacted]

2. (U) (TS) While the safe return of the hostages through diplomatic negotiations is the preferred means and we recognize military force is the option of last resort, it is imperative that intelligence keep abreast if not ahead of operational planning if we are to be able to effectively apply military force should the situation dictate.

3. (S) [redacted] DOD proposals appear to have received only marginal CIA indorsement. For example, the status of several DOD initiatives are outlined below:

[redacted]

TOP SECRET

b. Another program with promise which was intended to assist in confirming hostage detention sites and provide a possible means of [redacted] This program has been "suspended" by a mid-level decision within Department of State. [redacted] 13 August 80 Under Secretary of State Newsom ruled against the dispatch. On or about 16 September the DCI raised the subject with Dr. Brzezinski without a final decision being reached.

c. In a separate effort following approval by the Director, DIA, the JTF working with NAVINSCOM [redacted] dispatched on 19 September 1980 the first of a series of [redacted] On 24 September 80, the Intelligence Policy Review Group in a memorandum to CJCS recommended that this program receive SCC approval prior to [redacted]

4. (TS) In light of the foregoing, it would appear appropriate to review the entire intelligence effort to identify hostage locations and maintain continuity. To press the location effort, the following suggestions are offered for consideration.

[redacted]

b. [redacted]

d. [redacted]

e. Establish an Inter-Agency Senior Level work group focused on the hostage issue and empowered to search [redacted]

for new ideas and make authoritative judgements and recommendations on actions designed to assist in obtaining the release of the hostages. Membership of this group should include: DOD (International Security Affairs), JCS (J3 and J5), Department of State, Drug Enforcement Agency, Central Intelligence Agency, Department of Justice (Federal Bureau of Investigation), and a National Security Council Staff representative. The group should be chaired by NSC and could be called into session by any member.

5. (U) COMMUNICATIONS: NO SIGNIFICANT COMMUNICATIONS DISCREPANCIES.
7. [redacted] OPERATIONAL INTELLIGENCE: SOVIET NAVAL ACTIVITY CONTINUED AT LOW LEVEL IN THE NORTHERN ARABIAN SEA. I-58 PGF 679 REMAINED ON THE STRAIT OF HORMUZ (SOH) PATROL WHILE AO IZHORA RETURNED TO THE MODLOC AREA AND WAS LOCATED BY NIMITZ ACFT VIC 22-59N/063-09E AT 290720Z. NIMITZ SSC CONFIRMED THAT AGI 477 HAS NOT RETURNED TO THE NORTHERN ARABIAN SEA. OUTBOARD RDF INDICATED THE AGI WAS POSSIBLY PROCEEDING TO THE SOCOTRA AREA. KRIVAK I FFG 693, IN TRAIL OF OKINAWA, WAS SIGHTED BY F. SHERMAN VIC 11-53N/055-23E AT 290638Z [redacted] B,C [redacted] SEARCH OPERATIONS IN

[redacted] TOP SECRET [redacted]

EYES ONLY

[redacted]UTHERN INDIAN OCEAN

[redacted]

[redacted]DURING THE AFTERNOON OF 29 APR, A NIMITZ F-14 GAINED RADAR CONTACT ON THREE IRANIAN ACFT VIC 25-46N/057-21E WHICH WERE SUBSEQUENTLY VISUALLY IDENTIFIED AS TWO F-4S AND ONE C-130. ONE OF THE F-4S TURNED TOWARD THE NIMITZ F-14 BUT, WHEN THE TF 70 ACFT MANEUVERED INTO A POSIT ASTERN THE F-4, THE THREE IRANIAN ACFT IMMEDIATELY TURNED NORTH AND RETURNED TO IRANIAN AIRSPACE. CPA BETWEEN THE F-14 AND THE F-4 WAS 01 NM, PRECLUDING OBSERVATION OF ANY EXTERNAL STORES ON THE F-4.

D. IN OTHER AIR ACTIVITY, A PAKISTANI C-130 WAS INTERCEPT AND ESCORTED THROUGH THE MODLOC AREA WHILE A CANADIAN C-1 INTERCEPTED AND IDENTIFIED.

[redacted] REMARKS: CONTINUE TO MAINTAIN CLOSE HOLD ON AL INFORMATION PERTAINING TO MISSION COUNTRY. LIMIT DISTRIBU MINIMUM NUMBER OF PERSONNEL CONSISTENT WITH TASK ACCOMPLI REVW 01 MAY 10

[redacted] REMARKS:

SUMMARY OF BATTLE GROUP POSTURES DURING MIDWAY/CORAL SEA TURNOVER:

1) MIDWAY WILL DEPART MODLOC AM 03 FEB AND RENDEZVOUS WITH CORAL SEA AM 05 FEB. CORAL SEA WILL BE WITHIN 48 HRS OF MODLOC AT THE TURNOVER POSITION.

2) NIMITZ WILL ASSUME PRIMARY TASKING UPON DEPARTURE OF MIDWAY. MISSION RELATED EQUIPMENT WILL BE TRANSFERRED TO NIMITZ BY 02 FEB.

3) NIMITZ WILL ASSUME 15 HOUR ALERT POSTURE AND SHIFT MODLOC TO VICINITY 23-15N/061-00E UPON COMPLETION OF MISSION RELATED EQUIPMENT TRANSFER. MIDWAY WILL ALSO REMAIN IN 15 HOUR ALERT POSTURE UNTIL DEPARTING MODLOC. THIS WILL EXPEDITE TURNOVER OF PRIMARY TASKING ON 3 FEB WHILE RETAINING OPTION TO EXECUTE PRIMARY TASKING BY EITHER BATTLE GROUP ON 02 FEB.

4) CORAL SEA WILL ARRIVE MODLOC AM 07 FEB AND ASSUME BACK-UP CONTINGENCY ROLE.

5) TEXAS WILL ASSUME DUTIES OF PIRAZ AND ANTI-AIR WARFARE COORDINATOR (AAWC) UPON DEPARTURE OF BAINBRIDGE AM 03 FEB UNTIL ARRIVAL OF TG 70.3.

(U) The Iran-Iraq conflict has apparently halted further consideration of the hostage issue by the Majlis for an indefinite period. Yesterday Majlis Speaker Rafsanjani said the Iraqi attacks were part of "a large US plot and "will have an impact on the destiny of the hostages." Tehran Radio announced the Majlis had decided that the problem "of the hostages spies has been frozen indefinitely." Also yesterday the militants holding the hostages announced that hostages in six cities were being transferred.

A. (U) NARRATIVE SUMMARY OF PREVIOUS SEVEN DAY PERIOD INCLUDING INFORMATION ON SIGNIFICANT EVENTS/OPERATIONS RELATED TO TASK GROUP READINESS:
(1) (U) TG 72.1: BATTLE GROUP ALFA CONDUCTED SINGLE BATTLE GROUP OPERATIONS UNTIL THE EISENHOWER BG ARRIVED IN THE NORTHERN ARABIAN SEA ON 14 SEP. FRANCIS HAMMOND CONTINUED TAV ALONGSIDE

PAGE 1 [redacted] 80110201

PAGE 2 [redacted] 70473
AJAY IN DIEGO GARCIA WHILE ROBERT E. PEARY CONTINUED TRANSIT TO PORT VISIT AT PORT LOUIS, MAURITIUS ARRIVING 19 SEP. WICHITA DEPARTED DIEGO GARCIA 15 SEP AND COMMENCED TRANSIT TO MOBLOC, ETA 20 SEP. DURING THE PERIOD [redacted] BATTLE GROUPS ALFA AND

Declassified by DDO, NMCC

GULF PARTICIPATED IN EXERCISE GONZO 80-5 WHICH INCLUDED LONG-RANGE FAAW ASM, ANTI-SHIP CRUISE MISSILE A D OVER-THE-HOPIZON TARGETING EXERCISES. KALAMAZOO COMPLETED PASSENGER AND CARGO TRANSFER AT DIEGO GARCIA ISLAND ON 16 SEP AND RENDEZVOUSED WITH BATTLE GROUPS ALFA AND CHARLIE FOR AN EARLY MORNING UNREP ON 17 SEP. UPON COMPLETION OF THE UNREP, MIDWAY, LEAHY, PARSONS AND KALAMAZOO DETACHED FOR TRANSIT TO MOMBASA AND KIRK DETACHED FOR TRANSIT TO COLOMBO. SAMPLE, WICHITA, RIGEL AND NAVASOTA CHOPPED TO CTG 70.9. MIDWAY.S AIRWING FLEW 364 SORTIES DURING THE PERIOD WITH AIRWING STANDDOWN BEING HELD ON 12-13 SEP.

(2) (S/U) TG 70.7 CONDUCTEDSURVEILLOPS IN THE PERSIAN GULF, GULF OF ADEN AND GULF OF OMAN INCLUDING NORMAL TG TRAINING. LAWRENCE CONDUCTED AN ABBREVIATED PASSEX WITH SULTAN OF OMAN NAVY VESSEL IN THE GULF OF OMAN 12 SEP. THE PASSEX WAS TERMINATED WHEN SON PROVIDED ASSISTANCE TO A SMALL BOAT IN DISTRESS. DURING THE TRANSIT OF THE STRAIT OF HORMUZ, LAWRENCE WAS THE SUBJECT OF CLOSE SURVEILLANCE BY AN IRANIAN C-130 AIRCRAFT. LAWRENCE COMMENCED AN

UPKEEP IN BAHRAIN ON 13 SEP. THOMAS C HART AND VOGE TRACKED AN IRANIAN C-130 AIRCRAFT (CPA 12NM) WHILE CONDUCTING SURVEILLANCE IN THE CENTRAL PERSIAN GULF ON 14 SEP. CONOLLY CONDUCTED PSE AND DEPARTED DJIBOUTI 16 SEP. A PASSEX BETWEEN CONOLLY AND THE FRENCH NAVY WAS CONDUCTED IN THE WESTERN GULF OF ADEN ON 17 SEP. CONOLLY'S LAMPS HELO SIGHTED A SURFACED FOXTROT SUBMARINE IN COMPANY WITH A KRIVAK FFG IN THE BAB EL MANDEB STRAIT 17 SEP. WHILE SURVEILLING SOVIET LPD IVAN ROGOV ON 17 SEP, CONOLLY WAS CLOSELY SURVEILLED BY A HORMONE HELO. LASALLE'S RAV WAS EXTENDED THROUGH 18 SEP DUE TO THE C-3 CASREP TO NR ONE BOILER.

(3) (S/U) TG 70.9: ON 12 SEP, EISENHOWER AND VIRGINIA CONTINUED TRANSIT TO MODLOC AND EXERCISE GONZO 80-5 WHILE SOUTH CAROLINA COMPLETED THE FINAL STAGES OF TAV AT DIEGO GARCIA AND MISPILLION CONTINUED OPS IN THE MODLOC AREA. THE FOLLOWING DAY, SOUTH CAROLINA DEPARTED DIEGO GARCIA ENROUTE TO 17 SEP RENDEZVOUS WITH EISENHOWER. ALSO ON 13 SEP, EISEKNHOWER CONDUCTED NORMAL AIR OPERATIONS AND TRAINING. DURING THAT ACTIVITY AN F-14 AIRCRAFT WAS LOST AT SEA. BOTH CREWMEMBERS EJECTED SAFELY AND WERE RESCUED UNINJURED BY TWO EISENHOWER SH-3 HELOS. THE SAME DAY EISENHOWER F-14'S INTERCEPTED AND ESCORTED A BRITISH CANBERRA TRANSITIKNG NORTHWARD IN THE VICINITY OF THE BATTLE GROUP. FROM 14-16 SEP THE EISENHOWER BATTLE GROUP PARTICIPATED WITH TG 70.1 IN EXERCISE

GONZO 80-5. ON 14 SEP EISENHOWER F-14'S INTERCEPTED AND ESCORTED A SOVIET IL-18 COOT AS IT CONDUCTED A NORMAL SOUTHWESTWARD TRANSIT ENROUTE TO ADEN. DURING THE MORNING OF 17 SEP, THE EISENHOWER AND MIDWAY BATTLE GROUPS COMPLETED TURNOVER OF MATERIALS AND RESPONSIBILITIES IN PREPARATION FOR MIDWAY'S DEPARTURE FROM MODLOC. SOUTH CAROLINA AND VIRGINIA ASSUMED PIRAT AND AAWC RESPONSIBILITIES, RESPECTIVELY. ALSO ON 17 SEP, EISENHOWER AND MIDWAY AIRCRAFT INTERCEPTED AND ESCORTED A SOVIET AN 22 COCK AS IT CONDUCTED A NORMAL SOUTHWESTERLY TRANSIT EAST OF THE BATTLE GROUP AREA. THE FOLLOWING DAY TWO IL-38 MAY AIRCRAFT CONDUCTED SURVEILLANCE OPS AGAINST THE MIDWAY BATTLE GROUP AS IT PROCEEDED SOUTHWARD TOWARDS

MOMBASA, AND THE EISENHOWER BATTLE GGOUP AS IT MOVED NORTHWARD TOWARDS MODLOC. THE MAYS WERE ESCORTED BY MIDWAY A-7'S AND F-4'S. AND EISENHOWER F-14'S. LATER ON 18 SEP, TWO B-52'S AND EISENHOWER AIRCRAFT CONDUCTED INTERFACE TRAINING IN THE MODLOC AREA. DURING THIS REPORTING PERIOD EISENHOWER'S AIRWING FLEW 602 SORTIES.

(4) (C) TG 76.3: NEW ORLEANS AND VANCOUVER ARRIVED AT DIEGO GARCIA FOR A BRIEF STOP FOR CARGO AND FUEL 18 SEP, COMPLETING A SIX DAY GROUP SAIL FROM THE KENYAN COAST. VANCOUVER DEPARTED DIEGO GARCIA PM 18 SEP AND NEW ORLEANS DEDARTED AM 19 SEP. THE TWO SHIPS WILL RENDEZVOUS ALONG PIM ENROUTE TO PERTH, AUSTRALIA. RACINE AND FREDERICK ARRIVED COLOMBO, SRI LANKA 15 SEP FOR A THREE DAY PORT VISIT. ON 18 SEP, RACINE AND FREDERICK DEPARTED COLOMBO ENROUTE TO GERALDTON AND BUNBURY, AUSTRALIA, RESPECTIVELY.

B. (U) FUTURE EVENTS SCHEDULED/PLANNED FOR PERIOD 190800Z - 260800Z SEP: (U)

(1) (S) UNITS SCHEDULED FOR PORT VISITS:

SHIP	PORT TO BE VISITED	DATES OF PVST
LASALLE	BAHRAIN (RAV)	21 AUG - 19 SEP
FRANCIS HAMMOND	DIEGO GARCIA (TAV)	11 - 21 SEP
LAWRENCE	BAHRAIN	13 - 25 SEP
ROBERT E PEARY	PT LOUIS, MAURITIUS	19 - 22 SEP
THOMAS C HART	BAHRAIN	19 SEP - 01 OCT
[redacted]		
LEAHY	MOMBASA, KE	22 - 26 SEP
PARSONS	MOMBASA, KE	22 - 26 SEP
KIRK	COLOMBO, SRI LANKA	22 - 26 SEP
KALAMAZOO	MOMBASA, KE	22 - 26 SEP

(2) (S) SIGNIFICANT EXERCISES PLANNED:

NAME OF EXERCISE/ TYPE TRAINING	DATES	PARTICIPANTS
WASEX	19 SEP	MIDWAY, LEAHY
GUNEX	20, 23 SEP	VIRGINIA, SOUTH

STRIKE TIMELINES*

~~Dont~~

GRAPHIC I (C)

- Timelines are shown for coordinated carrier based air/AC-130 attacks--AC-130 prior to dawn, carrier just at dawn. If exercised separately, more flexible time over target will result.

- If execution not received by the time shown at end of yellow lines, mission must be slipped up to 24 hours because of requirements for specific times on target, crew rest, aircraft prepositioning, etc.

- Red code indicates period aircraft are airborne enroute to target.

(C) E - Forward positioning AC-130 aircraft to [redacted] will reduce notification time to that time shown as point at which pre-launch crew rest begins (blue line).

GRAPHIC II (U)

- Carrier air mining time is shown.

- Sawtooth depicts decay of decision time from 39 to 15 hours. Straight line at 24 hours reflects period of launch window.

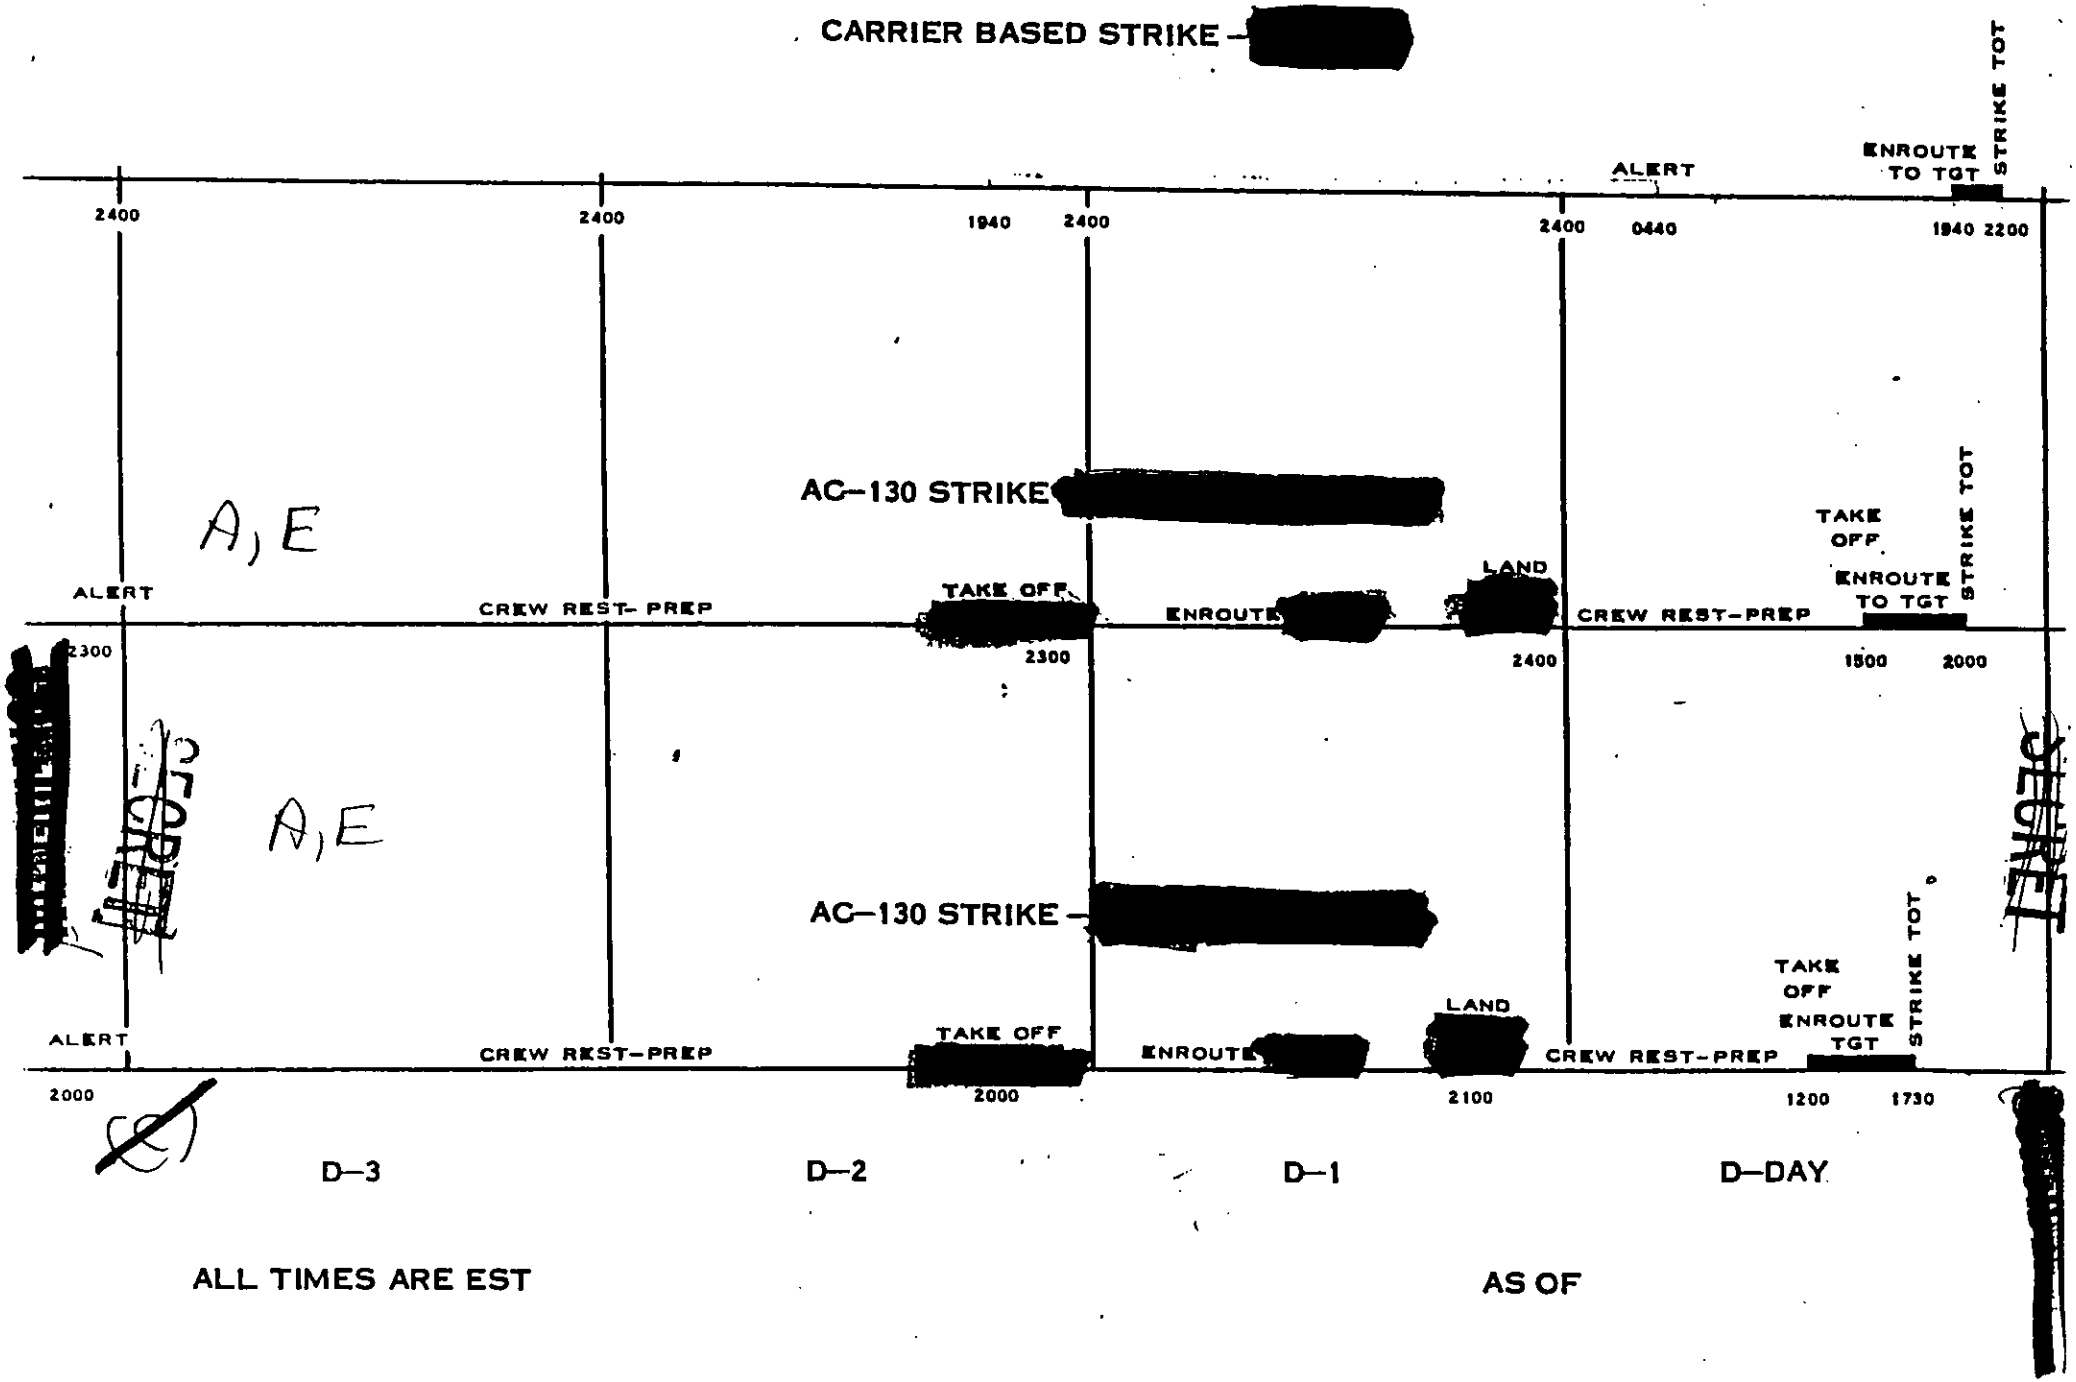

*All times are Eastern Standard Time (EST).

WORKING PAPER
(Destroy when no longer needed)

I. SUBJECT: [redacted]

II. PURPOSE: [redacted] establishing and maintaining [redacted] traffic in Iran.

III. MAIN POINTS:

A. Legality.

- A quarantine is a form of special function blockade that can be varied in its application and still be maintained legally.

- US has satisfied all conditions and would be legally justified in enforcing an Iranian Quarantine.

B. Operational Concept.

- Embargo of all maritime imports and exports with the exception of crude oil/liquid fuels.

- Oil tankers entering and leaving Persian Gulf not intercepted.

C. Operational Requirements.

- US naval forces currently in Indian Ocean are sufficient to establish a quarantine in the outer-Strait of Hormuz. (2 CV + 11 surface combatants)

- Two carrier battle groups would provide air cover, force defense and surveillance. This force is considered capable of successfully defending against any likely Iranian surface and/or air threat.

- NTDS command and control ship would maintain positive surface plot.

- LPH/LPD ship would increase capability; however, not required.

D. Sustainability.

- Support forces presently assigned to TF-70 are capable of fulfilling the logistic requirements associated with naval quarantine operations in outer-Strait of Hormuz.

E. Risk Assessment.

- Quarantine includes high military/political risk.

  — Increased potential for armed confrontation with Iranian forces.

  — Potential for armed confrontation with Soviet forces or surrogates.

  — Potential loss of Iranian oil exports to supporting allies.

  — Possible OPEC or Organization of Arab Petroleum Export Countries (OAPEC) embargo of oil exports to US.

IV. Conclusions:

- US can legally establish/maintain an effective quarantine.

- Serious political/military risks will be incurred.

B

POINT PAPER

[redacted]

II. PURPOSE: To provide information concerning proposed options for carrier aircraft operations in the Persian Gulf.

III. MAJOR POINTS:

A. Shallow Penetration Option: Strike Group launch, proceed to Strait of Hormuz, then to a point 112 NM inside Persian Gulf, and then return.

- Shallow Penetration Option One:

  -- Simultaneous lanuch of approximately 68 aircraft from both carriers.

  -- Provide one large launch on 2.5 hour mission.

- Shallow Penetration Option Two:

  -- Carriers launch on alternate 2,0 - 2.5 hour cycles providing an almost continuous flow into Gulf.

  -- Each carrier could complete two cycles (three cycles if last cycle reduced by half for night recovery).

- Shallow Option Two is preferred option.

  -- Easier to handle aircraft and maintain force defensive posture.

B. Deep Penetration Option: Strike Group proceeds as in shallow option, then to a point 200 NM further north, and return.

- Strike Group includes 14-16 aircraft supported by 6-7 tankers.

- First carrier launches and recovers first strike (4.1 hours) followed by second launch and recovery from second carrier.

- Off cycle carrier would provide airborne CAP and E-2 backup.

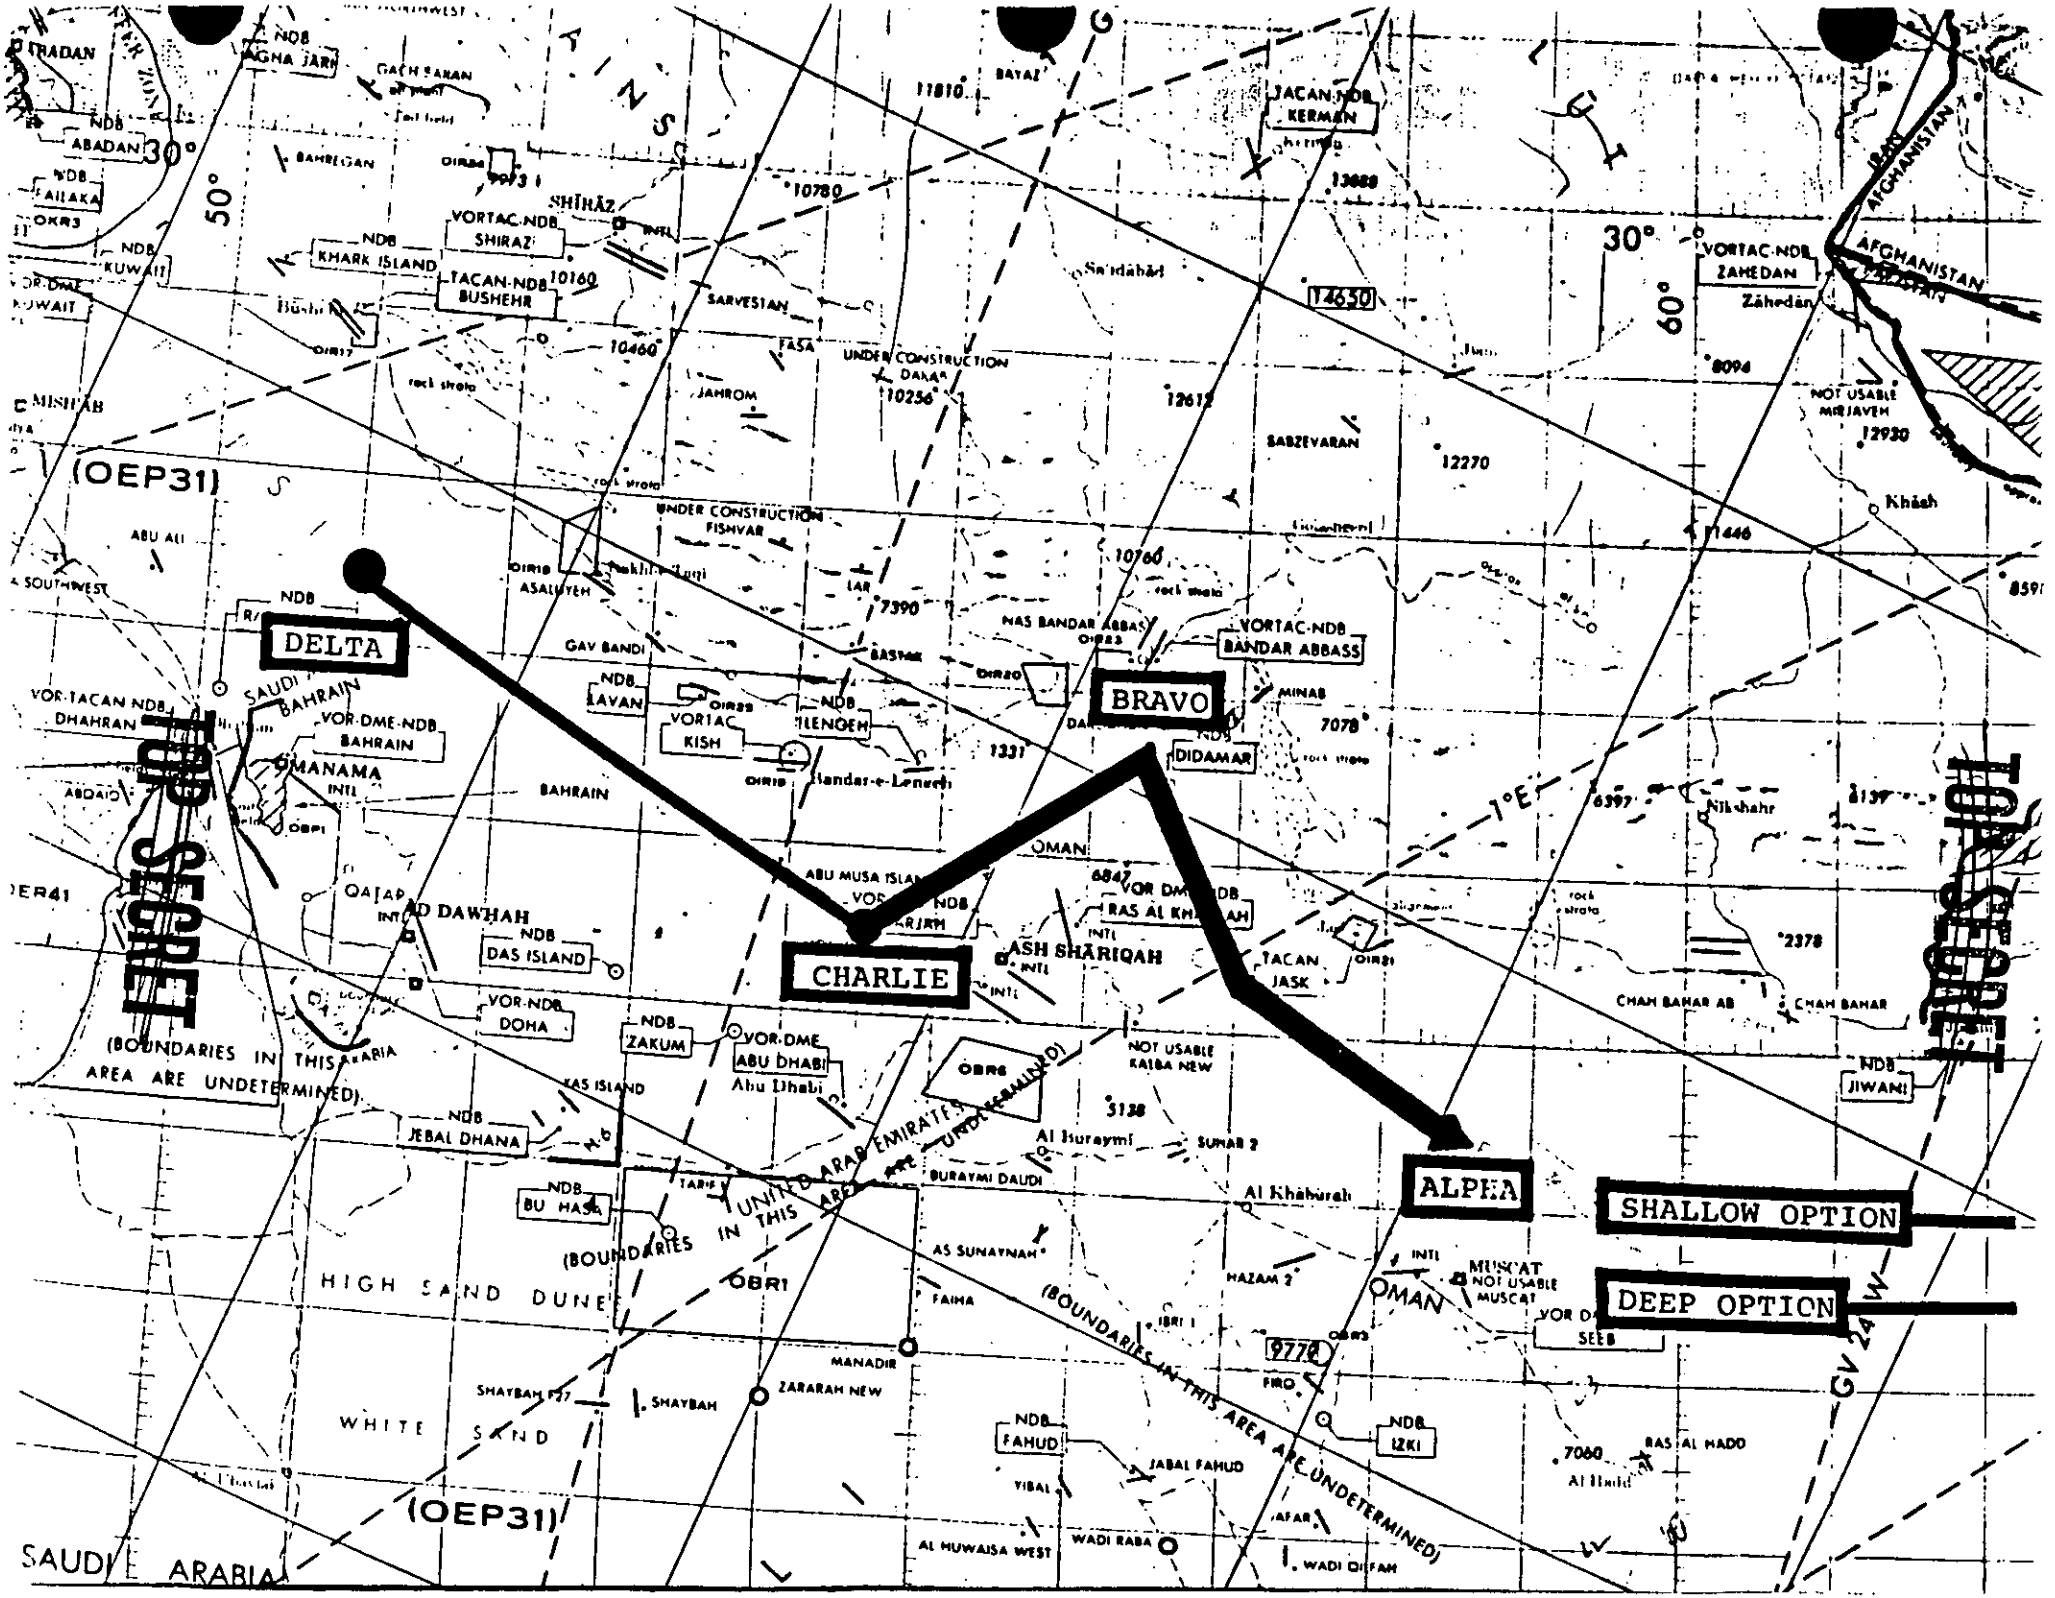

C. Peacetime ROE would apply.

D. CINCPACFLT recommends Shallow Option Two.

REVIEW FROM Multiple Sr

4 Nov 79: US Embassy seized by Iranian Militants

- MIDEASTFOR on station in Persian Gulf
- MIDWAY CVBG in central Indian Ocean enroute Mombasa, Kenya
- On both 4 and 5 November, Iranian Revolutionary Guards broke into the Iraqi Consulate in Khorramshahr. On the 6th, the Iraqi Consolate in Khorramshahr and Kermanshah were occupied. Iran expelled the Iraqi staff of the Korramshahr Consulate on 7 November. Iraq reciprocated on the 6th, by seizing the Iranian Consulate in Basra. At present, the Iraqi Consulate at Khorramshahr remains closed and Iran is pressing for the complete closure of both countries' consulates.

U) 05 Nov 79: Prime Minister Bazargan and his cabinet resigned over the dispute with the militants at the US Embassy and his failure to secure the release of the US hostages. Bazargan had tendered his resignation on at least three other occasions because of interference by committees and the Revolutionary Council as well as lack of support by Ayatollah Khomeini. Bazargan's dispute with the captors again demonstrated his lack of power, and proved to be the final straw in his continuing struggle with the unofficial shadow government for control.

J) 09 Nov 79: MIDWAY CVBG arrives Mombasa

79: MIDEASTFOR chopped to CINCPAC

~~NOV~~ 79: A group of some 300 to 600 individuals forcibly gained control of the Grand Mosque in Mecca, Saudi Arabia during the early morning hours. The group barricaded itself within the mosque and engaged Saudi national guard troops in a firefight. After two weeks of fighting, the Saudis were able to recapture the mosque.

~~(SC)~~ 20 Nov 79: HM-16 (6 RH-53s) moved by C5 to [redacted]

(U) 20 Nov 79: KITTY HAWK directed deploy to Indian Ocean

(U) 21 Nov 79: More than 1,000 Pakistani and Palestinian university students stormed the U.S. Embassy compound in Islamabad. Pakistani military troops were finally dispatched to rescue the U.S. Embassy staff members who were besieged for about six hours. All of the demonstrations were against U.S. property and citizens. Two U.S. service personnel were killed in the incident, and the embassy compound received extensive fire damage.

[redacted] ~~22 Nov 79: HM-16 chopped to CINCPAC~~

[redacted] 23 Nov 79: [redacted]

~~(S)~~ 23 Nov 79: 4 KC-135s arrive [redacted]

U) 26-30 Nov 79: Religious demonstrations by the Shia communities in the Eastern Province of Saudi Arabia and in southern Iraq during the mourning period of Muharram were sparked by violence. Saudi National Guard forces surpressed the demonstrations harshly which resulted in 50 deaths and over 150 seriously injured. On the 30th, Iraqi security elements clashed with Shiite demonstrators in the holy cities of Karbala and Najaf. Over 30 casualties resulted from these clashes.

~~(S)~~ 28 Nov 79: 6 RH-53s embarked aboard KITTY HAWK

~~(TS)~~ 01 Dec 79: [redacted] warm-up package began arriving [redacted]

~~SECRET~~ [redacted]

01 Dec 79: KITTY HAWK arrived Arabian Sea

02 Dec 79: Libyan protestors demonstrating in support of the Iranian militants and Iran's Islamic Republic set fire to the U.S. Embassy in Tripoli. There was apparently no attempt to take hostages. The demonstration was clearly not a spontaneous undertaking and had definitely received official sanction. However, whether the Libyan government truly intended for the embassy to be attacked remains unclear.

U) 2-3 Dec 79: The Iranian constitutional referendum was held on 2-3 December. The Referendum served to legitimize the position already held by Khomeini on a defacto basis. Article 110 established the position of a supreme religious leader who is also Commander-in-Chief of the Armed Forces. In addition, he has the authority to remove the elected president and to declare war with the approval of a Council of Guardians which is appointed by him.

U) 08 Dec 79: Iraqi-Iranian problems again flared as Iranian Revolutionary Guards seized an Iraqi school in Khorramshahr and arrested the staff. Iran accused the school of involvement in sabotage operations. On 9 December, another Iraqi school, in Ahvaz, was also closed. An exchange was arranged after Iraq had retaliated by arresting several Iranian teachers. The situation continued to worsen, however, and on 14 December, heavy Iraqi artillery shelling of Iran's western provinces was reported. Additionally, some 100 Iraqi infiltrators crossed the frontier into Iran under the cover of Iraqi mortor barrages. A later report stated that after a penetration of 5 kilometers, the Iraqis had retreated and calm had been restored.

~~S~~ 22 Dec 79: [redacted] directed to Singapore

U) 24 Dec 79: The USSR began a massive combat airlift of troops into Kabul, Afghanistan. On 27 Dec, the Soviets moved quickly to topple the Amin government and established the regime of Babrak Karmal. In coordination with these events in Kabul, two Soviet Ground Forces divisions moved into Afghanistan on 28 and 29 December. A massive build-up of troops and equipment has occurred and the latest intelligence estimates indicate that approximately 74,000 Soviet troops are in Afghanistan.

~~(TS)~~ 27 Dec 79: [redacted]

31 Dec 79: [redacted]

U) 01 Jan 80: Thousands of Afghans and their Iranian supporters stormed the Soviet Embassy in Tehran (just 10 blocks away from the occupied American Embassy) and ripped down the Russian flag before Iranian police drove the protestors away. The attack on the Soviet Embassy was one of two major protests in Iran against the Soviet-led coup in neighboring Afghanistan.

U) 03 Jan 80: USS NIMITZ departs Italian ports enroute Indian Ocean

U) 04 Jan 80: Syrian government [redacted] press surprisingly defends the Soviet operation into Afghanistan and supports the new [redacted] in Kabul. Although Syrian relations with the USSR have improved over the last year, previous examples of Soviet adventurism-in Ethiopia and South Yemen-were not well received by Damascus. At present, however, Syria feels politically isolated and militarily vulnerable, and is apparently not inclined to burn bridges with its principal arms supporters.

TOP SECRET

(U) 27 April — Ceremonies in Kabul and other cities in Afghanistan celebrating the Second Anniversary of the Saur (Communist) Revolution took place with only minor disturbances. Country wide anti-government disruptions that had been anticipated did not take place.

(S) 28 April — [redacted]

(U) 29 April — An assassination attempt was made against Iranian Foreign Minister Qotbzadeh while he was on a state visit to Kuwait.

(U) 1 May — Mines planted by Afghan nationalists are destroying more Soviet and Afghan Army vehicles. As a result, more Soviet mine detection and clearing equipment as well as dismountged operations are expected.

(S) 2 May — It is estimated that 115,000 Soviet forces are involved in Afghanistan operations. Of this number 85,000 are based inside Afghanistan.

[redacted]

(U) 2 May — Recent combat operations involving a Soviet/Afghan effort to clear the Panjshir Valley possibly resulted in a bitter Soviet defeat. A variety of sources have reported the Soviets suffered heavy losses in men and equipment before terminating the operation.

(U) 2 May — Student demonstrations have been occurring almost daily in Kabul, Herat, Kunduz, Ghanzi, Kandahar, and Jalalabad, Afghanistan. The mood in Kabul has turned ugly and the Babrak Government is discussing ways to respond to the situation.

(U) 2 May — Iranian Shia religious leader, Imam Hassan Shirazi was assassinated in Beirut, Lebanon. Iraqi elements have claimed responsibility.

(U) 3 May — There has been no change in Soviet forces of 115,000 involved in Afghanistan operations. 85,000 are based inside of Afghanistan.

(U) 5 May — The hostages being held at the Iranian Embassy [redacted] London were rescued by British commandos. Hostilities between Iraq and Iran have continued.

(U) 5 May — Student demonstrations throughout Afghanistan appear to have abated.

(S) 5 May — A new airfield is under construction near Karudi, Afghanistan. [redacted]

(U) 9 May — The second round of Iranian Parliamentary elections were held.

(S) 12 May [redacted]

(U) 12 May — The Afghan government is believed to have initiated efforts to disrupt nationalist activities in the Pakistan border region with a series of terrorist bombings.

(S) [redacted] May — Probable Soviet MI-24 HIND helicopters conducted a cross border bombing raid 8 miles inside Pakistan on 8 May. The raid was witnessed by an American journalist [redacted]

(S) 20 May — A major Soviet/Afghan operation [redacted] is underway in Ghazni province between 50-25 KM southwest of Kabul. [redacted]

(S) 21 May — Kabul, Afghanistan remains tense after several weeks of unrest, demonstrations, assassination attempts, and killing of Soviet soldiers. A major outbreak of violence could occur at any time.

(S) 22 May [redacted]

(U) 22 May — The Syrian Government instituted repressive measures in Hamah in an effort to crack down on the Muslim Brotherhood. Counter dissident activities by the government have continued in Aleppo.

(S) 23 May — A new major combined Soviet and Afghan army sweep operation is underway in the Konar Valley. [redacted] this is the second such operation in 3 months. It indicates that Soviet forces cannot retain control of territory without continuous occupation and that border denial operations have not been successful.

31 May - 6 June — [redacted] while units normally [redacted] and brigade sized exercises near their garrisons during this time of year, at least [redacted] these units could be used to increase security along the border with Iran.

(U) 2 - 4 June — (U) The Iranian Navy conducted an exercise in the Persian Gulf.

(U) 2 - 5 June — (U) The International Anti-American Conference was held in Tehran, Iran.

(U) 5 June — (U) Marches and demonstrations were held in Iran to commemorate the 17th anniversary of the religious uprising of 1963, which led to Khomeini's exile.

(U) 9 June — (U) The arrest of Qashqai tribal Chieftan Khosrow Qashqai provoked a clash between Qashqai tribesman and Revolutionary Guards near Shiraz.

(U) 12 June — (U) A rally in Tehran by the leftist Mujahedin was broken up by the Hezbollahi, a Muslim fundamentalist gang, resulting in at least one death and 300 injuries.

18 June — [redacted] Khomeini appointed three clerics [redacted] representatives in the Revolutionary [redacted] Gendarmerie [redacted] Police. These [redacted] by Khomeini to [redacted] control over Iran's internal security apparatus.

19 June — [redacted] massive top level military shake-up, [redacted] Chief of the [redacted] Force. This makes a clean sweep in the Armed Forces [redacted] Navy Commander was replaced on 1 June.

20 June — [redacted] A number of air and ground incursions and incidents along Afghanistan's borders with Pakistan and Iran have been recently observed. [redacted]

20 June — [redacted] Intelligence Community estimates of Soviet [redacted] involved in Afghanistan have declined slightly [redacted] Soviet forces involved in Afghanistan operations are estimated to be 120,000. Of this number 85,000 are based inside Afghanistan.

21 June — Tass announces the withdrawal of unnecessary troops from Afghanistan. In Kabul, a general strike closed an estimated 85% of shops. Only 2 small demonstrations were associated with the activity.

22 - 23 June — Press reports indicate that artillery and tank elements have begun movement north to the USSR.

23 - 24 June

25 June

27 June — (C) The Soviet strength figures agreed upon by the Intelligence Community are 80,000 in Afghanistan, and 120,000 total committed.

27 June — (U) Iran's Ayatollah Khomeini delivered a surprising and sharp attack upon the Iranian Government denouncing its effectiveness.

28 June — (U) In response to Khomeini's speech, Iranian President Bani Sadr made public that Khomeini possesses his letter of resignation which the Ayatollah can accept at any time.

1 July

2 July - (U) Foreign Minister Qotbzadeh announced that the number of diplomats in Tehran and Moscow must be equal. Presently, the number of Soviet diplomats in Tehran greatly exceeds that of Iranian diplomats in Moscow.

3 July - (U) Approximately 2000 water-board employees struck to protest reductions in pay and allowances. Some of the protestors held the Managing Director of Tehran's Water Board hostage in his office.

4 July - (U) Mass demonstrations were held in Tehran to show support for Khomeini's latest calls for purging the country of the vestiges of the Shah's regime. The demonstrators also denounced Iran's two largest leftist organizations.

5 July - (U) (C) The deposed Shah underwent a second operation. Reports on his condition are conflicting, but we believe him to be in quite serious condition.

6 July - (U) No significant activity.

7 July - (U) No significant activity.

10 July - (U) President Bani Sadr announced the thwarting of a sixth military coup plot to overthrow the government this year. This plot supposedly involved members of the army and air force.

10 July - (U) (C) Admiral Ahmad Madani, a prominent secularist and former navy commander, announced he would no longer sit in the Majlis, after refusing to appear before a Majlis review of his credentials. His resignation was another victory for the fundamentalist clerics.

11 July - (U) Mr. Richard Queen was released and was flown from Tehran to Zurich. He was immediately taken to a Zurich hospital for diagnosis of the ailment which led to his release from captivity in Iran.

12 July - (U) (C) Several hundred military officers were arrested for involvement in the coup plot announced on 10 July. While the Iranian government charged the US and several other nations with backing the plot and asserted former Prime Minister Bakhtiar was involved, it is apparently using the coup plot as an opportunity to purge the armed forces.

13 July - (U) Revolutionary Council member Hashemi Rafsanjani asserted that 99 percent of the Majlis deputies favor trying the hostages as spies unless the Shah and his money are returned. Rafsanjani also said the Majlis should not consider the hostage question for two months.

14 July - (U) No significant activity.

15 July - (U) The Revolutionary Council ordered Iran's land, sea, and air frontiers closed for 48 hours. The purpose was to prevent alleged members of the coup attempt from fleeing the country.

16 July - (U) No Significant Activity.

17 July - (U) No Significant Activity.

18 July - (U) An unsuccessful assassination attempt was made on Shahpur Bakhtiar at his daughter's house in Paris. A group calling itself the Guards of Islam claimed credit for the attempt. The Tehran government denied involvement in the attack.

19 July - (U) No Significant Activity.

20 July - (U) The Majlis commenced formal legislative business with the selection of a speaker. The new speaker is a leader of the fundamentalist Islamic Republic Party and has favored trials for the hostages.

20 July - (U) Ayatollah Khomeini severely attacked the Cabinet and ordered the Majlis to keep tight control over the government. He said Iran's problems stemmed from not being sufficiently Islamic.

21 July - (U) No Significant Activity.

22 July - (U) A mob stormed the Tehran offices of the pro-Soviet Tudeh Party as part of Iran's continuing "cultural revolution."

23 July - (U) Three bomb explosions rocked one of Tehran's main shopping areas reportedly killing six persons and injuring nearly a hundred others. The Forqan group claimed responsibility for the bombing.

24 July - (U) No significant activity.

25 July - (U) No significant activity.

26 July - (U) Bani Sadr nominated Mostafa Mir-Salim as Iran's new prime minister. Although Mir-Salim is a young, western educated technocrat, he is also a member of the IRP.

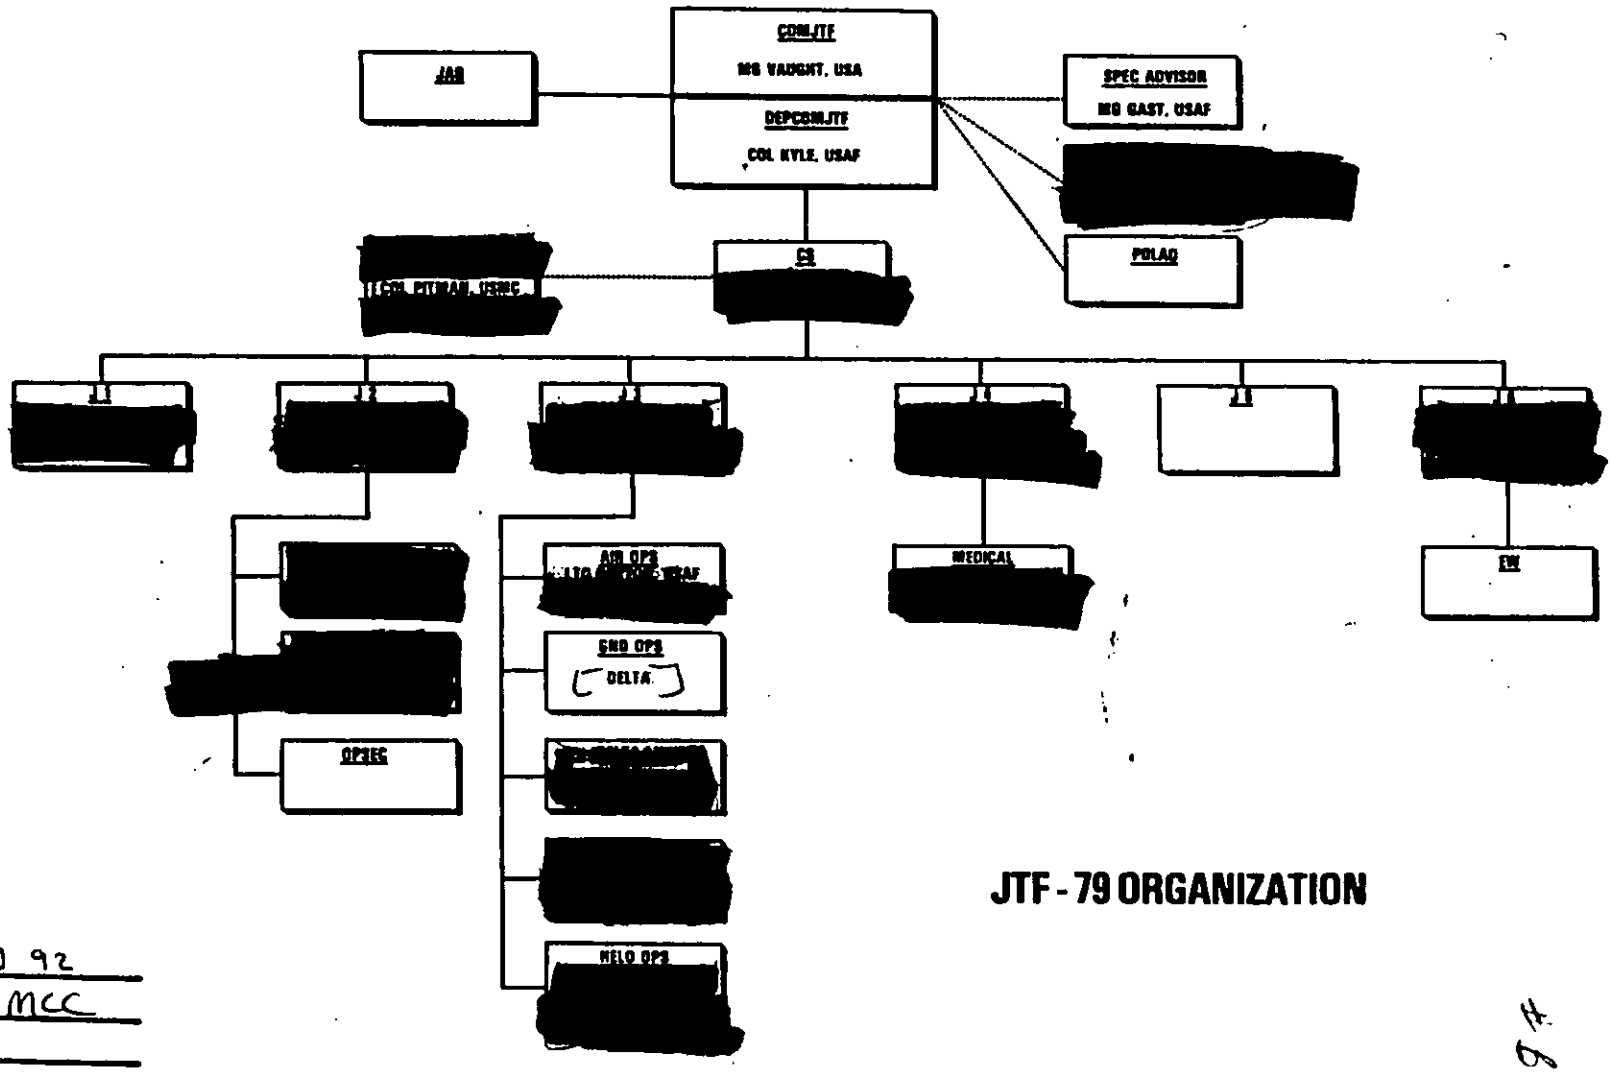

27 July - (U) The former Shah of Iran died in exile in Egypt. His death is not expected to effect the fate of the 52 American hostages.

28 July - (U) No significant activity.

WORKING PAPER FOR J-3

Subject: Iran Situation Report as of 0500 24 April 1980

(U)
Significant Events:

--(U) Although campus unrest has quieted in Tehran and at most universities, clashes between Muslim Fundamentalists and Leftwing groups continue in some provincial areas. According to press reports, 11 people were killed and over 1,000 injured yesterday in further clashes in the Caspian Sea port of Rasht.

[redacted]

Speaking at Tehran University on Tuesday, President-elect Bani-Sadr proclaimed the first stage of what he called an Islamic Cultural Revolution in the nation's universities.

--(U) In spite of an announcement by Iranian army forces on Tuesday that a cease-fire exists in Sanandaj, press reports indicate that fighting continues in both Saqqez and Sanandaj. Government forces reportedly remain trapped in both the Officer's Club and garrison, with all water, electricity, and telephone links severed.

--(U) In a move that is sure to increase tensions with Iraq, Iran's ruling Revolutionary Council announced yesterday it has verified reports that Ayatollah Baqr Sadr, a leading Muslim Shiite leader in Iraq, had been executed by the Iraqi regime. Khomeini's office in Tehran called for three days of mourning for the slain religious leader beginning on the 23rd. The mourning period will culminate tomorrow with large marches in Tehran.

[redacted] Significant Military Activity:

[redacted]

[redacted] Significant Political, Economic and Diplomatic Activity:

--(U) Canada and Japan apparently will join the nine nations of the European Economic Community in ordering partial diplomatic and economic sanctions against Iran. The text of the EC Nine decision calls on national parliaments to prepare to impose sanctions in accordance with the January 10 draft Security Council Resolution. The sanctions will be imposed if there has not been "decisive progress" toward the hostages' release by May 17. In the meantime, the EC will immediately reduce their Embassies' staffs, reduce Iranian diplomatic staffs in their countries, require visas for Iranians and ban sales of exports of military equipment and new contracts for any type of sales or exports to Iran.

MEMORANDUM FOR CJCS

Subject: Threat Review (U)

1. (TS) The following comprises the JTF J-2 assessment of the threat to RICE BOWL posed by Soviet, Iranian, and other Mideast nations' reconnaissance and surveillance capabilities. The assessment is divided by country and collection means.

2. ~~(TS)~~ (U) Soviet Capabilities.

a. ~~(S)~~ Photo

(1) [redacted]

(2) Aircraft Photo/Visual Reconnaissance: [redacted] The IL-38's primary mission is maritime surveillance and ASW. [redacted] We expect this activity to continue. The MAY has an operating radius of 1400 NM. [redacted]

(3) Soviet coverage of [redacted] the Helo Hide Site would have to be provided by satellite. Coverage of [redacted] could be accomplished by either satellite or aircraft. [redacted] The likelihood of a photo mission covering the Helo Hide Site is assessed as very low.

Classified By: DJSOA
Declassified ON: OADR

[redacted] SECRET

[redacted]

(2) Soviet Embassies and other diplomatic missions invariably conduct COMINT collection operations [redacted]

(3) [redacted]

(4) The Soviets have both naval and land-based long range direction finding equipment. They are capable of tracking - at least on a random basis [redacted]

given the open availability of ICAO flight plans, it must be assumed that intelligence "tip-offs" result.

(5) We assess the Soviet capacity to detect and track any radio-silent clandestine mission associated with RICE BOWL as low, if third country radars are avoided and "cover" flight plans are filed as necessary.

3. (U) (TS) Iranian Detection/Surveillance Capabilities.

a. (U) (TS) Iranian photo reconnaissance: Iran has a limited capability to photograph or visually reconoiter US naval units operating in the Persian Gulf or Northern Arabian Sea utilizing P-3 aircraft. Additionally, Iranian F-4s and C-130s have some visual recon capacity. We believe that any threat to security of RICE BOWL from any of these platforms is negligible.

[redacted]

b. Aural detection: We believe that the greatest danger of detection for both the helicopter and fixed-wing elements operating in Iranian airspace on Night #1 is posed by Gendarmerie posts. These posts (usually consisting of 6-10 men) are scattered throughout the country along major lines of communication. Mission planning has taken their locations into account and flight routes are designed to avoid all known posts.

[redacted]

(2) [redacted]

(3) [redacted]

c. Visual detection: Despite flight routes which avoid populated areas, the possibility exists that aircraft could be seen by motorists or nomads. The latter, lacking communications, can be discounted as a warning source. Critical areas for visual detection are the Gulf coastal region, the Refueling Site, and the Transfer Point/Helo hide area. We assess the possibility of detection at any of these locations as low-moderate. Whether a truck driver would bother to report sighting aircraft [redacted] to some official entity of the Iranian government is problematical.

[redacted]

d. (~~TS~~) SAC penetration analysis of several generic low level routes indicated low probability of detection/interception on all the inbound legs and only a slightly higher possibility of detection/interception on the egress routes. SAC team prepared study for MC-130 at [redacted] probabilities would still be on the low end of the spectrum if route planning [redacted] network was not on high/active alert posture.

ENEMY COMMAND AND CONTROL

C

- The Iranian command and control structure inside the AMEMB compound and in the immediate vicinity consists of a series of overlapping but not consciously connected communications circles.

-- Within the compound, the occupation elements use verbal and written communications for routine actions. [redacted], the Iranians holding the compound use captured walkie-talkies and the existing base station radios located in the Chancery, Ambassador Residence, DCM Residence and possibly in the Bijan Apartments (Apt Nr. 20), which the Marine guards formerly used as billets.

-- Telephone is the principal means of communication to areas outside of the compound. This means is complemented in the immediate vicinity of the compound by a public address (PA) system. Telephone and the PA system are the two primary means that can be expected to be used to sound an alarm, to request reinforcements, and to rally crowds to the compound. Once calls/announcements are initiated by telephone or PA system, the information can be relayed to all points of the city from neighborhood Khomiteh Offices and Mosques.

-- Key Communications Facilities:

-- The telephone switchboard for the compound is located in the Chancery basement.

-- The power sub-station/transformer yard which supplies the neighborhood is located less than a kilometer north of the compound at the north intersection of Roosevelt and Karim Khan-E-Zand.

-- The main telephone/telecommunications facility is located at Sepah Square. [redacted] Destruction of the roof-top antenna would seriously disrupt microwave and telephone communications from Tehran.

(C)

-- The more critical radio/TV facilities are:

-- The National TV Facility on Pahlavi Road [redacted] Focal point for all TV and FM broadcasts.

-- AM BC Station NE [redacted]: Major radio broadcast facility.

-- AM BC Station SW [redacted]: Major radio broadcast facility.

Defensive Forces and Reaction Times

[redacted]

(U) External reaction forces. Reinforcements for the student guards and Pasdaran are available from several locations and organizations. Principal forces and their estimated reaction times once they have received notification or heard a major disturbance in the vicinity of the compound are shown below.

(U) -- Within 0-5 minutes - fire from within the compound and, possibly, from a limited number of weapons positioned in surrounding buildings.

(U) -- Within 10-15 minutes reinforcements from student headquarters and Pasdaran Komiteh strength 75-100 from nearby Komiteh stations.

-- Within 15-30 minutes Pasdaran reinforcements of up to 200 plus.

(C) -- Within 45-60 minutes IRG Residual Forces and mobs of 2,000-3,000 could form. [redacted] and [redacted] could frustrate this potential threat.

(C) -- Within 60 minutes, it is possible that a [redacted] could react and attempt a launch against any orbiting aircraft.

(C) -- Within one hour it is possible that helicopters from [redacted] or fighters from [redacted] could launch and attempt to interdict the force.

GUARD FORCE DISTRIBUTION

-- Security of the hostage areas is maintained by [redacted] personnel. [redacted] personnel within the compound are made up of several factions in approximately the following proportions:

Actual students//60 percent/[redacted] personnel
Fatah trained militants//10 percent//[redacted] personnel
Pasdaran//15 percent//[redacted] personnel
Student leadership cadre (including university/religious leaders)
5 percent//[redacted] personnel
PLO advisors//3-5 percent//[redacted] personnel

NOTE: PLO advisors are probably only present during the day and in the evenings when strategy meetings are being held. The actual students function as personal guards of the hostages and as propagandists and ideologues trying to indoctrinate the hostages. The PLO function as observers, advisors, and propagandists. The Fatah trained militants supervise security, interrogation, and document exploitation. The Pasdaran, besides providing external security, maintain a presence within the compound, primarily providing sentries. Within the buildings, the students typically carry pistols. Those on duty outside typically are armed with G-3 rifles. Guards carrying rifles have not been observed carrying any spare magazines for their weapons.

[redacted]

-- Guard Force distribution is estimated as follows with a day/night duty ratio of 60/40.

B-36

OVERALL CONCEPT OF OPERATIONS

(S) - The operation will be accomplished during a nine day period (7 days for warning and positioning the force and 2 days for execution and recovery). Heavy lift helicopters (RH-53s), AC and MC-130 aircraft, refuelable C-130Es, C-141 airlifters and KC-135 tankers will be used. The helicopters will launch from the Nimitz. Other air operations will be conducted from [redacted]

(U) - The operation in Iran takes two nights and one day. It is divided into three phases - Insertion, Hostage Release and Extraction.

(S) - Upon last light of the insertion day, SFOD-Delta [redacted] Delta personnel plus [redacted] will be airlifted by 3 MC-130s [redacted] to an isolated desert LZ in Iran.

-- The first MC-130 will land on the desert LZ and Delta forces will immediately set up blocking positions on the road in order to control any vehicular traffic transiting the area.

(U) -- The second and third MC-130 land desert LZ where number one has secured the area.

(S) - The MC-130 aircraft will be followed by three EC-130s from [redacted] Each of these aircraft will have two fuel bladders for a total of 18,000 gallons of fuel available for refueling purposes. Once the EC-130s have landed and are in position, the 3 MC-130s will depart for [redacted]

-- Concurrently, 7 RH-53s will depart the USS Nimitz to marry up with the forces at the LZ. While at the LZ, the helos will refuel from the EC-130s and load the Delta personnel (the

(U) -- Once refueled and loaded, the helos will fly to a hideout area which is located approximately 100 KM from Tehran.

(S) - The MC & EC-130s at the desert LZ will depart [redacted]

(U) -- Once the helos reach the hideout area, they will be camouflaged and defensive positions set up. This evolution will be completed prior to sunrise.

A,C -- The Delta force will [redacted] the hideout area to a warehouse which is located approximately 15 KM from Tehran [redacted]

(U) -- While at the warehouse, final preparations will be made for the hostage release phase.

A -- That night, Delta will [redacted] and enter the compound early the next morning.

-- The hostage release can be completed in less than one hour - most will be out in 30 minutes or less.

E -- Two AC-130s will fly [redacted] to the compound and provide on-call fire support if required.

E,A -- Concurrently, 4 MC-130s w/Rangers [redacted] and fuel bblivets from [redacted] will secure Manzariyeh. Two C-141s from [redacted] will land immediately thereafter and prepare for the arrival of the helos from Tehran.

A,E -- A third AC-130 from [redacted] will be available to provide on call fire support at [redacted]

-- Once Delta has entered the Embassy Compound and initiated the hostage release, the helos will be called in for extraction and transportation of the hostages and Delta to Manzariyeh.

-- A separate fully coordinated, concurrently executed plan will be used to free Mr. Laingen + 2 from the Foreign Ministry.

E -- At Manzariyeh the former hostages and any wounded JTF personnel will be loaded on the C-141 which will be staffed with an emergency medical team. This aircraft will fly to the nearest US military hospital [redacted]

E -- Other personnel (Delta, helo crews) will board the second C-141 and fly to [redacted] for further transportation to CONUS.

A,E -- The AC and MC-130s [redacted] Rangers) will return to [redacted] or to other airfields as the situation requires. All MC/AC-130 flights from [redacted] and return will require air refueling [redacted]

~~TOP SECRET~~
~~SECRET~~

Ministry of Foreign Affairs [redacted] US Charge Laingen plus two)

Considerations

- This rescue must be coordinated with the Delta Force Assault on the US Embassy.

-- If not coordinated with the AMEMB assault, and conducted prior to the AMEMB assault, increased security at the Embassy will inevitably occur.

-- If the assault on the Foreign Ministry is conducted after the AMEMB assault, the Iranian security presence at the Foreign Ministry will undoubtedly have been reinforced.

General Plan

- Forces. Eight to ten personnel [redacted]

- Insertion Method.

-- [redacted]

-- Five to six others inserted via helo with Delta.

- Assault

-- Conducted upon receipt of execute message from Delta Force Commander.

-- Minimum force envisioned based on current intelligence.

-- Weapons carried aboard helos with Delta.

- Extraction

-- Primary. Helicopter from Delta Force's hostage recovery operation at the AMEMB makes intermediate stop enroute to DELTA pickup site.

-- Alternate. Vehicle exfiltration from Tehran to vicinity of [redacted] pickup, or exfiltration [redacted]

Current Status

- Concept developed; two personnel [redacted]

- [redacted] is currently conducting training to accomplish the mission.

E [redacted] COMMUNICATIONS

E - Four command networks provide long haul communications with the JTF [redacted]

-- Command network ALFA (chart one) provides secure communications from the Pentagon to the JTF.

-- Command network BRAVO (chart two) provides the JTF Commander a non secure satellite communications link to assault forces.

-- Command network CHARLIE (chart three) provides the JTF Commander a secure satellite communications network with all locations and forces. Not all stations operational at one time.

-- Command network DELTA (chart four) provides high frequency single side band emergency backup to command networks BRAVO and CHARLIE. All stations will be on listening silence except for emergencies.

(U) - Various other line of sight radio networks have been designated for use by aircraft and assault force operations.

- Base support communications have been established which provides:

-- AUTODIN message traffic, AUTOSEVOCOM Secure Voice, 100 line switchboard, intrabase radio (handheld).

-- Navigational aids/flight facilities.

-- Weather communications/forecasting facilities.

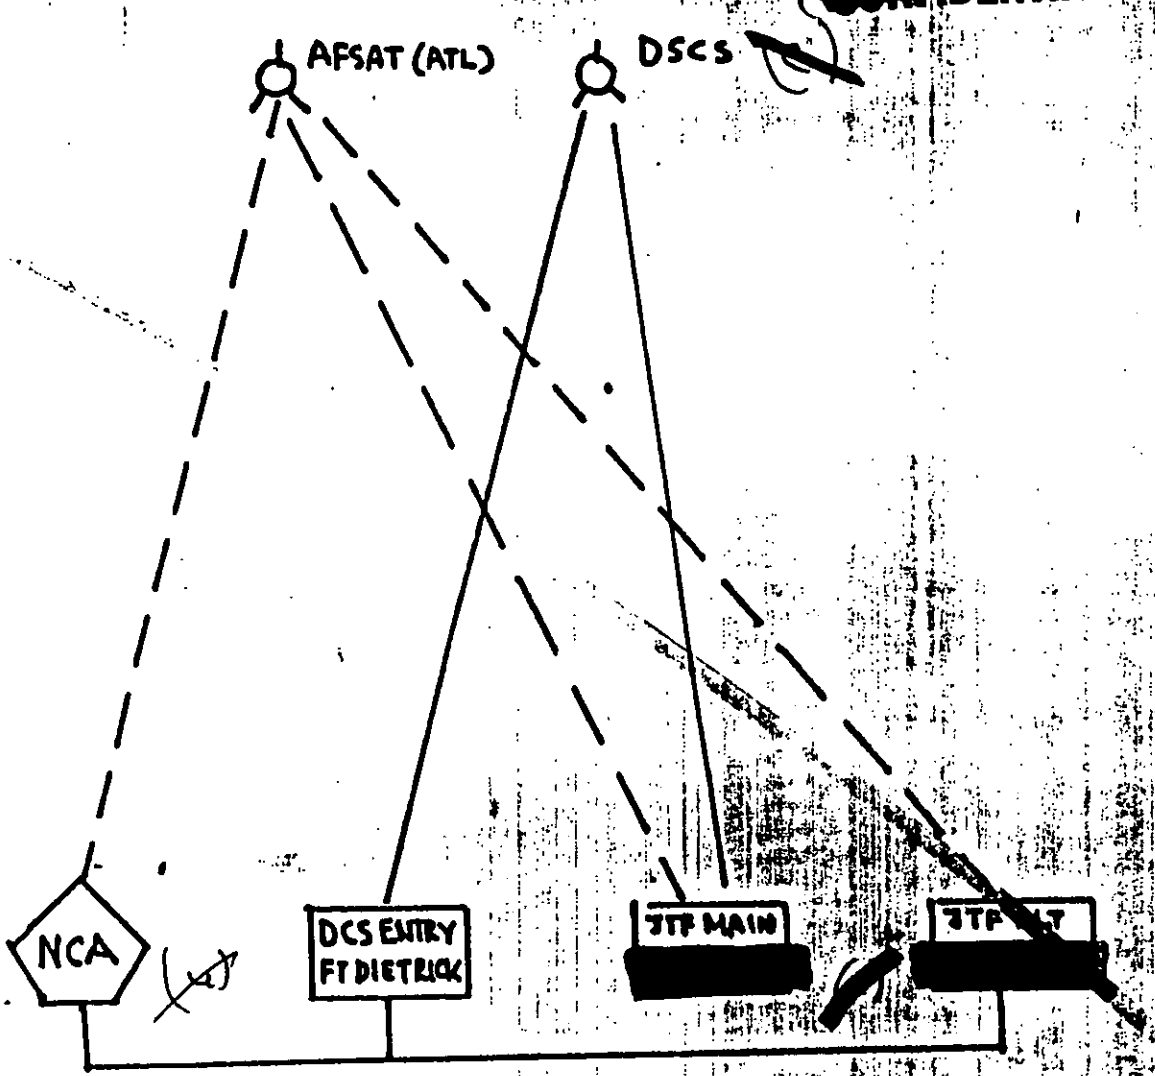

SECURE VOICE CONNECTIVITY

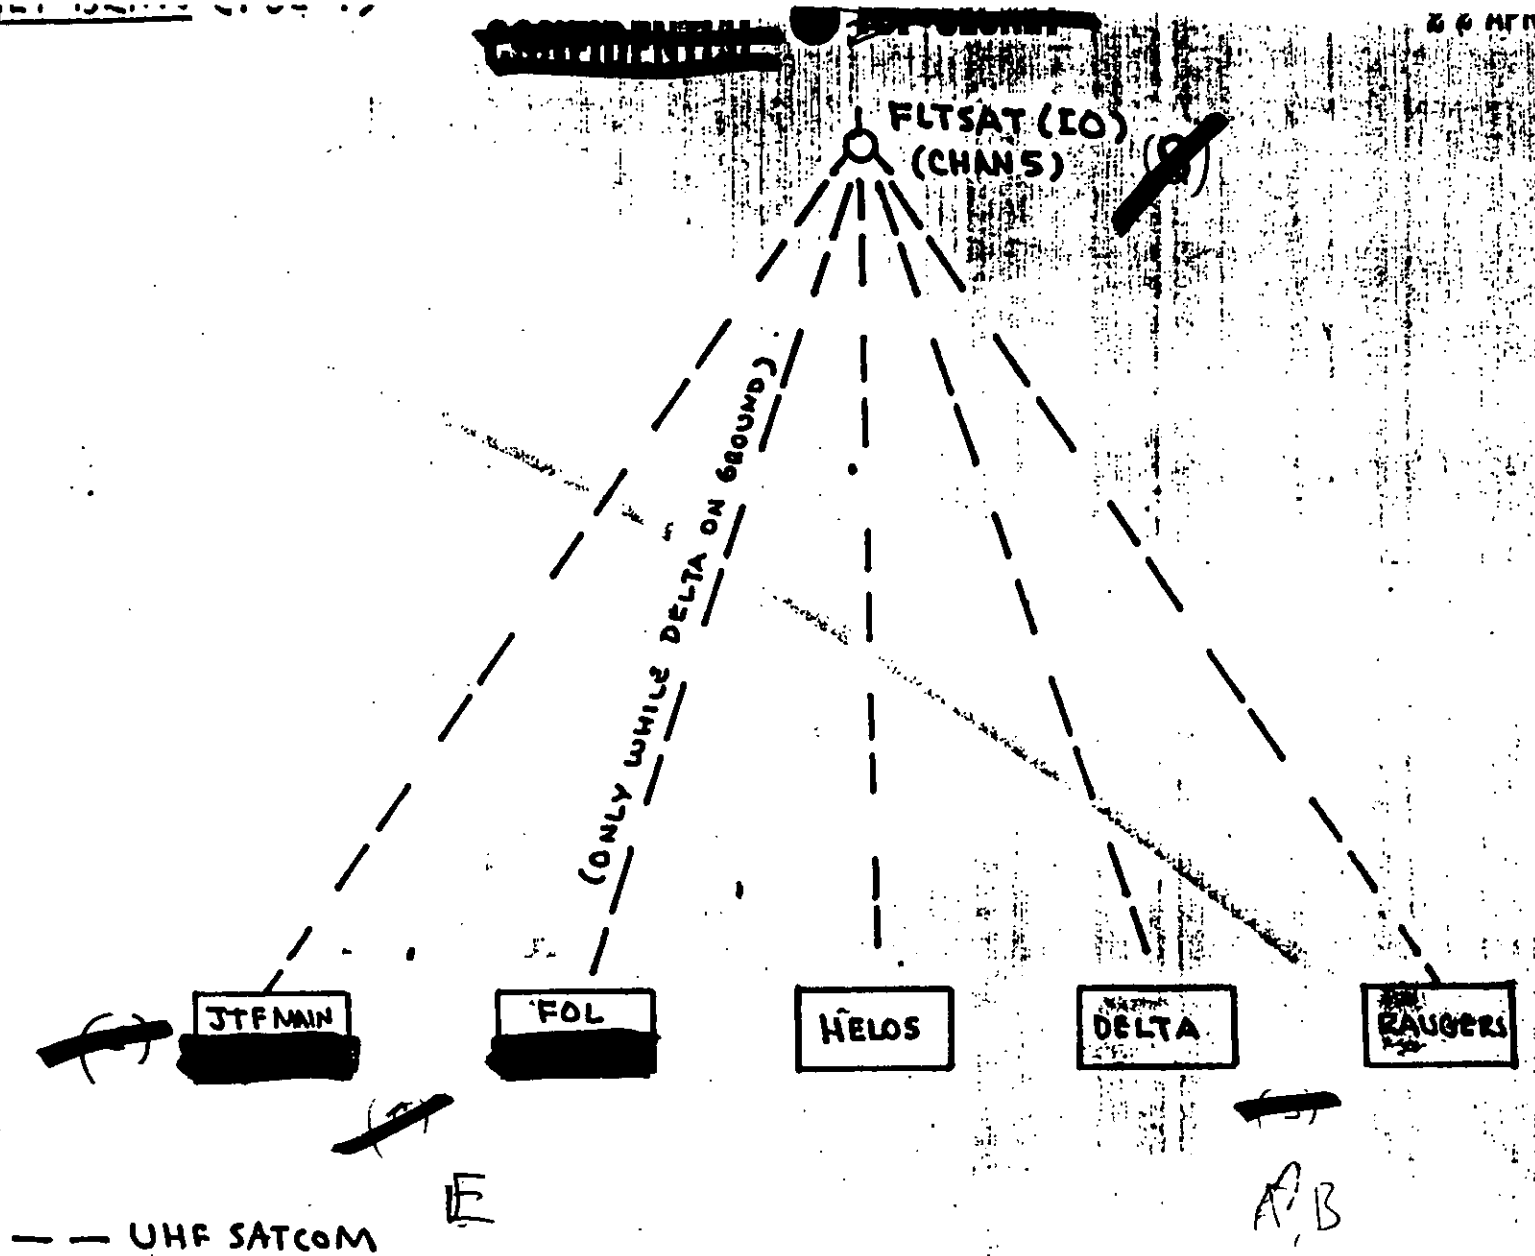

- Chart five is CJCS Secure Voice connectivity for JTF operations.

THE JOINT STAFF

MEMORANDUM FOR CJCS

Subject: RICE BOWL Cry Wolf List

The following is a list of activity that may be reported during the course of the RICE BOWL Operation that if taken out of context could cause undue concern and possibly a precipitous decision.

a. Detection of an Iranian C130 or P3 on a maritime surveillance mission over the Persian Gulf. The Iranians have been conducting missions of this type for several months on a routine basis.

b. Detection of an Iranian naval unit in the Straits of Hormuz. The Iranians have been attempting to maintain a naval patrol in the straits for more than two months, and more recently have increased their patrolling of the Northern Persian Gulf.

[redacted]

SUBJ: TEHRAN INTERNATIONAL SERVICE REPORTING

REFERENCE: OUR MSG 201332z APR 80

(U) 1. The credibility of reporting from Tehran International Service has proved to be particularly low in the past. The report of today's date, concerning a "CIA plan to kidnap the US hostages," must be viewed with considerable skepticism.

2. For example, in item 10 of reference, Tehran International Service reported "without elaboration" that the U.S. was in the process of mining Iran's southern border waters.

3. Without more complete details and corroboration, all such reports from Tehran International Service should be view with a very high degree of skepticism, AND CONSIDERED A TOOL OF IRANIAN PROPAGANDA.

4. Full text of headlines regarding the hostages, which was broadcast at 0710Z on 23 April in Arabic, reads: "Iran will use Soviet territories for its foreign trade if United States closes our waterways; There are great possibilities that pumping of natural gas to Soviet Union will resume;" and "A CIA plan to kidnap the U.S. hostages in TEHRAN has been revealed."

A 2. (U) Mehrabad Civil Air procedures follow internationally recognized patterns, as outlined in the JEPPSON Manual. (Flight publication for civil air)

COMMENTS:

1. (U) The civilian terminal areas ~~was~~ were crowded with foreign flag aircraft prior to the onset of the war. International flag flights during the war dropped to zero within a few days of initiation of hostilities. However, Iran Air continued to fly both internationally and domestically but at a reduced rate.

2. (U) Stringent inspection procedures were instituted at Mehrabad for all international passengers (pre-war).

3. (U) International passenger aircraft were not radar-controlled after passing the borders, but flew navaid to navaid.

A GCA/Area approach radars at Mehrabad were not employed on civilian aircraft (prewar).

2. (U) (TS) ITEM #2 GENERAL INSTRUCTIONS

A. (U) (TS) THIS CEOI IS EFFECTIVE 24/0001Z APR 80

B. (U) (TS) PRIOR TO D-1 ALL COMMUNICATIONS WILL BE BY SECURE MEANS EXCEPT ROUTINE AIR TRAFFIC CONTROL AND DECEPTION TRAFFIC.

C. (U) (TS) FROM D-1 UNTIL COMPLETION OF OPERATION, LISTENING SILENCE IS IMPOSED ON ALL ELEMENTS. THIS SILENCE MAY BE BROKEN ONLY UNDER THE FOLLOWING CONDITIONS:

(1) REPORTING AS LISTED IN ITEM #6 REQUIRED REPORTS.
(2) AS REQUIRED USING SECURED WSC-3 AND PT-25 RADIOS.
(3) TO TRANSMIT EMERGENCY/DISTRESS TRAFFIC.
(4) TO TRANSMIT COMMAND AND CONTROL/COORDINATION TRAFFIC DURING THE ASSAULT AND EXTRACTION PHASE.
(5) ABSOLUTELY MINIMUM ESSENTIAL AIR TO AIR TRAFFIC ENROUTE (E.G. BETWEEN TANKERS AND MC-130S) USING KY 28 SECURED UHF.

D. (U) (TS) ALL HF, VHF/FM VHF/AM, AND UHF SYSTEMS WILL BE NON-SECURE FROM D-1 (LAUNCH OF DELTA AND HELO FORCES) UNTIL END OF OPERATION, EXCEPT FOR AIRCRAFT UHF RADIOS, WHICH WILL BE KY 28 SECURED WHEN OUTSIDE THE TEHERAN/MANZARIYEH AREA. UHF GUARD CHANNEL (243.00 MHZ) WILL BE MONITORED AT ALL TIMES.

E. (U) (TS) COMSEC MATERIAL TO BE USED.

(1) ORESTES (KW-7) FOR WSC-3 TTY NETS USKAK-[redacted]

(2) PARKHILL (KY 65/75) USKAT -[redacted]

(3) NESTOR (KY 28/38) USKAK [redacted]

(4) [redacted]

(5) CRYPTO KEY WILL BE DAY 24. EVERYONE WILL STAY ON THE SAME KEY UNTIL OPERATION TERMINATION.

F. (U) (TS) COMMUNICATIONS PROCEDURES.

(1) ALL TRANSMISSIONS WILL BE MADE IN THE FOLLOWING MANNER WITH TIME INTERVAL BETWEEN REPETITIONS STRICTLY OBSERVED.

(A) ALL RADIOS - TRANSMIT BY VOICE. WAIT FOR ACKNOWLEDGEMENT. IF NO RESPONSE HEARD WITHIN 30 SECONDS REPEAT TRANSMISSION AND WAIT 30 SECONDS. ON THIRD TRANSMISSION REQUEST ANY STATION HEARING CALL TO RELAY TO ADDRESSEE.

(B) ON HF COMMAND NET - IF THERE IS STILL NO CONTACT AFTER REQUEST FOR RELAY BY ANY STATION IS MADE, SEND MESSAGE IN INTERNATIONAL MORSE CODE.

A. (TS) COMMAND NET ALFA. (JTF MAIN NCS) WSC-3
PARKHILL SECURED VOICE OR TTY, 75 BAND, KW-7 SECURED
(1) OPERATING STATIONS: JCS, JTF-MAIN, JTF-ALTERNATE.
(2) SATELLITE CHANNEL: ATLANTIC OCEAN AFSAT.
(3) FREQUENCY: UPLINK XMT 295.075 DOWN LINK REC 261.475

B. (TS) COMMAND NET BRAVO, PSC-1 NON SECURE VOICE (JTF MAIN NCS)
(1) OPERATING STATIONS: JTF, DELTA, HELOS, RANGERS (MANZARIYEH).
(2) SATELLITE CHANNEL: INDIAN OCEAN FLEETSAT II, CHANNEL 5
(3) FREQUENCY: UPLINK XMT 298.150 DOWN LINK REC 257.150.

C. (TS) COMMAND NET CHARLIE, WSC-3/PT-25 UHF TACSAT JTF NET.
(JTF MAIN NCS).
PARKHILL SECURED VOICE OR TTY, 75 BAND, KW-7 SECURED
(1) OPERATING STATIONS: JTF-MAIN, JTF-ALTERNATE [redacted] NIMITZ,
[redacted]
AC-130, C-141, HELOS, MC-130S, DELTA, RANGERS, [redacted] EC-130
DELTA RECEPTION PARTY, [redacted]
(2) SATELLITE CHANNEL: INDIAN OCEAN FLEETSAT II, CHANNEL 9
(3) FREQUENCY: UPLINK XMT 309.450 DOWNLINK REC 268.450

D. (TS) COMMAND NET DELTA, HF SSB; UPPER, VOICE OR CODE
NON-SECURE. (JTF MAIN NCS)
(1) OPERATING STATIONS: JTF-MAIN, JTF-ALTERNATE, DELTA, HELOS, SPECTRE, TALONS, NIMITZ, MANZARIYEH RANGERS, EC-130S, C-141S, TANKERS.

E
A

[redacted]

(2) FREQUENCIES DAY (0600Z-1759Z) 17967 KHZ
NIGHT (1800Z-0559Z) 8855 KHZ

(3) OPERATING INSTRUCTIONS:

(A) THIS NET IS A SECONDARY BACK-UP TO THE PSC-1 AND PT-25 SATCOM NETS AND STATIONS WILL BE ON LISTENING SILENCE EXCEPT WHEN AN EMERGENCY DICTATES TRANSMISSION AS DETERMINED BY THE COMMANDER MAKING SUCH TTRANSMISSION.

(B) THIS NET WILL BE USED AS REQUIRED WHEN DELTA EXECUTES THE ASSAULT.

(C) SERVES AS EMERGENCY COMMUNICATIONS NET FOR ALL FORCE ELEMENTS.

[redacted] E. (TS) EXTRACTION IN FLIGHT NET, UHF, NON SECURE, EXCEPT AS STATED BELOW (DELTA NCS)

(1) OPERATING STATIONS: DELTA, HELOS, DELTA RECEPTION PARTY [redacted]

(2) FREQUENCY: 305.7 MHZ PRIMARY. SEE PARA 5.1 FOR SECONDARY. 321.6 MHZ WILL BE SECONDARY ONLY FOR RECEPTION PARTY/ HELO LINK UP.

(3) OPERATING INSTRUCTIONS:

(A) THIS NET WILL BE USED FOR GROUND TO AIR/AIR TO GROUND COMMUNICATIONS BETWEEN [redacted], HELOS AND [redacted] RECEPTION PARTY.

(B) THIS NET WILL ALSO BE USED FOR AIR TO AIR COMMUNICATIONS BETWEEN HELOS. HELOS WILL SECURE THIS NET WITH KY-28 SECURE DEVICE FROM TIME OF DEPARTURE UNTIL ARRIVAL AT THE HIDE SITE. AFTER ARRIVAL AT THE HIDE SITE THE NET WILL BE NON-SECURE UNTIL COMPLETION OF THE OPERATIONS, SO AS TO ALLOW COMMUNICATION WITH GROUND ELEMENTS WHICH DO NOT HAVE SECURE DEVICES.

(U) F. (TS) DELTA COMMAND NET, VHF-FM, NON-SECURE (DELTA NCS)

(1) OPERATING STATIONS: [redacted], SPECTRE IN SUPPORT OF DELTA AND NAVY TACAIR

(2) FREQUENCY: 341.4 MHZ PRIMARY. 240.5 MHZ SECONDARY.

(3) OPERATING INSTRUCTIONS:

A. THIS NET IS PRIMARILY FOR USE OF DELTA ELEMENTS

B. THIS NET IS BACK-UP TO THE DELTA UHF COMMAND NET FOR COMMUNICATIONS BETWEEN [redacted] AND HELOS

C. THIS NET IS ALSO BACK-UP TO THE DELTA FIRE SUPPORT NET FOR COMMUNICATIONS BETWEEN DELTA AND SPECTRE IN SUPPORT OF DELTA.

(U) G. (TS) [redacted] FIRE SUPPORT NET, UHF, NON-SECURE [redacted] NCS)

(1) OPERATING STATIONS: DELTA, SPECTRE IN SUPPORT OF [redacted] AND NAVY TACAIR

(2) FREQUENCY: 341.4 MHZ PRIMARY. 240.5 MHZ SECONDARY.

(3) OPERATING INSTRUCTIONS: THIS NET IS USED FOR COMMUNICATIONS BETWEEN DELTA, THE SPECRE SUPPORTING DELTA AND ANY NAVAL TACTICAL AIR WHICH MAY BE CALLED TO PROVIDE SUPPORT.

(U) H. (TS) AIR TRAFFIC CONTROL NET, UHF, NON-SECURE EXCEPT AS STATED BELOW (CCT NCS)

(1) OPERATING STATIONS: CCT ATC ELEMENT AT DESERT LAND CCT ATC ELEMENT AT [redacted] TALONS, SPECTRE, HELOS, TANKERS,

C-141S, EC 130S AND NAVY TACAIR.
(2) FREQUENCY: 321.6 MHZ PRIMARY. SEE PARA 5.1 FOR SECONDARY.
(3) OPERATING INSTRUCTIONS:
(a) THIS NET IS USED FOR AIR TRAFFIC CONTROL AT DESERT LAND AND MANZARIYEH. ALL AIRCRAFT WILL BE ON THIS FREQUENCY WHEN IN THE DESERT LAND AND MANZARIYEH AREAS. HELOS WILL SWITCH FROM THE DELTA UHF COMMAND NET FREQUENCY TO THIS FREQUENCY AFTER DEPARTURE FROM THE EMBASSY COMPLEX.
(B) THIS FREQUENCY IS AISO USED FOR AIR TO AIR COMMUNICATIONS ENROUTE BETWEEN AND AMONG TALONS, TANKERS, SPECTRES, EC 130S AND C-141S. SUCH USE WILL BE ONLY THE MINIMUM ESSENTIAL AND WILL BE KY-28 SECURED. SWITCH TO NON-SECURE WHEN WITHIN 100 MILES OF MANZARIYEH TO ALLOW COMMUNICATIONS WITH GROUND ELEMENTS.
(C) THIS FREQUENCY WILL ALSO BE USED FOR AIR TO AIR COMMUNICATION DURING AIR REFUELING OF NAVY TAC AIR.
(U) I. (TS) HELO COMMAND/AIR TRAFFIC GROUND CONTROL NET, VHF-AM, NON-SECURE (CCT NCS)
(1) OPERATING STATIONS: CCT ATC ELEMENTS AT DESERT LAND AND MANZARIYEH TALONS, SPECTRES, HELOS, C-141S, EC 130S
(2) FREQUENCY: 121.65 MHZ
(3) OPERATING INSTRUCTIONS:
A. THIS NET IS USED FOR ACT GROUND CONTROL COMMUNICATIONS AT DESERT LAND AND MANZARIYEH. ALL AIRCRAFT WILL BE IN THIS NET WHEN IN THE DESERT LAND AND MANZARIYEH AREAS.
B. THIS NET IS ALSO THE ALTERNATE UHF ATC NET.
C. THIS NET MAY ALSO BE USED AS BACK-UP AIR TO AIR NET BETWEEN AND AMONG AIRCRAFT WHILE EN-ROUTE. HOWEVER, AIR TO AIR COMMUNICATIONS MUST BE STRICTLY MINIMIZED WHEN IN THE DESERT LAND AND MANZARIYEH AREAS TO PRECLUDE INTERFERENCE WITH ATC GROUND CONTROL OPERATIONS. SINCE THIS NET IS NONSECURE ONLY EMERGENCY TRAFFIC MAY BE PASSED ENROUTE WHEN OUTSIDE THE TEHRAN/ MANZARIYEH AREA.
J. (U)(TS) RANGER FIRE SUPPORT NET, UHF, NONSECURE (RANGERS NCS)
(1) OPERATING STATIONS: MANZARIYEH RANGERS, SPECTRE IN SUPPORT OF RANGERS AND ANY NAVAL TACTICAL AIR WHICH MAY BE CALLED TO PROVIDE SUPPORT.
(2) FREQUENCY: 348.4 MHZ PRIMARY, 240.5 SECONDARY.
(3) OPERATING INSTRUCTIONS: THIS NET IS USED FOR COMMUNICATIONS BETWEEN THE MANZARIYEH RANGERS AND THE SUPPORTING SPECTRE.
K. (TS) RANGER INTERNAL NETS:
(U) FM COMMAND NET: 32.10 MHZ
DACO FM NET: 46.50 MHZ
FIRE SUPPORT FM NET: 38.20 MHZ
THESE ARE INTERNAL RANGER NETS. FRIENDLY STATIONS MAY ENTER THE NETS IN EMERGENCIES WHEN PRIMARY COMMUNICATIONS FAIL.
L. (TS) ALFA/HELO UHF NET, UHF-AM NONSECURE
(U) (1) OPERATING STATIONS: [redacted] (NCS), HELOS
(2) FREQUENCY: 361.7 MHZ
(3) OPERATING INSTRUCTIONS: THIS NET WILL BE USED BETWEEN [redacted] AND DESIGNATED HELOS FOR EXTRACTION.

M. (U) (TS) AIR REFUELING NET, UHF-AM, SECURE

(1) OPERATING STATIONS: TALONS, SPECTRE, EC-130, C-141, TANKERS, NAVAL TAC AIR.

(2) FREQUENCY: 321.6 MHZ

(3) OPERATING INSTRUCTION:

(A) THIS NET WILL BE USED DURING IN-FLIGHT REFUELING OPERATIONS BETWEEN TANKERS, C-130 TYPE AIRCRAFT AND C-141 AS REQUIRED.

(B) THIS NET WILL ALSO BE USED TO SUPPORT NAVAL TACTICAL AIR IN-FLIGHT REFUELING IF NECESSARY.

(4) AIR REFUELING INFORMATION:

SUPPORT AIRCRAFT	AIR-TO-AIR TACAN (RCVR/TNKR)	BEACON
NAVY-GULF OF OMAN AND ARABIAN SEA	30/93	2-1-1
NAVY-PERSIAN GULF	31/94	1-1-3
EC-130-GULF OF OMAN AND ARABIAN SEA	32/95	2-1-3
MC-130	33/96	2-1-2
AC-130	29/92	2-2-1

N. (U) (TS) COORDINATING INSTRUCTIONS:

(1) ALL ELEMENTS MUST BE THOROUGHLY FAMILIAR WITH THE ABOVE NETS. ALTERNATE NETS MAY BE ENTERED BY FRIENDLY FORCES IN THE EVENT PRIMARY COMMUNICATIONS FAIL DUE TO EQUIPMENT FAILURE OR FREQUENCY INTERFERENCE.

(2) ALL ELEMENTS MUST GUARD ALL NETS IN WHICH THEY ARE LISTED AS OPERATING STATIONS.

O. (TS) NAVAIDS:

(1) TRN 41 TACAN AT DESERT LAND: CHAN 99 IDENT PETE

(2) TRN 41 TACAN AT MANZARIYEH: CHAN 99 IDENT FRED

(3) GAR-1 BEACON - CODE 1 (ALL SWITCHES IN UP POSITION)

(4) ANY RADIO MAY BE USED AS A NAVAID BY SETTING ON FREQUENCIES AS LISTED FOR NETS ABOVE.

NAVAID. ON FREQUENCY 243.00 MHZ IT CAN BE USED IN THE BEACON, VOICE AND CW MODE. FREQUENCY 282.8 MHZ IT CAN BE USED IN THE VOICE MODE ONLY.

SATRAN EXTENSION

Purpose

~~(U)~~ SATRAN Extension provides to individual users [redacted] times of vulnerability to Soviet [redacted] photoreconnaissance satellites. [redacted]

System

~~(U)~~ SATRAN Extension [redacted] to produce a message giving the times a certain set of geographic coordinates could be covered by satellite photography. The message is tailored for the user's location and is sent to that user only.

SUBJECT: ASSOCIATED PRESS NEWS REPORTS

THE FOLLOWING WAS RECEIVED AT 1054 EST:

IRAN-STRIKE FORCE--N.C.

URGENT

(WASHINGTON) -- SOURCES SAY TODAY THAT THE U.S. MILITARY UNIT THAT TRIED TO RESCUE THE AMERICAN HOSTAGES IN IRAN IS A HIGHLY SECRET ANTI-TERRORIST FORCE BASED AT FORT BRAGG. THE SOURCE SAYS PLANNING FOR THE OPERATION WAS WELL UNDERWAY IN JANUARY AND THAT THE SPECIAL UNIT HAD VIRTUALLY UNLIMITED BUDGET AND ACCESS TO THE MOST SHPHISTICATED WEAPONS AND DEBILITATING GASES.

-DASH-

THE SOURCE SAYS THE ALL-VOLUNTEER UNIT WAS KNOW AS THE DELTA TEAM. PENTAGON SOURCES CONFIRMED THERE WAS A DELTA TEAM, ALSO KNOWN UNDER THE CODE NAME OF BLUE LIGHT. BUT THEY COULD NOT CONFIRM THAT THIS WAS THE TEAM INVOLVED IN THE ABORTIVE ACTION. THE ATTEMPT LEFT EIGHT SERVICEMEN DEAD IN THE COLLISION OF TWO AIRCRAFT. SOURCES SAY ONLY A HANDFUL OF TOP OFFICIALS KNEW WHAT UNITS AND HOW MANY MEN WERE INVOLVED IN THE ACTUAL OPERATION. PENTAGON OFFICIALS WOULD NOT COMMENT ON THE REPORT, SAYING THE PENTAGON HAD NOTHING TO ADD BEYOND WHAT PRESIDENT CARTER HAD ANNOUNCED.

MORE STRIKE FORCE

WASHINGTON...

THE SOURCE SAYS HE PERSONALLY WAS AWARE OF THE PLANNING. HE SAYS THE DELTA TEAM OPERATIONS WERE DIRECTED BY A SPECIAL DIRECT ACTION GROUP OF PLANNERS IN THE PENTAGON. HE SAYS THE TEAM WAS A SPECIALLY DESIGNED COUNTER-TERRORIST UNIT THAT WAS TRAINED IN RESCUING HOSTAGES AND IN THE USE OF NAUSEA-PRODUCING GASES. THE PENTAGON HAS IN THE PAST ACKNOWLEDGED THE EXISTENCE OF A TEAM MODELED ON THE CRACK ISRAELI AND WEST GERMAN ANTI-TERRORIST UNITS AND HAS SAID IT WAS HEADQUARTERED AT FORT BRAGG.

-DASH-

THE TEAM REPORTS DIRECTLY TO THE JOINT CHIEFS OF STAFF AND IS COMPOSED PRIMARILY OF VOLUNTEERS FROM ARMY SPECIAL FORCES AND RANGER UNITS. THE ARMY IS RESPONSIBLE FOR THE UNIT'S TRAINING. THERE WAS NO INDICATION ON THE SIZE OF THE DELTA TEAM. AT THE TIME OF ITS FORMATION IN 1978. PENTAGON OFFICIALS SAID THEY WERE SEEKING BETWEEN

Document is SECRET

200 AND 250 SEASONED SOLDIERS AS VOLUNTEERS FOR THE UNIT. UNQUOTE.

[redacted] ADVISE THAT NO PERSONNEL BE BROUGHT BACK TO [redacted] AFB DUE TO INEVITABLE PRESS COVERAGE. MAXIMUM SECURITY INVOKED AT DELTA COMPOUND.

SUBJECT: EVIN, QASR AND THE COMMITTEE PRISONS

(U) 1. EVIN PRISON (MAP GRID 3662) IS A FORMER SAVAK FACILITY WHICH HOUSED THE SHAH'S POLITICAL PRISONERS AS WELL AS INVESTIGATIVE AND SUPPORT ELEMENTS OF SAVAK DEPARTMENT THREE (INTERNAL SECURITY).

(U) 2. EVIN PRISON IS A ROUGHLY CIRCULAR COMPOUND OF AN ESTIMATED 195,000 SQUARE METERS LOCATED WEST NORTHWEST OF THE SHEMIRAN AREA AND ABOUT ONE MILE NORTHWEST OF THE TRADE FAIR GROUNDS. IT CONSISTS OF A NEW PRISON, AN SMALLER OLD PRISON, BARRACKS FOR 35 MILITARY POLICE GUARDS, SAVAK DEMONSTRATION AND CLASSROOMS, AN INDOOR SHOOTING RANGE, WEAPONS AND AMMO BUNKERS. A PRISONERS' MEETING BUILDING, STAFF APARTMENTS, THE PRISON DIRECTOR'S RESIDENCE AND A GUARDS GYMNASIUM (UNDER CONSTRUCTION).

(U) 3. THE EVIN PRISON COMPOUND IS SURROUNDED BY A FIFTEEN FOOTBRICK WALL ABOUT ONE FOOT THICK. THERE IS NO BARBED WIRE, BROKEN GLASS OR OTHER SECURITY IMPEDIMENTS ON THE WALLS. PREMITER LIGHTING IS PROVIDED BY STREET LAMPS ON THE EXTERIOR ONLY. THERE IS NO INTERIOR SECURITY LIGHTING SYSTEM. THERE WERE NO LANDMINES, TRIP WIRES, INFRARED MOTION DETECTORS OR SIMILAR ANTI-INTRUSION OR ANTI-ESCAPE DEVICES AS OF FEBRUARY 1979. THERE ARE FOUR GATES INTO THE COMPOUND: THE MAIN OR SOUTHEAST GATE WHICH WAS ALWAYS GUARDED BY TWO ARMED MP'S AS OF FEB. 1979; THE SECONDARY OR NORTHEAST GATE ALWAYS MANNED BY ONE ARMED MP; AND THE NORTH AND NORTHWEST GATES WHICH WERE UNGUARDED AND SELDOM USED. THE NORTHEAST SECTOR OF THE COMPOUND ABOVE THE BISECTING DIRT ROAD WAS UNGUARDED AS LATE AS FEBRUARY 1979.

(U) 4. THE NEW PRISON WAS FINISHED IN 1976 AND CONSISTS OF THREE STORIES, ONLY ONE OF WHICH IS ABOVE GROUND. THE BUILDING IS SURROUNDED BY A BRICK AND CONCRETE WALL ABOUT 15 FEET TALL WITH ONE GATE IN THE EAST WALL. STREET LIGHTS COMPLETELY ILLUMINATE THE EXTERIOR OF THE WALLS. SOURCE CANNOT REGARDING SECURITY MEASURES IN THE INTERIOR COURTYARD BUT WAS AN INFREQUENT VISITOR INSIDE THE NEW PRISON COMPLEX ITSELF. THERE IS ONLY ONE RPT ONE ENTRANCE AND EXIT INTO THE PRISON BUILDING, A DELIBERATE DESIGN FEATURE.

CONSTRUCTION PHASE, HE VISITED MOST OF CELLS ON FIRST FLOOR, SURVEY SOME LOCATIONS TO PLANT MICROPHONES [redacted] PRISON TWICE IN NOVEMBER 1978. DURING THIS THE MAIN LOBBY TO CHECK SECURITY ARRANGEMENTS AND OBSERVED A HEAVY DOUBLE METAL ENTRANCE DOOR, AN OUTER LOBBY ABOUT 40' BY 20' WITH AN ORIDINARY DESK FOR A GUARD/RECEPTIONIST, AND A SECOND HEAVY BARRED-METAL, JAIL-TYPE DOOR WHICH LEAD INTO THE INTERIOR CORRIDORS. SOURCE IS NOT AWARE OF INTERIOR SECURITY DOORS OR CHECKPOINTS AND IS OF OPINION THEY DON'T EXIST. ALL WINDOWS ARE HEAVILY BARRED AND CONTAIN HEAVY DUTY SECURITY SCREENS. SOURCE HAS NEVER VISITED LOWER FLOORS WHICH ARE NORMALLY REACHED BY AN ELEVATOR (OR ELEVATORS?) PROBABLY LOCATED SOMEWHERE IN THE NORTHWEST QUADRANT.

6. SOURCE RELATED THERE WERE ABOUT 25 UNARMED SAVAK INTERIOR GUARDS AS WELL AS ONE OR TWO MP'S (ONLY ONE ARMED) IN THE SMALL RECEPTION/INTERROGATION BUILDING APUTTING THE WALL; ONE ARMED MP IN THE COURTYARD INSIDE THE WALL; ONE ARMED MP ON THE NORTHEAST CORNER AND ONE ARMED MP ON THE SOUTHEAST CORNER OF MAIN ROOF; AND ONE ARMED MP JUST OUTSIDE THE RECEPTION/INTERROGATION BUILDING. THEY, LIKE ALL THE MP'S, WERE ARMED WITH G-3 RIFLES.

7. THE NEW PRISON POPULATION IN FEBRUARY 1979 WAS 800 POLITICAL TYPES, NO CRIMINALS WERE EVER KEPT HERE. SOURCE BELIEVES THEY HIGHEST TOTAL WAS ABOUT 2,000 PRISONERS CIRCA 1977. HE RELATES A CURRENT RUMOR IN TEHRAN THAT 12,000 RPT 12,000 FORMER POLICE AND MILITARY PERSONNEL ARE IMPRISONED TODAY WITH A PRESUMED MAJORITY AT EVIN.

8. THE OLD PRISON AT EVIN CONSISTS OF THREE WINGS IN A "U" SHAPE WITH THREE STORIES ABOVE GROUND AND NO BASEMENT. THE BUILDING IS LARGELY HIDDEN BY TREES AND IS DIRECTLY EAST OF THE NEW PRISON. A 15' BRICK WALL COMPLETELY SURROUNDS THE BUILDING WITH A SINGLE GATE IN THE SOUTH WALL. ACCESS TO THE BUILDING ITSELF IS IN THE SOUTHEAST CORNER OF THE EAST WING. A SECONDARY DOOR IS LOCATED IN THE INTERIOR PORTION OF THE WEST WING TOWARD THE NORTHERN HALF. THERE IS NO SECURITY CHECKPOINT OR INTERIOR GUARDPOSTS INSIDE THE BUILDING. WINDOWS ARE BARRED AND SCREENED. TWO SMALL OFFICES AT THE ENTRANCE GATE IN THE WALL WERE MANNED BY ARMED SAVAK GUARDS AND ONE ARMED MP JUST OUTSIDE THE GATE. THE OLD PRISON WAS USED ALMOST EXCLUSIVELY FOR FEMALE PRISONERS AND WAS STAFFED BY FOUR UNARMED MEN AND TWO UNARMED WOMEN.

9. AN 85 MAN MILITARY POLICE DETACHMENT GUARDED THE EVIN COMPOUND AS LATE AS FEBRUARY 1979. THEY LIVED IN BARRACKS NEAR THE SOUTHEAST CORNER OF THE NEW PRISON AND HAD GUARD POSTS (IN ADDITION TO THOSE MENTIONED ABOVE) AS FOLLOWS: ONE UNARMED MP AT BRIDGE OUTSIDE COMPOUND TO EAST OF MAIN GATE; ONE UNARMED TRAFFIC MP OUTSIDE MAIN GATE AND TWO ARMED MP'S INSIDE MAIN GATE; (TWO SAVAK GUARDS WITH PISTOLS SAT IN A KIOSK ABOUT 20 YARDS INSIDE THE GATE TO CONTROL VISITORS); TWO ARMED MP'S AT CONTROL POINT IN PRISONER'S MEETING AREA LOCATED SOUTH OF GUARD BARRACKS; ONE ARMED MP AT A RAILROAD TYPE GATE IN THE ROAD TO THE EAST OF THE MP BARRACK AND TO THE SOUTH OF THE SAVAK DEMONSTRATION/INTERROGATION BUILDING; TWO ARMED MPS WERE GUARDING AREA EAST OF DEMONSTRATION ROOM (WHICH CONTAINED WEAPONS AND EXPLOSIVES); TOTAL OF FOUR ARMED MPS WERE AT FOUR BUNKERS IN SOUTH AREA OF COMPOUND; ONE ARMED MP NEAR SOUTHWEST CORNER OF SHOOTING RANGE TO SOUTH OF COMPOUND; ONE ARMED MP ON THE HILL ABOUT 200 METERS ABOVE SOUTHWEST CORNER OF WALL OF NEW PRISON AND ONE ARMED MP ABOVE NORTHWEST CORNER OF WALL; TWO ARMED MP'S ON ROOF OF STAFF APARTMENTS IN SOUTHEAST CORNER OF COMPOUND SOME 50 METERS EAST OF MAIN GATE. SOURCE NOTES THAT THESE MP'S HAVE PROBABLY BEEN AUGMENTED BY AN ESTIMATED 80-50 ARMED REVOLUTIONARY GUARDS AND AN ADDITIONAL ESTIMATED 100-150 INVESTIGATORS AND REVOLUTIONARY OFFICIALS.

10. SOURCE MONITORED PERSIAN LANGUAGE BROADCAST ON 18 NOVEMBER WHICH ANNOUNCED THAT THE MAIN REVOLUTIONARY COURT IS LOCATED AT EVIN. SOURCE BELIEVES THIS COURT WOULD BE ESTABLISHED IN THE THREE STAFF APARTMENT BUILDINGS.

11. ADDITIONAL DETAILS OF COMPOUND INCLUDING SOURCE'S PLOT PLAN AVAILABLE SEECHTREE. ADDITIONAL DETAILS SUCH AS NEIGHBORHOOD LAYOUT AND NIGHTIME ACTIVITY PATTERNS TO FOLLOW.

~~SECRET~~ SEC 1 OF 2

A [redacted] 211510Z NOV 80 SUBJ: NONE

SUBJECT: INTELLIGENCE HISTORY

1. INTRODUCTION AND OVERVIEW

A THE [redacted] (RANGER) [redacted] WAS INVOLVED AT THE OUTSET IN PREPARING, PLANNING AND EXECUTION OF RESCUING THE AMERICAN HOSTAGES IN IRAN. THIS ENVOLVEMENT COMPRISED BOTH THE RICEBOWL AND SNOWBIRD PLANS FOR THE POTENTIAL RESCUE OF THE HOSTAGES. THIS PARTICULAR MISSION, SO CLOSELY GUARDED, CREATED NEW AND COMPLEX ISSUE FOR THIS UNIT. PERSONNEL SECURITY CLEARANCES, ADEQUATE SECURE COMMUNICATIONS AND PROPERLY SECURE FACILITIES WERE BUT A FEW OF THE IMMEDIATE AND PRESSING PROBLEMS THAT HAD TO BE OVERCOME IN AN EXTREMELY SHORT AMOUNT OF TIME. INITIALLY THIS UNIQUE SITUATION CAUSED THE SERVICING A GREAT DEAL OF CONSTERNATION. MOREOVER, THIS HAD THE POTENTIAL OF DISCLOSING TO FORSCOM HEADQUARTERS AND OTHER HIGHER HEADQUARTERS AS WELL. THE POSSIBILITY THAT THE [redacted] WAS INVOLVED IN A "SUPER SECRET MISSION" WHICH AT THAT TIME COULD ONLY HAVE BEEN WHAT IT TRULY WAS - PLANNING A RESCUE ATTEMPT OF THE AMERICAN HOSTAGES IN IRAN. THUS, FROM THE VERY BEGINNING OPERATIONS SECURITY BECAME A WAY OF LIFE FOR THE [redacted] LIVING UNDER THIS ENVIRONMENT CREATED MORE TIME AND COMPLEX ISSUES THAT WERE [redacted] TO PREVIOUS METHODS OF OPERATIONS. [redacted] PLANS AND STRICT ABSOLUTE "NEED-TO-KNOW" WERE RIGIDLY ENFORCED. THE TOTAL NUMBER OF INDIVIDUALS IN THE [redacted] WITH INITIALLY, RICEBOWL AND SUBSEQUENTLY, SNOWBIRD ACCESS WAS RESTRICTED TO THE BARE MINIMUM. CONSEQUENTLY INTERNAL [redacted] OPERATIONS, BOTH DAY TO DAY AND LONG RANGE, SUFFERED FROM OFFICERS AND NCO'S RESPONDING ONLY TO ORDERS AND NOT FULLY UNDERSTANDING THE SCOPE, HOWEVER SMALL OR LARGE, OF WHAT WAS BEING ASKED OF THEM TO ACCOMPLISH. RESPONDING TO THE CHALLENGE HOWEVER, ALL HURDLES WERE SUCCESSFULLY NEGOTIATED, ALTHOUGH AT TIMES THE PREMIUM PRICE WAS PAID IN TERMS OF PERSONAL ACRIMONY.

2. COLLECTION (INTELLIGENCE) REQUIREMENTS.

A AS OF THE GROUND ELEMENTS THIS UNITS PRIMARY CONCERN WAS WITH SECURITY OF AIRFIELDS. AIRFIELDS BOTH IN TERMS OF THE GENERIC SENSE [redacted] AND C LANDING STRIPS DESIGNATED BY [redacted] THEREFORE, OUR INTEREST FELL INTO THE TACTICAL INTELLIGENCE AREA, THAT WAS: TERRAIN, WEATHER, AND IRANIAN FORCES. OF THE THREE IRANIAN FORCES WAS THE MOST DIFFICULT AND ELUSIVE. SIMPLY STATED INSUFFICIENT DATA ON ENEMY FORCES WAS OF PLACE. FOR WHATEVER REASONS, NATIONAL LEVEL INTELLIGENCE OPERATIONS COULD NOT PROVIDE DETAIL ANALYSIS ON NUMBER AND LOCATION OF ALL TYPES OF IRANIAN FORCES. THE MORE COMPLEX THE AIRFIELD THE LESS LIKELY YOU WERE TO OBTAIN THE NECESSARY EEI. OTHER THAN INFORMATION PROVIDED FROM [redacted] THE INFORMATION WAS [redacted] LOW, CONFLICTING AND SOMETIMES JUST NOT AVAILABLE. FRANKLY, THE REQUIREMENT FOR INFORMATION CATEGORICALLY ESTABLISHED THAT OUR NATIONAL LEVEL INTELLIGENCE COLLECTION AGENCY COULD NOT OR WAS RESTRICTED FROM FUNCTIONING IN A MANNER THAT BENEFITED ALL CONCERNED. LACKING CURRENT AND ADEQUATE TACTICAL MAPS OF THE AREAS OF INTEREST THIS HEADQUARTERS RELIED VERY HEAVILY ON [redacted]

B C [redacted]

~~SECRET~~ Classified By: DES
Declassified On: OADR

[redacted]

SECRET

ORGANIZATION AND PERSONNEL STRUCTURE. [redacted] WAS THE [redacted] INTELLIGENCE [redacted] SERVED IN THIS [redacted] ON RECEIPT OF THE MISSION. [redacted] CAPACITY UNTIL APPROXIMATELY 20 MARCH 1980 AND WAS THE ONLY INTEL- [redacted] OFFICER WITH [redacted] ACCESS IN THE [redacted] [redacted] PLACED [redacted] AS THE [redacted] INTELLIGENCE [redacted] SHIFTED TO THE OPERATIONS SECTION AND [redacted] CONSIDERED TO BE A PLANNER FOR [redacted] AND [redacted] LIKE [redacted] WAS THE ONLY OFFICER IN THE INTELLIGENCE [redacted] SECTION WITH SNOWBIRD AND [redacted] ACCESS. THE ASSITANT INTELL- [redacted] GENCE OFFICER AND INTELLIGENCE NCO SIMPLY RESPONDED TO INSTRUCT- [redacted] IONS AND GUIDANCE FROM THE SIO. [redacted]

[redacted] SECURITY AND COMMUNICATION ARRANGEMENTS [redacted] PERSONNEL SECURITY CLEARANCES. [redacted] THE EXTREMELY HIGH CLASSIFICATION OF [redacted] AND THE [redacted] [redacted] WAS DIFFICULT TO ADJUST TO PRIMARILY DUE [redacted] LACK OF A PROPER PHYSICAL STRUCTURE (SEE PARA B) AND PROPERLY [redacted] CLEARED) INDIVIDUALS. [redacted] COMMANDER SELECTED FOR THE [redacted] MISSION DID NOT HAVE A [redacted] AT THE OUTSET OF THE [redacted] MISSION. NOT HAVING PREVIOUSLY OPERATED ON MISSIONS SUCH AS THIS [redacted] ONE, NO PREVIOUS REQUIREMENT EXISTED TO HAVE ALL KEY MEMBERS OF [redacted] THE [redacted] CLEARED. THIS SITUATION WAS CORRECTED BY OBTAINING [redacted] SI BILLETS FOR ALL KEY MEMBERS. THERE WAS HOWEVER THE NORMAL DELAY [redacted] ASSOCIATED WITH OBTAINING [redacted]

[redacted] PHYSICAL SECURITY. [redacted] AS MENTIONED ABOVE FOR A MISSION OF THIS TYPE AND SENSITIVITY THE [redacted] DID NOT RUN AN SI CLEARED FACILITY. ADEQUATE [redacted] SPACE WAS OBTAINED FROM THE THEN [redacted] LOCATED IN A SI [redacted] CLEARED AREA. THIS IN [redacted] AND OF ITSELF WAS STILL MARGINAL, IN THAT [redacted] WHAT WAS REALLY NEEDED WAS A [redacted] WITHIN A [redacted] [redacted] AREA. TO IMPROVE THE SECURITY OF THE ROOMS OBTAINED FROM THE [redacted] [redacted] TSCM AND TEMPEST INSPECTIONS WERE CONDUCTED IN LATE APRIL [redacted] OR EARLY MAY 1980. SIGNIFICANT IRREGULARITIES WERE NOTED. WHAT WAS [redacted] POSSIBLE TO CORRECT BY THE OPERATORS WAS PERFORMED. HOWEVER, IT [redacted] SHOULD BE NOTED THAT AS OF THIS WRITING WORK ORDERS ARE STILL OPEN [redacted] FOR MAJOR IRREGULARITIES NOTED DURING THE INSPECTION. THE TEMPEST [redacted] INSPECTION WAS DONE IN AUGUST OR SEPTEMBER 1980. WITHIN A FEW [redacted] WEEKS ALL DEFICIENCIES HAD BEEN CORRECTED. INSPITE OF THE NOTED [redacted] PROBLEMS THIS UNIT INSURED THE HIGHEST DEGREE OF SECURITY AWARE- [redacted] NESS THROUGH THE PERSONAL EFFORTS OF ALL PERSONNEL WITH ACCESS.

[redacted] C. OPERATIONS SECURITY.

MORE TIME WAS CONSUMED BY THIS INTELLIGENCE OFFICER ON THIS SUBJECT [redacted] THAN ALL THE OTHERS COMBINED. DURING [redacted] PLANNING EVERY PER- [redacted] SONAL DEPARTURE AND EVERY TROOP MOVEMENT FROM [redacted] [redacted] WAS SUPPORTED BY A [redacted] THIS WAS DIFFICULT AND AS NOTED, [redacted] TIME CONSUMING. [redacted] SHOULD HAVE ORIGINATED [redacted] FROM THE CONTROLLING HEADQUARTERS AND PASSED TO SUBORDINATE UNITS [redacted] IT WAS LEFT UP TO EACH UNIT TO DO AS EACH UNIT SAW FIT. IT WAS NOT [redacted] UNTIL LATE INTO THE SNOWBIRD PLANNING THAT THE COORDINATION BETWEEN [redacted] HEADQUARTERS IMPROVED. ALTHOUGH THE OPTIMUM WAS NOT ACHIEVED ALL [redacted] UNITS BECAME MORE AWARE OF THE NEED FOR A CONSOLIDATED [redacted] [redacted] THIS WAS A DIFFICULT AREA AND ALL SERVICES [redacted] WERE HAMPERED BY LACK OF PRACTICAL EXPERIENCE IN WORKING WITH [redacted] [redacted] AND IN SOME CASES THE RAPID [redacted] CHANGING DEVELOPMENTS PRECLUDED ADEQUATE TIME TO PLAN [redacted] [redacted]

EOM

FINAL SEC OF 2

COMMUNICATIONS ARRANGEMENTS.
LACKING ADEQUATE COMUNICATIONS TO DEAL WITH A CRISIS OF THIS PROPORTION THE JCSE WAS TASKED TO PROVIDE A COMMO-LINK BETWEEN [redacted] STATIONS ASSOCIATED WITH FICEBOWL/SNOWBIRD. THE COMMUNICATION SYSTEMS PROVIDED BY JCSE PROVED ADEQUATE FOR THE MISSION (PARKHILL, [redacted] AN/UGC-129). IT SHOULD BE NOTED AGAIN HOWEVER, THAT THIS EQUIPMENT IS NOT ORGANIC AND UNLESS THIS EQUIPMENT IS RETAINED AT THIS LOCATION THIS HEADQUARTERS IS NOT ABLE TO COMMUNICATE WITH A [redacted] OUT OF WASHINGTON OR [redacted] HEADQUARTERS IN ANY FUTURE MATTERS. THE COMMUNICATIONS SYSTEM THAT IS NOW ESTABLISHED MUST REMAIN IN PLACE FOR THIS UNIT TO BE RESPONSIVE IN CRISIS SITUATIONS. THE JCSE ELEMENT WAS COLOCATED IN THE ROOMS OBTAINED FROM THE [redacted] THIS ARRANGEMENT WAS SATISFACTORY AND PROVIDED FOR EASY TWO WAY COMMUNICATIONS BETWEEN THE OPERATORS AND RANGER PERSONNEL.

[redacted] REQUIREMENT AND PRODUCTION.
TO ASSIST IN PLANNING [redacted] TACTICAL MAPS WERE THE PRIMARY REQUIREMENTS OF THIS UNIT. IN ADDITION TERRAIN MODELS WERE OF EXTREME VALUE. THE AVAILABILITY OF MAPS WAS NOT AS PROMPT AS THIS UNIT WOULD HAVE LIKED. HOWEVER, AS PREVIOUSLY STATED [redacted] AS FOR MAINTAINING CURRENT ON THE SITUATIONS THE TRAFFIC PROVIDED BY [redacted] HEADQUARTERS WAS ADEQUATE. A POINT OF CRITICISM THERE WAS A GREAT DEAL OF MATERIAL SIMPLY REPRINTED FROM PRESS RELEASES. THIS DID NOT ADD TO THE OVERALL VALUE OF THE INTELLIGENCE DATA PROVIDED THIS UNIT. WHAT WAS NEEDED WAS DATA THAT HAD BEEN ANALYZED AND PROVEN TO BE TO THE BEST OF THE ANALYST ABILITY, FACTUAL INFORMATION. MOREOVER, THIS WOULD HAVE PROVIDED A MORE CONDENSED INTELLIGENCE SUMMARY. PRODUCTION BY THIS UNIT RELIED COMPLETELY ON THE INFORMATION PROVIDED BY [redacted] BRIEFINGS ON THE CURRENT SITUATION, AS IT DEVELOPED IN BOTH FICEBOWL AND SNOWBIRD WERE DERIVED FROM INFORMATION PROVIDED BY [redacted] DURING FTX'S THE INTELLIGENCE SECTION OF THIS UNIT PROVIDED SCENARIOS, CONSTRUCTED TARGET CITES AND SUPERVISED THE OPFOR IN PREPARATION FOR MISSION PLANNING.

6. (S) INTERNAL STAFF INTERFACE.
STAFF INTERFACE, WITH RESPECT TO FICEBOWL AND SNOWBIRD, WAS LIMITED TO INITIALLY THE CO, XO, S2 AND S3. FOLLOWING THE FIRST RESCUE ATTEMPT IT WAS EXPANDED TO INCLUDE THE S1 AND S4. THE SMALL NUMBER OF STAFF OFFICERS WITH ACCESS LIMITED THE PERSONNEL AVAILABLE FOR PLANNING AND CREATED A MANAGEMENT PROBLEM IN THAT, STAFF OFFICERS WITH ACCESS WERE PRECLUDED FROM [redacted] UNITS IN

[redacted]-INTERNAL-LATERAL-INTERFACE.

[redacted] PART, FOR WHATEVER REASON, LATERAL INTELLIGENCE [redacted] COORDINATION WAS ALMOST NON-EXISTANT. THE ONLY EXCEPTION [redacted] COORDINATION WITH THE [redacted] DURING [redacted] A,G IN MY OPINION THIS COULD HAVE BEEN PREVENTED IF THE [redacted] INTELLIGENCE STAFF AT [redacted] HAD TAKEN THE INITIATIVE AND HELD A [redacted] INTELL UPDATE OR WHATEVER AT WASHINGTON. THIS WOULD HAVE [redacted] A MEDIUM FOR EXCHANGE AND PERMITTED DETAIL DESCUSSIONS OF [redacted] AREAS AND WHAT WE AS INTELLIGENCE OFFICERS NEEDED FROM THE [redacted] OFTEN THAN NOT, THE CO AND S3 KNEW OF NEW INTELLIGENCE BE- [redacted] BEFORE THE INTELLIGENCE OFFICER DID. THIS WAS A FUNCTION [redacted] MORE FREQUENT VISITS TO [redacted] HEADQUARTERS FOR PLANNING.

[redacted] UNIT/JIF INTERFACE:

[redacted] J2 ON OPERATIONAL PLANNING REQUIREMENT DID ALL THAT WAS [redacted] OR WITHIN HIS POWER TO ACCOMPLISH. THE ASSISTANCE WAS AL- A,I [redacted] THERE IF ONE NEEDED IT. ON THE OTHER HAND, DURING TRAINNING [redacted] EXERCISES THE J2 WAS CONSPICUOUS BY HIS ABSENCE. THIS CREATES A [redacted] STAFF PLANNING AND PLACE THE RESPECTIVE INTELLIGENCE OFFICER [redacted] UNTENABLE SITUATIONS. FOR SPECIAL OPERATIONS TRAINING/ [redacted] ALS ARE, INDEED, CRUCIAL. THE LACK OF SCENARIOS, MAPS, AND [redacted] PHOTOGRAPHS FOR THESE FTX'S WERE UNEXCEPTABLE. VERY LATE [redacted] SNOWBIRD PLANNING THE SITUATION STARTED TO IMPROVE. THIS WAS A [redacted] RELIEF FOR UNIT INTELLIGENCE OFFICERS. PROGRESS WAS MADE [redacted] THIS CRUCIAL POINT OF INTELLIGENCE TRAINING SHOULD NOT BE FOR-

[redacted] ANALYTICAL OBSERVATIONS:

THE FOLLOWING POINTS ARE CRUCIAL ITEMS LEARNED FROM THE MONTHS EXPERIENCE AND SHOULD BE STRONGLY CONSIDERED FOR FUTURE OPERATIONS.

A. FOR THIS UNIT TO REMAIN RESPONSIVE THE SECURE COMMUNICATIONS MUST REMAIN WITH THIS HEADQUARTERS.

B. THE INTELLIGENCE FLOW SHOULD CONTINUE OVER THESE SAME COMMUNICATIONS SYSTEMS.

C. THERE SHOULD BE A PERIODIC MEETING OF INTELLIGENCE STAFF A,I OFFICERS WITH THE [redacted]

D. EACH STAFF SHOULD HAVE A MINIMUM OF ONE ANALYST, THE J2 SHOULD HAVE SUFFICIENT ANALYST FOR 24 HOUR OPERATIONS.

E. INTELLIGENCE TRAINING MUST BE AN INTEGRAL PART OF MISSION PLANNING.

SUBJECT: INTELLIGENCE HISTORY

REFERENCE: YOUR MSG 003, DTG 011610Z NOV 80

1. THE FOLLOWING IS A INTELLIGENCE HISTORY OF OUR ROLE IN MISSION PLANNING FOR PROJECT SNOWBIRD:

~~(S)~~ A. INTRODUCTION AND OVERVIEW:

(S) (1) THE INTELLIGENCE STAFF OF THE 101ST AVIATION GROUP WAS FIRST INTRODUCED TO THE SNOWBIRD PROJECTON 29 JULY 1980. A, G AT THE INSTRUCTION OF [redacted] THE REQUIREMENT WAS TWO OFFICERS, TWO PHOTO INTERPRETERS (PI) AND A COMMUNICATIONS OFFICER. THE FOLLOWING PERSONNEL ATTENDED THE SNOWBIRD BRIEFING AT THE PENTAGON [redacted] ON 29 JULY 80:

RANK/NAME	DUTY ASSIGNMENT	ASSIGNED UNIT
A, G [redacted]	[redacted]	101ST AVN GP
		TF 158
		101ST AVN GP
		101ST MI CO
		101ST MI CO

BASED UPON THE RECOMMENDATION OF THE J-2 AN ADDITIONAL PERSON WAS HEAD ON FOR THE PROJECT. [redacted] NCOIC OF C, A, G THE SPECIAL SECURITY OFFICE, SERVED AS THE SECURITY ADVISOR FOR HANDLING [redacted] MATERIAL AND PHYSICAL SECURITY FOR OUR FACILITY. [redacted] JOIN THE ORGANIZATION AT A LATER DATE AS THE S-2 OF [redacted]

(S) [redacted] UPON RETURN TO FT CAMPBELL THE FIVE PERSONNEL WERE TO ESTABLISH A SECURE WORK AREA TO HANDLE SNOWBIRD INFORMATION, PLUS A COMMUNICATION CENTER. THE AREA WAS C ESTABLISHED WITHIN THE SPECIAL SECURITY OFFICE (SSO) OF THE 101ST ABN DIV (AASLT). THE CLASSIFICATION OF THE MATERIAL [redacted] THE ACTUAL MISSION REQUIRED STRINGENT SECURITY AS TO PREVENT COMPROMISE. BECAUSE OF THE WORK AREA LOCATION (SSO FACILITY) IT WAS DETERMINED THAT A COMPELLING NEED REQUEST WOULD BE REQUIRED FOR THOSE PERSONNEL, WHO REQUIRED ACCESS TO SNOWBIRD MATERIAL, WHO DID NOT HAVE A SI ACCESS.

DECLASSIFIED BY 12356
DATED 21 JUN 92
ORIG CL BY DDO, NMCC
DECL ON: DOWNGRADE TO Secret
DADR
REASON: Multiple (S) Sources

AFTER ESTABLISHING THE WORK AREA [redacted] RETURNED TO [redacted] DURING THE WEEK OF A-6 AND B-5 TO ACCOMPLISH BACKGROUND RESEARCH ON [redacted] THE WEEK WAS A, G DEVOTED TO READING THE EVENTS THAT LEAD UP TO THE RICE-BOWL OPERATION AND THE INTELLIGENCE THAT SUPPORTED THE PLANNING AND EXECUTION OF THIS PLAN. LATER HE RECIEVED BRIEFINGS ON THE SEPARATE SNOWBIRD OPTIONS TO GAIN KNOWLEDGE OF LOCATIONS, TARGETS, AND ROUTES OF MOVEMENT.

(S) IN AN EFFORT TO PREPARE FOR FUTURE EXERCISES, REAL WORLD MISSION, PERSONNEL OF THE 101ST AVIATION GROUP, S-2 SPENT

SEVERAL DAYS AT [redacted] WORKING WITH THE 1ST A DETACHMENT, [redacted] A-2. THIS MONTH PROVED TO BE INVALUABLE SINCE THIS UNIT HAD PLANNED AND EXECUTED THE RICEBOWL OPERATION. DURING THIS

PERIOD WE PLANNED AND EXECUTED TWO MAJOR EXERCISES, POTENT CHARGE, AND POISON DART WHICH PROVIDED "WALK THRU" A PLANNING AND EXECUTION OF SNOWBIRD OPTIONS. ALSO DURING THIS PERIOD IT WAS DETERMINED THAT THE [redacted]

HAD THE MOST UP TO DATE DATA BASE AVAILABLE, BOTH BECAUSE [redacted] INVOLVEMENT WITH RICEBOWL AND CONTINUATION WITH SNOWBIRD. THIS DATA BASE WAS LATER COPIED AND SENT TO S-2, 101ST AVN GP.

~~SECRET~~ SECRET

(S) FROM 9-16 OCTOBER [redacted] TRAVELED TO FT BRAGG, NC (S) TO WORK WITH FLIGHT CREWS AND MEMBERS OF DELTA, DELTA [redacted] TO BRIEF TF 158 CREW MEMBERS ON THE A, G [redacted] COMPOUND ASSAULT. AFTER WORKING WITH THE FLIGHT

SECRET

(S) (6) DURING NOVEMBER [redacted] ATTENDED AN E&E CONFERENCE HOSTED [redacted] THIS CONFERENCE DISCUSSED THE E&E OPTIONS FOR EACH SNOWBIRD PLAN. E&E KITS WERE DISCUSSED AT THIS CONFERENCE, THE FORMAL E&E PLAN IS STILL BEING DRAFTED.

B. MISSION (INTELLIGENCE) REQUIREMENTS:

(1) (U) THE INTELLIGENCE MISSION IS TO SUPPORT THE TASK FORCES OF THE 101ST IN OPERATION SNOWBIRD. WE PROVIDE INTELLIGENCE BRIEFINGS MAPS, PHOTO PRODUCTS, CLIMATE INFORMATION AND TERRAIN ANALYSIS OF THE AREA OF OPERATION.

(2) THE INTELLIGENCE IS DEVELOPED FROM DAILY REPORTS FROM [redacted] ETC. THE [redacted] AS MENTIONED ABOVE PROVIDED THE BASIS FOR OUR INTELLIGENCE DATA BASE WHICH WE UPDATED AND SUBMITTED ESSENTIAL ELEMENTS OF INFORMATION (EEI) TO FILL THE GAPS. IF EITHER OF THE ELEMENTS S-2'S HAD QUESTIONS CONCERNING THE MISSION OR IRANIAN CAPABILITIES THEY WERE SUBMITTED TO THE S-2 LOCATED AT THE SSO FACILITY FOR ANSWERS. IF RESEARCHING OUR DATA BASE FAILED TO RESOLVE THE QUESTION AN EEI REQUEST WAS CREATED AND FORWARDED TO [redacted]-2. ON ALL OCCASIONS [redacted], WAS VERY RESPONSIVE ON FINDING THE ANSWERS TO OUR QUESTIONS. MOST EEI'S TO BE RELATED TO THE TEHRAN AREA SPECIFICALLY THE HFA COMPOUND AND THE U.S. EMBASSY.

C. ORGANIZATIONAL AND PERSONNEL STRUCTURE:

(1) (U) THE INTELLIGENCE STAFF FOR SNOWBIRD CONSIST OF FIVE MEMBERS. THREE ARE ACTUAL MEMBERS OF THE AVIATION GROUP AND THE REMAINING TWO ARE INTELLIGENCE OFFICERS FOR THEIR RESPECTIVE TASK FORCE.

(S) [redacted] AVIATION GROUP
[redacted] AVIATION GROUP
[redacted] AVIATION GROUP
[redacted] TF 158TH
[redacted] TF 229TH

(2) (U) THE AVIATION GROUP S-2 STAFF RECIEVES THE INTELLIGENCE MESSAGES, TAKES THIS INFORMATION AND DEVELOPES AND UPDATES THE DATA BASE. THE GROUP S-2 ALSO SERVES AS A FOCAL POINT FOR THE TASK FORCE PERSONNEL TO ANSWER QUESTIONS, PRESENT BRIEFINGS, AND DEVELOPE EEI'S TO SATISFY MISSION REQUIREMENTS. THE SECTION ALSO REQUESTS AND DISTRIBUTES MAPS AND PHOTO PRODUCTS FOR REAL WORLD AS WELL AS EXERCISE PLANNING.

D. SECURITY AND COMMUNICATION ARRANGEMENTS:

(1) (S) DUE TO THE ACTUAL CLASSIFICATION OF THE INFORMATION WE RECIEVE FROM [redacted] WE DECIDED TO ESTABLISH OUR SECURE WORKING AREA IN THE 101ST SPECIAL SECURITY OFFICE (SSO). BY DOING THIS WE PREVENTED THE NEED OF GUARDS SINCE THE SSO MEETS ALL REQUIREMENTS [redacted]

(2) (S) [redacted] ESTABLISHED OUR "POINT TO POINT" SECURE COMMUNICATION EQUIPMENT, THE SAFES FOR STORAGE, AND MAPS WERE ALL LOCATED IN THE ROOM PROVIDED BY THE SSO. THE SSO PROVIDED A SINGLE ROOM FOR OUR USE AND RESTRICTED ACCESS TO OUR PERSONNEL.

(3) (S) ALL PERSONNEL WHO WORKED WITH THE INTELLIGENCE POSSESSED [redacted] SI/SAO CLEARANCE. COMPELLING NEED REQUESTS WERE SUBMITTED TO [redacted] TO ENABLE PERSONNEL TO BE CLEARED. [redacted] WAS INSTRUMENTAL IN OBTAINING THE CLEARANCES FROM DCF.

(4) (U) THE INTELLIGENCE STAFF HAD TO LEARN HOW TO OPERATE THE COMMUNICATION EQUIPMENT SINCE UNLIKE OTHER UNITS, WE WERE NOT PROVIDED ANY PERSONNEL TO OPERATE THE EQUIPMENT.

SECRET

(U) (1) THE INTELLIGENCE STAFF HAD FEW PHYSICAL REQUIREMENTS, EXCLUDING THE SECURE AREA IN THE SSO, THE SECTION REQUIRED TWO SAFES TO SECURE MESSAGE TRAFFIC, MAPS AND CHARTS, AND CRYPTO MATERIALS. NO MATERIAL WAS UNSECURED EVEN THOUGH WE SECURED THE ENTRANCE TO OUR WORK AREA.

(2) AS A SEPARATE ENTITY, WE DID NOT PREPARE SPECIAL PRODUCTS. THE 1SOW FURNISHED A COPY OF THEIR DATA BASE ON WHICH WE WERE TO BUILD AND CONTINUALLY UPDATE. WE DID PREPARE WEEKL

A,B,C [redacted] SUMMARIES [redacted] TO PROVIDE THE COMMANDER AND KEY PLANNERS AN UP TO DATE REVIEW OF THE SITUATION IN IRAN.

A (3) SINCE THIS ORGANIZATION DID NOT HAVE ANY DEDICATED COMMO FRO[redacted] OFTEN THE INTELLIGENCE PERSONNEL WERE DEVOTED FULL TIME TO RECEIVING AND SENDING TRAFFIC.

F. INTERNAL STAFF INTERFACE:

[redacted] PRIMARY STAFF INTERFACE WAS BETWEEN THE OPERATIONS AND (U) INTELLIGENCE OFFICERS. THE LOGISTICAL OFFICER PLAYED A SUBSTANCIAL ROLE IN MISSION PLANNING; HOWEVER, HE DID NOT HAVE A [redacted] CLEARANCE AND DIDN'T HAVE A NEED TO KNOW ALL AVAILABLE INFORMATION.

G (2) [redacted] AND [redacted] ATTENDED ALL MAJOR CONFERENCES AND EXERCISES. AT FT CAMPBELL WHERE THE FLIGHT CREWS COULD NOT ENTER THE SSO, WE ESTABLISHED A SECURE WORKING AREA WHE THE FLIGHT CREWS COULD ACCOMPLISH MISSION PLANNING AND BRIE INGS. SNOWBIRD MATERIALS WERE CARRIED TO THE AREA WHEN THE BRIEFINGS WERE CONDUCTED. AT THE COMPLETION OF THE BRIEFINGS, THE MATERIAL WAS COURIED BACK TO THE SSO FOR STORAGE.

G. EXTERNAL/LATERAL INTERFACE:

(1) 1ST SPECIAL OPERATIONS WING - OUR INTERFACE WITH THE 1ST SO WAS EXTENSIVE. ON 26 AU[redacted]NT TO WASHINGTON, A,G D.C. AND MET [redacted] THE A2 OR MY COUNTERPART FROM THIS ORGANIZATION. AFTER MEETING WITH [redacted]ON THE 27TH WE TRAVELED TO [redacted] HE WAS TO SPEND THE NEXT MONTH RESEARCHING THIS UNITS DATA BASE (WHICH WAS LATER TO BECOME THE BASIS FOR THE 101ST DATA BASE) AND THEI EXPERIENCE DURING THE RICEBOWL OPERATION.

(2) WE WORKED FOR DAYS EXCHANGING THOUGHTS AND IDEAS ON PROCEDURES AND ORGANIZATION OF INTELLIGENCE STAFFS. WE DECIDED UPON THE USE OF THE SINGLE DATA BASE, SINCE DURING A,G THE CURRENT SNOWBIRD OPTION OUR HELICOPTERS WOULD FLY TOGETHER. [redacted] SENT A MESSAGE BACK TO FT CAMPBELL ESTABLISHING A FILE SYSTEM THAT WAS IDENTICAL TO 1ST SOW'S. THE IDEA WAS THAT IF WE DEPLOYED TO SEVERAL FORWARD OPERATI BASES WE WOULD BRIEF TOGETHER UTILIZING PERSONNEL FROM BOTH ORGANIZATIONS AT EACH LOCATION. SIMULAR FILES WOULD FACILA RESEARCH INTO THE DATA BASE.

(3) WE ALSO DEVELOPED AN UNDERSTANDING OF OUR MAP REQUIREMENTS FOR EXERCISE AS WELL AS FOR DEPLOYMENT OPTIONS. THE EXERCISE REQUIRED THOUSANDS OF CHARTS WHICH MEANT THE ESTABLISHMENT OF A MAP DEPOT. THIS DEPOT WAS MANNED BY BOT AIR FORCE AND ARMY PERSONNEL WHO HANDLED ONC, TPC, JOG, AND SMALLER SCALE MAPS.

(4) DURING THE MONTH [redacted] SPENT AT [redacted], HE PARTICI- A,G PATED IN THREE TRAINING EXERCISES. THIS PARTICIPATION INCLUDED WRITING SENARIOS, DEVELOPING THREAT, AND FORMAL BRIEFINGS.

THEIR PORTION OF THE COMPOUND ASSAULT. AFTER SATISFYING THE NEEDS OF THE FLIGHT CREWS, [redacted] WORKED WITH THE DELTA INTELLIGENCE PERSONNEL AND THEIR ACTIONS IN THE FIRST ATTEMPT AND THEIR SYSTEM OF COLLECTION, ANALYZATION, AND STORAGE OF SNOWBIRD INFORMATION.

H. UNIT [redacted] INTERFACE:

(U) INTELLIGENCE INTERFACE BEGAN WITH THE INTELLIGENCE BRIEFING THE STAFF RECIEVED ON AUG 1980. AN EXTENSIVE BRIEFING WAS PROVIDED TO BRING US UP TO DATE ON THE EVENTS LEADING UP TO THE FIRST RESCUE ATTEMPT AND THE EVENTS FOLLOWING. [redacted]

(U) THE MAIN EXTENT OF THE INTERFACE BETWEEN THE J2IST AND THE [redacted] WAS BETWEEN [redacted] AND [redacted]

(U) MAJ PREVOST WAS THE FOCAL POINT FOR WEAPONS/EQUIPMENT, RADAR COVERAGE, MILITARY FLIGHTS, AND ESCAPE AND EVASIONS PLANS.

(U) PERHAPS OUR GREATEST INTERACTION INVOLVED THE INTELLIGENCE PORTIONS OF TRAINING EXERCISES. WHILE OTHER [redacted] MEMBERS SUPPORTED FROM THE PENTAGON [redacted] AT THE FIELD SITE COORDINATING BRIEFINGS AND INSURING PHOTOGRAFIC SUPPORT. [redacted] BEING AN AVIATOR, PROVIDED DETAILED INFORMATION: [redacted]

(U) [redacted] WAS THE FOCAL POINT OF [redacted] MAPS, AND SPECIAL REQUESTS REQUIRING THE WORK OF DIA PHOTO INTERPRETATERS. HE PROVIDED COVERAGE OF LANDING ZONES [redacted] AND TARGETS FOR HELICOPTER GUNSHIPS. WHILE OUR PRIMARY CONTACT WAS WITH THESE INDIVIDUALS, ALL MEMBERS OF THE J-2 STAFF SHOULD BE COMMENDED FOR THEIR EFFORTS PROVIDED IN THE SNOWBIRD MISSION.

I. ANALYTICAL OBSERVATIONS:

(U) PROBLEM: SECURITY CLEARANCE

(U) (A) DISCUSSION: ARMY AVIATORS POSSESS A SECRET SECURITY CLEARANCE WHICH WOULD SUFFICE FOR NORMAL DUTIES. HOWEVER, THOSE AVIATORS CHOSEN TO WORK ON THIS PROJECT REQUIRED ACCESS TO TOP SECRET MATERIAL TO SUCCESSFULLY ACCOMPLISH THEIR MISSION. WE BEGAN THE ADMINISTRATIVE PROCESS TO INITIATE BACKGROUND INVESTIGATIONS. BUT FOUND THAT THIS WAS DRAWING MORE ATTENTION THAN WE DESIRED. DUE TO THIS ATTENTION I RECOMMENDED TO [redacted] WE STOP THIS PROCESS AND GRANT A "ONE TIME ACCESS" TO THE AVIATORS. THIS WAS ACCOMPLISHED BY [redacted] ON 17 OCT 81.

(S) RECOMMENDATION: THAT THOSE AVIATORS CHOSEN TO CONTINUE IN SPECIAL OPERATIONS TRAINING HAVE BACKGROUND INVESTIGATIONS AND MAINTAIN A SECRET CLEARANCE. THIS COULD BE UPGRADED TO TOP SECRET SHOULD THE NEED OCCUR. [redacted]

[redacted]

[redacted]

(A) DISCUSSION: DURING THE TRAINING FOR SNOWBIRD OPTIONS, INTELLIGENCE SEEMED TO TAKE A "BACK SEAT" TO OTHER REQUIREMENTS. AFTER ROUTES WERE PLANNED FOR AN EXERCISE IE., THE INTELLIGENCE PERSONNEL WERE ASKED TO DEVELOP A "THREAT" WHICH DEPICTED THE ESTABLISHED ROUTE. LATER WHEN THE THREAT WAS ESTABLISHED FIRST, THE "THREAT" HAD TO BE CHANGED TO ENABLE MISSION PLANNERS TO ACCOMPLISH THEIR TRAINING. THIS THREAT WAS AS REALISTIC TO THE REAL WORLD THREAT IN IRAN AS WE CHANGE THIS THREAT NEGATED THE ACCOMPLISHEMENT OF THE TRAINING SINCE THE THREAT IN IRAN WOULD NOT CHANGE.

(B) RECOMMENDATION: INTELLIGENCE OBJECTIVES SHOULD BE INCLUDED IN THOSE THAT ARE OBTAINED DURING TRAINING EXERCISES.

(3) PROBLEM: INTELLIGENCE - TRAINING SUPPORT

(S) (A) DISCUSSION: DUE TO THE MINIMAL STAFFING OF THE J-2, AND THEIR TOTAL DEDICATION TO LOCATING THE HOSTAGES, SUPPORT OF TRAINING EXERCISES WAS OFTEN LACKING. IF THE SOW HAD NOT ESTABLISHED ITS OWN MAP DEPOT, WE WOULD HAD WAITED UNTIL THE ELEVENTH HOUR TO RECIEVE MOST MAPS AND CHARTS. SITE SURVEYS TO DETERMINE TRAINING LOCATIONS WHICH ARE ALMOST ALWAYS ACCOMPLISHED AT THE LAST MINUTE REQUIRING "EMERGENCY" SMALL SCALE MAPS AND PHOTOGRAPHY REQUESTS, [redacted] BY WAITING UNTIL THE LAST POSSIBLE MINUTE, WEATHERD OUT, AND SOMETIMES FLOWN OVER THE WRONG TARGET.

(S) (B) RECOMMENDATIONS: ESTABLISH PERSONNEL TO BE RESPONSIBLE FOR REALISTIC SENARIOS AND THREAT IN CONJUNCTION WITH MISSION TRAINING. [redacted] ESTABLISH A MAP DEPOT FOR SUPPORT OF REAL WORLD AND EXERCISE PLANNING. [redacted] ALSO DEVELOPE A "FILE" OF FIELD SITE PHOTOS TO PREVENT LAST MINUTE COORDINATION FOR PHOTOGRAPHY.

(4) PROBLEM: COMMUNICATION CENTER

(A) DISCUSSION- DURING THE SNOWBIRD MISSION, THE 101ST [redacted]-2 WAS NOT PROVIDED ANY COMM CENTER PERSONNEL, UNLIKE OTHER UNITS, TO MAN THE EQUIPMENT. THE INTELLIGENCE PERSONNEL HAD TO LEARN HOW TO OPERATE AND MAINTAIN THE COMM CENTER EQUIPMENT. OFTEN OVER FIFTY PERCENT OF THIS INTELLIGENCE PERSONNEL'S TIME WAS SPENT PREPARING AND RECIEVING MESSAGE TRAFFIC. DURING EXERCISES WHEN SOME PERSONNEL WERE DEPLOYED TO FIELD SITES, THIS INCREASED TO ONE HUNDRED PERCENT. NO COMM CENTER PERSONNEL, EXCEPT THE SSO PERSONNEL [redacted] WHICH PROHIBITED UTILIZATION OF SOME UNIT PERSONNEL.

(B) (U) RECOMMENDATION: HIGHER HEADQUARTERS SHOULD PROVIDE THE EQUIPMENT AND PERSONNEL TO ACCOMPLISH OUR ASSIGNED MISSION.

(U) PROBLEM: COMPARTMENTATION

(A) DISCUSSION- DURING THE SNOWBIRD MISSION, MUCH OF THE OPERATIONS WERE COMPARTMENTED WHICH WAS RIGHTFULLY SO, HOWEVER, I DEVELOPED THROUGH EXCHANGES WITH MY COUNTERPARTS, A BETTER UNDERSTANDING OF MY MISSION N AND NEW IDEAS/TECHNIQUES FOR ACCOMPLISHING THEM.

(B) RECOMMENDATION: DURING THE PLANNING FOR EXECUTION OF AN OPTION, CONFERENCES OF KEY INTELLIGENCE PERSONNEL SHOULD CONDUCTED PERIODICALLY TO UPDATE, REFINE, AND DEVELOP NEW IDEAS. THE CONFERENCES I ATTENDED [redacted] SEEM TO HAVE "NEW" PERSONNEL AT EACH MEETING RATHER THAN DEVELOPING SOME CONTINUITY.

B-134

DEPARTMENT OF THE AIR FORCE
HEADQUARTERS, 544TH STRATEGIC INTELLIGENCE WING (SAC)
OFFUTT AIR FORCE BASE NEBRASKA 68113

20 April 1980

MEMORANDUM FOR THE JCS SPECIAL PLANNING TEAM

Subject: Special Mission Analysis, 16-19 April 1980 (U)

G 1. (U) At the request of JCS (J3) staff officer [redacted] the 544th Strategic Intelligence Wing's Strategic Targeting Intelligence Center (STIC) conducted a detailed analysis of the attrition probabilities and the vertical obstructions which pertained to a defined mission. Initial contact for project approval was made between the JCS project officer and the Assistant Deputy Chief of Staff Intelligence on 16 April 1980.

2. (U) ~~(TS)~~ The mission involved the covert penetration and exit of a single MC-130 Combat Talon special mission into Iranian airspace. Three ingress routes were specified, defined as Valley, Backdoor, and N1. Three egress routes, defined as South, North, and N1, were also provided. Ingress and egress routes were not connected in the tasking specified. Data was provided via DACOM from AFXOXP (Special Plans) and is returned as directed as Attachment 1.

3. (C) ~~(TS)~~ STIC was requested to evaluate the routes provided and develop probabilities of attrition for each. [redacted] specified that the

G A [redacted]

These parameters were reiterated on query, and further cross checked with G [redacted] subsequently designated as the STIC point of contact.

4. (C) ~~(TS)~~ By agreement, STIC developed four cases for the attrition evaluation. Case One assessed the probability of attrition under conditions

A, B [redacted]

In addition, STIC conducted an evaluation of the vertical obstructions which, within five miles of the center line of each ingress and egress route, could pose a threat to the mission. [redacted]

C [redacted]

[redacted] The results of the attrition analyses are at Attachment 2. In the absence of defined linkage between specific ingress and egress routes in Attachment 1, STIC analysts have connected the combinations to provide a range of values for the probability of arrival at a friendly base. In addition, because the egress of the mission cannot

[redacted]

[redacted]

be handled in the same warning context as the ingress conditions, the [redacted] position defenders along the egress routes was considered. While the possibility of the defenders picking the right egress route is remote, [redacted] significantly increases the risk to this phase of the mission.

6. (TS) In particular, the issues of Iranian pilot proficiency and the capability of the radar system operators are not clear. The operational readiness of the F-14 and the Phoenix missile is also in question. [redacted] Moreover it is thought, for example, that there may be only sufficient missiles to effectively arm five or less F-14s. Since these factors are decisive in the computation of engagement success, all analyses have afforded the defender the more sophisticated capability. As a consequence, the risk to the penetrator may be lower than that which is computed and shown in Attachment 2.

RISK ASSESSMENT

//HOLD IN WORKING PAPER STATUS - SUBJECT TO FINAL APPROVAL BY

//DEPUTY DIRECTOR FOR OPERATIONS

KEY QUESTIONS

A. THREE-TO-FIVE FIXED WING AIRCRAFT TO PENETRATE IRAN IN CLOSE TRAIL OR WITH ONE HOUR SEPARATION CONDUCT RECON ETC.

RISK 3

B. UP TO 3 OR 4 FIXED WING AIRCRAFT AND 4 TO 5 HELICOPTERS PENETRATE IRAN, LAND REMAIN ON GROUND 2 HOURS, ETC.

RISK 5

C. UP TO 3 OR 4 FIXED WING AIRCRAFT AND 4 TO 5 HELICOPTERS PENETRATE AND LAND THREE TIMES IN THE SAME AREA OVER A 3-5 DAY, OR IRREGULARLY OVER A 3 TO 10 DAY PERIOD.

RISK 7

D. APPROXIMATELY 2 500 CUBIC FEET OF SEMI-MOVEABLE EQUIPMENT IS DELIVERED VIA AIR DROP MOVED TO COVER AND LEFT UNATTENDED FOR:

1) TWO DAYS RISK: 3
2) FOUR DAYS RISK: 3
3) SIX DAYS RISK: 4
4) TEN DAYS RISK: 5
5) TWO WEEKS RISK: 5
6) THREE WEEKS RISK: 6 PLUS

[redacted]GROUND

[redacted] THE OVERALL RISK FOR ITEM A AT 1 AND FOR ITEMS B AND C AT BETWEEN 2 AND 4. THE FIRST FACTOR IS ONLY APPLICABLE TO HELICOPTERS IF LAUNCH OPERATIONS ARE CONDUCTED IN FULL VIEW OF SOVIET INDIAN OCEAN ESKADRA ELEMENTS. SCREENING OF LAUNCH OPERATIONS AND GOOD COMSEC WOULD REDUCE RISK OF SOVIET DETECTION TO LESS THAN 1.

[redacted]

IRANIAN ASSESSMENT ANALYSTS NOTE THAT THE LACK OF SPECIFIC INFORMATION REGARDING FLIGHT ROUTES AND TYPE OF AIRCRAFT INCLUDING THE NOISE GENERATED BY THE AIRCRAFT AFFECTED THE CAPABILITY TO ACCURATELY ASSESS RISKS. CHANCES OF DETECTION ARE INCREASED IF NOISY AIRCRAFT ARE INVOLVED AND IF FLIGHT ACTIVITY IS CONCENTRATED IN TIME OR TERRITORY. THE RISK ASSESSMENT ASSUMES THAT AIR OPERATIONS WILL TRULY [redacted] AND THAT MEANINGFUL DETECTION (THE DETECTOR REPORTS WHAT HAS BEEN SEEN TO HIGHER AUTHORITY IS THE QUESTION ANALYSTS BELIEVE THAT RISK OF DETECTION OF ANY ONE PHASE OF A PENETRATION IS [redacted] RELATIVELY LOW, RISK 2 TO 4. THE RISK FACTORS OF THE TOTAL

MEMORANDUM FOR DIA, [redacted]

Subject: Risk Assessment

1. (TS) Request your analysis of risk of detection of clandestine penetration of Iranian airspace by a small mixed force of fixed wing aircraft and helicopters. All flight activity would be at low altitude [500-2,000 feet AGL under cover of darkness. All flight tracks will be flown over isolated areas of Iran and outside of all known Iranian radar coverage. All potential ground operating areas are isolated but some occasional civilian activity can be anticipated at locations during a 3-5 day period.

2. (U) Key questions are listed below. A numerical value assessme on a scale of one to ten (10 is high risk) should be applied to each question/sub-question. What are chances of detection if:

a. (U) (TS) Three-five fixed wing aircraft were to penetrate Iran in close trail or with one hour separation, conduct recon, RTB.

b. (U) (TS) Up to 3-4 fixed wing aircraft and 4-5 helicopters penetrate Iran, land/remain on ground 2 hours, RTB.

c. (U) (TS) Up to 3-4 fixed wing aircraft and 4-5 helicopters penetrate and land three times in the same area over a 3-5 day or irregularly over a 3 to 10 day period.

d. (U) (TS) Approximately 2,500 cubic feet of semi-moveable equipment is delivered via airdrop, moved to cover and left unattended for:

(1) Two days
(2) Four days
(3) Six days
(4) Ten days
(5) Two weeks
(6) Three weeks

WORKING PAPER FOR J-3 15 1980

Subject: Risk Assessment (U) (#[redacted]8)

[redacted]

2. (U) ~~(TS)~~ With the foregoing as background, the chances of detection for each sub-question are assessed on a scale of one to ten as follows:

a. (U) ~~(TS)~~ 3-5 fixed wing aircraft in close trail or with one hour separation is probably 3-4.

b. (U) ~~(TS)~~ 3-4 fixed wing aircraft and 4-5 helicopters staying 2 hours and RTB is probably 4-5.

c. (U) ~~(TS)~~ 3-4 fixed wing aircraft and 4-5 helicopters landing 3 times over a 3-5 day or irregularly 3-10 day period is probably 5-6.

d. (U) ~~(TS)~~ Equipment air-dropped, concealed, and left unattended for:

Classified By: DIA
Declassified ON: OADR

Downgraded by DDO, NMCC

(0)

(1) Two days = 2-3

(2) Four days= 3-4

JAN '8

2. PART I SITUATION

(U) A. GENERAL: ON 4 NOVEMBER 1979 MEMBERS OF AN IRANIAN STUDENT GROUP SWARMED ON TO THE US EMBASSY COMPOUND IN TEHRAN, TOOK THE EMBASSY EMPLOYEES HOSTAGE AND STATED THEY WOULD HOLD THE EMPLOYEES HOSTAGE UNTIL THE USG RETURNED THE SHAH TO IRAN FOR TRIAL. THE TAKE OVER WAS ACCOMPLISHED WITHOUT BLOODSHED. APPROXIMATELY 62 AMCITS AND AN UNDETERMINED NUMBER OF IRANIAN AND 3RD COUNTRY CITIZENS WERE INITIALLY HELD. SHORTLY AFTER THE TAKE OVER THE IRANIAN PERSONNEL WERE RELEASED. ON 19 NOVEMBER THE "STUDENTS" BEGAN TO RELEASE SELECTED HOSTAGES, LARGELY NON-WHITE AMCIT MALES, AMCIT FEMALES AND 3RD COUNTRY NATIONALS. THE REMAINING AMERICAN HOSTAGES INCLUDE TWO WOMEN AND 48-50 MALES. THE "STUDENTS" REMAIN ADAMANT IN THEIR DEMANDS FOR THE RETURN OF THE SHAH AND WITH THE CONCURRENCE OF AYATOLLAH KHOMEINI AND THE IRAN GOVERNMENT (REVOLUTIONARY COUNCIL) HAVE REFUSED TO HONOR THE INJUNCTION OF THE WORLD COURT TO RELEASE THE HOSTAGES AND RETURN THE EMBASSY TO AMERICAN CONTROL.

(U) IN ADDITION BOTH THE GOVERNMENT AND THE "STUDENTS" HAVE STATED THEY PLAN TO PUT THE REMAINING HOSTAGES ON TRIAL FOR ESPIONAGE. ALTHOUGH THE LABEL "STUDENTS" IS USED IN THE MEDIA AND IN THIS REPORT WHEN REFERRING TO THE PRINCIPAL CAPTIVES THE LABEL IS NOT CORRECT. THE "STUDENT CAPTIVE" FORCE CONSISTS OF A GROUP OF SENIOR MEDICAL, ENGINEERING AND RELIGIOUS STUDENTS BELONGING TO A MOJAHEDIN FACTION WHICH SUBSCRIBES TO A BLEND OF ISLAM AND MARXISM. SEVERAL LEFTIST INSTRUCTORS FROM TEHRAN TECHNICAL UNIVERSITY, MEMBERS OF THE TUDEH (COMMUNIST) PARTY MAY HAVE ALSO INFILTRATED THESE GROUPS. IN ADDITION, THE LEADERSHIP OF THE COLLECTIVE GROUP (WHICH IS CALLED A COMMITTEE) RECEIVES COUNSEL ON PROGAGANDA, AND SECURITY MATTERS FROM PLO AND FEYADEEN ADVISORS. THE SITUATION HAS NOW CRYSTALLIZED TO THE POINT THAT THE IRANIAN GOVERNMENT AS A POLITICAL ENTITY MUST BEAR FULL RESPONSIBILITY FOR THE PROTRACTED AND UNCOMPROMISING NATURE OF THE IRANIAN POSITION. THE SITUATION APPEARS TO BE A POLITICAL PROBLEM WITHOUT AN ACCEPTABLE POLITICAL SOLUTION FOR EITHER THE GOVERNMENT OF IRAN OR THE USG.

(U) B. CHARACTERISTICS OF THE OBJECTIVE AREA: THE EMBASSY COMPOUND IS LOCATED IN CENTRAL TEHRAN (UTM 39S-WV-383518//GEOGRAPHIC 4230N/5125E). THE COMPOUND AREA CONSISTS OF 27 ACRES OF FLAT TERRAIN SHAPED IN BASICALLY A RECTANGLE PATTERN RUNNING NORTH/SOUTH. THE COMPOUND IS BOUNDED ON THE SOUTH BY TAKHT-E-JAMSHID BLVD WHICH IS A MAJOR EAST/WEST THOROUGHFARE; ON THE EAST BY ROOSEVELT STREET, (A RELATIVELY BUSY NORTH/SOUTH ROAD); ON THE WEST BY AMERICA AVENUE AND THE NORTH BY ARDALAN STREET. THE MAIN BUILDING (CHANCERY) RUNS EAST/WEST AND FORMS THE BASE LINE REFERENCE POINT. THE CHANCERY FACES ON TAKHT-E-JAMSHID BLVD. THE COMPOUND CAN BE DIVIDED INTO FOUR GENERAL AREAS, GROUPED AROUND TWO PLAYING FIELDS LOCATED IN THE CENTER OF THE COMPOUND. THE CHANCERY AND MOTOR POOL AREA ARE TO THE SOUTH. THE WAREHOUSE, TEMPORARY APARTMENTS AND SUPPLY AREA ARE TO THE NORTH. THE COMMISSARY, CONSULATE STAFF COTTAGES AND OLD POLICE QUARTERS ARE TO THE WEST. THE AMBASSADOR'S AND DCM RESIDENCES ARE LOCATED IN THE EASTERN HALF OF THE COMPOUND WHICH IS FORESTED WITH HIGH TRUNKED PINE TREES. THE NOTHWEST SEGMENT OF THE EMBASSY COMPOUND ABUTTS AN IRANIAN ARMY DEPOT. THE COMPOUND IS SURROUNDED BY A SERIES OF WALLS AND FENCES WHICH RESTRICT INTERIOR VISIBILITY FROM THE SURROUNDING STREETS. STREET AND BUILDING LIGHTS ARE LOCATED THROUGHOUT THE COMPOUND AND SURROUNDING AREAS BUT MANY ARE NOT FUNCTIONING.

(U) (1) THE COMPOUND IS LOCATED IN DOWNTOWN TEHRAN IN THE MIDST OF A MIXED BUSINESS AND RESIDENTIAL AREA, WITH RELATIVELY EASY ROAD ACCESS FROM THE NORTH AND EAST. SEVERAL HIGH BUILDINGS IN THE AREA PROVIDE GOOD VANTAGE POINTS FOR VIEWING THE INTERIOR OF THE COMPOUND. A MAJOR SPORTS COMPLEX WITH LARGE STADIUM AND SEVERAL PLAYING FIELDS IS LOCATED NORTHEAST OF THE COMPOUND DIAGONALLY ACROSS ROOSEVELT AVENUE. A LARGE PARKING LOT IS ALSO LOCATED EAST OF THE COMPOUND ON ROOSEVELT, MIDWAY BETWEEN THE STADIUM AND TASHT-E-JAMSHID BLVD.

(U) (2) THE BUILDINGS FACING THE COMPOUND ON THE SOUTH (TAKHT-E-JAMSHID) ARE MOSTLY OFFICE BUILDINGS WITH SOME RESIDENTS. ON THE WEST SIDE THE PRINCIPAL STRUCTURES APPEAR TO BE FOUR SMALL BUT AFFLUENT PROFESSIONAL OFFICE BUILDINGS SURROUNDED BY TREES AND BACKED BY TWO LARGE PARKING LOTS. THE NORTH SIDE OF THE COMPOUND BACKS INTO A MIDDLE CLASS RESIDENTIAL AREA CONSISTING OF THREE BLOCKS OF MULTI-STORY APARTMENT HOUSES.

(U) (3) ACTIVITY RELATED TO THE EMBASSY TAKEOVER IS LARGELY LOCALIZED WITHIN A TWO BLOCK RADIUS OF THE COMPOUND EVEN WHEN MAJOR DEMONSTRATIONS ARE ON GOING.

(U) (4) TRAFFIC IN THE CITY IS HIGHLY CONGESTED BETWEEN THE HOURS OF 0600-2300 DURING THE ISLAMIC WORK WEEK (SAT-WED) DECREASING IN VOLUME ON THE ISLAMIC WEEKEND (THURS-FRI) ALTHOUGH TRAFFIC ACTIVITY IS LIKELY TO CONTINUE THURSDAY NIGHT UNTIL 0200 FRIDAY MORNING.

(U) (5) THE EMBASSY IS LOCATED APPROXIMATELY 5 KM WEST OF THE NEAREST AIRFIELD (DOSHAN-TAPPEH AFB WHICH IS A NON COMBAT BASE). TWO OTHER AIRFIELDS ARE WITHIN 10KM, GHALI-MORGHI, AN ARMY LIGHT AIRCRAFT/HELICOPTER FIELD IS 8KM SSW AND MEHRABAD INTERNATIONAL [redacted] IS LOCATED 10 KM WSW.

(U) (6) WEATHER AT THIS TIME OF YEAR IS COMPARABLE TO NW UNITED STATES/DENVER COLORADO WITH CLEAR CRISP DAYS, OCCASSIONAL MIST/RAIN IN THE CITY AND SNOW IN THE NEARBY MOUNTAINS. WINTER TEMPERATURES ORDINARILY RANGE BETWEEN 20 AND 40 DEGREES FAHRENHEIT AT NIGHT RAISING TO THE MID FIFTIES DURING THE DAY.

~~TOP SECRET~~

C (S)

[redacted]

B. EXTERNAL REACTION FORCES

REINFORCEMENTS FOR THE STUDENT GUARDS AND PASDARAN ARE AVAILABLE FROM SEVERAL LOCATIONS AND ORGANIZATIONS. PRINCIPAL FORCES AND THEIR ESTIMATED REACTION TIMES ONCE THEY HAVE RECEIVED NOTIFICATION OR HEARD A MAJOR DISTURBANCE IN THE VICINITY OF THE COMPOUND ARE SHOWN BELOW:

(1) WITHIN 4-7 MIN: FIRE FROM THE CHANCERY AND WEAPONS POSITIONED IN SURROUNDING BUILDINGS.

(2) WITHIN 10-15 MIN: REINFORCEMENTS FROM STUDENT HQS AND PASDARAN KOMITEH STRENGTH 75-100 FROM NEARBY KOMITEH STATIONS.

(3) WITHIN 15-20 MIN: 100-300 PASDARAN AND THE BEGINNINGS OF LOCAL CROWDS.

~~TOP SECRET~~

[redacted]

(4) WITHIN 20-30 MIN: PASDARAN REINFORCEMENTS OF AN ADDITIONAL [redacted]00-300 PLUS.

(5) WITHIN 20-30 MIN: [redacted]

(6) WITHIN 30-40 MIN: PASDARAN BACK-UP UNITS AND ADDITIONAL CROWDS.

(7) WITHIN 45-60 MIN: IRG RESIDUAL FORCES AND MOBS OF 2,000-3,000.

(8) WITHIN 60 MIN: A HAWK SITE [redacted] COULD REACT AND ATTEMPT A LAUNCH AGAINST ANY ORBITTING AIRCRAFT.

(9) WITHIN 60 MIN: HELICOPTERS FROM [redacted] OR FIGHTERS FROM [redacted] COULD LAUNCH AND ATTEMPT TO INTERDICT THE FORCE AT THE COMPOUND OR EXTRACTION AIRFIELD IF THE LOCATION BECOMES KNOWN.

F. ENEMY COMMAND AND CONTROL.

[redacted]

~~TOP SECRET~~

G. ENEMY COURSES OF ACTION

(1) PRIOR TO INITIATION OF RESCUE OPERATION

(A) POSSIBLE ENEMY COURSES OF ACTION

(1) MAINTAIN THE CURRENT SITUATION, I.E. HOLD ALL HOSTAGES PENDING RETURN OF THE SHAH.

(2) BEGIN TO EXECUTE HOSTAGES AS MEANS OF APPLYING PRESSURE ON US.

(3) MOVE HOSTAGES FROM AMEMB COMPOUND TO PRISONS OR OTHER LOCATIONS IN TEHRAN.

(4) RELEASE ALL HOSTAGES WITHOUT TRIAL.

(5) RELEASE MAJORITY OF HOSTAGES; HOLD REMAINDER UNDER THREAT OF TRIAL.

(6) CONVENE INTERNATIONAL TRIBUNAL TO INVESTIGATE CHARGES OF U.S. IMPROPRIETIES.

(7) RELEASE ALL HOSTAGES AFTER INTERNATIONAL TRIBUNAL PUBLISHES ITS FINDINGS.

(8) GRANT CLEMENCY TO ALL HOSTAGES AFTER INDIVIDUAL ESPIONAGE TRIALS.

(9) RELEASE MAJORITY OF HOSTAGES FOLLOWING ESPIONAGE TRIALS; SENTENCE THOSE FOUND GUUILTY TO PRISON TERMS OR DEATH.

(B) PROBABLE ENEMY COURSES OF ACTION

FOR THE IMMEDIATE FUTURE, 30-45 DAYS, THE IRANIANS WILL MAINTAIN THE CURRENT SITUATION, CONVENE THE INTERNATIONAL TRIBUNAL, AND PREPARE FOR INDIVIDUAL TRIALS. THEY WILL NEITHER RELEASE ALL THE HOSTAGES NOR COMMENCE ARBITRARY EXECUTIONS. (NOTE: THE POWER STRUGGLE WITHIN THE IRANIAN HIERARCHY CONTINUES. THE "STUDENTS" AT THE COMPOUND, THE IRG, KHOMEINI AND THE CLERGY, AND OTHER GROUPS ARE VYING FOR POWER. LEFTIST ELEMENTS WITHIN EACH OF THESE GROUPS ALSO ARE MAKING THEIR INFLUENCE FELT. GIVEN THESE POLITICAL CONDITIONS, THE POSSIBILITY OF UNEXPECTED AND/OR ILLOGICAL BEHAVIOUR BY ANY OF THESE GROUPS WITH REGARD TO THE HOSTAGES IS HIGH. FOR THE TIME BEING, THOUGH, THE "STUDENTS" ARE IN CHARGE AT THE COMPOUND, AND THEIR ACTIONS/PRONOUNCEMENTS STILL HAVE THE PRIMARY IMPACT ON THE HOSTAGES' WELL-BEING.)

(2) DURING ASSAULT PHASE

(A) POSSIBLE ENEMY COURSES OF ACTION

(1) SURRENDER HOSTAGES TO THE US RAID FORCE WITH MINIMAL RESISTANCE.

(2) RESIST THE RAID FORCE WITH ALL AVAILABLE WEAPONS AND PERSONNEL.

(3) KILL HOSTAGES ONCE THE RAID FORCE IS DISCOVERED.

(4) REINFORCE PERSONNEL AT THE COMPOUND WITH KHOMITEH AND/OR IRANIAN ARMY ELEMENTS.

(5) ENGAGE US PERSONNEL IN AND NEAR THE COMPOUND WITH FIGHTERS/ATTACK HELICOPTERS.

(B) PROBABLE ENEMY COURSES OF ACTION

THE MAJORITY OF THE IRANIAN PERSONNEL [redacted] ARE NON-MILITARY AND HAVE ACQUIRED ONLY LIMITED MILITARY TRAINING. NEVERTHELESS, SUFFICIENT MILITARY-TRAINED INDIVIDUALS ARE PRESENT WHO WILL OFFER A CREDIBLE RESISTANCE DURING THE ASSAULT PHASE. GUARD PERSONNEL SHOULD BE EXPECTED TO RESIST THE ASSAULT FORCE WITH SMALL ARMS, GRENADES, AND POSSIBLY MINES. SOME PERSONNEL WHO ARE GUARDING THE HOSTAGES WILL ATTEMPT TO KILL THE HOSTAGES WITH SMALL ARMS/GRENADES, ONCE THE RAID FORCE IS DISCOVERED. IRREGULAR FORCES IN TEHRAN WILL ATTEMPT TO REINFORCE THE COMPOUND AS SOON AS THE ALARM IS GIVEN. THE POSSIBILITY THAT MILITARY AIR ASSETS WILL BE USED TO SUPPORT PERSONNEL AT [redacted] COMPOUND EXISTS, BUT IS NOT CONSIDERED LIKELY.

(3) DURING EXTRACTION

(A) POSSIBLE ENEMY COURSES OF ACTION

(1) PROVIDE TOKEN OR NO RESISTANCE.

(2) ENGAGE US AIRCRAFT WITH AAA/SAM/FIGHTERS ENROUTE TO EXTRACTION AIRFIELD.

(3) ENGAGE US FORCES AT EXTRACTION AIRFIELD WITH FIGHTERS/ATTACK HELICOPTERS/GROUND ELEMENTS.

(4) PURSUE AND ATTEMPT TO DESTROY US AIRCRAFT WITH AAA/SAM/FIGHTERS FROM EXTRACTION AIRFIELD TO AREAS OUTSIDE OF IRANIAN AIRSPACE.

(B) PROBABLE COURSES OF ACTION

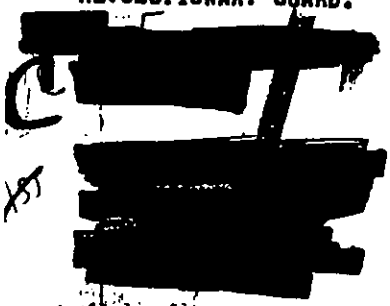

THE CAPABILITIES OF THE IRANIAN ARMY/AIR FORCE ARE LIMITED. HOWEVER, ONLY ONE DETERMINED FIGHTER/HELICOPTER PILOT WOULD BE SUFFICIENT TO WREAK HAVOC ON THE RAID FORCE DURING EXTRACTION. THE LIKLIHOOD OF IRANIAN MILITARY EFFORTS TO ENGAGE RAID FORCE AIRCRAFT OR CONDUCT GROUND ATTACK OPERATIONS WITH FIGHTERS/ATTACK HELICOPTERS AGAINST THE EXTRACTION AIRFIELD IS CONSIDERED HIGH, IF THE US PRESENCE AND PURPOSE IS DETECTED AND REPORTED AND EXCESSIVE TIME IS EXPENDED AT THE AIRHEAD AFTER EXTRACTION BEGINS. (NOTE: THE MINIMUM REACTION TIME IS ESTIMATED TO BE 60 MINUTES, WITH THE MOST PROBABLE BEING 90 MINUTES. REACTION TIMES ARE CALCULATED FROM THE TIME THAT THE COMPOUND ASSAULT ENTERS THE OVERT ACTION PHASE, AND IS FURTHER QUALIFIED BY THE ASSUMPTION THAT US FORCE PRESENCE AND PURPOSE AT THE AIRHEAD BECOMES KNOWN TO HIGHER AUTHORITIES IN TEHRAN. ALTHOUGH ATTEMPTS TO INTERCEPT EXTRACTION AIRCRAFT ARE POSSIBLE, THE PROBABILITY OF SUCCESS IS CONSIDERED EXTREMELY LOW IF PROPER PRECAUTIONS (RADIO SILENCE, LOW ALTITUDE, RADAR AND POPULATION CENTER AVOIDANCE) ARE EMPLOYED BY THE EXTRACTION AIRCRAFT. A, B

3. PART II BACKGROUND.

THE INCREASED TENSION THROUGHOUT THE COUNTRY BROUGHT ABOUT AT LEAST IN PART BY THE SITUATION IN TEHRAN, DETERIORATING RELATIONS WITH IRAQ, AND THE RESULTANT FEAR OF FOREIGN AGGRESSION HAVE LED THE IRANIAN MILITARY TO ISSUE DIRECTIVES AIMED AT INCREASING ITS STATE OF PREPAREDNESS. THESE DIRECTIVES, WHILE HAVING A SHORT TERM EFFECT OF RALLYING PEOPLE BEHIND THE GOVERNMENT, MAY PRODUCE THE OPPOSITE EFFECT IF CONTINUED FOR A PROLONGED PERIOD OF TIME.

A. GROUND FORCES

(1) THE REGULAR ARMY NUMBERS APPROX 150,000, ABOUT HALF WHAT IT WAS PRIOR TO THE REVOLUTION. THE BULK IS STATIONED ALONG BORDERS WITH IRAQ AND THE SOVIET UNION. THE ARMY IS WELL EQUIPPED BUT HINDERED BY LACK OF MAINTENANCE AND SPARE PARTS. DISCIPLINE AND MORALE ARE LOW IN SOME UNITS, DUE TO INTERFERENCE BY THE REVOLUTIONARY GUARD.

TOP SECRET

~~TOP SECRET~~

UNITS IN THE NORTHWEST AND IRAQI BORDER AREAS ARE OCCUPIED WITH SUPPRESSING THE KURDS. EXTRA TROOPS AND REVOLUTIONARY GUARDS HAVE BEEN DEPLOYED TO THESE AREAS AS REINFORCEMENTS. IN THE SOUTHWEST THERE HAS BEEN SOME GUERRILLA ACTIVITY BY ETHNIC ARABS, BUT THIS HAS NOT REACHED THE DIMENSIONS OF THE KURDISH PROBLEM. IRAQ HAS INCREASED PRESSURE IN THE WEST BY A SERIES OF BORDER INCIDENTS, RESULTING IN CONSIDERABLE REINFORCEMENT OF THIS AREA.

B. AIR DEFENSE/ AIR FORCES

(1) FIGHTER AIRCRAFT.

(A) THE OVERALL OPERATIONAL EFFECTIVENESS OF THE IRANIAN AIR FORCE HAS BEEN SERIOUSLY IMPARED BY MAINTENANCE, SUPPLY, AND TRAINING PROBLEMS.

[redacted]

IRAN HAS A TOTAL OF APPROX 190 X F-4, 135 X F-5, AND 77 X F-[redacted] FIGHTERS DEPLOYED [redacted] PRIMARILY IN WESTERN IRAN.

[redacted]

REPORTEDLY ONLY 20 PILOTS HAD BEEN THROUGH INTERCEPT TRAINING AND ONLY 3 HAD FINISHED THE COMPLETE AIR DEFENSE/ AIR SUPERIORITY COURSE AND WERE OPERATIONALLY QUALIFIED AT THE TIME OF THE REVOLUTION. ONLY 15IP'S WERE TRAINED WEAPON SYSTEMS OFFICERS AND THEY HAD ONLY BEEN THROUGH FIRST-PHASE TRAINING (SINGLE MISSILE ON A SINGLE TARGET).

[redacted]

(C) FIGHTER SUMMARY:

[redacted]

~~TOP SECRET~~

~~TOP SECRET~~

5

(3) [redacted]

C. NAVY.
THE NAVY'S OPERATIONAL CAPABILITY HAS BEEN INCREASINGLY IMPAIRED SINCE THE REVOLUTION DUE TO MAINTENANCE AND MILITARY DISCIPLINE PROBLEMS AND COMPOUNDED BY A LACK OF PARTS AND REVOLUTIONARY INTERFERENCE IN COMMAND CHANNELS. THE NAVY'S NINE HARPOON-FIRING GUIDED MISSILE PATROL BOATS ARE PROBABLY IN THE BEST CONDITION OF ALL IRANIAN SHIPS. THERE ARE ALSO 3 DESTROYERS IN THE IRANIAN INVENTORY, [redacted] THESE SHIPS EACH CARRY 4 "STANDARD" [redacted] (NAME OF MISSILE) SURFACE TO SURFACE MISSILES. [redacted] MAINTENANCE MAY HAVE REDUCED THE MISSILE CAPABILITY. THE NAVY HAS 2 COASTAL MINESWEEPERS. [redacted] RH-53D MINE-SWEEPING HELICOPTERS. [redacted] THERE IS ALSO [redacted] SM-3D AND AB-212 HELICOPTERS) [redacted]

THE IRANIAN NAVY IS NOT BELIEVED TO HAVE ANY MINES OR MINE-LAYING CAPABILITY.

4. PART III
A. MAIN OREINTATION DATA
(1) LOCATION: MAIN MILITARY IS LOCATED APPROXIMATELY 20NM (37KM) NE OF NAIN, 100NM [redacted] ENE OF ESFAHAN, AND 180NM (330KM) SE OF TEHRAN. GEORGRAPHIC COORDINATES: 33 DEG 05 MIN 19 SEC NORTH 053 DEG 24 MIN 28 SEC EAST (CENTER OF RUNWAY).

SUBJECT: SHORT TERM ASSESSMENT

1. PUBLIC DISCLOSURE OF THE SAFE EXIT OF SIX AMERICANS FROM TEHRAN, THE CONTINUATION OF POLITICAL FACTIONALISM, THE LESSENING OF FOCUS ON THE MILITANTS HOLDING THE EMBASSY TOGETHER WITH OTHER FACTORS SUCH AS THE SOVIET PRESENSE IN AFGHANISTAN AND THE QUESTIONABLE HEALTH OF KHOMEINI MAY PORTEND A MAJOR SHIFT IN THE HOSTAGE SITUATION.

(A) THE NEWLY ELECTED PRESIDENT BANI-SADR HAS STATED HE WOULD LIKE TO SEE THE HOSTAGE SITUATION RESOLVED QUICKLY. HOWEVER HIS ABILITY TO CARRY THIS THROUGH IS HIGHLY SUSPECT.

(B) FOREIGN MINISTER GHOTBAZADEH HAS CONSISTENTLY ATTEMPTED TO PROLONG THE INCIDENT, HAS PUBLICLY SUPPORTED THE MILITANTS, AND WILL CONTINUE TO MANIPULATE THE SITUATION TO HIS PERSONAL BENEFIT.

(C) THE MILITANTS HAVE STATED THEY WOULD NOT TURN THE HOSTAGES OVER TO A THIRD PARTY UNLESS SPECIFICALLY DIRECTED BY KHOMEINI.

(D) THE STATUS OF KHOMEINI'S HEALTH IS OPEN TO QUESTION. THE COMBINATION OF ADVANCED AGE, MINOR INFIRMATIES, AND RECENT HEART CONDITIONS MAKE THE EXTENT OF HIS CONTROL AND KNOWLEDGE OF REALITY LIMITED AND HIMSELF OPEN TO MANIPULATION BY COMPETING ELEMENTS.

(E) MODERATE ELEMENTS IN IRAN ARE WORRIED ABOUT THE FUTURE OF THEIR COUNTRY AND PROBABLY DESIRE THE HOSTAGE SITUATION BE RESOLVED QUICKLY WITH MINIMUM COMPLICATION. DESPITE THIS, THEY WILL CONTINUE TO BE EXTREMELY CAUTIOUS IN REVEALING THEMSELVES IN THE PRESENT ENVIRONMENT AND THEIR IMPACT ON A RESOLUTION OF THE CURRENT CRISIS IS MINIMUM TO NIL.

(F) THE LACK OF A PUBLIC PRONOUNCEMENT OF SUPPORT AT THE CLOSE OF THE MEETING OF 3RD WORLD LIBERATION MOVEMENTS REPRESENTATIVES HELD IN TEHRAN IN EARLY JANUARY WAS PROBABLY A DISAPPOINTMENT AND THE BEGINNING OF A PERIOD OF INTERNAL DEBATE AMONG THE CAPTORS.

(G) THE ESCAPE OF THE SIX AMERICANS PROBABLY PROMPTED ADDITIONAL DEBATE AND AT LEAST TEMPORARY IMPROVEMENT OF SECURITY MEASURES [redacted]

(H) AS LONG AS KHOMEINI REMAINS ALIVE HE IS A STABILIZING FACTOR. NONE OF THE COMPETING ELEMENTS HAVE THE POWER TO OPENLY TAKE AN INITIATIVE THAT MIGHT RUN COUNTER TO THE IMAM'S DESIRES OR THE DESIRES OF HIS CLOSE ADVISORS.

2. AS LONG AS KHOMEINI REMAINS ALIVE AND [redacted]

~~SECRET~~

(A) ESCORT HOSTAGES TO AIRPORT AND RELEASE AS MAGNANIMOUS GESTURE OF GOOD WILL.

(B) RELEASE THE HOSTAGES TO A 3RD PARTY AS DIRECTED BY KHOMEINI

(C) REFUSE TO RELEASE THE HOSTAGES AND RESTATE THEIR DEMAND FOR RETURN OF SHAH.

(D) MAINTAIN CONTROL OF HOSTAGES AND REFOCUS ATTENTION ON THEIR CAUSE BY INITIATING PUBLIC TRIALS OF SELECTED HOSTAGES.

3. HOWEVER THIS OFFICE HOLDS THAT FACTIONALISM EXISTS WITHIN THE COMPOUND AND SEVERAL SCHOOLS OF THOUGHT PROBABLY COMPETE FOR CONTROL.

(A) THE RELIGIOUS/MEDICAL STUDENTS WOULD BE INCLINED TO CONCLUDE THE INCIDENT WITHOUT BLOODSHED AND WOULD BE LIKELY TO OBEY A DIRECTIVE FROM KHOMEINI TO RELEASE THE HOSTAGES TO A THIRD PARTY.

(B) THE MORE RADICAL FACTIONS SUCH AS THOSE WHICH RECEIVED TRAINING FROM THE PLO WOULD PROBABLY BALK AT THE IDEA OF RELEASING THE HOSTAGES WITHOUT EXACTING SOME CONCESSIONS FROM THE USG.

4. HOWEVER IF KHOMEINI WERE TO DIE WITHOUT A CLEAR MANDATE OF AUTHORITY BEING ESTABLISHED THE MILITANTS WOULD PROBABLY QUESTION THE RELIABILITY OF THE PREVAILING AUTHORITIES AND CONSIDER THAT THEIR CAUSE WAS ABOUT TO BE SOLD OUT. THIS SUSPICION WOULD ENGENDER A MAJOR INTERNAL DEBATE WITH UNKNOW RESULTS.

5. IN SUMMARY ALTHOUGH NEGOTIATIONS ARE ONGOING BETWEEN IRANIAN OFFICIALS THE SGUN AND OFFICIALS OF THE USG, THE PRINCIPAL PARTICIPANTS (THE MILITANTS) ARE NOT INVOLVED AND THERE ARE NO INDICATIONS THAT THE MILITANTS HAVE ANY INTENTIONS OF MODIFYING THEIR OBJECTIVES. THE MILITANTS, OUT OF A BELIEF THAT VICTORY IS SLOWLY ESCAPING THEM, WILL ATTEMPT TO REFOCUS ATTENTION ON THEIR CAUSE THROUGH A MAJOR PEACEFUL MEDIA EVENT. HOWEVER IF KHOMEINI SHOULD DIE PRIOR TO A RESOLUTION OF THE CRISIS SOME OF THE MILITANTS MIGHT FEEL COMPELLED TO RESORT TO A MORE VIOLENT COURSE OF ACTION.

(S) THIS ASSESSMENT CONSOLIDATES AND SUPERCEDES DATA CONTAINED IN REFERENCES. THE FORMAT OF THIS ASSESSMENT IS IAW WITH THE INTELLIGENCE ANNEX OF AN OPLAN/OPORD AND SHOULD BE CONSIDERED AS SUCH. MAJOR CHANGES/SUPPLEMENTS TO THIS ASSESSMENT WILL BE MADE BY TTY AND WILL BE IDENTIFIED IN THE SUBJECT AS SUCH. THE FOLLOWING INDEX IS PROVIDED AS A BASE OF REFERENCE:

PART I SITUATION
- A. GENERAL
- B. CHARACTERISTICS OF AREA
- C. HOSTAGE DISTRIBUTION
- D. GUARD FORCE DISTRIBUTION
- E. EXTERNAL REACTION FORCE
- F. ENEMY COMMAND AND CONTROL
- G. ENEMY COURSES OF ACTION

PART II BACKGROUND
- A. GROUND FORCES
- B. AIR DEFENSE/AIR FORCES
- C. NAVAL FORCES

~~SECRET~~

PART III KEY EXTERNAL LOCATIONS [redacted]
- A. MAIN MILITARY AFLD
- B. SEMAN NEW AFLD

2. PART I SITUATION

A. (U) GENERAL: ON 4 NOVEMBER 1979 MEMBERS OF AN IRANIAN STUDENT GROUP SWARMED ON TO THE US EMBASSY COMPOUND IN TEHRAN, TOOK THE EMBASSY EMPLOYEES HOSTAGE AND STATED THEY WOULD HOLD THE EMPLOYEES HOSTAGE UNTIL THE USG RETURNED THE SHAH TO IRAN FOR TRIAL. THE TAKE OVER WAS ACCOMPLISHED WITHOUT BLOODSHED. APPROXIMATELY 62 AMCITS AND AN UNDETERMINED NUMBER OF IRANIAN AND 3RD COUNTRY CITIZENS WERE INITIALLY HELD. SHORTLY AFTER THE TAKE OVER THE IRANIAN PERSONNEL WERE RELEASED. ON 19 NOVEMBER THE "STUDENTS" BEGAN TO RELEASE SELECTED HOSTAGES, LARGELY NON-WHITE AMCIT MALES, AMCIT FEMALES AND 3RD COUNTRY NATIONALS. THE REMAINING AMERICAN HOSTAGES INCLUDE TWO WOMEN AND 48-50 MALES. THE "STUDENTS" REMAIN ADAMANT IN THEIR DEMANDS FOR THE RETURN OF THE SHAH AND WITH THE CONCURRENCE OF AYATOLLAH KHOMEINI AND THE IRAN GOVERNMENT (REVOLUTIONARY COUNCIL) HAVE REFUSED TO HONOR THE INJUNCTION OF THE WORLD COURT TO RELEASE THE HOSTAGES AND RETURN THE EMBASSY TO AMERICAN CONTROL.

(U) IN ADDITION BOTH THE GOVERNMENT AND THE "STUDENTS" HAVE STATED THEY PLAN TO PUT THE REMAINING HOSTAGES ON TRIAL FOR ESPIONAGE. ALTHOUGH THE LABEL "STUDENTS" IS USED IN THE MEDIA AND IN THIS REPORT WHEN REFERRING TO THE PRINCIPAL CAPTIVES THE LABEL IS NOT CORRECT. THE "STUDENT CAPTIVE" FORCE CONSISTS OF A GROUP OF SENIOR MEDICAL, ENGINEERING AND RELIGIOUS STUDENTS BELONGING TO A MOJAHEDIN FACTION WHICH SUBSCRIBES TO A BLEND OF ISLAM AND MARXISM. SEVERAL LEFTIST INSTRUCTORS FROM TEHRAN TECHNICAL UNIVERSITY, MEMBERS OF THE TUDEH (COMMUNIST) PARTY MAY HAVE ALSO INFILTRATED THESE GROUPS. IN ADDITION, THE LEADERSHIP OF THE COLLECTIVE GROUP (WHICH IS CALLED A COMMITTEE) RECEIVES COUNSEL ON PROGAGANDA, AND SECURITY MATTERS FROM PLO AND FEYADEEN ADVISORS. THE SITUATION HAS NOW CRYSTALLIZED TO THE POINT THAT THE IRANIAN GOVERNMENT AS A POLITICAL ENTITY MUST BEAR FULL RESPONSIBILITY FOR THE PROTRACTED AND UNCOMPROMISING NATURE OF THE IRANIAN POSITION. THE SITUATION APPEARS TO BE A POLITICAL PROBLEM WITHOUT AN ACCEPTABLE POLITICAL SOLUTION FOR EITHER THE GOVERNMENT OF IRAN OR THE USG.

(U) B. CHARACTERISTICS OF THE OBJECTIVE AREA: THE EMBASSY COMPOUND IS LOCATED IN CENTRAL TEHRAN (UTM 39S-WV-383518//GEOGRAPHIC 4230N/5125E). THE COMPOUND AREA CONSISTS OF 27 ACRES OF FLAT TERRAIN SHAPED IN BASICALLY A RECTANGLE PATTERN RUNNING NORTH/SOUTH. THE COMPOUND IS BOUNDED ON THE SOUTH BY TAKHT-E-JAMSHID BLVD WHICH IS A MAJOR EAST/WEST THOROUGHFARE; ON THE EAST BY ROOSEVELT STREET, (A RELATIVELY BUSY NORTH/SOUTH ROAD); ON THE WEST BY AMERICA AVENUE AND THE NORTH BY ARDALAN STREET. THE MAIN BUILDING (CHANCERY) RUNS EAST/WEST AND FORMS THE BASE LINE REFERENCE POINT. THE CHANCERY FACES ON TAKHT-E-JAMSHID BLVD. THE COMPOUND CAN BE DIVIDED INTO FOUR GENERAL AREAS, GROUPED AROUND TWO PLAYING FIELDS LOCATED IN THE CENTER OF THE COMPOUND. THE CHANCERY AND MOTOR POOL AREA ARE TO THE SOUTH. THE WAREHOUSE, TEMPORARY APARTMENTS AND SUPPLY AREA ARE TO THE NORTH. THE COMMISSARY, CONSULATE STAFF COTTAGES AND OLD POLICE QUARTERS ARE TO THE WEST. THE AMBASSADOR'S AND DCM RESIDENCES ARE LOCATED IN THE EASTERN HALF OF THE COMPOUND WHICH IS FORESTED WITH HIGH TRUNKED PINE TREES. THE NOTHWEST SEGMENT OF THE EMBASSY COMPOUND ABUTTS AN IRANIAN ARMY DEPOT. THE COMPOUND IS SURROUNDED BY A SERIES OF WALLS AND FENCES WHICH RESTRICT INTERIOR VISIBILITY FROM THE SURROUNDING STREETS. STREET AND BUILDING LIGHTS ARE LOCATED THROUGHOUT THE COMPOUND AND

PROVIDE GOOD VANTAGE POINTS FOR VIEWING THE INTERIOR OF THE COMPOUND. A MAJOR SPORTS COMPLEX WITH LARGE STADIUM AND SEVERAL PLAYING FIELDS IS LOCATED NORTHEAST OF THE COMPOUND DIAGONALLY ACROSS ROOSEVELT AVENUE. A LARGE PARKING LOT IS ALSO LOCATED EAST OF THE COMPOUND ON ROOSEVELT, MIDWAY BETWEEN THE STADIUM AND TASHT-E-JAMSHID BLVD.

(2) THE BUILDINGS FACING THE COMPOUND ON THE SOUTH (TAKHT-E-JAMSHID) ARE MOSTLY OFFICE BUILDINGS WITH SOME RESIDENTS. ON THE WEST SIDE THE PRINCIPAL STRUCTURES APPEAR TO BE FOUR SMALL BUT AFFLUENT PROFESSIONAL OFFICE BUILDINGS SURROUNDED BY TREES AND BACKED BY TWO LARGE PARKING LOTS. THE NORTH SIDE OF THE COMPOUND BACKS INTO A MIDDLE CLASS RESIDENTIAL AREA CONSISTING OF THREE BLOCKS OF MULTI-STORY APARTMENT HOUSES.

(3) ACTIVITY RELATED TO THE EMBASSY TAKEOVER IS LARGELY LOCALIZED WITHIN A TWO BLOCK RADIUS OF THE COMPOUND EVEN WHEN MAJOR DEMONSTRATIONS ARE ON GOING.

(4) TRAFFIC IN THE CITY IS HIGHLY CONGESTED BETWEEN THE HOURS OF 0600-2300 DURING THE ISLAMIC WORK WEEK (SAT-WED) DECREASING IN VOLUME ON THE ISLAMIC WEEKEND (THURS-FRI) ALTHOUGH TRAFFIC ACTIVITY IS LIKELY TO CONTINUE THURSDAY NIGHT UNTIL 0200 FRIDAY MORNING.

(5) THE EMBASSY IS LOCATED APPROXIMATELY 5 KM WEST OF THE NEAREST AIRFIELD (DOSHAN-TAPPEH AFB WHICH IS A NON COMBAT BASE). TWO OTHER AIRFIELDS ARE WITHIN 10KM, GHALI-MORGHI, AN ARMY LIGHT AIRCRAFT/HELICOPTER FIELD IS 8KM SSW AND MEHRABAD INTERNATIONAL [redacted] ASSIGNED) IS LOCATED 10 KM WSW. [redacted]
IN THE CITY AT THIS TIME OF YEAR IS COMPARABLE TO NW UNITED ORDINARILY RANGE BETWEEN WITH CLEAR CRISP DAYS, OCCASSIONAL MIST/RAIN RAISING TO THE MID FIFTIES NEARBY MOUNTAINS. WINTER TEMPERATURES [illegible] DEGREES FAHRENHEIT AT NIGHT [illegible] DAY.

SECRET

(2) DURING ASSAULT PHASE
(A) POSSIBLE ENEMY COURSES OF ACTION
(1) SURRENDER HOSTAGES TO THE US RAID FORCE WITH MINIMAL RESISTANCE.
(2) RESIST THE RAID FORCE WITH ALL AVAILABLE WEAPONS AND PERSONNEL.
(3) KILL HOSTAGES ONCE THE RAID FORCE IS DISCOVERED.
(4) REINFORCE PERSONNEL AT THE COMPOUND WITH KHOMITEH AND/OR IRANIAN ARMY ELEMENTS.
(5) ENGAGE US PERSONNEL IN AND NEAR THE COMPOUND WITH FIGHTERS/ATTACK HELICOPTERS.
(B) PROBABLE ENEMY COURSES OF ACTION
THE MAJORITY OF THE IRANIAN PERSONNEL IN THE COMPOUND ARE NON-MILITARY AND HAVE ACQUIRED ONLY LIMITED MILITARY TRAINING. NEVERTHELESS, SUFFICIENT MILITARY-TRAINED INDIVIDUALS ARE PRESENT WHO WILL OFFER A CREDIBLE RESISTANCE DURING THE ASSAULT PHASE. GUARD PERSONNEL SHOULD BE EXPECTED TO RESIST THE ASSAULT FORCE WITH SMALL ARMS, GRENADES, AND POSSIBLY MINES. SOME PERSONNEL WHO ARE GUARDING THE HOSTAGES WILL ATTEMPT TO KILL THE HOSTAGES WITH SMALL ARMS/GRENADES, ONCE THE RAID FORCE IS DISCOVERED. IRREGULAR FORCES IN TEHRAN WILL ATTEMPT TO REINFORCE THE COMPOUND AS SOON AS THE ALARM IS GIVEN. THE POSSIBILITY THAT MILITARY AIR ASSETS WILL BE USED TO SUPPORT PERSONNEL AT THE COMPOUND EXISTS, BUT IS NOT CONSIDERED LIKELY.
(3) DURING EXTRACTION
(A) POSSIBLE ENEMY COURSES OF ACTION
(1) PROVIDE TOKEN OR NO RESISTANCE.
(2) ENGAGE US AIRCRAFT WITH AAA/SAM/FIGHTERS ENROUTE TO EXTRACTION AIRFIELD.
(3) ENGAGE US FORCES AT EXTRACTION AIRFIELD WITH FIGHTERS/ATTACK HELICOPTERS/GROUND ELEMENTS.
(4) PURSUE AND ATTEMPT TO DESTROY US AIRCRAFT WITH AAA/SAM/FIGHTERS FROM EXTRACTION AIRFIELD TO AREAS OUTSIDE OF IRANIAN AIRSPACE.
(B) PROBABLE COURSES OF ACTION
THE CAPABILITIES OF THE IRANIAN ARMY/AIR FORCE ARE LIMITED. HOWEVER, ONLY ONE DETERMINED FIGHTER/HELICOPTER PILOT WOULD BE SUFFICIENT TO WREAK HAVOC ON THE RAID FORCE DURING EXTRACTION. THE LIKLIHOOD OF IRANIAN MILITARY EFFORTS TO ENGAGE RAID FORCE AIRCRAFT OR CONDUCT GROUND ATTACK OPERATIONS WITH FIGHTERS/ATTACK HELICOPTERS AGAINST THE EXTRACTION AIRFIELD IS CONSIDERED HIGH; IF THE US PRESENCE AND PURPOSE IS DETECTED AND REPORTED AND EXCESSIVE TIME IS EXPENDED AT THE AIRHEAD AFTER EXTRACTION BEGINS. (NOTE: THE MINIMUM REACTION TIME IS ESTIMATED TO BE [redacted] MINUTES, WITH THE MOST PROBABLE BEING 90 MI[redacted] ARE CALCULATED FROM THE TIME THAT THE COMPOUND ASSA[redacted] ACTION PHASE, AND IS FURTHER QUALIFIED BY THE ASSUMPTION THAT US FORCE PRESENCE AND PURPOSE AT THE AIRHEAD IS COMMUNICATED TO HIGHER AUTHORITIES IN TEHRAN. ALTHOUGH ATTEMPTS TO INTERCEPT EXTRACTION AIRCRAFT ARE POSSIBLE, THE PROBABILITY OF [redacted] IS CONSIDERED EXTREMELY LOW IF PROPER CAUTIONS (RADIO SILENCE, LOW ALTITUDE, [redacted] AND EVASION TECHNIQUES) ARE EMPLOYED BY THE [redacted] AIRCRAFT.

3. PART II BACKGROUND.
THE INCREASED TENSION THROUGHOUT THE COUNTRY BROUGHT ABOUT AT LEAST IN PART BY THE SITUATION IN TEHRAN, DETERIORATING RELATIONS WITH IRAQ, AND THE RESULTANT FEAR OF FOREIGN AGGRESSION HAVE LED THE IRANIAN MILITARY TO ISSUE DIRECTIVES AIMED AT INCREASING ITS STATE OF PREPAREDNESS. THESE DIRECTIVES, WHILE HAVING A SHORT TERM EFFECT OF RALLYING PEOPLE BEHIND THE GOVERNMENT, MAY PRODUCE THE OPPOSITE EFFECT IF CONTINUED FOR A PROLONGED PERIOD OF TIME.

A. GROUND FORCES
(1) THE REGULAR ARMY NUMBERS APPROX 150,000, ABOUT HALF WHAT IT WAS PRIOR TO THE REVOLUTION. THE BULK IS STATIONED ALONG BORDERS WITH IRAQ AND THE SOVIET UNION. THE ARMY IS WELL EQUIPPED BUT

(S) [redacted]

UNITS IN THE NORTHWEST AND IRAQI BORDER AREAS ARE OCCUPIED WITH SUPPRESSING THE KURDS [redacted] TROOPS AND REVOLUTIONARY GUARDS HAVE BEEN DEPLOYED TO THESE AREAS AS REINFORCEMENTS. IN THE SOUTHWEST THERE HAS BEEN SOME GUERRILLA ACTIVITY BY ETHNIC ARABS, BUT THIS HAS NOT REACHED THE DIMENSIONS OF THE KURDISH PROBLEM. IRAQ HAS INCREASED PRESSURE IN THE WEST BY A SERIES OF BORDER INCIDENTS, RESULTING IN CONSIDERABLE REINFORCEMENT OF THIS AREA.

B. AIR DEFENSE/ AIR FORCES

(1) FIGHTER AIRCRAFT.

(A) THE OVERALL OPERATIONAL EFFECTIVENESS OF THE IRANIAN [redacted] IMPARED BY MAINTENANCE, [redacted] IRAN HAS A TOTAL OF APPROX 190 X F-4, 135 X F-5, AND 77 X F-14 FIGHTERS DEPLOYED [redacted] PRIMARILY IN WESTERN IRAN. [redacted]

(B) [redacted] REPORTEDLY ONLY 20 PILOTS HAD BEEN THROUGH INTERCEPT TRAINING AND ONLY 3 HAD FINISHED THE COMPLETE AIR DEFENSE/ AIR SUPERIORITY COURSE AND WERE OPERATIONALLY QUALIFIED AT THE TIME OF THE REVOLUTION. ONLY 15 IRIS WERE TRAINED WEAPON SYSTEMS OFFICERS AND THEY HAD ONLY BEEN THROUGH FIRST-PHASE TRAINING (SINGLE MISSILE ON A SINGLE TARGET).

[redacted]

(2) FIGHTER SUMMARY

[redacted]

(S) ASSIST THE IRAN AIR FORCE IN AVAILABLE TRAINING AS REQUIRED.

E. EXTERNAL REACTION FORCES

REINFORCEMENTS FOR THE STUDENT GUARDS AND PASDARAN ARE AVAILABLE FROM SEVERAL LOCATIONS AND ORGANIZATIONS. PRINCIPAL FORCES AND THEIR ESTIMATED REACTION TIMES ONCE THEY HAVE RECEIVED NOTIFICATION OR HEARD A MAJOR DISTURBANCE IN THE VICINITY OF THE COMPOUND ARE SHOWN BELOW.

(1) WITHIN 4-7 MIN-FIRE FROM THE CHANCERY AND WEAPONS POSITIONED IN SURROUNDING BUILDINGS.

(2) WITHIN 10-15 MINUTES REINFORCEMENTS FROM STUDENT HQS AND PASDARAN KOMITEH STRENGTH 75-100 FROM NEARBY KOMITEH STATIONS.

(3) WITHIN 15-20 MINUTES 100-300 PASDARAN AND THE BEGINNINGS OF LOCAL CROWDS.

(4) WITHIN 20-30 MINUTES PASDARAN REINFORCEMENTS OF AN ADDITIONAL 200-300 PLUS.

(5) WITHIN 20-30 [redacted]

(6) WITHIN 30-40 MINUTES PASDARAN BACK-UP UNITS AND ADDITIONAL CROWDS.

(7) WITHIN 45-60 MINUTES IRG RESIDUAL FORCES AND MOBS OF 2,000-3,000.

(8) WITHIN 60 MINUTES IT IS POSSIBLE THAT A HAWK SITE AT [redacted] COULD REACT AND ATTEMPT A LAUNCH AGAINST ANY ORBITTING AIRCRAFT.

(9) WITHIN ONE HOUR IT IS POSSIBLE THAT HELICOPTERS FROM [redacted] OR FIGHTERS FROM [redacted] COULD LAUNCH AND ATTEMPT TO INTERDICT THE FORCE AT THE [redacted] compound or fixed facility airfield if these locations become known.

(10) [redacted]

(11) [redacted]

~~SECRET~~

[redacted]

G. ENEMY COURSES OF ACTION

(1) PRIOR TO INITIATION OF RESCUE OPERATION

(A) POSSIBLE ENEMY COURSES OF ACTION

(1) MAINTAIN THE CURRENT SITUATION, I.E. HOLD ALL HOSTAGES PENDING RETURN OF THE SHAH.

(2) BEGIN TO EXECUTE HOSTAGES AS MEANS OF APPLYING PRESSURE ON US.

(3) MOVE HOSTAGES FROM AMEMB COMPOUND TO PRISONS OR OTHER LOCATIONS IN TEHRAN.

(4) RELEASE ALL HOSTAGES WITHOUT TRIAL.

(5) RELEASE MAJORITY OF HOSTAGES; HOLD REMAINDER UNDER THREAT OF TRIAL.

(6) CONVENE INTERNATIONAL TRIBUNAL TO INVESTIGATE CHARGES OF U.S. IMPROPRIETIES.

(7) RELEASE ALL HOSTAGES AFTER INTERNATIONAL TRIBUNAL PUBLISHES ITS FINDINGS.

(8) GRANT CLEMENCY TO ALL HOSTAGES AFTER INDIVIDUAL ESPIONAGE TRIALS.

(9) RELEASE MAJORITY OF HOSTAGES FOLLOWING ESPIONAGE TRIALS; SENTENCE THOSE FOUND GUUILTY TO PRISON TERMS OR DEATH.

(B) PROBABLE ENEMY COURSES OF ACTION

- FOR THE IMMEDIATE FUTURE, 30-45 DAYS, THE IRANIANS WILL MAINTAIN THE CURRENT SITUATION, CONVENE THE INTERNATIONAL TRIBUNAL, AND PREPARE FOR INDIVIDUAL TRIALS. THEY WILL NEITHER RELEASE ALL THE HOSTAGES NOR COMMENCE ARBITRARY EXECUTIONS. (NOTE: THE POWER STRUGGLE WITHIN THE IRANIAN HIERARCHY CONTINUES. THE "STUDENTS" AT THE COMPOUND, THE IRG, KHOMEINI AND THE CLERGY, AND OTHER GROUPS ARE VYING FOR POWER. LEFTIST ELEMENTS WITHIN EACH OF THESE GROUPS ALSO ARE MAKING THEIR INFLUENCE FELT. GIVEN THESE POLITICAL CONDITIONS, THE POSSIBILITY OF UNEXPECTED AND/OR ILLOGICAL BEHAVIOUR BY ANY OF THESE GROUPS WITH REGARD TO THE HOSTAGES IS HIGH. FOR THE TIME BEING, THOUGH, THE "STUDENTS" ARE IN CHARGE AT THE COMPOUND, AND THEIR ACTIONS/PRONOUNCEMENTS STILL HAVE THE PRIMARY IMPACT ON THE HOSTAGES' WELL-BEING.)

SUBJECT: IMPENDING CHANGE INDICATORS

(U) (1) SINCE THE FIRST OF FEBRUARY THERE HAS BEEN AN APPARENT CHANGE IN THE ATTITUDE OF IRANIAN GOVERNMENT OFFICIALS TOWARD THE HOSTAGE SITUATION. THE GOVERNMENT HAS TAKEN MANY ACTIONS AND WILL CONTINUE TO DO SO DURING THE UP COMING DAYS AND WEEKS TO RESOLVE THE CRISIS.

(2) THIS APPARENT CHANGE AND SOME OF THE ACTIONS HAVE BEEN NOTED BY THE MILITANTS HOLDING THE COMPOUND. THE STUDENTS ARE CONCERNED AND ARE PROBABLY REAVALUATING THEIR OPTIONS IN VIEW OF THE GOVERNMENT ACTIONS, BOTH ONGOING AND SUSPECTED.

E-EVALUATING

(U) (3) THIS OFFICE IS PREPARING AN ANALYSIS OF THE OPTIONS OPEN TO THE

SUBJ: ANALYSIS OF "STUDENT"/MILITANT OPTIONS

REF: JTF MSG 0454/DTG 040010Z FEB 80 (SHORT TERM ASSESSMENT)

1. (U) THIS MESSAGE PROVIDES AN ANALYSIS OF THE CURRENT HOSTAGE SITUATION FROM THE VIEWPOINT OF THE MILITANTS AND "STUDENTS" HOLDING THE EMBASSY COMPOUND.

2. (U) THE ELECTION OF BANI-SADR, HIS INSTALLATION AS PRESIDENT OF IRAN BY AYATOLLAH KHOMEINI, AND HIS SUBSEQUENT DESIGNATION AS "PROVISIONAL" HEAD OF THE REVOLUTIONARY COUNCIL HAVE CONTRIBUTED TO THE GROWING FEELING OF ISOLATION FELT BY THE STUDENTS AND MILITANTS.

3. (U) PUBLIC STATEMENTS (DENOUNCEMENTS) BY BOTH BANI-SADR AND FOREIGN MINISTER GHOTBZADEH INDICATE THE GOVERNMENT IS DISSATISFIED WITH THE MILITANTS' INFLEXIBILITY AND INTRANSIGENCE. THE REVERSAL OF AN ARREST ORDER FOR IRANIAN INFORMATION MISISTER MINATCHI; THE TEMPORARY DETENTION OF THE 49 (50) AMERICAN MUSLIMS VISITORS AT MEHRABAD; AND THE SEVERING OF MILITANT ACCESS TO IRANIAN RADIO/TV BROADCAST FACILITIES PROVIDE FURTHER INDICATIONS OF A DIFFERENCE OF VIEW BETWEEN THE MILITANTS AND AT LEAST PART OF THE GOVERNMENTAL AND CLERICAL HIERARCHY.

4. (U) STUDENT/MILITANT DEBATES AND DISCUSSIONS ARE DOUBTLESS NOW MOTIVATED BY A GREATER SENSE OF FRUSTRATION AND SUSPICION THAN EVER BEFORE. THIS ATMOSPHERE MAY BREED DECISION-MAKING BASED MORE ON FEAR THAN FACT. PREVIOUSLY, THE MILITANTS' COMMITTEE SYSTEM HAS ENABLED THEM TO PRESENT A CONSISTENTLY UNITED FRONT, INDICATING THAT DISCUSSION, DEBATE, AND CONSENSUS PRECEDED VIRTUALLY ALL MAJOR MOVES OR STATEMENTS. THIS PROCESS HAS BEEN SUCCESSFUL BECAUSE OBJECTIVES HAVE REMAINED CONSTANT AND STRATEGIES WERE FORMULATED WELL IN ADVANCE. THUS TACTICAL MOVES AVOIDED SELF CONTRADICTION AND ALLOWED THE CAPTORS TO STAY A[redacted] OF THE SITUATION. THERE IS EVIDENCE THAT THIS SAME SORT OF REAPPRAISAL OF CURRENT CONDITIONS HAS BEEN ONGOING SINCE AT [redacted]

~~SECRET~~

PREVIOUS ACTIONS (BOTH SUCCESSFUL AND UNSUCCESSFUL), A REEVALUATION OF THE DEGREE OF EXTERNAL SUPPORT TO BE EXPECTED IN THE FUTURE, AND AN ASSESSMENT OF THE "THREAT" TO THE COMPOUND. DEBATE PROBABLY FOCUSES ON A SERIES OF THREE OR FOUR BROAD OPTIONS.

OPTION A: CONTINUE TO HOLD THE HOSTAGES WITHIN THE COMPOUND AND ATTEMPT TO STAGE SOME SORT OF MEDIA "EVENT" WHICH WOULD REFOCUS ATTENTION ON THE "CRIMES OF THE SHAH" AND/OR THE DUPLICITY OF AMERICAN "SPIES". TO DATE THE MILITANTS HAVE NOT BEEN SUCCUSSFUL IN THEIR ATTEMPTS TO GARNER INTERNATIONAL SUPPORT FROM THIRD WORLD NATIONAL LIBERATION MOVEMENTS OR FROM ANY PROMINENT LEFTIST POLITICAL FIGURES. THEIR CALLS FOR AN INTERNATIONAL TRIBUNAL HAVE NOT RESULTED IN ANY TANGIBLE MOVEMENT IN THAT DIRECTION. THEY MAY HOPE THAT THE RECENT ARRIVAL OF THE 49 LIBERAL AMERICANS MAY PROVIDE AN OPPORTUNITY OR STEPPING STONE TO SUCH AN EVENT. HOWEVER, IT IS DOUBTFUL THAT THE GOVERNMENT WILL ALLOW THIS TO HAPPEN. IF SUCH A TRIBUNAL WAS HELD WITHIN THE COMPOUND WITH SELECTED THIRD WORLD TV COVERAGE, IT MIGHT PROVIDE A FACE-SAVING VEHICLE FOR THE MILITANTS TO RESTATE THEIR POSITION, OFFER EVIDENCE OF AMERICAN "CRIMES", AND THEN MAGNANIMOUSLY RELEASE THE HOSTAGES. THIS OPTION WOULD THUS ALLOW THE MILITANTS AN APPEARANCE OF CONTROLLING THE SITUATION AND ENDING THE CRISIS ON THEIR OWN.

(C) OPTION B: CONTINUE TO HOLD THE HOSTAGES WITHIN THE COMPOUND AND PREPARE TO DEFEND AGAINST ANY GOVERNMENT OF IRAN ATTEMPT TO GAIN CONTROL WITHIN THE COMPOUND. THE MILITANTS MAY BELIEVE THAT SUCH A STAND COULD REAFFIRM THEIR POSITION AS TRUE VANGUARDS OF THE REVOLUTION AND WILLING MARTYRS FOR ISLAMIC MARXISM.

[redacted]

OPTION C: CLADESTINELY REMOVE SOME OR ALL OF THE HOSTAGES FROM THE COMPOUND TO ANOTHER LOCATION OR LOCATIONS. THIS OPTION WOULD ALLOW THE MILITANTS TO AVOID A PHYSICAL CONFRONTATION WITHOUT MATERIALLY AFFECTING THEIR BARGAINING POWER. IT WOULD REFOCUS WORLD ATTENTION ON THE HOSTAGE ISSUE AND EMBARRASS THE BANI-SADR GOVERNMENT. SUCH A MOVE WOULD PROBABLY RESULT IN A NUMBER OF SEPARATE DETENTION AREAS, COMPOUNDING THE PROBLEM OF SAFELY RECOVERING THE HOSTAGES.)

[redacted]

(A)

(B)

(C)

(D)

(E)

(F)

(G)

4. (U) IN SUMMARY, IT IS LIKELY THAT THE STUDENTS/MILITANTS HAVE AT LEAST THREE OPTIONS:

(A) CONTINUE CURRENT POSTURE, ARRANGE MEDIA EVENT, AND EVENTUALLY RELEASE THE HOSTAGES AT A TIME OF THEIR CHOOSING.

(B) BUILD UP DEFENSIVE CAPABILITY WITHIN THE COMPOUND AND PREPARE TO REPULSE ANY GOVERNMENT ATTEMPT TO GAIN CONTROL OF THE COMPOUND.

(C) BUILD UP A CAPABILITY TO SECRETLY RELOCATE OUT OF COMPOUND TO UNKNOWN LOCATION(S) TAKING SOME OR ALL HOSTAGES WITH THEM.

BEGIN REVIEWING EVIDENCE IN THE FORESEEABLE FUTURE (O/A 23 FEB 79), THIS OFFICE OFFERS THE FOLLOWING ASSESSMENT FOR PLANNING PURPOSES.

(A) UNLESS CONTROL OF THE COMPOUND IS GAINED BY THE IRANIAN GOVERNMENT PRIOR TO OR IN CONCERT WITH THE BEGINNING OF THE COMMISSION'S INVESTIGATION, IT IS DOUBTFULL IF ANY OF THE HOSTAGES MUCH LESS ALL OF THEM WILL BE RELEASED BY THE MILITANTS.

(B) IF THE COMMISSION INDICATES THAT "CRIMES AGAINST THE IRANIAN PEOPLE" DID OCCUR UNDER THE SHAH AND RECOMMENDS THAT THE SHAH BE BROUGHT TO TRIAL, THE MILITANTS MIGHT RELEASE SOME OF THE HOSTAGES BUT NOT ALL. HOLDING SOME AS INSURANCE AGAINST THE TRIAL AND RETURN OF THE SHAH.

(C) IF THE COMMISSION INDICATES THAT THE USG WAS NOT INVOLVED IN "THESE CRIMES" THE MILITANTS WILL PROBABLY REJECT THE COMMISSIONS FINDINGS AS AN EXAMPLE OF AMERICAN MANIPULATION OF FACTS AND CONTINUE TO HOLD THE HOSTAGES AND DECLARE THEY (THE MILITANTS) MUST NOW HOLD THE TRIAL THEMSELVES TO PROVE "AMERICAN COMPLICITY" TO THE WORLD.

SUBJ: CONTRIBUTING FACTORS ASSESSMENT.
REF: JTF/DICE POWL//00059//DTG 161805Z FEB 80 SUBJ: HOSTAGE LOCATION// SITUATION PROJECTIONS.

(U) THIS ASSESSMENT HAS BEEN PREPARED AS A COMPANION TO THE REFERENCE CITED ABOVE WHICH DELTA WITH FACTORS HAVING AN IMMEDIATE (INTERNAL) IMPACT ON THE FUTURE SAFETY OF HOSTAGES. THIS ASSESSMENT ADDRESSES OTHER FACTORS WHICH HAVE HAD AN IMPACT ON HOSTAGES SITUATION AND ARE LIKELY TO CONTINUE TO DO SO. THE FACTORS TO BE COVERED ARE:
(A) THE POLITICAL (POWER) POSTURE OF KEY IRANIAN OFFICIALS SUCH AS KHOMEINI, BANI-SADR, GHOTBZADEH AND AYATOLLAH BEHESTI.
(B) PSYCHOLOGICAL ASSESSMENT OF THE HOSTAGES AND THEIR CAPTORS.
(C) TIMING OF FUTURE EVENTS IN THE NEXT 30 DAYS.

PAGE 2 RUEIZJC 0070 [redacted] ~~SECRET~~ LIMDIS

(U) (2). A SUMMARY OF POLITICAL (POWER) POSTURE OF KEY IRANIAN FIGURES FOLLOWS:
(A) AYATOLLAH KHOMEINI, AS SPIRITUAL FOCAL POINT OF THE REVOLUTION AND ARCH-ENEMY OF THE FORMER SHAH, HOLDS A SPECIAL POWER POSITION THAT RESTRICTS THE FULL AND INDEPENDENT USE OF POWER BY ANY OF THE OTHER IRANIAN PRINICPLES. KHOMEINI HAS HAD THE POWER AND STILL HAS THE POWER TO EFFECT THE SAFE RELEASE OF THE AMERICAN HOSTAGES. KHOMEINI IS APPARENTLY CONCERNED WITH CONTINUATION OF THE REVOLUTION AND THE ESTABLISHMENT OF A NON-ALIGNED INDEPENDENT ISLAMIC IRANIAN REPUBLIC. HIS CHARGE TO THE MILITANTS AND THE PEOPLE OF IRAN NEVER TO COMPROMISE THEIR DEMAND FOR THE SHAH'S RETURN AND NOT TO STOP UNTIL VICTORY IS ACHIEVED IS AN ATTEMPT TO INFLUENCE THE COURSE OF AFFFAIRS AFTER HE DIES.
(B) BANI-SADR'S POWER IS LIMITED AND,HIS ABILITY TO MAINTAIN HIS POSITION IS QUESTIONABLE IF HE LOSES KHOMEINI'S SUPPORT. BANI-SADR'S POLITICAL RIVALS ARE SEVERAL AND ARE MERELY WAITING FOR AN OPPORTUNITY TO ADVANCE THEIR OWN AMBITIONS. SADR HAS BEEN DESRIBED AS AN ADEPT POLITICAL INDIVIDUAL INTENT ON ADVANCING HIS OWN PRESTIGE AND POWER. HE IS AND HAS BEEN ANTI-AMERICAN

PAGE 3 RUEIZJC 0070 [redacted] ~~SECRET~~ LIMDIS
AND HAS NOT SOUGHT THE SPEEDY RELEASE OF THE HOSTAGES PREFERRING TO PROLONG THE CRISIS AND EXTRACT MAXIMUM CONCESSIONS FROM THE USG AT THE EXPENSE OF BOTH THE HOSTAGES AND THE MILITARY, AERONAUTICAL AND ECONOMIC VIABILITY OF IRAN.
BANI-SADR CAN BEST BE DESCRIBED AS A QUIET BEHIND THE SCENES INTELLECTUAL WITH A PSUEDO-ACADEMIC BACKGROUND WHO IS A FERVENT BUT PRAGMATIC ISLAMIC MILITANT MORE INCLINED TO ATTEMPT TO RESOLVE PROBLEMS THROUGH DISCUSSION AND CONCENSUS THAN VIOLENT ACTION. HE IS ASSESSED AS MOVING ON A SUBJECT ONLY WHEN THE PROBABILITY OF SUCCESS IS HIGH.
(C) FOREIGN MINISTER GHOTBZADEH IS RECOGNIZED AS A RIVAL TO BANI-SADR AND CAN BE DESCRIBED AS A POLISHED POLITICAN WITH A "HARDLINE" APPROACH TO MOST SUBJECTS, HE OFTEN SPEAKS IN EXTREME TERMS, TAILORS HIS OPINIONS TO SUIT THE AUDIENCE (TO SUIT HIS OBJECTIVES AT THE TIME). INCLINED TO BE SEMI-CLANDESTINE IN NATURE MIXED WITH A FLAIR FOR THE MEDIA SPOTLIGHT. SAID TO HAVE PLAYED AN IMPORTANT ROLE IN THE HOSTAGE-TAKING INCIDENT. HAS OPENLY AND PRIVATELY DEMONSTRATED PRO-PLO LEANINGS. CAN BE DESCRIBED AS AN OPPORTUNIST, AN INSTIGATOR, OR QUIET ADVOCATE OF VIOLENT ACTION BY OTHERS. IS RECOGNIZED AS ANTI-AMERICAN AND MAY POSSIBLY

PRO-MARXIST IDEAS. MORE INCLINED TO CALCULATED INDEPENDENT ACTIONS THAN BANI-SADR.

(D) AYATOLLAH BEHESTI, SENIOR RELIGIOUS MEMBER OF REVOLUTIONARY COUNCIL, ADVISOR TO KHOMEINI, ANTAGONIST OF BANI-SADR, ADHERENT OF PURE ISLAMIC REVOLUTION, WITHOUT CONTAMINATION OR DIMINTION BY EITHER USSR OR USA. CONTENDER FOR KHOMEINI RELIGIOUS LEADERSHIP IF KHOMEINI WERE TO DIE.

(E) AYATOLLAH SHARIAT-MADARI ALSO CONTENDER TO REPLACE KHOMEINI SHOULD HE DIE. OPPOSED BY BEHESTI, BECAUSE OF HIS MODERATE ATTITUDE AND POSITION THAT CHURCH AND STATE SHOULD BE SEPARATE. CONSIDERED TO BE SENSIBLE, POLITICAL PRAGMATIST, BELIEVES THAT AN ISLAMIC REPUBLIC CAN BENEFIT FROM MODERN CIVILIZATION. BELIEVES USSR MAJOR ENEMY OF IRAN. NOT INCLINED TO INSTIGATE, PROVOKE, OR SUPPORT A VIOLENT ACTION. IS OPEN IN HIS CRITICISM OF POLICIES AND MAY BE THE ONLY STABILIZING RELIGIOUS FACTOR IF CIVIL UNREST WERE TO BREAK OUT AFTER KHOMEINI'S DEATH. ADVISED FORMER ADMIRAL MADANI TO REFRAIN FROM ACCEPTING POST AS BANI-SADR'S PRIME MINISTER.

(F) ADMIRAL MADANI IS REGARDED AS A MODERATE AND ALTHOUGH HE DID NOT MAKE A GOOD SHOWING IN THE RECENT PRESIDENTIAL ELECTIONS, THIS MAY HAVE BEEN MORE A RESULT OF KHOMEINI SUPPORT FOR BANI-SADR

THAN A REJECTION OF MADANI BY THE PEOPLE.

(4)

(3) ONCE KHOMEINI PASSES FROM THE SCENE AND WITH HIS EITHER BANI-SADR OR GHOTBZADEH, IT IS POSSIBLE THAT THE AYATOLLAH MADANI AND ADMIRAL MADANI COMBINATION MIGHT COME TO A POSITION OF RESPONSIBILITY WITH THE SUPPORT OF THE BUSINESS POPULATION.

(4)

(3) THE PSYCHOLOGICAL ATITUDE OF THE CAPTORS AND HOSTAGES COULD HAVE AN EFFECT ON EVENTS IN THE NEXT 30-60 DAYS.

(A) THE CAPTORS ARE ASSESSED AS BEING A MULTI-FACTIONAL GROUP UNITED BY THEIR AIM OF OBTAINING THE RETURN OF THE SHAH AND ALL IT IMPLIES (EMBARRASSMENT OF USG). IF THE GROUP CONSENSUS WERE TO BREAK DOWN UNDER FRUSTRATION, PERCEPTION OF IMPENDING DEFEAT OF ALIGNMENT BY THEIR SUPPORTERS THE LIVES OF THE HOSTAGES WOULD BE IN DANGER. THE RECENT CHARGE BY KHOMEINI NOT TO GIVE UP THEIR AIM OF OBTAINING RETURN OF THE SHAH HAS PROBALLY GIVEN THEM NEW HOPE OF SUCCESS. THIS HOPE HAS BEEN FUELED BY THE HARDLINE ATTITUDE EXPRESSED BY BANI-SADR AND GHOTZADEH AND THE PROSPECTS OF THE UN COMMISSION DISCLOSING

[redacted] ~~SECRET~~ LIMDIS CITE JS 00070 FINAL SECTION OF 2 SECTIONS

EVIDENCE OF THE SHAH'S CRIMES

"D U.S. COMPLICITY.

(B) THE PSYCHOLOGICAL STATE OF HOSTAGES HAS PROBABLY UNDERGONE SEVERAL CHANGES SINCE THE INITIAL TAKE OVER, FROM SHORT TERM THOUGHTS THAT THE INCIDENT WOULD BE OVER QUICKLY, (FIRST TEN DAYS) TO ONE WHERE THEY ACCEPTED SOME DELAY WHILE THE USG WAS ARRANGING FOR THEIR RELEASE. THROUGH SOME MEANS (NEXT THIRTY DAYS), TO A PROBABLE HIGH POINT OF EXPECTATION JUST PRIOR TO CHRISTMAS, THEN DESOLATION WHEN THE HOLIDAYS PASSED WITHOUT ACTION, REACHING A POINT OF EITHER DETERMINED RESOLUTION OR FEELING OF ISOLATION AND ABANDONMENT BY THE USG AND GROWING DISLIKE FOR THEIR CAPTORS. DURING THIS PERIOD THOSE HOSTAGES THAT WERE AFFECTED BY THE STOCKHOLM SYNDROME MAY HAVE PASSED BEYOND THAT PHASE AND NOW RESENT THEIR CAPTORS. ALTHOUGH EACH HOSTAGE IS COPING WITH THE STRESS OF ISOLATION

PAGE 2 RUEIZJC 0071 [redacted] ~~SECRET~~ LIMDIS
AND CONFINEMENT IN THEIR INDIVIDUAL WAYS SOME HAVE SHOWN A CHANGE WHICH INDICATES A GROWING FEELING OF FRUSTRATION AND DESPAIR, WHILE OTHERS HAVE EVIDENCED A GREATER DEGREE OF HOSTILITY TO THEIR CAPTORS. THE UN COMMISSION HEARINGS MAY BE VIEWED BY SOME AS AN ORDEAL (OR TRIAL) OR BY OTHERS AS AN OPPORTUNITY TO STRIKE BACK AT THEIR CAPTORS. IF THE COMMISSION HEARINGS ARE CONCLUDED WITHOUT INCIDENT AND THE HOSTAGES NOT RELEASED WITHIN AN ACCEPTABLE TIME (POSSIBLY 7-12 DAYS), IN THE EYES OF THE HOSTAGES, SEPARATE HOSTAGES MAY TAKE DESPARATE ACTIONS TO SECURE THEIR OWN RELEASE.

(U)

4. IN EXAMINING THE POSSIBLE COURSE OF EVENTS IN THE NEXT 30 DAYS THE PRINCIPLE UNPREDICTABLE IS THE POSSIBILITY OF KHOMEINI'S DEATH. IF HE WERE TO DIE DURING THE COMMISSION'S VISIT TO TEHRAN, THE COMMISSION'S ACTIONS WOULD BE SUSPENDED AT LEAST TEMPORARILY DURING THE INITIAL PERIOD OF MOURNING.

(A) DURING THE FIRST MOURNING PERIOD (3-4 DAYS) THE HOSTAGES ARE LIKELY TO BE IGNORED AS MASSIVE PUBLIC DEMONSTRATIONS WILL FOCUS ON THE RELIGIOUS EMOTIONS OF LOSS AND GRIEF. HOWEVER, LARGE CROWDS WILL BE EVIDENCE THROUGHOUT TEHRAN INCLUDING THE VICINITY OF THE COMPOUND

PAGE 3 RUEIZJC 0071 [redacted] LIMDIS
ELEMENTS AT THE EMBASSY COMPOUND. SECURITY ELEMENTS WOULD BE UNABLE TO CONTROL THE CROWDS WITHOUT INFLUENCIAL RELIGIOUS SUPPORT. IF STABILITY IS NOT MAINTAINED THE DANGER TO THE HOSTAGES WILL INCREASE AND REACH ANOTHER HIGH POINT WITH THE FOURTEETH DAY OF COMMEMORATION OF KHOMEINI'S DEATH.

(U)
5. ASSUMING THAT KHOMEINI DOES NOT DIE THE FOLLOWING EVENTS ARE LIKELY TO TRANSPIRE IN THE NEXT 28-30 DAYS.

(A) UN COMMISSION HEARING CONTINUE THROUGH AT LEAST 27 FEB MORE LIKELY 3/4 MARCH WITH EARLIEST OFFICIAL RELEASE OF THE COMMISSION'S FINDING COMING ON 5 MARCH ALTHOUGH A MORE LIKELY DATE WOULD BE THE 8TH IN NEW YORK.

(B) THE IRANIAN RESPONSE TO THE FINDINGS WILL LIKELY COME WITHIN 24-48 HOURS AFTER THE FINDINGS ARE RELEASED AND IF THE FINDINGS ARE FAVORABLE TO THE IRANIAN GOALS, SOME OF THE HOSTAGES MIGHT BE RELEASED BUT NOT ALL. THE IRANIAN GOVERNMENT MIGHT BE ABLE TO PERSUADE THE MILITANTS TO TRANSFER CONTROL OF THE REMAINING HOSTAGES TO THE GOVERNMENT FOR TRIAL IF KHOMEINI SO DIRECTS.

(C) ALTERNATIVELY, THE IRANIAN OFFICIALS MAY TAKE ADVANTAGE OF KHOMEINI'S STATEMENT THAT THE DISPOSITION OF THE HOSTAGES IS A

PAGE 4 RUEIZJC 0071 [redacted] LIMDIS
FUNCTION OF THE IRANIAN PARLIAMENT. ELECTION OF THE PARLIAMENT (MAJLIS) IS NOW SCHEDULED TO BE HELD 14-17 MARCH. DELIBERATIONS BY THE PARLIAMENT WOULD THEN PRESUMABLY TAKE SEVERAL DAYS WITH A POSSIBLY OF FURTHER DELAYS DUE TO THE CELEBRATION OF THE PERSIAN NEW YEAR. (22 MARCH).

(U)
6. IN SUMMARY THE PROJECTED EVENTS AS WE KNOW THEM NOW DO NOT INDICATE A RELEASE OF HOSTAGES, BUT RATHER A FURTHER PROTRACTION OF THE CRISIS. FROM AN INTELLIGENCE STANDPOINT THE CRITICAL TIME FRAME WILL BE THAT TIME FROM WHEN THE FINDINGS OF THE COMMISSION ARE RESPONDED TO BY THE IRANIAN GOVERNMENT AND THE IMPLEMENTAL OF FOLLOW-ON ACTIONS BY THE GOVERNMENT OR THE MILITANTS. THIS TIME FRAME WILL RUN 7-10 DAYS AND COULD BEGIN AS EARLY AS 5 MARCH 80.

WORKING PAPER FOR LTG SHUTLER

SUBJECT: Reaction to Rescue Attempt ~~(S/NOFORN)~~

1. ~~(S/NOFORN)~~ [redacted] nd Middle East:

a. ~~(S/NOFORN)~~ A US military operation to free the hostages in Tehran will most likely trigger a negative public reaction from [redacted] and all other Arab states except [redacted] The extent and duration of Arab reaction would depend on several factors. The strongest public outcry would result from the violation of airspace or territorial waters of any neighboring Arab state by the US military force. The use of the airspace or territorial waters of any Arab state would imply that either the US has no respect for the independence of that state or even worse, that the state in question has cooperated with an outside force in an attack against a fellow Islamic nation. Therefore, despite possible private feelings of support for the US action, any such state interested in maintaining its strong Islamic credentials will be required to condemn the US action. The same requirement to maintain strong Islamic credentials will prompt negative public reaction from the other Arab states. At least two other factors will determine the degree of the private reaction. Although Arab leaders would not wish to be considered in any way a party to such an operation against Iran, they would most likely be upset if they did not receive official US notification of such an operation at least as it was being launched. The emotional response would also expectedly be keyed to the nature and extent of damage or injuries incurred by Iran as a result of the operation.

b. ~~(S/NOFORN)~~ Despite the fact that Arab leaders can be expected to denounce such a US military action, most of them would privately be expected to take delight in any successful operation which would serve to embarrass the Iranian leadership. Over the longer term, a successful operation would result in renewed respect by the leadership of the more radical states of the region, and possible increased US influence among the Arab moderates.

2. ~~(S/NOFORN)~~ Soviet Union:

a. (S/NOFORN) The Soviet Union likely would view with alarm an attempted US military rescue of the American hostages in Iran. Moscow is unlikely, however, to counter such a US move militarily if Washington--as the rescue mission commences--announces to the world that the mission is limited in scope to rescuing our hostages and that our forces will be withdrawn as soon as the mission is completed. Should the mission extend beyond a short duration, however, Moscow would likely offer Tehran military aid thereby gaining considerable propaganda profit. Additionally, should the rescue mission encounter difficulty and require an additional

Downgraded to: ~~NOT RELEASABLE TO FOREIGN NATIONALS~~

Classified by Multiple Sources
Declassify on 17 MAR 86
Review on

military commitment, Moscow's reaction would necessarily depend on the size and perceived intent of the US action.

(U) b. (S/NOFORN) Although we cannot rule out Soviet military intervention into northern and eastern Iran with Moscow invoking the terms of the 1921 Russo-Persian Treaty of Friendship as justification, we do not believe a limited US rescue operation of short duration would prompt a Soviet military move against Iran. However, Soviet military units along the Iranian border would probably go on an increased state of readiness. Moscow would likely launch a vigorous propaganda campaign and diplomatic effort citing "US military aggression", not only to exploit the situation and cultivate the current Iranian regime, but to divert world attention from Afghanistan.

(U) 3. (S/NOFORN) There would not likely be a "Muslim" reaction per se, simply because there is no united Islamic movement. The possible exception might be a reaction from the Islamic Conference, an organization of states with large Muslim populations. The Conference might meet and condemn the action. Strongly Muslim states, other than those in the Middle East, such as Pakistan and some African states, would likely react negatively. Pakistan as well as Libya would condemn the action as excessive. President Zia of Pakistan has made it clear that he would support Iran if the US were to take military action, and there would be harsh rhetoric from Islamabad. If the operation were detected by the Pakistanis, there is the possibility that they could react in time to launch aircraft against US forces. Other states with large Muslim populations would deplore the loss of life in the rescue attempt, but we do not expect it to be a lasting phenomenon. Aside from the official reaction noted above, there would likely be demonstrations against the US on the part of Muslims in some states. Sudan and Libya are probable candidates for this type activity.

(U) 4. (S/NOFORN) The rest of the world, including Western Europe and Japan, would likewise voice expressions of concern that the hostage situation had to be resolved in such a way; but the US would probably not be condemned. To protect their interests in Iran these countries would likely avoid laudatory statements for the US act. Privately there would be expressions of approval.

HELIO DET

[redacted]

SUBJECT: POLITICAL FOPECAST MESSAGE

(U) 1. THE EMPASSY TEHRAN HOSTAGE SITUATION REMAINS A POLITICAL PROBLEM WITHOUT A NEGOTIABLE SOLUTION. HOWEVER DUE TO THE INTERNAL ISOLATION OF IRAN, INCREASED THPEATS ON ITS WESTERN AND NORTH, AND A WOPSENING OF THE MEDICAL CONDITION OF KHOMEINI, THE SITUATION COULD BE PARTIALLY RESOLVED THE NEXT 10-14 DAYS.

(U) 2. THIS POSSIBILITY EXISTS ONLY IF BANI SADR IS ABLE TO CONVINCE KHOMEINI THAT IN FACT THE HOSTAGE SITUATION IS HAVING A NEGATIVE EFFECT ON THE STABILITY OF THE GOVERNMENT AND THE ECONOMY OF THE NATION. IF SADR SUCCEEDS IT IS POSSIBLE THE KHOMEINI COULD IN HIS 22 MARCH NEW YEARS ADDRESS DIRECT THE TRANSFER OF THE HOSTAGES TO A HOSPITAL UNDER GOVERNMENT CONTROL, REQUEST THE UN COMMISSION TO RETURN TO TEHRAN AND RESUME HEARINGS, WITH THE ULTIMATE GOAL OF NEGOTIATING THE RELEASE OF THE HOSTAGES IN EXCHANGE FOR A PUBLIC PRONOUNCEMENTS OF ITS FINDINGS.

(U) 3. IF HOWEVER A PRINCIPLE SADR RIVAL SUCH AS BESHESTI (WHO COVETS KHOMEINIS ROLE) WHO IS EXTREMELY INFLUENCIAL IN THE REVOLUTIONARY COUNCIL AND WHOSE POLITICAL PARTY (THE ISLAMIC REVOLUTIONARY PARTY) APPEARS TO HOLD A MAJORITY IN THE NEW PARLIAMENT SUCCEEDS IN GAINING KHOMEINI'S EAR AND CONVINCING HIM THAT THE RELIGIOUS FERVOR OF THE ISLAMIC REVOLUTIONARY WILL NOT BE SERVED BY THE RELEASE OF THE HOSTAGES WITHOUT EXTRACTING A FORMAL STATEMENT OF APOLOGY FROM THE US GOVERNMENT, THE SITUATION IS LIKELY TO DRAG ON INDETERMABLY.

(U) 4. THE VIEWS EXPRESSED ABOVE REFLECT TWO EXTREMES OPTIMISTIC AND PESSIMISTIC. THE REALITY OF THE FUTURE LIES SOMEWHERE IN BETWEEN, AND SOME INDICATION AS TO THE MOST PROBABLE COURSE HOPEFULLY WILL BE FORTH COMING ON THE 22 OF MARCH. IN EITHER CASE IT WOULD BE PREMATURE FOR ANY ELEMENTS OF THIS TASK FORCE TO STACK ARMS. EVERY EFFORT MUST BE MADE TO FURTHER REFINE OUR INDIVIDUAL AND COLLECTIVE SKILLS AND BE PREPARED TO ACCOMPLISH OUR ASSIGNED MISSION UNTIL ALL THE HOSTAGES ARE FREE.

VAUGHT SENDS.

SUBJ: TRANSFER PROJECTION

(U) 1. [redacted] ASSUMPTION OF CONTROL BY THE REVOLUTIONARY COUNCIL [redacted] OCCURRS DOES NOT MEAN [redacted] MORE TIME [redacted] THE HOSTAGES. THIS OFFICE BELIEVES THAT THE [redacted] FACTIONALISM BETWEEN THE [redacted] GROUPS [redacted] OF THE IRANIAN GOVERNMENT [redacted] RESOLUTION OF [redacted]

(U) 2. [redacted] INTERVIEW WITH THE RELIGIOUS HARD LINER [redacted] PROBABLY PROVIDES THE CLEAREST INDICATION [redacted] OF THE MAJORITY OF MEMBERS OF THE REVOLUTIONARY COUNCIL. (INTERVIEW TEXT FOLLOWS)

AYATOLLAH DR MOHAMMAD BEHESHTI, CHIEF JUSTICE OF THE SUPREME COURT AND MEMBER OF THE ISLAMIC REVOLUTION COURT, ANNOUNCED THAT THE FORMER SHAH'S FLIGHT TO EGYPT NOT ONLY MADE HIS EXTRADITION MORE DIFFICULT, BUT ALSO COMPLICATED THE ISSUE OF THE HOSTAGES. IN A PRESS CONFERENCE DR BEHESHTI ADDED THAT UP TO NOW, HE CANNOT OFFER ANY SUGGESTION TO THE CONSULTATIVE ASSEMBLY. WHAT IS IMPORTANT, HE SAID, IS THAT IRAN WANTS TO ACHIEVE ITS TOTAL POLITICAL AND ECONOMIC INDEPENDENCE, BUT THE U.S. ADMINISTRATION DOES NOT WANT TO RESPECT IRAN'S INDEPENDENCE OR THE INDEPENDENCE OF SIMILAR COUNTRIES.

DR BEHESHTI SAID THAT WHEN THE UNITED STATES STOPS PRACTICING SUCH POLICIES, WE CAN FIND A BASIS FOR RECONCILIATION WITH IT.

DR BEHESHTI ADDED THAT THE HOSTAGES TRIAL SHOULD HELP US AND THE PEOPLE TO ARRIVE AT COMPLETE INDEPENDENCE. AS THE IMAMIONCE SAID: AFTER THAT, WE MIGHT FORGIVE THEM. (END OF INTERVIEW TEXT)

(U) 3. EVEN IF CONTROL OF THE HOSTAGES OCCURS THIS DOES NOT MEAN MOVEMENT WILL TRANSPIRE, AND IN FACT DOES NOT EVEN GUARANTEE THAT THE MILITANTS WILL RELINQUISH COMPLETE PHYSICAL CONTROL.

(U) 4. ASSUMING CONTROL IS TRANSFERRED THE MILITANTS WILL AT A MINIMUM RETAIN CONTROL OF THE COMPOUND AND IF THE HOSTAGES ARE RELOCATED THEY WILL PROBABLY BE MOVED TO A MILITARY FACILITY, COMMANDEERED HOTEL OR A FOREIGN MINISTRY BUILDING.

SUBJ: DETECTION ASSESSMENT

1. THE FOLLOWING ASSESSMENT WAS PREPARED BY THE J-2 STAFF AND BRIEFED AT THE 18 MARCH PLANNING MEETING. THE ASSESSMENT WAS PREPARED WITHOUT ACCESS TO ALL OPERATIONAL PLANS AND THEREFORE IN A FEW CASES THE ASSESSMENT MAY BE MORE PESSIMISTIC THAN WARRANTED.

2. THE ASSESSMENT COVERS THE PERIOD FROM NCA DECISION TO FORCE EXTRACTION FROM MANZARIYEH AND WAS BASED UPON THE FACT THAT THE GREATEST DANGER TO MISSION SUCCESS IS DETECTION, IDENTIFICATION, AND COMPROMISE OF THE FORCE PRIOR TO CLOSURE WITH THE EMBASSY COMPOUND, AND RECOGNITION THAT MANZARIYEH AFLD IS BEING USED AS THE EXTRACTION AIRHEAD.

3. FOR THE PURPOSES OF THE ASSESSMENT THE MISSION SEQUENCE WAS DIVIDED INTO FIVE STAGES AS FOLLOWS. AND EACH SUB SET WAS EVALUATED AS TO THE CHANCES OF MISSION COMPROMISE.

A. DEPLOYMENT ORDER
B. MOVEMENT TO STAGING AREA
C. FORCE LAUNCH AND INSERTION
D. OBJECTIVE RECON AND CLOSURE
E. EXECUTION AND EXTRACTION

4. DEPLOYMENT ORDER (LIMITED ACCESS)

A. JCS (SOD/OPG/DIA) LOW #
   # INITIATE CAMPAIGN TO PLAYDOWN POSSIBILITY.
B. U AND S COMMAND CINC LOW #
   # CLOSEHOLD VIA BACK CHANNEL TO CINC
C. JTF STAFF LOW#
   # IF NORMAL PROFILE MAINTAINED UNDER EXERCISE COVER
D. JTF FORCES
   - DELTA FAMILIES LOW
   - HELO FAMILIES LOW
   - [redacted] STAYBEHINDS MOD
   - AC/MC SUPPORT TROOPS MOD
   - CVA (AIR OPS TEAM) LOW
   - 135 UNIT STAFF LOW
   - MAC UNIT STAFF LOW

5. MOVEMENT TO STAGING AREA

A. MC/AC - [redacted] LOW
B. UNIT MOVEMENT - USING NON-DESCRIPT ID'S LOW
C. TANKER MOVEMENT -USING AWAC/FTR/RECCE/SUPPORT --LOW
D. FOREIGN OBSERVATION
   1. USSR MODERATE
   2. ISRAEL MODERATE
   3. SAUDI LOW
   4. IRAQ LOW
   5. IRANIAN LOW

6. FORCE LAUNCH AND INSERTION

A. HELO LAUNCH --LOW
B. MC LAUNCH--LOW
C. KC LAUNCH--MOD/HI
D. HELO PENETRATION--MOD

M. AC MEHRABAD--MOD
N. MC NAIN ---LOW
O. C-141/C-135 MANZARIYEH--MOD

8. EXECUTION PHASE. THE FOLLOWING ARE ESTIMATED SAFETY TIME WINDOWS BASED UPON ONLY A GENERAL KNOWLEDGE OF THE EXECUTION TIMING SEQUENCE.
A. HELO HOLDING ORBIT --10-15 MINUTES IF BEYOND POPULATION FRINGE
B. AC HOLDING ORBIT--15-20 MINUTES IF BEYOND ATC RANGE (60 MILES)
C. COMPOUND--WINDOW BEGINS AFTER PUBLIC RECOGNITION OF ASSAULT 20-25 MINUTES
D. STADIUM SAFETY WINDOW (15-20MINS) IS ADDITIVE TO COMPOUND WINDOW IF TRANSFER OCCURRS WITHIN THE 20-25 MINUTES WINDOW.
E. MANZARIYEH WINDOW
1. QUIET SEIZURE--NO LIMIT
2. DISCERNABLE ACTIVITY--45 MINS
3. HELO RECOVERY--45 MINS

9. IN SUMMARY TWO ELEMENTS OF THE OPERATIONAL SEQUENCE ARE EVALUATED AT THIS TIME AS CARRYING A HIGH POTENTIAL FOR MISSION COMPROMISE. THESE ARE THE TANKER LAUNCH [redacted] AND THE FINAL MOVEMENT OF DELTA MAIN FORCE ELEMENTS TO THE COMPOUND IF CONDUCTED VIA THE NARROW RESIDENTIAL SIDE STREETS TO THE EAST.

10. IN ADDITION NINE OTHER AREAS ARE EVALUATED AS POSING A MODERATE RISK OF DETECTION/COMPROMISE, THESE AREAS ARE:
A. [redacted]STAYBEHIND
B. AC/MC SUPPORT TROOPS
C. HELO COASTAL PENETRATION
D. DELTA HELO/VEHICLE TRANSFER
E. DELTA DAYLIGHT LDRS RECON
F. HELO APPROACH RTE SOUTH
G. HELO HOLDING ORBIT AREA
H. AC APPROACH TO MEHRABAD
I. C-141/C-135 AIRCRAFT PENETRATION

11. THE BASIS PREMISE OR CONCLUSION OF THIS ANALYSIS IS THE ABSOLUTE NEED TO MINIMIZE THE US MILITARY SIGNATURE WHERE EVER POSSIBLE DRING ALL PHASES OF FORWARD MOVEMENT.

12. AS A MATTER OF SELF PROTECTION AND MISSION SUCCESS [redacted] WHENEVER POSSIBLE. A GOOD EXAMPLE IS THE VALUE OF HAVING FARSI SPEAKERS AT ALL PRINCIPAL FORCE DETECTION POINTS SUCH AS;
A. DELTA - TRANSFER AREA, ENROUTE WAREHOUSE AND ENROUTE COMPOUND
B. HELO - AT HIDE AREA
C. TRNRS [redacted]
D. AC 130 - [redacted]

13. IN ADDITION THE POSSESSION OF AN ORGANIC CAPABILITY [redacted] A FOLLOW ON MESSAGE ON THIS SUBJECT WILL BE FORTHCOMING FRIDAY 21 MAR 80.

14. COMMENTS/OBSERVATIONS WOULD BE APPRECIATED.

~~SECRET/NOFORN~~ B-156

WORKING PAPER FOR J-3 3 April 1980

Subject: GOI Efforts to Transfer Control of Hostages

1. (~~S/NOFORN~~) President Bani-Sadr and his supporters on the Revolutionary Council are apparently continuing their efforts to arrange for transferring control of the hostages from the militants to the Government of Iran (GOI). The militants are likely to veto any such arrangement, since control of the hostages is the basis for their current influence in Iranian politics. Without the hostages, the power of the militants would evaporate. In addition, militant control of the hostages continues to be an issue championed by Ayatollah Beheshti and the radical clergy, providing them with an important political weapon in their power struggle with Bani-Sadr. Beheshti and his supporters, including the militants, undoubtedly see the issue in a zero-sum framework: transferring control of the hostages would be a plus for Bani-Sadr and therefore a minus for them.

2. (~~S/NOFORN~~) Should the militants at some future date, and for whatever reason, eventually agree to a transfer, such an arrangement is likely to be largely cosmetic in nature. Initially the militants might allow a token group of government representatives, including a contingent of Pasdaran, to go to the embassy and "assume responsibility" for the hostages. In all probability, both the hostages and most of the militants would remain at the embassy, with the militants retaining de facto veto power over any decision regarding the hostages. This type of arrangement would not bode well for the hostages, and in fact might increase the danger to them. The militants and the government force would be rivals, and the danger of an incident would be substantial. Furthermore, the situation would be exacerbated by the inevitable competition which would result as various factions on the Iranian political scene--including Bani-Sadr, Qotbzadeh, and the clergy--vied for influence with the government force.

3. (~~S/NOFORN~~) It is conceivable that, following a significant but as yet unforeseen development in negotiations between Iran and the US, the Iranian government will assume full responsibility for the hostages at a point just prior to their release. At this time it is reasonable to assume that the hostages might be transferred to an Iranian medical facility in preparation for their transportation to the US. At the present time, however, both DI[redacted] agree that such an eventuality appears remote.

IRAN: KHOMEINI AGAIN BLOCKS TRANSFER OF HOSTAGES. (U)

(U)
(C) PREDICTABLY, THE REVOLUTIONARY COUNCIL WAS AGAIN UNABLE TO REACH A DECISION ON 6 APRIL REGARDING TRANSFER OF THE HOSTAGES, VOTING INSTEAD TO REFER THE MATTER TO AYATOLLAH KHOMEINI FOR A DECISION. AS A RESULT, ALL HOPE OF TRANSFERING THE HOSTAGES WAS EFFECTIVELY KILLED. BY FORCING THE AYATOLLAH TO INTERVENE, THE COUNCIL PLACED KHOMEINI IN A POSITION WHERE HE HAD TO SAY NO. KHOMEINI MUST CONTINUOUSLY DEMONSTRATE HIS "MORAL SUPERIORITY" OVER THE US AND MUST NEVER APPEAR CONCILIATORY.

(U)
(C) KHOMEINI'S PRIMARY GOAL APPARENTLY IS TO ASSURE THE ACCEPTANCE OF HIS MORAL AUTHORITY. HE IS NOT CONCERNED WITH THE WESTERN IDEA THAT A GOVERNMENT WORKS FOR THE GENERAL WELFARE AS MEASURED BY MATERIAL OR ECONOMIC IMPROVEMENT. FOR THE AYATOLLAH, A CONDITION OF PHYSICAL WELL-BEING CAN ONLY RESULT FROM HIS UNDISPUTED AUTHORITY. BECAUSE HE SEES HIMSELF AS GOD'S SPOKESMAN, KHOMEINI BELIEVES THAT ONLY AFTER THE SWAY OF HIS MORAL INFLUENCE IS ESTABLISHED WILL GOD (AND NOT THE GOVERNMENT) PROVIDE SUSTENANCE TO THE IRANIAN PEOPLE. THIS THINKING IS REFLECTED IN KHOMEINI'S MANY WRITINGS AND SPEECHES. WHETHER HE REALLY BELIEVES THIS OR IS JUST AN OPPORTUNIST WHOSE FIRST PRIORITY IS TO CONSOLIDATE HIS OWN POSITION IS NOT KNOWN. HOWEVER, THE RESULTS ARE THE SAME.

(U)
(C) THE HOLDING OF HOSTAGES IS NOT NEW IN THE MIDDLE EAST. AS RECENTLY AS 1962, THE IMAM AHMED OF YEMEN HELD THE SONS OF TRIBAL LEADERS TO ASSURE THE GOOD BEHAVIOR OF THE ZAIDE TRIBES. THE LEADERS DELIVERED THEIR SONS VOLUNTARILY, THEREBY DEMONSTRATING THEIR ACCEPTANCE OF HIS MORAL AUTHORITY AS ORDAINED BY GOD. THE SONS WERE WELL TREATED AS EVIDENCE OF THE IMAM'S MORALITY AND GOOD WILL. AND SO IT IS WITH KHOMEINI. THE HOSTAGES NOT ONLY ASSURE AMERICAN QUIESCENCE, BUT OUR QUIESCENCE DEMONSTRATES KHOMEINI'S MORAL AUTHORITY. THE DEMAND OF THE IRANIANS, FIRST THAT WE APOLOGIZE FOR OUR SUPPORT OF THE SHAH AND THEN THAT WE DELIVER HIM FOR JUSTICE, HAS THE SAME PURPOSE TO SHOW IRANIAN MORAL AUTHORITY. FOR THE IRANIANS, WE ARE INFERIOR IN THESE TERMS, WHATEVER OUR MILITARY CAPABILITIES.

~~CONFIDENTIAL~~

(U)
(C) FINALLY THE PROSPECT REMAINS THAT THE IRANIAN PARLIAMENT COULD FREE THE HOSTAGES WHEN IT ADDRESSES THE ISSUE IN JUNE OR JULY. WHILE THIS PROSPECT IS NOT LIKELY, IT COULD BE KHOMEINI'S ESCAPE-VALVE. TRADITIONAL ISLAMIC COMMUNITIES, SUCH AS KHOMEINI HAS FASHIONED, OPERATE ON THE BASIS OF CONSENSUS. IN TRADITIONAL ISLAM, A PARLIAMENT WAS NOT FOR THE PURPOSE OF REPRESENTATION, BUT RATHER IT EMBODIED A POPULAR CONSENSUS, WHICH ITSELF WAS INSPIRED BY GOD. IF KHOMEINI FREED THE HOSTAGES ON HIS OWN AUTHORITY, HIS OPPONENTS COULD CHARGE HE HAD MOVED AGAINST GOD'S WILL. BUT THIS CHARGE COULD NOT BE MADE AGAINST THE VOICE OF CONSENSUS. KHOMEINI WILL HAVE NO TROUBLE ACCEPTING THE PARLIAMENT'S JUDGMENT, WHATEVER IT MAY BE. HOWEVER, THE PARLIAMENT WILL NOT AUTOMATICALLY FREE THE HOSTAGES. IT WILL MOST LIKELY BE UNSURE OF ITS RESPONSIBILITIES AND EAGER TO ESTABLISH REVOLUTIONARY CREDENTIALS. ALSO, IT WILL PROBABLY BE DOMINATED BY THE HARD-LINE, CLERGY-ORIENTED ISLAMIC REPUBLICAN PARTY.

(U)(C) WE THEN FIND OURSELVES IN A VICIOUS CIRCLE. KHOMEINI CANNOT FREE THE HOSTAGES. THE PARLIAMENT CAN, BUT IT IS NOT LIKELY TO DO SO. IT WILL PROBABLY BE RELUCTANT TO RELEASE THE HOSTAGES FOR FEAR OF GOING AGAINST THE WISHES OF THE IMAM. THUS, BARRING ANY DRAMATIC CHANGE IN THE CURRENT CRISIS, WE BELIEVE THE HOSTAGES WILL NOT BE RELEASED PRIOR TO THE CONVENING OF PARLIAMENT IN JUNE OR JULY. MOREOVER, THE PARLIAMENT WILL PROBABLY DETERMINE THAT THE HOSTAGES MUST BE HELD UNTIL THE SHAH AND HIS WEALTH ARE RETURNED. (REVW 7 APRIL 86)

CONTINUED

~~TOP SECRET~~

[redacted] THE SOVIETS HAVE BOTH NAVAL AND LAND BASED LONG RANGE DIRECTION FINDING EQUIPMENT. THEY ARE CAPABLE OF TRACKING - AT LEAST ON A RANDOM BASIS -

[redacted]

GIVEN THE OPEN AVAILABILITY OF ICAO FLIGHT PLANS, IT MUST BE ASSUMED THAT INTELLIGENCE "TIP-OFFS" RESULT.

5. [redacted] THE SOVIET CAPACITY TO DETECT AND TRACK ANY RADIO-SILENT CLANDESTINE MISSION ASSOCIATED WITH RICE BOWL AS LOW, IF THIRD COUTRY RADARS ARE AVOIDED AND "COVER" FLIGHT PLANS ARE FILED AS NECESSARY.

6. IRANIAN DETECTION/SURVEILLANCE CAPABILITIES.

A. IRANIAN PHOTO RECONNAISSANCE: IRAN HAS A LIMITED CAPABILITY TO PHOTOGRAPH OR VISUALLY RECONOITER US NAVAL UNITS OPERATING IN THE PERSIAN GULF OR NORTHERN ARABIAN SEA UTILIZING P-3 AIRCRAFT. ADDITIONALLY, IRANIAN F-4S AND C-130S HAVE SOME VISUAL RECON CAPACITY. WE BELIEVE THAT ANY THREAT TO SECURITY OF RICE BOWL FROM ANY OF THESE PLATFORMS IS NEGLIGIBLE.

B. AURAL DETECTION: WE BELIEVE THAT THE GREATEST DANGER OF DETECTION FOR BOTH THE HELICOPTER AND FIXED-WING ELEMENTS OPERATING IN IRANIAN AIRSPACE ON NIGHT 1 IS POSED BY GENDARMERIE POSTS. THESE POSTS (USUALLY CONSISTING OF 6-10 MEN) ARE SCATTERED THROUGHOUT THE COUNTRY ALONG MAJOR LINES OF COMMUNICATION. MISSION PLANNING HAS TAKEN THEIR LOCATIONS INTO ACCOUNT AND FLIGHT ROUTES ARE DESIGNED TO AVOID ALL KNOWN POSTS.

[redacted]

C. VISUAL DETECTION: DESPITE FLIGHT ROUTES WHICH AVOID POPULATED AREAS, THE POSSIBILITY EXISTS THAT AIRCRAFT COULD BE SEEN BY MOTORISTS OR NOMADS. THE LATTER, LACKING COMMUNICATIONS, CAN BE DISCOUNTED AS A WARNING SOURCE. CRITICAL AREAS FOR VISUAL DETECTION ARE THE GULF COASTAL REGION, THE REFUELING SITE, AND THE TRANSFER POINT/HELO HIDE AREA. WE ASSESS THE POSSIBILITY OF DETECTION AT ANY OF THESE LOCATIONS AS LOW-MODERATE. WHETHER A TRUCK DRIVER WOULD BOTHER TO REPORT SIGHTING AIRCRAFT [redacted] TO SOME OFFICIAL ENTITY OF THE IRANIAN GOVERNMENT IS PROBLEMATICAL.

D. SAC PENETRATION ANALYSIS OF SEVERAL GENERIC LOW LEVEL ROUTES INDICATED LOW PROBABILITY OF DETECTION/INTERCEPTION ON ALL THE INBOUND LEGS AND ONLY A SLIGHTY HIGHLY POSSIBLITY OF DETECTION/INTERCEPTION ON THE EGRESS ROUTES. SAC TEAM PREPARED STUDY FOR MC130 AT [redacted] THE PROBABILITIES WOULD STILL BE ON THE LOW END OF THE SPECTRUM IF ROUT PLANNING [redacted] NETWORK WAS NOT ON HIGH/ACTIVE ALERT POSTURE.

4. REVIEW OF INCOUNTRY TACTICAL PHASES IS UNDER PREPARATION WILL FORWARD UPON COMPLETION.

BT

[redacted]

CURRENT PERCEPTION (B-164) (U) 23 NOV 79

1. (U) PLANNING. FACT OF US PLANNING FOR MILITARY OPERATIONS PUBLIC KNOWLEDGE.

2. (U) PREPARATIONS.

a. STRIKE FORCES. MIDWAY AND KITTY HAWK MOVEMENTS AND LOCATIONS KNOWN. AC-130s [redacted] TO DEMONSTRATE CAPABILITIES [redacted] KNOWN. VARIOUS TARGETS THAT MIGHT BE ATTACKED SUBJECT TO NEWSPAPER SPECULATION. VULNERABILITY OF IRAN KNOWN.

b. (U) RESCUE FORCES

(1) PROBABILITY OF 82ND AIRBORNE / RANGERS BEING RESCUE FORCE IN PRESS. FACT NOT ON ALERT POINTED OUT. NO INDICATIONS ACTUAL GROUND FORCES HAVE BEEN DETECTED.

(2) MOVEMENT OF RH-53s TO KITTY HAWK NOTED IN PRESS. PRESS STATED REASONS TO CONDUCT MINESWEEPING OR MINELAYING. PRESS NOTES OFFICIAL STATEMENTS IRAN NOT CREDITED WITH GOOD MINELAYING CAPABILITIES, AND THAT NO LARGE HELOS NECESSARY FOR ASSAULT ON CARRIERS. NO REFLECTIONS THAT RH-53s AND MINES HAVE BEEN LINKED, NOR HAS BLUE-GREEN CONCEPT IN WHICH RH-53s WERE USED FOR TROOP ASSAULT SURFACED. UNKNOWN IF SOVIETS KNOW OF CONCEPT OR HAVE DRAWN DAMAGING CONCLUSIONS. UNLIKELY IRAN KNOWS OF BLUE GREEN CONCEPT.

(3) DELTA FORCE. NO INDICATIONS.

(4) MC-130s. NO INDICATIONS.

(5) JTF. NO INDICATIONS.

(6) RANGER FORCE. NO INDICATIONS.

(7) COMMO SUPPORT. NO INDICATIONS.

(8) MAC / SAC SUPPORT. INCREASED ACTIVITY UNDOUBTEDLY NOTED BY SOVIETS. SOME ACTIVITY PROBABLY KNOWN TO IRAN. NO INDICATIONS THAT INCREASED ACTIVITY RELATES TO RESCUE ATTEMPT.

CURRENT PERCEPTION/
PREDICTED PERCEPTION

1. No indications reported that Iranians or Soviets have identified US plans or intentions to rescue US diplomats held in Tehran.

2. NIMITZ was subject to Soviet surveillance off Africa. Currently, the task group is scheduled to arrive vicinity KITTY HAWK on or about 22-23 Jan 1980. Predict that Iranians and Soviets will be alert for several days either side of 22-23 Jan for US military action.

3. Because of probable high interest and suspicions of the Soviets and the Iranians that the arrival of the NIMITZ is likely to generate, movement of forces through [redacted] Red Sea should be unrelated to that date to degree possible. Units most visible are the 3 AC-130s [redacted] the [redacted] and the 2 C-141s carrying ammo, parts, and maintenance personnel for the AC-130s. The area where their flights will be most noted will be during transit of the [redacted]

4. The buildup of aircraft at [redacted] may be an indicator of impending operations. This could be assumed to be for a rescue operation, or might simply be reported by Soviet clandestine radio as preparations for operations against Iran to stir up anti-American feelings.

5. The establishment of HF circuits to be used from [redacted] will be an indicator that a command to direct some sort of operations has been established. To reduce correlation with force movements, the HF

[redacted] Militant Data (B-166)

17 November 1979

WORKING PAPER FOR SPECIAL OPERATIONS DIVISION

[redacted]

(U) 1. (S) Statements issued by the students holding the US Embassy have been used to rationalize and justify their actions, promote anti-American propaganda, and to issue their demands. Their propaganda consistently describes the Embassy as a "spy den" and "house of espionage" and charges the US with plotting to overthrow the Islamic Revolution. Their demands for the return of the Shah to stand trial have been uncompromising, and attempts by the Foreign Ministry to soften the demands have been quickly rejected. They made it clear they answered only to Ayatollah Khomeini. Statements by the leadership of the Revolutionary Guards have been supportive of the students' actions. They have also pledged to defend the students against any "counterrevolutionary" action.

(U) 2. (S) Since the takeover, Foreign Minister Bani-Sadr, has issued several statements which appeared to be a softening of the original demands. As a first step to commencing negotiations, he proposed that the US admit that the Shah is a criminal and return all of the Shah's assets located in the US to Tehran. After this was rejected by the students, he later proposed that all except white males be released. However, this too was rejected, again indicating that the government is not in control of the students. Whether Bani-Sadr was being used as a sounding board for Khomeini, or whether the ideas were his own is not known. However, we suspect the latter to be the case. Bani-Sadr announced that the government could not intervene in matters to which it was not a party. He said that the Americans at the Embassy were not hostages of the government, but of the people.

(S) [redacted] statements issued by Khomeini and other religious leaders [redacted] supportive of the student actions. They have blessed the [redacted] although Khomeini supported the occupation of the Embassy, he issued many statements shortly after the takeover calling for restraint. He probably feared that more radical elements might [redacted] take advantage of the tense atmosphere, and the [redacted] get out of control. Khomeini's latest pronouncement, on 17 November, was to direct the students to release the American women and blacks, who have spent ages under American pressure and tyranny and who might have come to Iran under pressure." This conciliatory gesture is totally out of character for Khomeini. We believe that he was probably convinced of the propaganda value of such a move by the PLO delegation.

- External reaction forces. Reinforcements for the student guards and Pasdaran are available from several locations and organizations. Principal forces and their estimated reaction times once they have received notification or heard a major disturbance in the vicinity of the compound are shown below.

-- Within 5-7 min - fire from the chancery and weapons positioned in surrounding buildings.

-- Within 10-15 minutes reinforcements from student headquarters and Pasdaran Komiteh strength 75-100 from nearby Komiteh stations.

-- Within 15-20 minutes 100-300 Pasdaran and the beginnings of local crowds.

[redacted]

-- Within 20-30 minutes Pasdaran reinforcements of an additional 200-300 plus.

-- Within 30-40 minutes Pasdaran back-up units and additional crowds.

-- Within 45-60 minutes IRG Residual Forces and mobs of 2,000-3,000.

-- Within 60 minutes, it is possible that a [redacted] could react and attempt a launch against any orbitting aircraft.

-- Within one hour it is possible that helicopters from [redacted] or fighters from [redacted] could launch and attempt to interdict the force.

John,

When Jim Vaught and I discussed this our concern was the possibility that State / NSC and possibly the President himself were not aware of these assessments & danger to hostages.

For our part we will keep the training going so our options are open.

Would like to have Jim brief you soon. VR Phil

Hostage Assessments

ACTION			
APPROVAL	SIGNATURE	INFORMATION	OTHER
		X	

REMARKS

1. Attached are copies of [redacted] DIA, and JTF assessments regarding the likelihood of a peaceful transfer/release of the 53 American hostages.

2. The assessments were arrived at independently but provide a generally uniform view.

3. All doubt that the hard core militants will release all of the hostages at any time in the near future.

4. All the assessments expect some of the militants to forcibly resist a government attempt to take control of the compound.

5. None of the assessments credit the Iranian government with the capability to secure the safe release of the hostages through military action.

6. The most recent JTF assessment concludes that unless Khomeini declares support for the UN Commission, orders the transfer of the hostages to government control, and the hostages are immediately and secretly flown out of the country their lives and those of Laingen, Howland and Tomseth will remain in jeopardy.

WORKING PAPER FOR SOD

Subject: Capability of the Government of Iran to Secure the Release of the Hostages (U)

[redacted]

(~~S/NOFORN/NOCONTRACT/ORCON/WNINTEL~~) The date of information of this report is shortly after the late January landslide victory of Bani Sadr in the presidential elections and before his taking of the oath of office before Ayatollah Khomeini. He had made clear that the resolution of the hostage issue was a major objective, but the challenging of the militants and proposals for dealing with the crisis were yet to come. Nevertheless, it is not surprising that a report of this nature should occur, given the disparate views within the different factions among the militants and the controversial nature of the hostage issue. We have noted for some time our reservations about the loyalties of some of the militants and that some might not even obey a direct order from Khomeini to release the hostages. Bani Sadr of course would not unilaterally order the release; he realizes that the authority of Khomeini would be needed in this case. If Khomeini does order the release, there may very well be a refusal by some of the militants, who could claim that Khomeini had been duped by Bani Sadr and that the will of the "people" dictated that they hold the hostages until the Shah was returned. [redacted]

(~~S/NOFORN~~) The government could employ Revolutionary Guards, Ground Forces, or National Police forces in an effort to evict the captors. There is no known specially trained anti-terrorist force available. Based on previous employment philosophy, the Revolutionary Guards would be utilized in any government attempt to control the situation. However, such an action would require an order from Khomeini. A decision to forcefully capture the embassy would be taken only as a last resort. In the event of a direct confrontation, the risk to the hostages would increase significantly, and casualties among them are likely.

PAGE 3 RUEIZJC0059 ~~TOP SECRET~~
BEGIN REVIEWING EVIDENCE IN THE FORESEEABLE FUTURE (O/A 23 FEB 80), THIS OFFICE OFFERS THE FOLLOWING ASSESSMENT FOR PLANNING PURPOSES.

(A) UNLESS CONTROL OF THE COMPOUND IS GAINED BY THE IRANIAN GOVERNMENT PRIOR TO OR IN CONCERT WITH THE BEGINNING OF THE COMMISSION'S INVESTIGATION, IT IS DOUBTFULL IF ANY OF THE HOSTAGES MUCH LESS ALL OF THEM WILL BE RELEASED BY THE MILITANTS.

(B) IF THE COMMISSION INDICATES THAT "CRIMES AGAINST THE IRANIAN PEOPLE" DID OCCUR UNDER THE SHAH AND RECOMMENDS THAT THE SHAH BE BROUGHT TO TRIAL, THE MILITANTS MIGHT RELIASE SOME OF THE HOSTAGES BUT NOT ALL. HOLDING SOME AS INSURANCE AGAINST THE TRIAL AND RETURN OF THE SHAH.

(C) IF THE COMMISSION INDICATES THAT THE USG WAS NOT INVOLVED IN "THESE CRIMES" THE MILITANTS WILL PROBABLY REJECT THE COMMISSIONS FINDINGS AS AN EXAMPLE OF AMERICAN MANIPULATION OF FACTS AND CONTINUE TO HOLD THE HOSTAGES AND DECLARE THEY (THE MILITANTS) MUST NOW HOLD THE TRIAL THEMSELVES TO PROVE "AMERICAN COMPLICITY" TO THE WORLD.

PAGE 4 RUEIZJC 0059 ~~TOP SECRET~~
5. THIS OFFICE BELIEVES THAT THE STUDENT/MILITANT OPTIONS AS STATED IN REFERENCE ARE STILL OPERATIVE. ALTHOUGH THE VIABILITY OF OPTION ALFA SEEMS TO BE FADING, [redacted] MAY INDICATE AN INCREASING POSSIBILITY OF OPTION BRAVO. (C)

6. IN SUMMARY, UNLESS KHOMEINI DECLARES SUPPORT FOR THE COMMISSION, ORDERS THE TRANSFER OF THE HOSTAGES TO GOVERNMENT CONTROL AND THEY (THE HOSTAGES) ARE IMMEDIATELY AND SECRETLY FLOWN OUT OF THE COUNTY THEIR LIVES AND THOSE OF LAINGEN, HOWLAND AND TOMSETH WILL REMAIN IN JEOPARDY.

SUBJ: ANALYSIS OF "STUDENT"/MILITANT OPTIONS

REF: JTF MSG 0454/DTG 040010Z FEB 80 (SHORT TERM ASSESSMENT)

1. THIS MESSAGE PROVIDES AN ANALYSIS OF THE CURRENT HOSTAGE SITUATION FROM THE VIEWPOINT OF THE MILITANTS AND "STUDENTS" HOLDING THE EMBASSY COMPOUND.

2. THE ELECTION OF BANI-SADR, HIS INSTALLATION AS PRESIDENT OF IRAN BY AYATOLLAH KHOMEINI, AND HIS SUBSEQUENT DESIGNATION AS "PROVISIONAL" HEAD OF THE REVOLUTIONARY COUNCIL HAVE CONTRIBUTED TO THE GROWING FEELING OF ISOLATION FELT BY THE STUDENTS AND MILITANTS.

PAGE 2 RUEIZJC 0056 ~~T O P S E C R E T~~ NOFORN LIMDIS

3. PUBLIC STATEMENTS (DENOUNCEMENTS) BY BOTH BANI-SADR AND FOREIGN MINISTER GHOTBZADEH INDICATE THE GOVERNMENT IS DISSATISFIED WITH THE MILITANTS' INFLEXIBILITY AND INTRANSIGENCE. THE REVERSAL OF AN ARREST ORDER FOR IRANIAN INFORMATION MISISTER MINACHI; THE TEMPORARY DETENTION OF THE 49 (50) AMERICAN MUSLIMS VISITORS AT MEHRABAD; AND THE SEVERING OF MILITANT ACCESS TO IRANIAN RADIO/TV BROADCAST FACILITIES PROVIDE FURTHER INDICATIONS OF A DIFFERENCE OF VIEW BETWEEN THE MILITANTS AND AT LEAST PART OF THE GOVERNMENTAL AND CLERICAL HIERARCHY.

4. STUDENT/MILITANT DEBATES AND DISCUSSIONS ARE DOUBTLESS NOW MOTIVATED BY A GREATER SENSE OF FRUSTRATION AND SUSPICION THAN EVER BEFORE. THIS ATMOSPHERE MAY BREED DECISION-MAKING BASED MORE ON FEAR THAN FACT. PREVIOUSLY, THE MILITANTS' COMMITTEE SYSTEM HAS ENABLED THEM TO PRESENT A CONSISTENTLY UNITED FRONT, INDICATING THAT DISCUSSION, DEBATE, AND CONSENSUS PRECEDED VIRTUALLY ALL MAJOR MOVES OR STATEMENTS. THIS PROCESS HAS BEEN SUCCESSFUL BECAUSE OBJECTIVES HAVE REMAINED CONSTANT AND STRATEGIES WERE FORMULATED WELL IN ADVANCE. THUS TACTICAL MOVES AVOIDED SELF CONTRADICTION AND ALLOWED THE CAPTORS TO STAY AHEAD OF THE SITUATION. THERE IS EVIDENCE THAT THIS SAME SORT OF REAPPRAISAL OF CURRENT CONDITIONS HAS BEEN ONGOING SINCE AT LEAST 1 FEBRUARY.

~~SECRET~~

5. DISCUSSIONS NOW PROBABLY REVOLVE AROUND A REVIEW OF PREVIOUS ACTIONS (BOTH SUCCESSFUL AND UNSUCCESSFUL), A REEVALUATION OF THE DEGREE OF EXTERNAL SUPPORT TO BE EXPECTED IN THE FUTURE, AND AN ASSESSMENT OF THE "THREAT" TO THE COMPOUND. DEBATE PROBABLY FOCUSES ON A SERIES OF THREE OR FOUR BROAD OPTIONS.

OPTION A: CONTINUE TO HOLD THE HOSTAGES WITHIN THE COMPOUND AND ATTEMPT TO STAGE SOME SORT OF MEDIA "EVENT" WHICH WOULD REFOCUS ATTENTION ON THE "CRIMES OF THE SHAH" AND/OR THE DUPLICITY OF AMERICAN "SPIES". TO DATE THE MILITANTS HAVE NOT BEEN SUCCUSSFUL IN THEIR ATTEMPTS TO GARNER INTERNATIONAL SUPPORT FROM THIRD WORLD NATIONAL LIBERATION MOVEMENTS OR FROM ANY PROMINENT LEFTIST POLITICAL FIGURES.THEIR CALLS FOR AN INTERNATIONAL TRIBUNAL HAVE NOT RESULTED IN ANY TANGIBLE MOVEMENT IN THAT DIRECTION. THEY MAY HOPE THAT THE RECENT ARRIVAL OF THE 49 LIBERAL AMERICANS MAY PROVIDE AN OPPORTUNITY OR STEPPING STONE TO SUCH AN EVENT. HOWEVER, IT IS DOUBTFUL THAT THE GOVERNMENT WILL ALLOW THIS TO HAPPEN. IF SUCH A TRIBUNAL WAS HELD WITHIN THE COMPOUND WITH SELECTED THIRD WORLD TV COVERAGE, IT MIGHT PROVIDE A FACE-SAVING VEHICLE FOR THE MILITANTS TO RESTATE THEIR POSITION, OFFER EVIDENCE OF AMERICAN "CRIMES", AND THEN MAGNANIMOUSLY RELEASE THE HOSTAGES. THIS OPTION WOULD THUS ALLOW THE MILITANTS AN APPEARANCE OF CONTROLLING THE SITUATION AND ENDING THE CRISIS ON THEIR OWN.

OPTION B: CONTINUE TO HOLD THE HOSTAGES WITHIN THE COMPOUND AND PREPARE TO DEFEND AGAINST ANY GOVERNMENT OF IRAN ATTEMPT TO GAIN CONTROL WITHIN THE COMPOUND. THE MILITANTS MAY BELIEVE THAT SUCH A STAND COULD REAFFIRM THEIR POSITION AS TRUE VANGUARDS OF THE REVOLUTION AND WILLING MARTYRS FOR ISLAMIC MARXISM. [redacted]

OPTION C: CLADESTINELY REMOVE SOME OR ALL OF THE HOSTAGES FROM THE COMPOUND TO ANOTHER LOCATION OR LOCATIONS. THIS OPTION WOULD ALLOW THE MILITANTS TO AVOID A PHYSICAL CONFRONTATION WITHOUT MATERIALLY AFFECTING THEIR BARGAINING POWER. IT WOULD REFOCUS WORLD ATTENTION ON THE HOSTAGE ISSUE AND EMBARRASS THE BANI-SADR GOVERNMENT. SUCH A MOVE WOULD PROBABLY RESULT IN A NUMBER OF SEPARATE DETENTION AREAS, COMPOUNDING THE PROBLEM OF SAFELY RECOVERING THE HOSTAGES. [redacted]

(A) [redacted]

(B) [redacted]

(C) [redacted]

(D) [redacted]

(E) [redacted]

(F) [redacted]

(G) [redacted]

4. IN SUMMARY, IT IS LIKELY THAT THE STUDENTS/MILITANTS HAVE AT LEAST THREE OPTIONS:

(A) CONTINUE CURRENT POSTURE, ARRANGE MEDIA EVENT, AND EVENTUALLY RELEASE THE HOSTAGES AT A TIME OF THEIR CHOOSING.

(B) BUILD UP DEFENSIVE CAPABILITY WITHIN THE COMPOUND AND PREPARE TO REPULSE ANY GOVERNMENT ATTEMPT TO GAIN CONTROL OF THE COMPOUND.

(C) BUILD UP A CAPABILITY TO SECRETLY RELOCATE OUT OF COMPOUND TO UNKNOWN LOCATION(S) TAKING SOME OR ALL HOSTAGES WITH THEM.

6. [redacted]

~~TOP SECRET~~

~~SUBJECT: SHORT TERM ASSESSMENT~~

1. PUBLIC DISCLOSURE OF THE SAFE EXIT OF SIX AMERICANS FROM TEHRAN, THE CONTINUATION OF POLITICAL FACTIONALISM, THE LESSENING OF FOCUS ON THE MILITANTS HOLDING THE EMBASSY TOGETHER WITH OTHER FACTORS SUCH AS THE SOVIET PRESENSE IN AFGHANISTAN AND THE QUESTIONABLE HEALTH OF KHOMEINI MAY PORTEND A MAJOR SHIFT IN THE HOSTAGE SITUATION.

(A) THE NEWLY ELECTED PRESIDENT BANI-SADR HAS STATED HE WOULD LIKE TO SEE THE HOSTAGE SITUATION RESOLVED QUICKLY. HOWEVER HIS ABILITY TO CARRY THIS THROUGH IS HIGHLY SUSPECT.

(B) FOREIGN MINISTER GHOTBAZADEH HAS CONSISTENTLY ATTEMPTED TO PROLONG THE INCIDENT, HAS PUBLICLY SUPPORTED THE MILITANTS, AND WILL CONTINUE TO MANIPULATE THE SITUATION TO HIS PERSONAL BENEFIT.

(C) THE MILITANTS HAVE STATED THEY WOULD NOT TURN THE HOSTAGES OVER TO A THIRD PARTY UNLESS SPECIFICALLY DIRECTED BY KHOMEINI.

(D) THE STATUS OF KHOMEINI'S HEALTH IS OPEN TO QUESTION. THE COMBINATION OF ADVANCED AGE, MINOR INFIRMATIES, AND RECENT HEART CONDITIONS MAKE THE EXTENT OF HIS CONTROL AND KNOWLEDGE OF REALITY LIMITED AND HIMSELF OPEN TO MANIPULATION BY COMPETING ELEMENTS.

(E) MODERATE ELEMENTS IN IRAN ARE WORRIED ABOUT THE FUTURE OF THEIR COUNTRY AND PROBABLY DESIRE THE HOSTAGE SITUATION BE RESOLVED QUICKLY WITH MINIMUM COMPLICATION. DESPITE THIS, THEY WILL CONTINUE TO BE EXTREMELY CAUTIOUS IN REVEALING THEMSELVES IN THE PRESENT ENVIRONMENT AND THEIR IMPACT ON A RESOLUTION OF THE CURRENT CRISIS IS MINIMUM TO NIL.

(F) THE LACK OF A PUBLIC PRONOUNCEMENT OF SUPPORT AT THE CLOSE OF THE MEETING OF 3RD WORLD LIBERATION MOVEMENTS REPRESENTATIVES HELD IN TEHRAN IN EARLY JANUARY WAS PROBABLY A DISAPPOINTMENT AND THE BEGINNING OF A PERIOD OF INTERNAL DEBATE AMONG THE CAPTORS.

~~SECRET~~

(G) THE ESCAPE OF THE SIX AMERICANS PROBABLY PROMPTED ADDITIONAL DEBATE AND [redacted]

(H) AS LONG AS KHOMEINI REMAINS ALIVE HE IS A STABILIZING FACTOR. NONE OF THE COMPETING ELEMENTS HAVE THE POWER TO OPENLY TAKE AN INITIATIVE THAT MIGHT RUN COUNTER TO THE IMAM'S DESIRES OR THE DESIRES OF HIS CLOSE ADVISORS.

2. AS LONG AS KHOMEINI REMAINS ALIVE THE CHOICES OPEN TO THE MILTANTS ARE RELATIVELY LIMITED.

(A) ESCORT HOSTAGES TO AIRPORT AND RELEASE AS MAGNANIMOUS GESTURE OF GOOD WILL.

(B) RELEASE THE HOSTAGES TO A 3RD PARTY AS DIRECTED BY KHOMEINI

(C) REFUSE TO RELEASE THE HOSTAGES AND RESTATE THEIR DEMAND FOR RETURN OF SHAH.

(D) MAINTAIN CONTROL OF HOSTAGES AND REFOCUS ATTENTION ON THEIR CAUSE BY INITIATING PUBLIC TRIALS OF SELECTED HOSTAGES.

3. HOWEVER THIS OFFICE HOLDS THAT FACTIONALISM EXISTS WITHIN THE COMPOUND AND SEVERAL SCHOOLS OF THOUGHT PROBABLY COMPETE FOR CONTROL.

(A) THE RELIGIOUS/MEDICAL STUDENTS WOULD BE INCLINED TO CONCLUDE THE INCIDENT WITHOUT BLOODSHED AND WOULD BE LIKELY TO OBEY A DIRECTIVE FROM KHOMEINI TO RELEASE THE HOSTAGES TO A THIRD PARTY.

(B) THE MORE RADICAL FACTIONS SUCH AS THOSE WHICH RECEIVED TRAINING FROM THE PLO WOULD PROBABLY BALK AT THE IDEA OF RELEASING THE HOSTAGES WITHOUT EXACTING SOME CONCESSIONS FROM THE USG.

4. HOWEVER IF KHOMEINI WERE TO DIE WITHOUT A CLEAR MANDATE OF AUTHORITY BEING ESTABLISHED THE MILITANTS WOULD PROBABLY QUESTION THE RELIABILITY OF THE PREVAILING AUTHORITIES AND CONSIDER THAT THEIR CAUSE WAS ABOUT TO BE SOLD OUT. THIS SUSPICION WOULD ENGENDER A MAJOR INTERNAL DEBATE WITH UNKNOW RESULTS.

5. IN SUMMARY ALTHOUGH NEGOTIATIONS ARE ONGOING BETWEEN IRANIAN OFFICIALS THE SGUN AND OFFICIALS OF THE USG, THE PRINCIPAL PARTICIPANTS (THE MILITANTS) ARE NOT INVOLVED AND THERE ARE NO INDICATIONS THAT THE MILITANTS HAVE ANY INTENTIONS OF MODIFYING THEIR OBJECTIVES. THE MILITANTS, OUT OF A BELIEF THAT VICTORY IS SLOWLY ESCAPING THEM, WILL ATTEMPT TO REFOCUS ATTENTION ON THEIR CAUSE THROUGH A MAJOR PEACEFUL MEDIA EVENT. HOWEVER IF KHOMEINI SHOULD DIE PRIOR TO A RESOLUTION OF THE CRISIS SOME OF THE MILITANTS MIGHT FEEL COMPELLED TO RESORT TO A MORE VIOLENT COURSE OF ACTION.

MEMORANDUM FOR DIRECTOR FOR OPERATIONS, JOINT STAFF

SUBJECT: Intelligence Capability (U)

Reference: J3-JCS Memorandum of 10 December 1980, subject as above.

1. (S) As noted in your memorandum, planning for the Iranian crisis was hampered initially by a lack of operational intelligence. As you observed, much of the required data could be acquired only by human sources and technical collection systems had limited utility in satisfying the requirements. [redacted]

Additional funds have been programmed and additional personnel have been dedicated to the type of problem you have noted. I am persuaded that our responsiveness will be enhanced as these measures take effect.

2. (S) [redacted]

normal collection activities" could be employed under some circumstances, at this time limited resources, extensive and diverse threat environments, and [redacted] other national-level initiatives militate against creation of such a cadre.

3. (U) The provision of timely and accurate intelligence support to both military planners and operational commanders is a matter of utmost concern to this Agency. Hence, methods are continually reviewed and improvements sought to enhance this key intelligence function. Your comments and thoughtful suggestions toward this end are appreciated.

MEMORANDUM FOR THE DIRECTOR FOR OPERATIONS, JOINT STAFF

SUBJECT: Pre-Incident Intelligence Preparations (U)

Reference: J3/JCS Memorandum of 8 December 1980, subject as above.

1. (S) Pursuant to your referenced memorandum, DIA approached the Department of State with your suggestions for improving the security of high-risk embassies. As State is currently involved in a multi-million dollar program to improve the security at embassies and consulates, they demonstrated a lively interest in the proposals. They were, however, concerned about the additional costs involved and the possibility of certain measures.

2. (S) While State is taking effective steps to improve the security posture of US diplomatic facilities worldwide, (enclosure 1), we have observed very little concrete action to implement any of your specific proposals. DIA therefore is developing a formal proposal to State's Office of Security to add impetus to the previous discussions.

3. [redacted] DIA also is preparing a proposal to introduce your suggestions through the National Foreign Intelligence Board. This will serve to broaden the [redacted] behind actions for embassy security as well as involving the [redacted] the development effort.

4. (U) We at DIA appreciate your thoughtful suggestions and concur that implementation of the measures you have proposed would enhance the security of our embassies. We will keep you advised of our efforts to involve the Department of State in effecting the security enhancement measures you have proposed.

1. (~~CONFIDENTIAL ENTIRE TEXT~~).

2. (U) AS YOU ARE AWARE, THE NEW ADMINISTRATION HAS TAKEN A STRONG STAND AGAINST TERRORISM AND THE PRESIDENT HAS SAID THAT HENCEFORTH AMERICAN REPRESENTATIVES WILL BE ACCORDED EVERY MEANS OF PROTECTION THAT AMERICA CAN OFFER. ANY FURTHER LOSS OF DIPLOMATIC FACILITIES OR THE TAKING OF OFFICIAL AMERICANS HOSTAGE WOULD HAVE GRAVE POLITICAL AND PSYCHOLOGICAL CONSEQUENCES. IN THIS CONNECTION, CHIEFS OF MISSION BEAR A SPECIAL RESPONSIBILITY FOR PROTECTION OF THEIR INSTALLATIONS AGAINST ASSAULT AND FOR THE SAFETY OF OFFICIAL AMERICANS ASSIGNED TO THEM. THEREFORE, IT IS INCUMBENT UPON ALL AMERICAN AMBASSADORS TO INSURE THAT EVERY APPROPRIATE STEP HAS BEEN TAKEN TO REDUCE THE VULNERABILITY OF THEIR INSTALLATIONS AND PERSONNEL TO TERRORIST OR MOB ACTION. YOU SHOULD INSURE THAT CONTINGENCY PLANS

DEPARTMENT OF DEFENSE
JOINT CHIEFS OF STAFF MESSAGE CENTER

ARE PREPARED AND PROVIDE FOR AN EFFECTIVE ORGANIZATION OF EMBASSY RESOURCES TO RESPOND SHOULD EMBASSY INSTALLATIONS COME UNDER ATTACK.

3. (U) FROM RECENT EXPERIENCE WE HAVE LEARNED SEVERAL IMPORTANT LESSONS WHICH ALL CHIEFS OF MISSION SHOULD TAKE INTO ACCOUNT IN PREPARING THEIR CRISIS CONTINGENCY PLANS. THESE INCLUDE:

-- THE NEED TO BE QUICKER AT REDUCING STAFF WHEN PUBLIC ORDER APPEARS FRACTURED AND THE ABILITY/INTENTION OF THE HOST GOVERNMENT IS IN QUESTION.

-- THE NEED TO DEFINE, COMMUNICATE AND EXERCISE EMERGENCY REACTION CHAIN-OF-COMMAND. THIS SHOULD INVOLVE CLEAR DESIGNATION OF A CHAIN OF COMMAND BELOW THE DCM.

-- THE CRITICAL IMPORTANCE OF REDUCING CLASSIFIED HOLDINGS TO BARE ESSENTIALS IN A VOLATILE POLITICAL ENVIRONMENT.

-- THE NEED TO ENSURE THAT INTERNAL DEFENSE PLANS AND INTERNAL DESTRUCTION PLANS ARE CLEARLY FORMULATED AND SUPPORTED BY FREQUENT LIVE DRILLS INVOLVING ALL POST PERSONNEL.

4. [redacted]

MCN=81095/01510 TOR=81095/0707Z TAD=81095/0708Z CDSN=RP0464

[redacted]

DEPARTMENT OF DEFENSE
JOINT CHIEFS OF STAFF MESSAGE CENTER

UNDERSTOOD BY ALL.

5. (U) CHIEFS OF MISSION SHOULD ALSO URGENTLY FOCUS ON WAYS TO STRENGTHEN THE EMBASSY AGAINST ASSAULT. IN THIS CONTEXT, AMBASSADORS ARE URGED TO CONSIDER ADOPTING A DEFENSIVE STRATEGY OF TAKING SUITABLE FORCEFUL ACTION EARLY IN ANY INCURSION TO AVOID BEING OVERWHELMED BEFORE THE FULL PANOLPY OF PASSIVE SECURITY MEASURES CAN BE INVOKED. WHEN SUCH A POLICY IS ADOPTED AT A PARTICULAR POST, IT SHOULD BE COMMUNICATED TO MARINE GUARDS - OTHER MISSION PERSONNEL WITH SECURITY RESPONSIBILITIES. PLANS WHICH INVOLVE A HIGHER DEFENSE PROFILE SHOULD BE

TESTED AND REVIEWED REGULARLY. IN ALL CASES, AMBASSADORS SHOULD UNDERSTAND THAT EVERY PRUDENT MEASURE SHOULD BE TAKEN TO PROTECT THEIR MISSIONS AND CONSTITUENT POSTS AGAINST ATTACK.

6. (U) THE DEPARTMENT FOR ITS PART IS MAKING EVERY EFFORT UNDER THE SECURITY ENHANCEMENT PROGRAM TO PROVIDE EQUIPMENT, MATERIALS AND OTHER ASSISTANCE TO IMPROVE THE SECURITY POSITION OF THE MOST ENDANGERED POSTS. THIS IS A MULTI-YEAR PROGRAM WHICH BY 1985 WILL HAVE RESULTED IN MAJOR SECURITY IMPROVEMENTS AT 125 OF OUR DIPLOMATIC AND CONSULAR POSTS.

7. (U) WE WOULD APPRECIATE BEING INFORMED BY MAY 15 OF STEPS WHICH YOU HAVE TAKEN IN RESPONSE TO ABOVE GUIDELINES AND OF ANY SPECIAL CONSIDERATIONS WHICH MAY ARISE AT YOUR MISSION IN CONNECTION WITH THEIR IMPLEMENTATION.

8. (U) FYI - THE DEPARTMENT IS CURRENTLY IN THE PROCESS OF FINALIZING AN EMERGENCY ACTION MANUAL (EAM) WHICH WILL NOT ONLY REPLACE THE OUTDATED EMERGCY AND EVACUATION MANUAL BUT ALSO INCORPORATE SECTIONS ON BOMB THREATS, INTERNAL DEFENSE, EMERGENCY DESTRUCTION AND COMMUNICATIONS, TERRORISM, HIJACKING AND DISASTERS INTO A SINGLE CRISIS MANAGEMENT VOLUME. POST REPLIES TO THIS MESSAGE WILL THEREFORE ALSO BE OF GREAT ASSISTANCE IN THE COMPLETION OF THE EAM WHICH WE PLAN TO DISTRIBUTE TO THE FIELD

WORKING PAPER
(Destroy when no longer needed)

I. Subject: Analysis of documents left aboard helicopters

II. Purpose: To conduct an operational analysis of the effect of compromise of documents and equipment left aboard helicopters at the desert #1 crash site.

III. Main points:

(1) Only helicopters #7 and #8 were left intact following the Iranian airstrikes and contained the following documents and equipment: (See Tab 1 for details)

TYPE DOCUMENTS ABOARD HELICOPTERS NUMBER 7 AND 8

- JTF-79 CEOI EXTRACT (TAB 2)
- EMERGENCY LZ BOOKS FOR TEHRAN AREA (NOT INCLUDED)
- ROUTE BOOKS WITH MAPS (NOT INCLUDED)
- CVW-8 CARD OF THE DAY (CALL SIGNS AND FREQUENCIES) (TAB 3)
- TACAIR INFORMATION (IDENTIFIES COORDINATES OF WAREHOUSE) (TAB 4)
- COURSE CARDS SHOW ENTIRE ROUTE TO TEHRAN AND MANZARIYEH (TAB 5)
- PILOT MISSION BRIEFING NOTES (NOT INCLUDED)
- WATCH SCHEDULE FOR HIDEOUT SECURITY (TAB 6)
- USS NIMITZ FREQUENCY CODES (NOT INCLUDED)

(2) COMSEC EQUIPMENT POSSIBLY COMPROMISED

- Only one KY-65 PARKHILL Tactical Voice Secure equipment device was possibly compromised. It was aboard helicopter #1 which was destroyed by Iranian airstrike.

[redacted]

- NESTOR Tactical Voice security equipment compromised aboard helicopters is considered [redacted] by NSA (par 1a, Tab 7).

(3) [redacted] Iranian TV releases confirm that documents and equipment removed from helicopters 7 and 8 were taken to Tehran by Ayatollah Khalkalki.

~~TOP SECRET~~

27B02

IV. Analysis of Security Compromise:

- Documents. There does not appear to be any long range security damage due to the compromise of documents left in helicopters 7 and 8.

-- Most damaging compromise is the identification and location of the Warehouse.

-- The rescue mission profile is discernable through analysis of documents aboard helicopters 7 and 8 to include:

--- Location of Hideout.

--- Targeting of Embassy and MFA.

--- Stadium vice Embassy was primary LZ.

--- Identification of emergency LZs in Teheran.

E --- Manzariyeh was staging site.

--- Identifies SFOD-Delta and Rangers.

--- Identifies JTF main was located at [redacted]

C [redacted]

IV. Conclusions:

- Sufficient time existed prior to the IAF bombing attacks for Iranian Gendarmerie to remove documents from all helicopters at the desert site; however, it is unlikely any equipment was removed.

- The document compromise effects are short range and except for the identification of the Warehouse are restricted to compromise of the rescue plan.

C [redacted]

KY-65 Parkhill device was probably destroyed by the IAF bombing and destruction of helicopter #1.

SECRET

[redacted]

2 (U) (~~TS~~) ITEM #2 GENERAL INSTRUCTIONS

A (U) (~~TS~~) THIS CEOI IS EFFECTIVE 24/0001Z APR 80

B (U) (~~TS~~) PRIOR TO D-1 ALL COMMUNICATIONS WILL BE BY SECURE MEANS EXCEPT ROUTINE AIR TRAFFIC CONTROL AND DECEPTION TRAFFIC.

C (U) (~~TS~~) FROM D-1 UNTIL COMPLETION OF OPERATION, LISTENING SILENCE IS IMPOSED ON ALL ELEMENTS. THIS SILENCE MAY BE BROKEN ONLY UNDER THE FOLLOWING CONDITIONS:

(1) REPORTING AS LISTED IN ITEM #6 REQUIRED REPORTS.
(2) AS REQUIRED USING SECURED WSC-3 AND PT-25 RADIOS.
(3) TO TRANSMIT EMERGENCY/DISTRESS TRAFFIC.
(4) TO TRANSMIT COMMAND AND CONTROL/COORDINATION TRAFFIC DURING THE ASSAULT AND EXTRACTION PHASE.
(5) ABSOLUTELY MINIMUM ESSENTIAL AIR TO AIR TRAFFIC ENROUTE (E.G. BETWEEN TANKERS AND MC-130S) USING KY 28 SECURED UHF.

D (U) (~~TS~~) ALL HF, VHF/FM VHF/AM, AND UHF SYSTEMS WILL BE NON-SECURE FROM D-1 (LAUNCH OF DELTA AND HELO FORCES) UNTIL END OF OPERATION, EXCEPT FOR AIRCRAFT UHF RADIOS, WHICH WILL BE KY 28 SECURED WHEN OUTSIDE THE TEHERAN/MA[redacted] AREA. UHF GUARD CHANNEL (243.00 MHZ) WILL BE MONITORED AT ALL TIMES.

E (~~TS~~) COMSEC MATERIAL TO BE USED.

(1) ORESTES (KW-7) FOR WSC-3 TTY NETS USKAK-[redacted]

[redacted]

B, C (2) PARKHILL (KY 65/75) USKAT -[redacted]
(3) NESTOR (KY 28/38) USKAK [redacted]
(4) [redacted]

(5) CRYPTO KEY WILL BE DAY 24. EVERYONE WILL STAY ON THE SAME KEY UNTIL OPERATION TERMINATION.

F (U) (~~TS~~) COMMUNICATIONS PROCEDURES.

(1) ALL TRANSMISSIONS WILL BE MADE IN THE FOLLOWING MANNER WITH TIME INTERVAL BETWEEN REPETITIONS STRICTLY OBSERVED.
(A) ALL RADIOS - TRANSMIT BY VOICE. WAIT FOR ACKNOWLEDGEMENT. IF NO RESPONSE HEARD WITHIN 30 SECONDS REPEAT TRANSMISSION AND WAIT 30 SECONDS. ON THIRD TRANSMISSION REQUEST ANY STATION HEARING CALL TO RELAY TO ADDRESSEE.
(B) ON HF COMMAND NET - IF THERE IS STILL NO CONTACT AFTER REQUEST FOR RELAY BY ANY STATION IS MADE, SEND MESSAGE IN INTERNATIONAL MORSE CODE.

Classified By: JCS
Declassified ON: OADR

COPY 2 OF 6 COPIES

14 PAGES

~~TOP SECRET~~

(2) TELETYPE TRANSMISSION ON THE WSC-3 UHF TACSAT JTF NET (COMMAND NET CHARLIE) IS NOT PERMITTED AFTER LAUNCH OF FORCES SO THAT THE NET REMAINS CLEAR FOR VOICE TRANSMISSIONS.

(c) (TS) PRIMARY PARKHILL PREAMBLE WILL BE "NON-HF", ALTERNATE PREAMBLE IS "HF" POSITION. PARKHILL OPERATORS MUST BE ABLE TO RECOGNIZE EACH MODE AND MUST "MATE" WITH THE TRANSMITTING STATION.

(3) FREQUENCY: UPLINK XMT 309.450 DOWNLINK REC 268.450
D. (U) (TS) COMMAND NET DELTA, HF SSB; UPPER, VOICE OR CODE NON-SECURE. (JTF MAIN NCS)
(1) OPERATING STATIONS: JTF-MAIN, JTF-ALTERNATE, DELTA, HELOS, SPECTRE, TALONS, NIMITZ, MANZARIYEH RANGERS, EC-130S, C-141S, TANKERS.

A, E

[redacted]

(2) FREQUENCIES DAY (0600Z-1759Z) 17967 KHZ
NIGHT (1800Z-0559Z) 8855 KHZ

(3) OPERATING INSTRUCTIONS:

(A) THIS NET IS A SECONDARY BACK-UP TO THE PSC-1 AND PT-25 SATCOM NETS AND STATIONS WILL BE ON LISTENING SILENCE EXCEPT WHEN AN EMERGENCY DICTATES TRANSMISSION AS DETERMINED BY THE COMMANDER MAKING SUCH TTRANSMISSION.

(B) THIS NET WILL BE USED AS REQUIRED WHEN DELTA EXECUTES THE ASSAULT..

(C) SERVES AS EMERGENCY COMMUNICATIONS NET FOR ALL FORCE ELEMENTS.

E. (TS) EXTRACTION IN FLIGHT NET, UHF, NON SECURE, EXCEPT AS STATED BELOW (DELTA NCS)

(1) OPERATING STATIONS: DELTA, HELOS, [redacted] RECEPTION PARTY, [redacted]

(2) FREQUENCY: 305.7 MHZ PRIMARY. SEE PARA 5.1 FOR SECONDARY. 321.6 MHZ WILL BE SECONDARY ONLY FOR RECEPTION PARTY/ HELO LINK UP.

(3) OPERATING INSTRUCTIONS:

(A) THIS NET WILL BE USED FOR GROUND TO AIR/AIR TO GROUND COMMUNICATIONS BETWEEN DELTA, HELOS AND DELTA RECEPTION PARTY.

(B) THIS NET WILL ALSO BE USED FOR AIR TO AIR COMMUNICATIONS BETWEEN HELOS. HELOS WILL SECURE THIS NET WITH KY-28 SECURE DEVICE FROM TIME OF DEPARTURE UNTIL ARRIVAL AT THE HIDE SITE. AFTER ARRIVAL AT THE HIDE SITE THE NET WILL BE NON-SECURE UNTIL COMPLETION OF THE OPERATIONS, SO AS TO ALLOW COMMUNICATION WITH GROUND ELEMENTS WHICH DO NOT HAVE SECURE DEVICES.

(U)F. (TS) DELTA COMMAND NET, VHF-FM, NON-SECURE (DELTA NCS)

(1) OPERATING STATIONS: DELTA, SPECTRE IN SUPPORT OF DELTA AND NAVY TACAIR

(2) FREQUENCY: 341.4 MHZ PRIMARY. 240.5 MHZ SECONDARY.

(3) OPERATING INSTRUCTIONS:

A. THIS NET IS PRIMARILY FOR USE OF DELTA ELEMENTS

B. THIS NET IS BACK-UP TO THE DELTA UHF COMMAND NET FOR COMMUNICATIONS BETWEEN DELTA AND HELOS

C. THIS NET IS ALSO BACK-UP TO THE DELTA FIRE SUPPORT NET FOR COMMUNICATIONS BETWEEN DELTA AND SPECTRE IN SUPPORT OF DELTA.

G. (TS) DELTA FIRE SUPPORT NET, UHF, NON-SECURE (DELTA NCS)

(1) OPERATING STATIONS: DELTA, SPECTRE IN SUPPORT OF DELTA AND NAVY TACAIR

(2) FREQUENCY: 341.4 MHZ PRIMARY. 240.5 MHZ SECONDARY.

(3) OPERATING INSTRUCTIONS: THIS NET IS USED FOR COMMUNICATIONS BETWEEN DELTA, THE SPECRE SUPPORTING DELTA AND ANY NAVAL TACTICAL AIR WHICH MAY BE CALLED TO PROVIDE SUPPORT.

(U)H (S)(TS) AIR TRAFFIC CONTROL NET, UHF, NON-SECURE EXCEPT AS STATED BELOW (CCT NCS)

(1) OPERATING STATIONS: CCT ATC ELEMENT AT DESERT LAND CCT ATC ELEMENT AT MANZARIYEH, TALONS, SPECTRE, HELOS, TANKERS,

C-141S, EC 130S AND NAVY TACAIR.
(2) FREQUENCY: 321.6 MHZ PRIMARY. SEE PARA 5.1 FOR SECONDARY.
(3) OPERATING INSTRUCTIONS:
(a) THIS NET IS USED FOR AIR TRAFFIC CONTROL AT DESERT LAND AND MANZARIYEH. ALL AIRCRAFT WILL BE ON THIS FREQUENCY WHEN IN THE DESERT LAND AND MANZARIYEH AREAS. HELOS WILL SWITCH FROM THE DELTA UHF COMMAND NET FREQUENCY TO THIS FREQUENCY AFTER DEPARTURE FROM THE EMBASSY COMPLEX.
(B)THIS FREQUENCY IS AISO USED FOR AIR TO AIR COMMUNICATIONS ENROUTE BETWEEN AND AMONG TALONS, TANKERS, SPECTRES, EC 130S AND C-141S. SUCH USE WILL BE ONLY THE MINIMUM ESSENTIAL AND WILL BE KY-28 SECURED. SWITCH TO NON-SECURE WHEN WITHIN 100 MILES OF MANZARIYEH TO ALLOW COMMUNICATIONS WITH GROUND ELEMENTS.
(C) THIS FREQUENCY WILL ALSO BE USED FOR AIR TO AIR COMMUNICATION DURING AIR REFUELING OF NAVY TAC AIR.

I. (TS) HELO COMMAND/AIR TRAFFIC GROUND CONTROL NET, VHF-AM, NON-SECURE (CCT NCS)
(1) OPERATING STATIONS: CCT ATC ELEMENTS AT DESERT LAND AND [redacted] TALONS, SPECTRES, HELOS, C-141S, EC 130S
(2) FREQUENCY: 121.65 MHZ
(3) OPERATING INSTRUCTIONS:
A. THIS NET IS USED FOR ACT GROUND CONTROL COMMUNICATIONS AT DESERT LAND AND MANZARIYEH. ALL AIRCRAFT WILL BE IN THIS NET WHEN IN THE DESERT LAND AND MANZARIYEH AREAS.
B. THIS NET IS ALSO THE ALTERNATE UHF ATC NET.
C. THIS NET MAY ALSO BE USED AS BACK-UP AIR TO AIR NET BETWEEN AND AMONG AIRCRAFT WHILE EN-ROUTE. HOWEVER, AIR TO AIR COMMUNICATIONS MUST BE STRICTLY MINIMIZED WHEN IN THE DESERT LAND AND MANZARIYEH AREAS TO PRECLUDE INTERFERENCE WITH ATC GROUND CONTROL OPERATIONS. SINCE THIS NET IS NONSECURE ONLY EMERGENCY TRAFFIC MAY BE PASSED ENROUTE WHEN OUTSIDE THE TEHRAN/ MANZARIYEH AREA.

J. (TS) RANGER FIRE SUPPORT NET, UHF, NONSECURE (RANGERS NCS)
(1) OPERATING STATIONS: MANZARIYEH RANGERS, SPECTRE IN SUPPORT OF RANGERS AND ANY NAVAL TACTICAL AIR WHICH MAY BE CALLED TO PROVIDE SUPPORT.
(2) FREQUENCY: 348.4 MHZ PRIMARY, 240.5 SECONDARY.
(3) OPERATING INSTRUCTIONS: THIS NET IS USED FOR COMMUNICATIONS BETWEEN THE MANZARIYEH RANGERS AND THE SUPPORTING SPECTRE.

K. (TS) RANGER INTERNAL NETS:
FM COMMAND NET: 32.10 MHZ
DACO FM NET: 46.50 MHZ
FIRE SUPPORT FM NET: 38.20 MHZ
THESE ARE INTERNAL RANGER NETS. FRIENDLY STATIONS MAY ENTER THE NETS IN EMERGENCIES WHEN PRIMARY COMMUNICATIONS FAIL.

L. (TS) ALFA/HELO UHF NET, UHF-AM NONSECURE
(1) OPERATING STATIONS: [redacted] (NCS), HELOS
(2) FREQUENCY: 361.7 MHZ
(3) OPERATING INSTRUCTIONS: THIS NET WILL BE USED BETWEEN [redacted] AND DESIGNATED HELOS FOR EXTRACTION.

[redacted]

M. (U) (PS) AIR REFUELING NET, UHF-AM, SECURE

(1) OPERATING STATIONS: TALONS, SPECTRE, EC-130, C-141, TANKERS, NAVAL TAC AIR.

(2) FREQUENCY: 321.6 MHZ

(3) OPERATING INSTRUCTION:

(A) THIS NET WILL BE USED DURING IN-FLIGHT REFUELING OPERATIONS BETWEEN TANKERS, C-130 TYPE AIRCRAFT AND C-141 AS REQUIRED.

(B) THIS NET WILL ALSO BE USED TO SUPPORT NAVAL TACTICAL AIR IN-FLIGHT REFUELING IF NECESSARY.

(4) AIR REFUELING INFORMATION:

SUPPORT AIRCRAFT	AIR-TO-AIR TACAN (RCVR/TNKR)	BEACON
NAVY-GULF OF OMAN AND ARABIAN SEA	30/93	2-1-1
	31/94	1-1-3
NAVY-PERSIAN GULF		
EC-130-GULF OF OMAN AND ARABIAN SEA	32/95	2-1-3
	33/96	2-1-2
MC-130	29/92	2-2-1
AC-130		

N. (U) (PS) COORDINATING INSTRUCTIONS:

(1) ALL ELEMENTS MUST BE THOROUGHLY FAMILIAR WITH THE ABOVE NETS. ALTERNATE NETS MAY BE ENTERED BY FRIENDLY FORCES IN THE EVENT PRIMARY COMMUNICATIONS FAIL DUE TO EQUIPMENT FAILURE OR FREQUENCY INTERFERENCE.

(2) ALL ELEMENTS MUST GUARD ALL NETS IN WHICH THEY ARE LISTED AS OPERATING STATIONS.

O. (PS) NAVAIDS:

(1) TRN 41 TACAN AT DESERT LAND: CHAN 99 IDENT PETE

(2) TRN 41 TACAN AT MANZARIYEH: CHAN 99 IDENT FRED

(3) GAR-1 BEACON - CODE 1 (ALL SWITCHES IN UP POSITION)

(4) ANY RADIO MAY BE USED AS A NAVAID BY SETTING ON FREQUENCIES AS LISTED FOR NETS ABOVE.

NAVAID. ON FREQUENCY 243.00 MHZ IT CAN BE USED IN THE BEACON, VOICE AND CW MODE. FREQUENCY 282.8 MHZ IT CAN BE USED IN THE VOICE MODE ONLY.

AN/WSC-3 ~~CONFIDENTIAL~~

- 100 Watt FM, FSK, PSK
- 30 Watt AM - Narrowband and Wideband
- MTBF - 2100 Hours Demo
- ERT - 10 Minutes Demons
- Built-in Test Equipment
- Remote Control with 20 Preset Channel Selectio and Modulation Mode Selection
- Nuclear EMP/TREE Harde
- Multicoupler Compatible

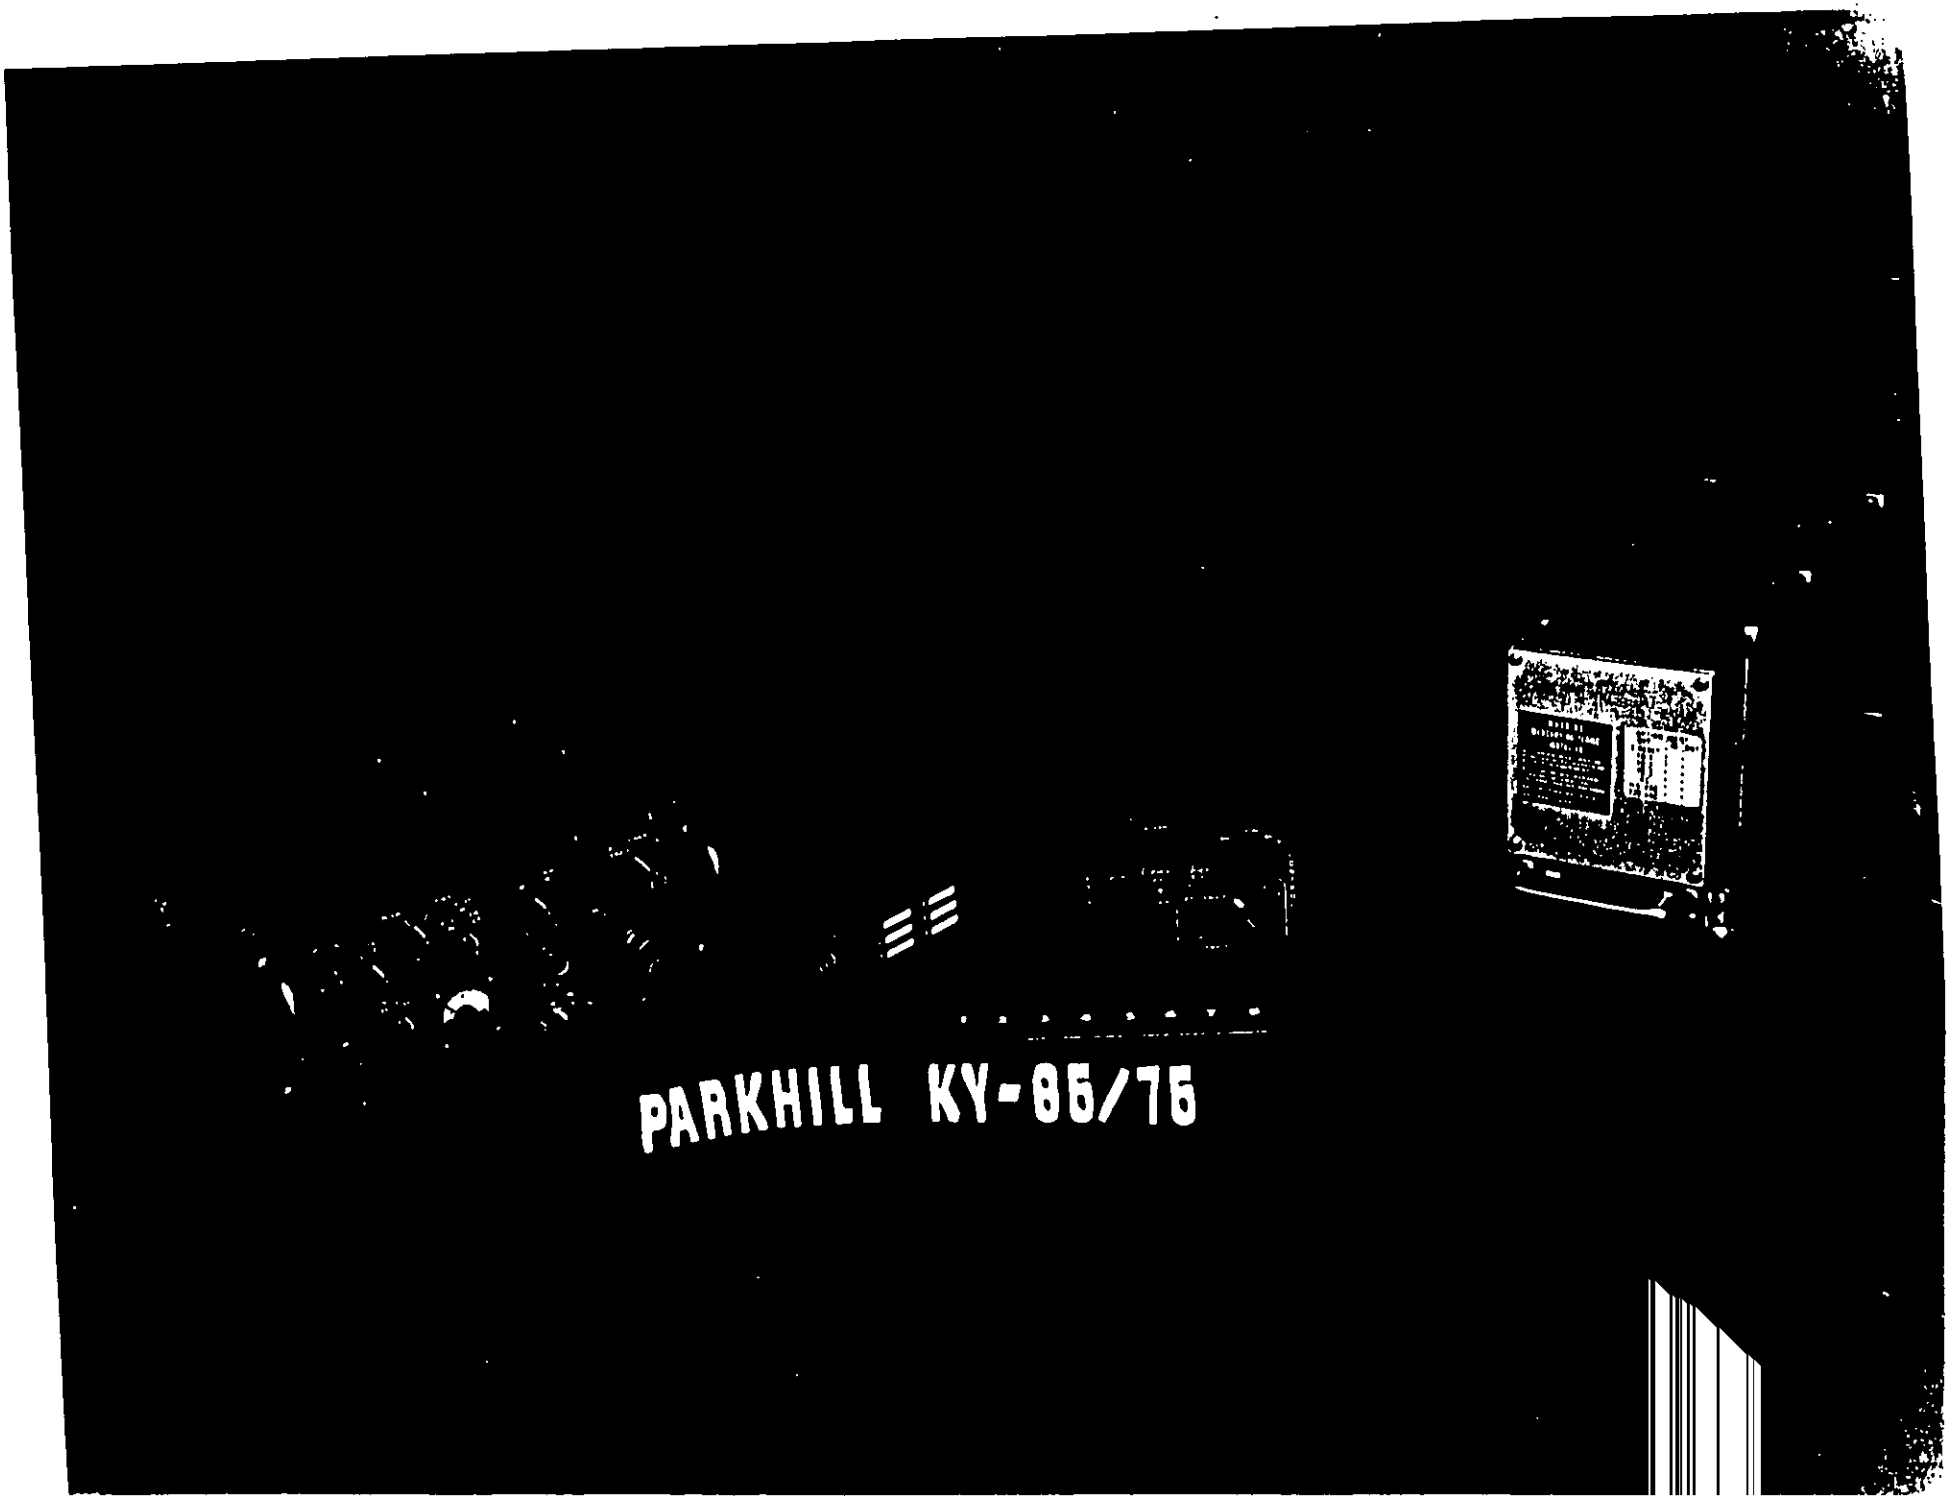

Developed for the U.S. Navy, the AN/WSC-3 is a highly flexible, new generation ship/submarine UHF satellite – LOS communications terminal which sends and receives AM/FM or data information via satellite relay or line of sight. The AN/WSC-3 (Whiskey-3) has a minimum of 100 watts output in FM or data modes. It features internal modulation and detection for 75 bits per second FSK or 75 to 9600 bits per second PSK. A 70 MHz interface capability is provided for expansion with a variety of external modems.

SUBJECT: SOVIET REACTION TO US MILITARY INTERVENTION IN IRAN.

1. (U) (S) THE SCOPE AND NATURE OF USSR REACTIONS TO A US MILITARY INTERVENTION WOULD DEPEND VERY MUCH ON WHAT MOSCOW THOUGHT WERE THE US MOTIVES. IF THE SOVIETS CONCLUDED THAT A SMALL, QUICK US MILITARY MOVE WAS DESIGNED STRICTLY TO OBTAIN RELEASE OF THE HOSTAGES, THEY MAY NOT INTERVENE. HOWEVER, THE SOVIETS WERE HIGHLY EMBARRASSED BY THEIR OBVIOUS LACK OF KNOWLEDGE ABOUT THE EAST RAID. WHEN VIEWED IN CONJUNCTION WITH THEIR ACTIONS IN AFGHANISTAN AND, MORE RECENTLY, EVENTS IN POLAND, ACTION BY THE SOVIETS IN THE EVENT OF ANOTHER HOSTAGE RELEASE ATTEMPT IS MUCH MORE LIKELY [redacted]

2. (U) (S) IF THE SOVIETS CONCLUDED THE US INTENDED TO CREATE A PRO-US REGIME IN TEHRAN OR TAKE THE OILFIELDS, THEY WOULD PROBABLY PREEMPTORILY INVADE AND OCCUPY ALL OR PART OF IRAN.

3. (U) (S) IN ANY CASE, REACTION IN THE FORM OF RUSSIAN INVASION WOULD TAKE A MINIMUM OF TWO WEEKS AND PROVIDE 5-10 DAYS WARNING.

4. (U) (S) EMPLOYMENT OF SOVIET TACTICAL AIR RESOURCES AGAINST A SMALL US HOSTAGE-RELEASE TYPE OF FORCE IS POSSIBLE, ALTHOUGH NOT PROBABLE [redacted]

5. (U) (S) DESPITE THE PREPONDERANCE OF TACTICAL AIR AND PVO STRANY (SOVIET AIR DEFENSE FORCES), THESE AIR FORCES WOULD PROBABLY NOT BE EMPLOYED AGAINST A US RESCUE FORCE FOR THE FOLLOWING REASONS:

A. DIRECT SUPERPOWER FORCE CONFRONTATION.

~~SECRET~~

[redacted] TIME WOULD MITIGATE AGAINST SUCCESS.

C. LESS ADVANTAGE TO INTERDICT THAN TO INVADE AND "PROTECT IRAN" VIA 1921 AGREEMENT.

[redacted]

6. (TS) ALTHOUGH ANY MILITARY ACTION TAKEN BY THE US COULD TRIGGER A SOVIET REACTION, DIRECT TACTICAL OR PVO STRANY INTERDICTION OF A US RESCUE IS NOT LIKELY.

1. I HAVE HAD SUFFICIENT TIME TO REEXAMINE OUR PAST ACTIVITIES AT YUMA DURING 03-06 DEC, AND PASS TO YOU MY JUDGEMENT ON KEY ISSUES:

A. THE AIR DROPPING OF HELO FUEL MUST BE VIEWED AS A LAST RESORT/EMERGENCY METHOD OF REFUELING HELOS IN ANY PHASE OF OUR PROPOSED OPERATION. THE PROBABILITY OF RECOVERING USABLE FUEL IS NOT VERY GOOD COUPLED WITH THE MAMMOTH TASK OF RECOVERY OF AIR ITEMS/FUEL ETC.

B. YOU ARE WELL AWARE OF THE HELO PILOT PROBLEM. THEIR ABILITY TO FLY AT NIGHT DID NOT IMPROVE DURING YOUR ABSENCE. IN FACT, IT WAS FORTUNATE THAT WE DID NOT LOSE AN ELEMENT OF DELTA AS A RESULT OF A HELO CRASH. THERE ARE THREE STRAIGHT FORWARD IMPORTANT PRINCIPLES INVOLVED IN SELECTING PERSONNEL TO PERFORM EXTRAORDINARY HAZARD TASKS/SPECIAL OPERATIONS.

(1) THE INDIVIDUAL BEING CONSIDERED FOR THE ABOVE TASKS MUST UNDERSTAND THE RISKS, VOLUNTEER, AND BE CAREFULLY SELECTED BASED ON AN APPROPRIATE ASSESSMENT PROCESS.

(2) TIME MUST BE ALLOTED TO TRAIN AND EVALUATE EACH VOLUNTEER CANDIDATE.

(3) EACH CANDIDATE MUST BE PROVIDED WITH PRECISELY THE SAME TOOLS, MACHINES HE WILL USE ON AN ACTUAL OPERATION.

(4) THERE ARE NO SHORT CUTS TO THE ABOVE THREE PRINCIPLES. I ALSO REALIZE I AM PREACHING TO THE CHIOR. HOWEVER, IT HAS BEEN MADE OBVIOUS TO ME THAT THE ABOVE PRINCIPLES WERE NOT CONSIDERED IN SELECTING THE HELO CREWS TO INSERT AND EXTRACT DELTA INTO IRAN.

C. STRONGLY RECOMMEND THAT EVERY EFFORT BE MADE TO CONDUCT THE NEXT FIX, INVOLVING DELTA, HELOS, TALONS AND SPECTRE AT SITE 51 VICE YUMA. DELTA PERSONNEL REMAINED IN THEIR ISOLATED SITE DURING THE ENTIRE PERIOD AT YUMA. ON THE OTHER HAND, OTHERS RESIDED IN SEPARATE LOCATIONS IN PLUSH BILLETS AND WERE EXPOSED TO OUTSIDE AGENCIES, USE OF COMMERICAL TELEPHONES AND THE U.S. MAIL. IN MY VIEW, OUR LOW VISIBILITY APPROACH TO A NON-PERMISSIVE FORCE OPTION MAY QUICKLY BECOME HIGH VISIBILITY BASED ON THE OPSEC CONSIDERATIONS. I WILL BRIEF YOU ON MY FUTURE PLANNED TRAINING PROGRAM TOMORROW. VERY RESPECTFULLY.

[illegible] DEC 2009

(U) [redacted] The independent analyst cannot support the conclussions concerning the sensitivity of the probabilities of five arriving at the extraction site to a 5% reduction in probability of take-off at the hide site. The probability of five mission capable arriving would be .856 rather than .636. Therefore, the subsequent observations would appear to be in question. It is agreed that a pre-mission parametric analysis might have provided the mission planners with a more perspective in-sight into the probabilities of mission success or failure from the standpoint of systems reliability. However, the analysts confirm that the synergistic effects of unrelated and unpredictable events, such as those experienced by helicopter #5, or combat losses, cannot be quantified.

(U) [redacted] The paragraph on Page E-6 concerning Figure E-1 is not clear as to how the histogram of malfunctions relates to RH-53Ds. Without reference to the type of aircraft, the nature of the failures (i.e., abort or non-abort malfunction), or the schedule length of sortie, it is difficult to ascertain the relevance of this figure to the failures experienced on this mission. One occurred two hours after take-off. The second abort occurred almost four hours into the mission. The third aircraft flew for almost six hours before the decision was made that it could not continue.

(U) [redacted] It should be noted that the "peacetime rules" probabilities identified by the analysts were selected to represent the "worst case" to be expected by the planners, given the limitations of the analysis and the available data. For example, the data available from the NIMITZ indicates that during the period of 1 Jan 80 to 10 Mar 80 the average mission was significantly longer (4.55 hours) and the pre-flight and in-flight abort rates were substantially lower. Therefore, the analysts elected to choose abort rates which would represent what could be expected to be the best (combat) or worst (peacetime) cases.

(U) [redacted] Annex E correctly concludes that additional RH-53Ds could have been accommodated on the NIMITZ and that additional crews could have been trained if the requirement had been recognized by the mission planners. A pre-mission statistical analysis of the available data could have given the planners a better in-sight into the probabilities of successfully completing the mission. It could also have served to identify the limitations of the analysis to predict, with any degree of confidence, those events such as combat losses, unforecast weather conditions or accident caused by aircrew error. This might have caused the planners to re-evaluate mission requirements and request additional aircraft and crews.

[redacted]

(U) [redacted] The Annex postulates several scenarios which are operationally feasible. The scenario wherein some helicopters would return to NIMITZ from a predetermined point would require the Helicopter Flight Leader to communicate with the flight to determine which aircraft were most capable of continuing the mission. Whether or not such communications would have compromized the mission would be speculative.

(U) [redacted] One scenario calls for nine RH-53Ds to receive 1700 gallons each from the three EC-130s and two additional RH-53Ds to receive 900 gallons each to either return to NIMITZ or continue directly to the hide-side. This scenario is operationally feasible. However, for the eleventh RH-53D to receive the full 900 gallons, it would have to be refueled from three different tankers. This would virtually eliminate any contingency fuel for the C-130s.

(U) [redacted] In summary, Annex E is an objective evaluation of the factors bearing on the determining the appropriate number of helicopters to be used on the mission. In retrospect it can be concluded that there were an insufficient number of helicopters and crews available for, and scheduled to fly the mission. But, it should also be noted that, had any one of the events which influenced the crew of helicopter #5 to abort not occurred, there is a high probability that there would have been a sufficient number of mission capable helicopters at Desert One to continue the mission.

[redacted]

[redacted] CONFIDENTIAL B2

IMPERATIVE ACTIVITY/DOMI[redacted]UTHORITY CONCEPT

1. The Commander, JTF, is in ful[redacted]ve[redacted]rall command of all forces, during all phases of eac[redacted]TI[redacted] operation. All subordinate commanders will func[redacted]n in an Imperative Activity/Dominant Authority Mode[redacted]

2. Imperative Activity is define[redacted]s [redacted]he portion of the operation which, at a given poin[redacted]t[redacted]ime, is critical to successful mission completion.

3. The term Dominant Authority de[redacted]e[redacted] the commander responsible, at that time, for e[redacted]t[redacted]on of the Imperative Activity.

4. The Dominant Authority concept [redacted]p[redacted]lies temporary OPCON of one or more lateral elements; not [redacted]fo[redacted]rmal transfer of command. For example, during an [redacted]f[redacted]ield seizure phase, the Ground Forces Commander (GFC) has [redacted]e [redacted]mperative Activity and, for that period, is the Domi[redacted]:[redacted]uthority. The Air Mission Commander (AMC) who had ju[redacted]l[redacted]nded, would remain in the JTF command net, but would be [redacted]p[redacted]red to execute, on order of the GFC (under the monitc[redacted]g [redacted]of the Commander, JTF), various tasks necessary to s[redacted]e[redacted]sfully complete the seizure phase of the operation.

5. At certain times during an oper[redacted]on[redacted], there may be more than one Dominant Authority. An e[redacted]p[redacted]le might be the Air Support Commander defending agains[redacted]t[redacted]air attack over the target area at the same time t[redacted]g[redacted]round assault phase was in progress. In these instanc[redacted]:h[redacted] general situation and the nature of events will dicta[redacted]w[redacted]ich commanders respond to the requirements of the [redacted]e[redacted]s. Priorities will be monitored and adjusted, and posi[redacted]e command guidance will be provided when required, by [redacted]Commander, JTF.

REMARKS

The attached memorandum provides recommendations regarding the reintroduction of American news personnel into Iran. The recommendations are listed in three paragraphs. The first recommends against the reintroduction, the second provides a list of possible concessions to be sort from the Irans in exchange for allowing the reintroduction; the third provides suggestions regarding the status of the three Americans held in the Iranian Ministry of Affairs.

THE JOINT CHIEFS OF STAFF
WASHINGTON, D.C. 20301

THE JOINT STAFF

29 February 1980

Jim - I discussed with Sec Def. He agrees you have some good points. We will consider if any further movement towards reengaging Iran recognizing how difficult it will be. JV

MEMORANDUM FOR CHAIRMAN JOINT CHIEFS OF STAFF

Subject: Iran, Reintroduction of Media (U) (TS)

1. (TS) The reintroduction of selected American media into Iran will complicate any future rescue operations by increasing the number of potential "replacement" hostages available. I recommend against it.

2. (TS) However if the decision is made to reintroduce American media recommend all or most of the following conditions be posed to the Government of Iran prior to reintroduction.

a. Guarantee of personnel safety.

b. Guarantee of freedom of movement.

c. Guarantee of unrestricted departure.

d. Guarantee of no-press censorship.

e. Guarantee of immediate access to all American hostages by media reps and American medical team.

f. Guarantee of scheduled weekly access to all hostages and USG personnel being held in MFA.

g. Recognition of Mr. Laingen, and party as official USG representatives with full diplomatic immunity including freedom of movement and freedom of private communication and continuing access to the compound hostages.

h. Recognition of the fact that the failure to fulfill any and all of these guarantees is a purposeful abrogation of the civil and religious responsibilities of the Government of Iran.

3. (TS) If the decision to allow American media to reenter Iran is made without extracting any of the above suggested or alternate concessions recommend that every effort be made to clarify the official position of the Iranian Government regarding the status of Mr. Laingen, Howland and Tomseth. It is readily apparent that the militants do not control the fate of these three gentlemen, but the civil government, particularly the foreign ministry, does. The return of Mr. Laingen, Howland, and Tomseth to the USA for "discussions" or their amalgamation with the compound hostages would substantially ease any future rescue operations.

(U) ~~Iet~~ Commission Visit to the Hostages Still Not On

A spokesman at the Embassy informed UPI this morning that Khomeini has not yet ordered the militants to allow the Commission to visit the hostages. We believe Bani-Sadr and the Revolutionary Council are continuing to work hard to get such an order issued; Khomeini, however, may prove to be unwilling or unable to exert his authority with the militants. The Commission remains in Tehran for the moment in the hope that something still can be arranged.

(U) ~~Tudeh Party Claims Winning Seats Not Its Goal~~

FBIS reports Iran's Marxist Tudeh Party as saying yesterday that it plans to participate in the upcoming elections, but "not to secure seats or form an influential faction" in the new Parliament. Rather, according to the Party statement, it plans to make use of the campaign for a "distortion free propagation of the Party's program and to build closer relations between the Party and the masses." 110 Tudeh candidates will contest the election, 70 of them from Tehran.

The Party may not even be able to use the campaign for propaganda purposes. A Reuter report this morning quotes a revolutionary official as saying a Marxist cannot believe in Islamic teachings and so Tudeh candidates will be banned from running for Parliament.

(U) American Journalists to Re-enter Iran Shortly

Tehran Radio announced yesterday that the appropriate revolutionary authorities have decided that "within the next few days" one group of reporters from American radio and television and "a very few" representatives of U.S. newspapers will be given permission to return to Iran. Those journalists to be blessed with new entry visas must be proven to be "not biased in preparing reports."

SUBJECT: ASSOCIATED PRESS NEWS REPORTS

THE FOLLOWING WAS RECEIVED AT 1054 EST:

IRAN-STRIKE FORCE--N.C.

URGENT

(WASHINGTON) + SOURCES SAY TODAY THAT THE U.S. MILITARY UNIT THAT TRIED TO RESCUE THE AMERICAN HOSTAGES IN IRAN IS A HIGHLY SECRET ANTI-TERRORIST FORCE BASED AT FORT BRAGG. THE SOURCE SAYS PLANNING FOR THE OPERATION WAS WELL UNDERWAY IN JANUARY AND THAT THE SPECIAL UNIT HAD VIRTUALLY UNLIMITED BUDGET AND ACCESS TO THE MOST SHPHISTICATED WEAPONS AND DEBILITATING GASES.

-DASH-

THE SOURCE SAYS THE ALL-VOLUNTEER UNIT WAS KNOW AS THE DELTA TEAM. PENTAGON SOURCES CONFIRMED THERE WAS A DELTA TEAM, ALSO KNOWN UNDER THE CODE NAME OF BLUE LIGHT. BUT THEY COULD NOT CONFIRM THAT THIS WAS THE TEAM INVOLVED IN THE ABORTIVE ACTION. THE ATTEMPT LEFT EIGHT SERVICEMEN DEAD IN THE COLLISION OF TWO AIRCRAFT. SOURCES SAY ONLY A HANDFUL OF TOP OFFICIALS KNEW WHAT UNITS AND HOW MANY MEN WERE INVOLVED IN THE ACTUAL OPERATION. PENTAGON OFFICIALS WOULD NOT COMMENT ON THE REPORT, SAYING THE PENTAGON HAD NOTHING TO ADD BEYOND WHAT PRESIDENT CARTER HAD ANNOUNCED.

MORE STRIKE FORCE

WASHINGTON...

THE SOURCE SAYS HE PERSONALLY WAS AWARE OF THE PLANNING. HE SAYS THE DELTA TEAM OPERATIONS WERE DIRECTED BY A SPECIAL DIRECT ACTION GROUP OF PLANNERS IN THE PENTAGON. HE SAYS THE TEAM WAS A SPECIALLY DESIGNED COUNTER-TERRORIST UNIT THAT WAS TRAINED IN RESCUING HOSTAGES AND IN THE USE OF NAUSEA-PRODUCING GASES. THE PENTAGON HAS IN THE PAST ACKNOWLEDGED THE EXISTENCE OF A TEAM MODELED ON THE CRACK ISRAELI AND WEST GERMAN ANTI-TERRORIST UNITS AND HAS SAID IT WAS HEADQUARTERED AT FORT BRAGG.

-DASH-

THE TEAM REPORTS DIRECTLY TO THE JOINT CHIEFS OF STAFF AND IS COMPOSED PRIMARILY OF VOLUNTEERS FROM ARMY SPECIAL FORCES AND RANGER UNITS. THE ARMY IS RESPONSIBLE FOR THE UNIT'S TRAINING. THERE WAS NO INDICATION ON THE SIZE OF THE DELTA TEAM. AT THE TIME OF ITS FORMATION IN 1978. PENTAGON OFFICIALS SAID THEY WERE SEEKING BETWEEN

SUBJECT: EVIN, QASR AND THE COMMITTEE PRISONS

(U) 1. EVIN PRISON (MAP GRID 3662) IS A FORMER SAVAK FACILITY WHICH HOUSED THE SHAH'S POLITICAL PRISONERS AS WELL AS INVESTIGATIVE AND SUPPORT ELEMENTS OF SAVAK DEPARTMENT THREE (INTERNAL SECURITY).

(U) 2. EVIN PRISON IS A ROUGHLY CIRCULAR COMPOUND OF AN ESTIMATED 195,000 SQUARE METERS LOCATED WEST NORTHWEST OF THE SHEMIRAN AREA AND ABOUT ONE MILE NORTHWEST OF THE TRADE FAIR GROUNDS. IT CONSISTS OF A NEW PRISON, AN SMALLER OLD PRISON, BARRACKS FOR 35 MILITARY POLICE GUARDS, SAVAK DEMONSTRATION AND CLASSROOMS, AN INDOOR SHOOTING RANGE, WEAPONS AND AMMO BUNKERS. A PRISONERS' MEETING BUILDING, STAFF APARTMENTS, THE PRISON DIRECTOR'S RESIDENCE AND A GUARDS GYMNASIUM (UNDER CONSTRUCTION).

(U) 3. THE EVIN PRISON COMPOUND IS SURROUNDED BY A FIFTEEN FOOTBRICK WALL ABOUT ONE FOOT THICK. THERE IS NO BARBED WIRE, BROKEN GLASS OR OTHER SECURITY IMPEDIMENTS ON THE WALLS. PERIMETER LIGHTING IS PROVIDED BY STREET LAMPS ON THE EXTERIOR ONLY. THERE IS NO INTERIOR SECURITY LIGHTING SYSTEM. THERE WERE NO LANDMINES, TRIP WIRES, INFRARED MOTION DETECTORS OR SIMILAR ANTI-INTRUSION OR ANTI-ESCAPE DEVICES AS OF FEBRUARY 1979. THERE ARE FOUR GATES INTO THE COMPOUND: THE MAIN OR SOUTHEAST GATE WHICH WAS ALWAYS GUARDED BY TWO ARMED MP'S AS OF FEB. 1979; THE SECONDARY OR NORTHEAST GATE ALWAYS MANNED BY ONE ARMED MP; AND THE NORTH AND NORTHWEST GATES WHICH WERE UNGUARDED AND SELDOM USED. THE NORTHEAST SECTOR OF THE COMPOUND ABOVE THE BISECTING DIRT ROAD WAS UNGUARDED AS LATE AS FEBRUARY 1979.

(U) 4. THE NEW PRISON WAS FINISHED IN 1976 AND CONSISTS OF THREE STORIES, ONLY ONE OF WHICH IS ABOVE GROUND. THE BUILDING IS SURROUNDED BY A BRICK AND CONCRETE WALL ABOUT 15 FEET TALL WITH ONE GATE IN THE EAST WALL. STREET LIGHTS COMPLETELY ILLUMINATE THE EXTERIOR OF THE WALLS. SOURCE CANNOT REPORT ON CONDITIONS IN THE INTERIOR COURTYARD BUT WAS AN INFREQUENT VISITOR INSIDE THE NEW PRISON COMPLEX ITSELF. THERE IS ONLY ONE RPT ONE ENTRANCE AND EXIT INTO THE PRISON BUILDING, A DELIBERATE DESIGN FEATURE.

CONSTRUCTION PHASE, HE VISITED MOST OF CELLS ON FIRST FLOOR TO SURVEY SOME LOCATIONS TO PLANT MICROPHONES [redacted] PRISON TWICE IN NOVEMBER 1978. DURING THE [redacted] THE MAIN LOBBY TO CHECK SECURITY ARRANGEMENTS AND OBSERVED A HEAVY DOUBLE METAL ENTRANCE DOOR, AN OUTER LOBBY ABOUT 40' BY 20' WITH AN ORIDINARY DESK FOR A GUARD/RECEPTIONIST, AND A SECOND HEAVY BARRED-METAL, JAIL-TYPE DOOR WHICH LEAD INTO THE INTERIOR CORRIDORS. SOURCE IS NOT AWARE OF INTERIOR SECURITY DOORS OR CHECKPOINTS AND IS OF OPINION THEY DON'T EXIST. ALL WINDOWS ARE HEAVILY BARRED AND CONTAIN HEAVY DUTY SECURITY SCREENS. SOURCE HAS NEVER VISITED LOWER FLOORS WHICH ARE NORMALLY REACHED BY AN ELEVATOR (OR ELEVATORS?) PROBABLY LOCATED SOMEWHERE IN THE NORTHWEST QUADRANT.

6. SOURCE RELATED THERE WERE ABOUT 25 UNARMED SAVAK INTERIOR GUARDS AS WELL AS ONE OR TWO MP'S (ONLY ONE ARMED) IN THE SMALL RECEPTION/INTERROGATION BUILDING APUTTING THE WALL; ONE ARMED MP IN THE COURTYARD INSIDE THE WALL; ONE ARMED MP ON THE NORTHEAST CORNER AND ONE ARMED MP ON THE SOUTHEAST CORNER OF MAIN ROOF; AND ONE ARMED MP JUST OUTSIDE THE RECEPTION/INTERROGATION BUILDING. THEY, LIKE ALL THE MP'S, WERE ARMED WITH G-3 RIFLES.

7. THE NEW PRISON POPULATION IN FEBRUARY 1979 WAS 800 POLITICAL TYPES, NO CRIMINALS WERE EVER KEPT HERE. SOURCE BELIEVES THEY HIGHEST TOTAL WAS ABOUT 2,000 PRISONERS CIRCA 1977. HE RELATES A CURRENT RUMOR IN TEHRAN THAT 12,000 RPT 12,000 FORMER POLICE AND MILITARY PERSONNEL ARE IMPRISONED TODAY WITH A PRESUMED MAJORITY AT EVIN.

8. THE OLD PRISON AT EVIN CONSISTS OF THREE WINGS IN A "U" SHAPE WITH THREE STORIES ABOVE GROUND AND NO BASEMENT. THE BUILDING IS LARGELY HIDDEN BY TREES AND IS DIRECTLY EAST OF THE NEW PRISON. A 15' BRICK WALL COMPLETELY SURROUNDS THE BUILDING WITH A SINGLE GATE IN THE SOUTH WALL. ACCESS TO THE BUILDING ITSELF IS IN THE SOUTHEAST CORNER OF THE EAST WING. A SECONDARY DOOR IS LOCATED IN THE INTERIOR PORTION OF THE WEST WING TOWARD THE NORTHERN HALF. THERE IS NO SECURITY CHECKPOINT OR INTERIOR GUARDPOSTS INSIDE THE BUILDING. WINDOWS ARE BARRED AND SCREENED. TWO SMALL OFFICES AT THE ENTRANCE GATE IN THE WALL WERE MANNED BY ARMED SAVAK GUARDS AND ONE ARMED MP JUST OUTSIDE THE GATE. THE OLD PRISON WAS USED ALMOST EXCLUSIVELY FOR FEMALE PRISONERS AND WAS STAFFED BY FOUR UNARMED MEN AND TWO UNARMED WOMEN.

9. AN 85 MAN MILITARY POLICE DETACHMENT GUARDED THE EVIN COMPOUND AS LATE AS FEBRUARY 1979. THEY LIVED IN BARRACKS NEAR THE SOUTHEAST CORNER OF THE NEW PRISON AND HAD GUARD POSTS (IN ADDITION TO THOSE MENTIONED ABOVE) AS FOLLOWS: ONE UNARMED MP AT BRIDGE OUTSIDE COMPOUND TO EAST OF MAIN GATE; ONE UNARMED TRAFFIC MP OUTSIDE MAIN GATE AND TWO ARMED MP'S INSIDE MAIN GATE; (TWO SAVAK GUARDS WITH PISTOLS SAT IN A KIOSK ABOUT 20 YARDS INSIDE THE GATE TO CONTROL VISITORS); TWO ARMED MP'S AT CONTROL POINT IN PRISONER'S MEETING AREA LOCATED SOUTH OF GUARD BARRACKS; ONE ARMED MP AT A RAILROAD TYPE GATE IN THE ROAD TO THE EAST OF THE MP BARRACK AND TO THE SOUTH OF THE SAVAK DEMONSTRATION/INTERROGATION BUILDING; TWO ARMED MPS WERE GUARDING AREA EAST OF DEMONSTRATION ROOM (WHICH CONTAINED WEAPONS AND EXPLOSIVES); TOTAL OF FOUR ARMED MPS WERE AT FOUR BUNKERS IN SOUTH AREA OF COMPOUND; ONE ARMED MP NEAR SOUTHWEST CORNER OF SHOOTING RANGE TO SOUTH OF COMPOUND; ONE ARMED MP ON THE HILL ABOUT 200 METERS ABOVE SOUTHWEST CORNER OF WALL OF NEW PRISON AND ONE ARMED MP ABOVE NORTHWEST CORNER OF WALL; TWO ARMED MP'S ON ROOF OF STAFF APARTMENTS IN SOUTHEAST CORNER OF COMPOUND SOME 50 METERS EAST OF MAIN GATE. SOURCE NOTES THAT THESE MP'S HAVE PROBABLY BEEN AUGMENTED BY AN ESTIMATED 30-50 ARMED REVOLUTIONARY GUARDS AND AN ADDITIONAL ESTIMATED 100-150 INVESTIGATORS AND REVOLUTIONARY OFFICIALS.

10. SOURCE MONITORED PERSIAN LANGUAGE BROADCAST ON 18 NOVEMBER WHICH ANNOUNCED THAT THE MAIN REVOLUTIONARY COURT IS LOCATED AT EVIN. SOURCE BELIEVES THIS COURT WOULD BE ESTABLISHED IN THE THREE STAFF APARTMENT BUILDINGS.

11. ADDITIONAL DETAILS OF COMPOUND INCLUDING SOURCE'S PLOT PLAN AVAILABLE SEECHTREE. ADDITIONAL DETAILS SUCH AS NEIGHBORHOOD LAYOUT AND NIGHTIME ACTIVITY PATTERNS TO FOLLOW.

1. INTRODUCTION AND OVERVIEW

A THE [redacted] (RANGER) [redacted] WAS INVOLVED AT THE OUTSET IN PREPARATION, PLANNING AND EXECUTION OF RESCUING THE AMERICAN HOSTAGES IN IRAN. THIS ENVOLVEMENT COMPRISED BOTH THE RICEBOWL AND SNOWBIRD PLANS FOR THE POTENTIAL RESCUE OF THE HOSTAGES. THIS PARTICULAR MISSION, SO CLOSELY GUARDED, CREATED NEW AND COMPLEX ISSUE FOR THIS UNIT. PERSONNEL SECURITY CLEARANCES, ADEQUATE SECURE COMMUNICATIONS AND PROPERLY SECURE FACILITIES WERE BUT A FEW OF THE IMMEDIATE AND PRESSING PROBLEMS THAT HAD TO BE OVERCOME IN AN EXTREMELY SHORT AMOUNT OF TIME. INITIALLY THIS UNIQUE SITUATION CAUSED THE SERVICING OF A GREAT DEAL OF CONSTERNATION. MOREOVER, THIS HAD THE POTENTIAL OF DISCLOSING TO FORSCOM HEADQUARTERS AND OTHER HIGHER HEADQUARTERS AS WELL, THE POSSIBILITY THAT THE [redacted] WAS INVOLVED IN A "SUPER SECRET MISSION" WHICH AT THAT TIME COULD ONLY HAVE BEEN WHAT IT TRULY WAS - PLANNING A RESCUE ATTEMPT OF THE AMERICAN HOSTAGES IN IRAN. THUS, FROM THE VERY BEGINNING OPERATIONS SECURITY BECAME A WAY OF LIFE FOR THE [redacted] LIVING UNDER THIS ENVIRONMENT CREATED MORE UNIQUE AND COMPLEX ISSUES THAT WERE [redacted] IN RELATION TO PREVIOUS METHODS OF OPERATIONS. [redacted] PLANS AND STRICT ABSOLUTE "NEED-TO-KNOW" WERE RIGIDLY ENFORCED. THE TOTAL NUMBER OF INDIVIDUALS IN THE [redacted] WITH INITIALLY, RICEBOWL AND SUBSEQUENTLY SNOWBIRD ACCESS WAS RESTRICTED TO THE BARE MINIMUM. CONSEQUENTLY INTERNAL [redacted] OPERATIONS, BOTH DAY TO DAY AND LONG RANGE, SUFFERED FROM OFFICERS AND NCO'S RESPONDING ONLY TO ORDERS AND NOT FULLY UNDERSTANDING THE SCOPE, HOWEVER SMALL OR LARGE, OF WHAT WAS BEING ASKED OF THEM TO ACCOMPLISH. RESPONDING TO THE CHALLENGE HOWEVER, ALL HURDLES WERE SUCCESSFULLY NEGOTIATED, ALTHOUGH AT TIMES THE PREMIUM PRICE WAS PAID IN TERMS OF PERSONAL ANXIETIES.

2. MISSION (INTELLIGENCE) REQUIREMENTS.

A. ONE OF THE GROUND ELEMENTS THIS UNITS PRIMARY CONCERN WAS WITH THE SECURITY OF AIRFIELDS. AIRFIELDS BOTH IN TERMS OF THE GENERIC SENSE AND ALSO LANDING STRIPS DESIGNATED BY [redacted] THEREFORE, OUR INTEREST FELL WITHIN THE TACTICAL INTELLIGENCE AREA, THAT WAS: TERRAIN, WEATHER, AND IRANIAN FORCES. OF THE THREE IRANIAN FORCES WAS THE MOST DIFFI-
B,C CULT TO ASSESS. ILLUSIVE. SIMPLY STATED INSUFFICIENT DATA ON ENEMY FORCES WAS OF PARAMOUNT PLACE. FOR WHATEVER REASONS, NATIONAL LEVEL INTELLIGENCE ORGANIZATIONS COULD NOT PROVIDE DETAIL ANALYSIS ON NUMBER AND LOCATION OF ALL TYPES OF IRANIAN FORCES. THE MORE COMPLEX THE AIRFIELD THE MORE LIKELY YOU WERE TO OBTAIN THE NECESSARY EEI. OTHER THAN INFORMATION PROVIDED FROM [redacted] THE INFORMATION WAS SPARSE, CONFLICTING AND SOMETIMES JUST NOT AVAILABLE. FRANKLY, THE REQUIREMENT FOR INFORMATION CATEGORICALLY ESTABLISHED THAT OUR NATIONAL LEVEL INTELLIGENCE COLLECTION AGENCY COULD NOT OR WAS RESTRICTED FROM FUNCTIONING IN A MANNER THAT BENEFITED ALL CONCERNED. LACKING CURRENT AND ADEQUATE TACTICAL MAPS OF THE AREAS
NC OF INTEREST THIS HEADQUARTERS RELIED VERY HEAVILY ON [redacted]

~~SECRET~~

Classified By: JCS
Declassified ON: OADR

[redacted]

[redacted] ORGANIZATION AND PERSONNEL STRUCTURE. [redacted] WAS THE [redacted] INTELLIGENCE [redacted] SECRET
[redacted] ON RECEIPT OF THE MISSION. [redacted] SERVED IN THIS
[redacted] CAPACITY UNTIL APPROXIMATELY 20 MARCH 1980 AND WAS THE ONLY INTEL-
[redacted] OFFICER WITH [redacted] ACCESS IN THE [redacted] A,G
[redacted] PLACED [redacted] AS THE [redacted] INTELLIGENCE
[redacted] SHIFTED TO THE OPERATIONS SECTION AND
[redacted] CONTINUED TO BE A PLANNER FOR [redacted] ICEBOWL AND SNOWBIRD. LIK[redacted]
[redacted] WAS THE ONLY OFFICER IN THE INTELLIGENCE
[redacted] SECTION WITH SNOWBIRD AND ICEBOWL ACCESS. THE ASSITANT INTELL-
IGENCE OFFICER AND INTELLIGENCE NCO SIMPLY RESPONDED TO INSTRUCT-
IONS AND GUIDANCE FROM THE SIO.
[redacted]
B. SECURITY AND COMMUNICATION ARRANGEMENTS
A. PERSONNEL SECURITY CLEARANCES. C
THE EXTREMELY HIGH CLASSIFICATION OF ICEBOWL AND THE [redacted]
[redacted] WAS DIFFICULT TO ADJUST TO PRIMARILY DUE
TO LACK OF A PROPER PHYSICAL STRUCTURE (SEE PARA B) AND PROPERLY
CLEARED) INDIVIDUALS. [redacted] COMMANDER SELECTED FOR THE
ABOVE MISSION DID NOT HAVE A [redacted] AT THE OUTSET OF THE A
MISSION. NOT HAVING PREVIOUSLY OPERATED ON MISSIONS SUCH AS THIS
ONE, NO PREVIOUS REQUIREMENT EXISTED TO HAVE ALL KEY MEMBERS OF
THE [redacted] CLEARED. THIS SITUATION WAS CORRECTED BY OBTAINING
SI BILLETS FOR ALL KEY MEMBERS. THERE WAS HOWEVER THE NORMAL DELAY
ASSOCIATED WITH OBTAINING [redacted]
B. PHYSICAL SECURITY.
AS MENTIONED ABOVE FOR A MISSION OF THIS TYPE AND SENSITIVITY THE
[redacted] DID NOT RUN AN SI CLEARED FACILITY. ADEQUATE A
SPACE WAS OBTAINED FROM THE THEN [redacted] LOCATED IN A SI
CLEARED AREA. THIS IN AND OF ITSELF WAS STILL MARGINAL, IN THAT,
WHAT WAS REALLY NEEDED WAS A [redacted] WITHIN A [redacted] A
AREA. TO IMPROVE THE SECURITY OF THE ROOMS OBTAINED FROM THE [redacted]
[redacted] TSCM AND TEMPEST INSPECTIONS WERE CONDUCTED IN LATE APRIL
OR EARLY MAY 1980. SIGNIFICANT IRREGULARITIES WERE NOTED. WHAT WAS
POSSIBLE TO CORRECT BY THE OPERATORS WAS PERFORMED. HOWEVER, IT
SHOULD BE NOTED THAT AS OF THIS WRITING WORK ORDERS ARE STILL OPEN
FOR MAJOR IRREGULARITIES NOTED DURING THE INSPECTION. THE TEMPEST
INSPECTION WAS DONE IN AUGUST OR SEPTEMBER 1980. WITHIN A FEW
WEEKS ALL DEFICIENCIES HAD BEEN CORRECTED. INSPITE OF THE NOTED
PROBLEMS THIS UNIT INSURED THE HIGHEST DEGREE OF SECURITY AWARE-
NESS THROUGH THE PERSONAL EFFORTS OF ALL PERSONNEL WITH ACCESS.
C. OPERATIONS SECURITY.
MORE TIME WAS CONSUMED BY THIS INTELLIGENCE OFFICER ON THIS SUBJECT
THAN ALL THE OTHERS COMBINED. DURING ICEBOWL PLANNING EVERY PER-
SONAL DEPARTURE AND EVERY TROOP MOVEMENT FROM [redacted]
WAS SUPPORTED BY A [redacted] THIS WAS DIFFICULT AND AS NOTED,
TIME CONSUMING. [redacted] SHOULD HAVE ORIGINATED A,B
FROM THE CONTROLLING HEADQUARTERS AND PASSED TO SUBORDINATE UNITS
IT WAS LEFT UP TO EACH UNIT TO DO AS EACH UNIT SAW FIT. IT WAS NOT
UNTIL LATE INTO THE SNOWBIRD PLANNING THAT THE COORDINATION BETWEEN
HEADQUARTERS IMPROVED. ALTHOUGH THE OPTIMUM WAS NOT ACHIEVED ALL
UNITS BECAME MORE AWARE OF THE NEED FOR A CONSOLIDATED [redacted]
[redacted] THIS WAS A DIFFICULT AREA AND ALL SERVICES
WERE HAMPERED BY LACK OF PRACTICAL EXPERIENCE IN WORKING WITH [redacted]
[redacted] AND IN SOME CASES THE RAPID
CHANGING DEVELOPMENTS PRECLUDED ADEQUATE TIME TO PLAN [redacted]
[redacted]

FINAL SEC OF 2

5. COMMUNICATIONS ARRANGEMENTS.
LACKING ADEQUATE COMUNICATIONS TO DEAL WITH A CRISIS OF THIS PROPORTION THE JCSE WAS TASKED TO PROVIDE A COMMO-LINK BETWEEN [redacted] STATIONS ASSOCIATED WITH PICEBOWL/SNOWBIRD. THE COMMUNICATION SYSTEMS PROVIDED BY JCSE PROVED ADEQUATE FOR THE MISSION (PARKHILL, [redacted]/GC-129). IT SHOULD BE NOTED AGAIN HOWEVER, THAT THIS EQUIPMENT IS NOT ORGANIC AND UNLESS THIS EQUIPMENT IS RETAINED AT THIS LOCATION THIS HEADQUARTERS IS NOT ABLE TO COMMUNICATE WITH A [redacted] OUT OF WASHINGTON OR [redacted] HEADQUARTERS IN ANY FUTURE MATTERS. THE COMMUNICATIONS SYSTEM THAT IS NOW ESTABLISHED MUST REMAIN IN PLACE FOR THIS UNIT TO BE RESPONSIVE IN CRISIS SITUATIONS. THE JCSE ELEMENT WAS COLOCATED IN THE ROOMS OBTAINED FROM THE [redacted] THIS ARRANGEMENT WAS SATISFACTORY AND PROVIDED FOR EASY [redacted] COMMUNICATIONS BETWEEN THE OPERATORS AND RANGER PERSONNEL.

6. (S) REQUIREMENT AND PRODUCTION.
TO ASSIST IN PLANNING [redacted] TACTICAL MAPS WERE THE PRIMARY REQUIREMENTS OF THIS UNIT. IN ADDITION TERRAIN MODELS WERE OF EXTREME VALUE. THE AVAILABILITY OF MAPS WAS NOT AS PROMPT AS THIS UNIT WOULD HAVE LIKED. HOWEVER, AS PREVIOUSLY STATED [redacted] AS FOR MAINTAINING CURRENT ON THE SITUATIONS THE TRAFFIC PROVIDED BY [redacted] HEADQUARTERS WAS ADEQUATE. A POINT OF CRITICISM-THERE WAS A GREAT DEAL OF MATERIAL SIMPLY REPRINTED FROM PRESS RELEASES. THIS DID NOT ADD TO THE OVERALL VALUE OF THE INTELLIGENCE DATA PROVIDED THIS UNIT. WHAT WAS NEEDED WAS DATA THAT HAD BEEN ANALYZED AND PROVEN TO BE TO THE BEST OF THE ANALYST ABILITY, FACTUAL INFORMATION. MOREOVER, THIS WOULD HAVE PROVIDED A MORE CONDENSED INTELLIGENCE SUMMARY. PRODUCTION BY THIS UNIT RELIED COMPLETELY ON THE INFORMATION PROVIDED BY [redacted] BRIEFINGS ON THE SERPENT SITUATION, AS IT DEVELOPED IN BOTH PICEBOWL AND SNOWBIRD WERE DERIVED FROM INFORMATION PROVIDED BY [redacted] DUPING FTX'S THE INTELLIGENCE SECTION OF THIS UNIT PROVIDED SCENARIOS, CONSTRUCTED TARGET CITES AND SUPERVISED THE OPFOR IN PREPARATION FOR MISSION PLANNING.

6. (S) INTERNAL STAFF INTERFACE.
STAFF INTERFACE, WITH RESPECT TO PICEBOWL AND SNOWBIRD, WAS LIMITED TO INITIALLY THE CO, XO, S2 AND SC. FOLLOWING THE FIRST RESCUE ATTEMPT TH WAS EXPANDED TO INCLUDE THE S1 AND SA. THE SMALL NUMBER OF STAFF OFFICERS WITH ACCESS LIMITED THE PERSONNEL AVAILABLE FOR PLANNING AND CREATED A MANAGEMENT PROBLEM IN THAT, STAFF OFFICERS WITH ACCESS WERE PERFORMING [redacted]

[redacted]-INTERNAL-LATERAL-INTERFACE.

[redacted] FOR THE MOST PART, FOR WHATEVER REASON, LATERAL INTELLIGENCE COORDINATION WAS ALMOST NON-EXISTANT. THE ONLY EXCEPTION [redacted] COORDINATION WITH THE [redacted] DURING SNOWBIRD A,G IN MY OPINION THIS COULD HAVE BEEN PREVENTED IF THE [redacted] INTELLIGENCE STAFF AT [redacted] HAD TAKEN THE INITIATIVE AND HELD A [redacted] INTELL UPDATE OR WHATEVER AT WASHINGTON. THIS WOULD HAVE [redacted] A MEDIUM FOR EXCHANGE AND PERMITTED DETAIL DESCUSSIONS OF [redacted] AREAS AND WHAT WE AS INTELLIGENCE OFFICERS NEEDED FROM THE [redacted] OFTEN THAN NOT, THE CO AND S3 KNEW OF NEW INTELLIGENCE BE- [redacted] BEFORE THE INTELLIGENCE OFFICER DID. THIS WAS A FUNCTION [redacted] MORE FREQUENT VISITS TO [redacted] HEADQUARTERS FOR PLANNING.

[redacted] UNIT/JIF INTERFACE:

[redacted] J2 ON OPERATIONAL PLANNING REQUIREMENT DID ALL THAT WAS A,I POSSIBLE OR WITHIN HIS POWER TO ACCOMPLISH. THE ASSISTANCE WAS AL- [redacted] THERE IF ONE NEEDED IT. ON THE OTHER HAND, DURING TRAINNING EXERCISES THE J2 WAS CONSPICUOUS BY HIS ABSENCE. THIS CREATES A [redacted] STAFF PLANNING AND PLACE THE RESPECTIVE INTELLIGENCE OFFICER [redacted] UNTENABLE SITUATIONS. FOR SPECIAL OPERATIONS TRAINING/ [redacted] ARE, INDEED, CRUCIAL. THE LACK OF SCENARIOS, MAPS, AND [redacted] PHOTOGRAPHS FOR THESE FTX'S WERE UNEXCEPTABLE. VERY LATE [redacted] SNOWBIRD PLANNING THE SITUATION STARTED TO IMPROVE. THIS WAS A [redacted] RELIEF FOR UNIT INTELLIGENCE OFFICERS. PROGRESS WAS MADE [redacted] THIS CRUCIAL POINT OF INTELLIGENCE TRAINING SHOULD NOT BE FOR-

[redacted] ANALYTICAL OBSERVATIONS:

THE FOLLOWING POINTS ARE CRUCIAL ITEMS LEARNED FROM THE MONTHS EXPERIENCE AND SHOULD BE STRONGLY CONSIDERED FOR FUTURE OPERATIONS.

A. FOR THIS UNIT TO REMAIN RESPONSIVE THE SECURE COMMUNICATIONS MUST REMAIN WITH THIS HEADQUARTERS.

B. THE INTELLIGENCE FLOW SHOULD CONTINUE OVER THESE SAME COMMUNICATIONS SYSTEMS.

C. THERE SHOULD BE A PERIODIC MEETING OF INTELLIGENCE STAFF A,I OFFICERS WITH THE [redacted]

D. EACH STAFF SHOULD HAVE A MINIMUM OF ONE ANALYST, THE J2 SHOULD HAVE SUFFICIENT ANALYST FOR 24 HOUR OPERATIONS.

E. INTELLIGENCE TRAINING MUST BE AN INTEGRAL PART OF MISSION PLANNING.

SUBJECT: INTELLIGENCE HISTORY

REFERENCE: YOUR MSG 003, DTG 011610Z NOV 80

1. THE FOLLOWING IS A INTELLIGENCE HISTORY OF OUR ROLE IN MISSION PLANNING FOR PROJECT SNOWBIRD:

(S) A. INTRODUCTION AND OVERVIEW:

(S) (1) THE INTELLIGENCE STAFF OF THE 101ST AVIATION GROUP WAS FIRST INTRODUCED TO THE SNOWBIRD PROJECTON 29 JULY 1980. A, G AT THE INSTRUCTION OF [redacted] THE REQUIREMENT WAS TWO OFFICERS, TWO PHOTO INTERPRETERS (PI) AND A COMMUNICATIONS OFFICER. THE FOLLOWING PERSONNEL ATTENDED THE SNOWBIRD BRIEFING AT THE PENTAGON [redacted] ON 29 JULY 80:

RANK/NAME	DUTY ASSIGNMENT	ASSIGNED UNIT
A, G [redacted]	[redacted]	101ST AVN GP
		TF 158
		101ST AVN GP
		101ST MI CO
		101ST MI CO

BASED UPON THE RECOMMENDATION OF THE J-2 AN ADDITIONAL PERSON WAS READ ON FOR THE PROJECT. C, A, G [redacted] NCOIC OF THE SPECIAL SECURITY OFFICE, SERVED AS THE SECURITY ADVISOR FOR HANDLING [redacted] MATERIAL AND PHYSICAL SECURITY FOR OUR FACILITY. [redacted] JOIN THE ORGANIZATION AT A LATER DATE AS THE S-2 OF [redacted]

(S) [redacted] UPON RETURN TO FT CAMPBELL THE FIVE PERSONNEL WERE TO ESTABLISH A SECURE WORK AREA TO HANDLE SNOWBIRD INFORMATION, PLUS A COMMUNICATION CENTER. THE AREA WAS C ESTABLISHED WITHIN THE SPECIAL SECURITY OFFICE (SSO) OF THE 101ST ABN DIV (AASLT). THE CLASSIFICATION OF THE MATERIAL [redacted] THE ACTUAL MISSION REQUIRED STRINGENT SECURITY AS TO PREVENT COMPROMISE. BECAUSE OF THE WORK AREA LOCATION (SSO FACILITY) IT WAS DETERMINED THAT A COMPELLING NEED REQUEST WOULD BE REQUIRED [redacted] THOSE PERSONNEL, WHO REQUIRED ACCESS TO SNOWBIRD MATERIAL, WHO DID NOT HAVE A SI ACCESS.

DECLASSIFIED BY DIA/DAC-2A-4 ON 21 JUN 92 CLASSIFIED BY DDO, NMCC SECRET DERIVED FROM Multiple (S) Sources DADR

AFTER ESTABLISHING THE WORK AREA [redacted] RETURNED TO [redacted] DURING THE WEEK OF A-B AUGUST TO ACCOMPLISH BACKGROUND RESEARCH ON [redacted] THE WEEK WAS A, G DEVOTED TO READING THE EVENTS THAT LED UP TO THE RICE-BOWL OPERATION AND THE INTELLIGENCE THAT SUPPORTED THE PLANNING AND EXECUTION OF THIS PLAN. LATER HE RECIEVED BRIEFINGS ON THE SEPARATE SNOWBIRD OPTIONS TO GAIN KNOWLEDGE OF LOCATIONS, TARGETS, AND ROUTES OF MOVEMENT.

(S) IN AN EFFORT TO PREPARE FOR FUTURE EXERCISES, REAL WORLD MISSION, PERSONNEL OF THE 101ST AVIATION GROUP, S-2 SPENT

SEVERAL DAYS AT [redacted] WORKING WITH THE 1ST A DETACHMENT, [redacted] A-2. THIS MONTH PROVED TO BE INVALUABLE SINCE THIS UNIT HAD PLANNED AND EXECUTED THE RICEBOWL OPERATION. DURING THIS

PERIOD WE PLANNED AND EXECUTED TWO MAJOR EXERCISES, POTENT CHARGE, AND POISON DART WHICH PROVIDED "WALK THRU" A PLANNING AND EXECUTION OF SNOWBIRD OPTIONS. ALSO DURING THIS PERIOD IT WAS DETERMINED THAT THE [redacted]

HAD THE MOST UP TO DATE DATA BASE AVAILABLE, BOTH BECAUSE [redacted] INVOLVEMENT WITH RICEBOWL AND CONTINUATION WITH SNOWBIRD. THIS DATA BASE WAS LATER COPIED AND SENT TO S-2, 101ST AVN GP.

~~SECRET~~ SECRET

(S) FROM 9-16 OCTOBER [redacted] TRAVELED TO FT BRAGG, NC (S) TO WORK WITH FLIGHT CREWS AND MEMBERS OF DELTA, DELTA A, G [redacted] TO BRIEF TF 158 CREW MEMBERS ON THE [redacted] COMPOUND ASSAULT. AFTER WORKING WITH THE FLIGHT

SECRET (S) (6) DURING NOVEMBER [redacted] ATTENDED AN E&E CONFERENCE HOSTED [redacted] THIS CONFERENCE DISCUSSED THE E&E OPTIONS FOR EACH SNOWBIRD PLAN. E&E KITS WERE DISCUSSED AT THIS CONFERENCE, THE FORMAL E&E PLAN IS STILL BEING DRAFTED.

B. MISSION (INTELLIGENCE) REQUIREMENTS:

(1) (U) THE INTELLIGENCE MISSION IS TO SUPPORT THE TASK FORCES OF THE 101ST IN OPERATION SNOWBIRD. WE PROVIDE INTELLIGENCE BRIEFINGS MAPS, PHOTO PRODUCTS, CLIMATE INFORMATION AND TERRAIN ANALYSIS OF THE AREA OF OPERATION.

(2) THE INTELLIGENCE IS DEVELOPED FROM DAILY REPORTS FROM [redacted] ETC. THE [redacted] AS MENTIONED ABOVE PROVIDED THE BASIS FOR OUR INTELLIGENCE DATA BASE WHICH WE UPDATED AND SUBMITTED ESSENTIAL ELEMENTS OF INFORMATION (EEI) TO FILL THE GAPS. IF EITHER OF THE ELEMENTS S-2'S HAD QUESTIONS CONCERNING THE MISSION OR IRANIAN CAPABILITIES THEY WERE SUBMITTED TO THE S-2 LOCATED AT THE SSO FACILITY FOR ANSWERS. IF RESEARCHING OUR DATA BASE FAILED TO RESOLVE THE QUESTION AN EEI REQUEST WAS CREATED AND FORWARDED TO [redacted]-2. ON ALL OCCASIONS [redacted], WAS VERY RESPONSIVE ON FINDING THE ANSWERS TO OUR QUESTIONS. MOST EEI'S TO BE RELATED TO THE TEHRAN AREA SPECIFICALLY THE HFA COMPOUND AND THE U.S. EMBASSY.

C. ORGANIZATIONAL AND PERSONNEL STRUCTURE:

(1) (U) THE INTELLIGENCE STAFF FOR SNOWBIRD CONSIST OF FIVE MEMBERS. THREE ARE ACTUAL MEMBERS OF THE AVIATION GROUP AND THE REMAINING TWO ARE INTELLIGENCE OFFICERS FOR THEIR RESPECTIVE TASK FORCE.

[redacted] AVIATION GROUP
[redacted] AVIATION GROUP
[redacted] AVIATION GROUP
[redacted] TF 158TH
[redacted] TF 229TH

(2) (U) THE AVIATION GROUP S-2 STAFF RECIEVES THE INTELLIGENCE MESSAGES, TAKES THIS INFORMATION AND DEVELOPES AND UPDATES THE DATA BASE. THE GROUP S-2 ALSO SERVES AS A FOCAL POINT FOR THE TASK FORCE PERSONNEL TO ANSWER QUESTIONS, PRESENT BRIEFINGS, AND DEVELOPE EEI'S TO SATISFY MISSION REQUIREMENTS. THE SECTION ALSO REQUESTS AND DISTRIBUTES MAPS AND PHOTO PRODUCTS FOR REAL WORLD AS WELL AS EXERCISE PLANNING.

D. SECURITY AND COMMUNICATION ARRANGEMENTS:

(1) DUE TO THE ACTUAL CLASSIFICATION OF THE INFORMATION WE RECIEVE FROM [redacted] WE DECIDED TO ESTABLISH OUR SECURE WORKING AREA IN THE 101ST SPECIAL SECURITY OFFICE (SSO). BY DOING THIS WE PREVENTED THE NEED OF GUARDS SINCE THE SSO MEETS ALL REQUIREMENTS [redacted]

(2) [redacted] ESTABLISHED OUR "POINT TO POINT" SECURE COMMUNICATION EQUIPMENT, THE SAFES FOR STORAGE, AND MAPS WERE ALL LOCATED IN THE ROOM PROVIDED BY THE SSO. THE SSO PROVIDED A SINGLE ROOM FOR OUR USE AND RESTRICTED ACCESS TO OUR PERSONNEL.

(3) ALL PERSONNEL WHO WORKED WITH THE INTELLIGENCE POSSESSED [redacted] SI/SAD CLEARANCE. COMPELLING NEED REQUESTS WERE SUBMITTED TO [redacted] TO ENABLE PERSONNEL TO BE CLEARED. [redacted] WAS INSTRUMENTAL IN OBTAINING THE CLEARANCES FROM CCF.

SECRET (U) (4) THE INTELLIGENCE STAFF HAD TO LEARN HOW TO OPERATE THE COMMUNICATION EQUIPMENT SINCE UNLIKE OTHER UNITS, WE WERE NOT PROVIDED ANY PERSONNEL TO OPERATE THE EQUIPMENT.

[redacted]

(1) (U) THE INTELLIGENCE STAFF HAD FEW PHYSICAL REQUIREMENTS, EXCLUDING THE SECURE AREA IN THE SSO, THE SECTION REQUIRED TWO SAFES TO SECURE MESSAGE TRAFFIC, MAPS AND CHARTS, AND CRYPTO MATERIALS. NO MATERIAL WAS UNSECURED EVEN THOUGH WE SECURED THE ENTRANCE TO OUR WORK AREA.

(2) AS A SEPARATE ENTITY, WE DID NOT PREPARE SPECIAL PRODUCTS. THE 1SOW FURNISHED A COPY OF THEIR DATA BASE ON WHICH WE WERE TO BUILD AND CONTINUALLY UPDATE. WE DID PREPARE WEEKL SUMMARIES [redacted] TO PROVIDE THE COMMANDER AND KEY PLANNERS AN UP TO DATE REVIEW OF THE SITUATION IN IRAN.

(3) SINCE THIS ORGANIZATION DID NOT HAVE ANY DEDICATED COMMO FRO[redacted] OFTEN THE INTELLIGENCE PERSONNEL WERE DEVOTED FULL TIME TO RECEIVING AND SENDING TRAFFIC.

F. INTERNAL STAFF INTERFACE:

[redacted] PRIMARY STAFF INTERFACE WAS BETWEEN THE OPERATIONS AND INTELLIGENCE OFFICERS. THE LOGISTICAL OFFICER PLAYED A SUBSTANCIAL ROLE IN MISSION PLANNING; HOWEVER, HE DID NOT HAVE A [redacted] CLEARANCE AND DIDN'T HAVE A NEED TO KNOW ALL AVAILABLE INFORMATION.

(2) [redacted] AND [redacted] ATTENDED ALL MAJOR CONFERENCES AND EXERCISES. AT FT CAMPBELL WHERE THE FLIGHT CREWS COULD NOT ENTER THE SSO, WE ESTABLISHED A SECURE WORKING AREA WHE THE FLIGHT CREWS COULD ACCOMPLISH MISSION PLANNING AND BRIE INGS. SNOWBIRD MATERIALS WERE CARRIED TO THE AREA WHEN THE BRIEFINGS WERE CONDUCTED. AT THE COMPLETION OF THE BRIEFINGS, THE MATERIAL WAS COURIED BACK TO THE SSO FOR STORAGE.

G. EXTERNAL/LATERAL INTERFACE:

(1) 1ST SPECIAL OPERATIONS WING - OUR INTERFACE WITH THE 1ST SO WAS EXTENSIVE. ON 26 AU[redacted]NT TO WASHINGTON, D.C. AND MET [redacted] THE A2 OR MY COUNTERPART FROM THIS ORGANIZATION. AFTER MEETING WITH [redacted] ON THE 27TH WE TRAVELED TO [redacted]. HE WAS TO SPEND THE NEXT MONTH RESEARCHING THIS UNITS DATA BASE (WHICH WAS LATER TO BECOME THE BASIS FOR THE 101ST DATA BASE) AND THEI EXPERIENCE DURING THE RICEBOWL OPERATION.

(2) WE WORKED FOR DAYS EXCHANGING THOUGHTS AND IDEAS ON PROCEDURES AND ORGANIZATION OF INTELLIGENCE STAFFS. WE DECIDED UPON THE USE OF THE SINGLE DATA BASE, SINCE DURING THE CURRENT SNOWBIRD OPTION OUR HELICOPTERS WOULD FLY TOGETHER. [redacted] SENT A MESSAGE BACK TO FT CAMPBELL ESTABLISHING A FILE SYSTEM THAT WAS IDENTICAL TO 1ST SOW'S. THE IDEA WAS THAT IF WE DEPLOYED TO SEVERAL FORWARD OPERATI BASES WE WOULD BRIEF TOGETHER UTILIZING PERSONNEL FROM BOTH ORGANIZATIONS AT EACH LOCATION. SIMULAR FILES WOULD FACILA RESEARCH INTO THE DATA BASE.

(3) WE ALSO DEVELOPED AN UNDERSTANDING OF OUR MAP REQUIREMENTS FOR EXERCISE AS WELL AS FOR DEPLOYMENT OPTIONS. THE EXERCISE REQUIRED THOUSANDS OF CHARTS WHICH MEANT THE ESTABLISHMENT OF A MAP DEPOT. THIS DEPOT WAS MANNED BY BOT AIR FORCE AND ARMY PERSONNEL WHO HANDLED ONC, TPC, JOG, AND SMALLER SCALE MAPS.

(4) DURING THE MONTH [redacted] SPENT AT [redacted], HE PARTICI-PATED IN THREE TRAINING EXERCISES. THIS PARTICIPATION INCLUDED WRITING SENARIOS, DEVELOPING THREAT, AND FORMAL BRIEFINGS.

[redacted] SECRET

THEIR PORTION OF THE COMPOUND ASSAULT. AFTER SATISFYING THE NEEDS OF THE FLIGHT CREWS, [redacted] WORKED WITH THE DELTA INTELLIGENCE PERSONNEL AND THEIR ACTIONS IN THE FIRST ATTEMPT AND THEIR SYSTEM OF COLLECTION, ANALYIZATION, AND STORAGE OF SNOWBIRD INFORMATION.

H. (S) UNIT [redacted] INTERFACE:

(1) (S) INTELLIGENCE INTERFACE BEGAN WITH THE INTELLIGENCE BRIEFING THE STAFF RECIEVED ON AUG 1980. AN EXTENSIVE BRIEFING WAS PROVIDED TO BRING US UP TO DATE ON THE EVENTS LEADING UP TO THE FIRST RESCUE ATTEMPT AND THE EVENTS FOLLOWING. [redacted]

(2) (S) THE MAIN EXTENT OF THE INTERFACE BETWEEN [redacted] AND [redacted]

(3) (U) MAJ PREVOST WAS THE FOCAL POINT FOR WEAPONS/EQUIPMENT, RADAR COVERAGE, MILITARY FLIGHTS, AND ESCAPE AND EVASIONS PLANS.

(4) (S) PERHAPS OUR GREATEST INTERACTION INVOLVED THE INTELLIGENCE PORTIONS OF TRAINING EXERCISES. WHILE OTHER [redacted] MEMBERS SUPPORTED FROM THE PENTAGON [redacted] AT THE FIELD SITE COORDINATING BRIEFINGS AND INSURING PHOTOGRAFIC SUPPORT. [redacted] BEING AN AVIATOR, PROVIDED DETAILED INFORMATION. [redacted]

(5) (S) [redacted] WAS THE FOCAL POINT OF [redacted] MAPS, AND SPECIAL REQUESTS REQUIRING THE WORK OF DIA PHOTO INTERPRETATERS. HE PROVIDED COVERAGE OF LANDING ZONES [redacted] AND TARGETS FOR HELICOPTER GUNSHIPS. WHILE OUR PRIMARY CONTACT WAS WITH THESE INDIVIDUALS, ALL MEMBERS OF THE J-2 STAFF SHOULD BE COMMENDED FOR THEIR EFFORTS PROVIDED IN THE SNOWBIRD MISSION.

I. ANALYTICAL OBSERVATIONS:

(1) PROBLEM: SECURITY CLEARANCE

(2) (A) DISCUSSION: ARMY AVIATORS POSSESS A SECRET SECURITY CLEARANCE WHICH WOULD SUFFICE FOR NORMAL DUTIES. HOWEVER, THOSE AVIATORS CHOSEN TO WORK ON THIS PROJECT REQUIRED ACCESS TO TOP SECRET MATERIAL TO SUCCESSFULLY ACCOMPLISH THEIR MISSION. WE BEGAN THE ADMINISTRATIVE PROCESS TO INITIATE BACKGROUND INVESTIGATIONS. BUT FOUND THAT THIS WAS DRAWING MORE ATTENTION THAN WE DESIRED. DUE TO THIS ATTENTION

(B) I RECOMMENDED TO [redacted] WE STOP THIS PROCESS AND GRANT A "ONE TIME ACCESS" TO THE AVIATORS. THIS WAS ACCOMPLISHED BY [redacted] ON 17 OCT 81.

(3) (S) RECOMMENDATION: THAT THOSE AVIATORS CHOSEN TO CONTINUE IN SPECIAL OPERATIONS TRAINING HAVE BACKGROUND INVESTIGATIONS AND MAINTAIN A SECRET CLEARANCE. THIS COULD BE UPGRADED TO TOP SECRET SHOULD THE NEED OCCUR. [redacted]

[redacted] SECRET

[redacted] (A) DISCUSSION: DURING THE TRAINING FOR SNOWBIRD OPTIONS, INTELLIGENCE SEEMED TO TAKE A "BACK SEAT" TO OTHER REQUIREMENTS. AFTER ROUTES WERE PLANNED FOR AN EXERCISE IE., THE INTELLIGENCE PERSONNEL WERE ASKED TO DEVELOP A "THREAT" WHICH DEPICTED THE ESTABLISHED ROUTE. LATER WHEN THE THREAT WAS ESTABLISHED FIRST, THE "THREAT" HAD TO BE CHANGED TO ENABLE MISSION PLANNERS TO ACCOMPLISH THEIR TRAINING. THIS THREAT WAS AS REALISTIC TO THE REAL WORLD THREAT IN IRAN AS WE CHANGE THIS THREAT NEGATED THE ACCOMPLISHEMENT OF THE TRAINING SINCE THE THREAT IN IRAN WOULD NOT CHANGE.

(B) RECOMMENDATION: INTELLIGENCE OBJECTIVES SHOULD BE INCLUDED IN THOSE THAT ARE OBTAINED DURING TRAINING EXERCISES.

(3) PROBLEM: INTELLIGENCE - TRAINING SUPPORT

(S) (A) DISCUSSION: DUE TO THE MINIMAL STAFFING OF THE J-2, AND THEIR TOTAL DEDICATION TO LOCATING THE HOSTAGES, SUPPORT OF TRAINING EXERCISES WAS OFTEN LACKING. IF THE (1 SOW) HAD NOT ESTABLISHED ITS OWN MAP DEPOT, WE WOULD HAD WAITED UNTIL THE ELEVENTH HOUR TO RECIEVE MOST MAPS AND CHARTS. SITE SURVEYS TO DETERMINE TRAINING LOCATIONS WHICH ARE ALMOST ALWAYS ACCOMPLISHED AT THE LAST MINUTE REQUIRING "EMERGENCY" SMALL SCALE MAPS AND PHOTOGRAPHY REQUESTS, [redacted] BY WAITING UNTIL THE LAST POSSIBLE MINUTE, WEATHERD OUT, AND SOMETIMES FLOWN OVER THE WRONG TARGET.

(S) (B) RECOMMENDATIONS: ESTABLISH PERSONNEL TO BE RESPONSIBLE FOR REALISTIC SENARIOS AND THREAT IN CONJUNCTION WITH MISSION TRAINING . [redacted] ESTABLISH A MAP DEPOT FOR SUPPORT OF REAL WORLD AND EXERCISE PLANNING. [redacted] ALSO DEVELOPE A "FILE" OF FIELD SITE PHOTOS TO PREVENT LAST MINUTE COORDINATION FOR PHOTOGRAPHY.

(4) PROBLEM: COMMUNICATION CENTER

(S) (A) DISCUSSION- DURING THE SNOWBIRD MISSION, THE (101ST) [redacted]-2 WAS NOT PROVIDED ANY COMM CENTER PERSONNEL, UNLIKE OTHER UNITS, TO MAN THE EQUIPMENT. THE INTELLIGENCE PERSONNEL HAD TO LEARN HOW TO OPERATE AND MAINTAIN THE COMM CENTER EQUIPMENT. OFTEN OVER FIFTY PERCENT OF THIS INTELLIGENCE PERSONNEL'S TIME WAS SPENT PREPARING AND RECIEVING MESSAGE TRAFFIC. DURING EXERCISES WHEN SOME PERSONNEL WERE DEPLOYED TO FIELD SITES, THIS INCREASED TO ONE HUNDRED PERCENT. NO COMM CENTER PERSONNEL, EXCEPT THE SSO PERSONNEL [redacted] WHICH PROHIBITED UTILIZATION OF SOME UNIT PERSONNEL.

(U) (B) RECOMMENDATION: HIGHER HEADQUARTERS SHOULD PROVIDE THE EQUIPMENT AND PERSONNEL TO ACCOMPLISH OUR ASSIGNED MISSION.

(S) (U) PROBLEM: COMPARTMENTATION

(A) DISCUSSION- DURING THE SNOWBIRD MISSION, MUCH OF THE OPERATIONS WERE COMPARTMENTED WHICH WAS RIGHTFULLY SO, HOWEVER, I DEVELOPED THROUGH EXCHANGES WITH MY COUNTERPARTS, A BETTER UNDERSTANDING OF MY MISSION N AND NEW IDEAS/TECHNIQUES FOR ACCOMPLISHING THEM.

(S) (B) RECOMMENDATION: DURING THE PLANNING FOR EXECUTION OF AN OPTION, CONFERENCES OF KEY INTELLIGENCE PERSONNEL SHOULD CONDUCTED PERIODICALLY TO UPDATE, REFINE, AND DEVELOP NEW IDEAS. THE CONFERENCES I ATTENDED [redacted] SEEM TO HAVE "NEW" PERSONNEL AT EACH MEETING RATHER THAN DEVELOPING SOME CONTINUITY.

MEMORANDUM FOR THE JCS SPECIAL PLANNING TEAM

Subject: Special Mission Analysis, 16-19 April 1980 (U)

1. (U) At the request of JCS (J3) staff officer [redacted] the 544th Strategic Intelligence Wing's Strategic Targeting Intelligence Center (STIC) conducted a detailed analysis of the attrition probabilities and the vertical obstructions which pertained to a defined mission. Initial contact for project approval was made between the JCS project officer and the Assistant Deputy Chief of Staff Intelligence on 16 April 1980.

2. (U) ~~(TS)~~ The mission involved the covert penetration and exit of a single MC-130 Combat Talon special mission into Iranian airspace. Three ingress routes were specified, defined as Valley, Backdoor, and N1. Three egress routes, defined as South, North, and N1, were also provided. Ingress and egress routes were not connected in the tasking specified. Data was provided via DACOM from AFXOXP (Special Plans) and is returned as directed as Attachment 1.

3. (U) ~~(TS)~~ STIC was requested to evaluate the routes provided and develop probabilities of attrition for each. [redacted] specified that the [redacted] These parameters were reiterated on query, and further cross checked with [redacted] subsequently designated as the STIC point of contact.

4. (U) ~~(TS)~~ By agreement, STIC developed four cases for the attrition evaluation. Case One assessed the probability of attrition under conditions [redacted]

In addition, STIC conducted an evaluation of the vertical obstructions which, within five miles of the center line of each ingress and egress route, could pose a threat to the mission. [redacted]

[redacted] The results of the attrition analyses are at Attachment 2. In the absence of defined linkage between specific ingress and egress routes in Attachment 1, STIC analysts have connected the combinations to provide a range of values for the probability of arrival at a friendly base. In addition, because the egress of the mission cannot

be handled in the same warning context as the ingress conditions, the [redacted] to position defenders along the egress routes was considered. While the possibility of the defenders picking the right egress route is remote, [redacted] significantly increases the risk to this phase of the mission.

6. (TS) In particular, the issues of Iranian pilot proficiency and the capability of the radar system operators are not clear. The operational readiness of the F-14 and the Phoenix missile is also in question. [redacted] Moreover it is thought, for example, that there may be only sufficient missiles to effectively arm five or less F-14s. Since these factors are decisive in the computation of engagement success, all analyses have afforded the defender the more sophisticated capability. As a consequence, the risk to the penetrator may be lower than that which is computed and shown in Attachment 2.

MEMORANDUM FOR DIA, [redacted] C

Subject: Risk Assessment

1. (TS) Request your analysis of risk of detection of clandestine penetration of Iranian airspace by a small mixed force of fixed wing aircraft and helicopters. All flight activity would be at low altitude [500-2,000 feet AGL under cover of darkness. All flight tracks will be flown over isolated areas of Iran and outside of all known Iranian radar coverage. All potential ground operating areas are isolated but some occasional civilian activity can be anticipated at locations during a 3-5 day period.

2. (U) Key questions are listed below. A numerical value assessme on a scale of one to ten (10 is high risk) should be applied to each question/sub-question. What are chances of detection if:

a. (U) (TS) Three-five fixed wing aircraft were to penetrate Iran in close trail or with one hour separation, conduct recon, RTB.

b. (U) (TS) Up to 3-4 fixed wing aircraft and 4-5 helicopters penetrate Iran, land/remain on ground 2 hours, RTB.

c. (U) (TS) Up to 3-4 fixed wing aircraft and 4-5 helicopters penetrate and land three times in the same area over a 3-5 day or irregularly over a 3 to 10 day period.

d. (U) (TS) Approximately 2,500 cubic feet of semi-moveable equipment is delivered via airdrop, moved to cover and left unattended for:

(1) Two days
(2) Four days
(3) Six days
(4) Ten days
(5) Two weeks
(6) Three weeks

JAN '8

2. PART I SITUATION

(U) A. GENERAL: ON 4 NOVEMBER 1979 MEMBERS OF AN IRANIAN STUDENT GROUP SWARMED ON TO THE US EMBASSY COMPOUND IN TEHRAN, TOOK THE EMBASSY EMPLOYEES HOSTAGE AND STATED THEY WOULD HOLD THE EMPLOYEES HOSTAGE UNTIL THE USG RETURNED THE SHAH TO IRAN FOR TRIAL. THE TAKE OVER WAS ACCOMPLISHED WITHOUT BLOODSHED. APPROXIMATELY 62 AMCITS AND AN UNDETERMINED NUMBER OF IRANIAN AND 3RD COUNTRY CITIZENS WERE INITIALLY HELD. SHORTLY AFTER THE TAKE OVER THE IRANIAN PERSONNEL WERE RELEASED. ON 19 NOVEMBER THE "STUDENTS" BEGAN TO RELEASE SELECTED HOSTAGES, LARGELY NON-WHITE AMCIT MALES, AMCIT FEMALES AND 3RD COUNTRY NATIONALS. THE REMAINING AMERICAN HOSTAGES INCLUDE TWO WOMEN AND 48-50 MALES. THE "STUDENTS" REMAIN ADAMANT IN THEIR DEMANDS FOR THE RETURN OF THE SHAH AND WITH THE CONCURRENCE OF AYATOLLAH KHOMEINI AND THE IRAN GOVERNMENT (REVOLUTIONARY COUNCIL) HAVE REFUSED TO HONOR THE INJUNCTION OF THE WORLD COURT TO RELEASE THE HOSTAGES AND RETURN THE EMBASSY TO AMERICAN CONTROL.

(U) - IN ADDITION BOTH THE GOVERNMENT AND THE "STUDENTS" HAVE STATED THEY PLAN TO PUT THE REMAINING HOSTAGES ON TRIAL FOR ESPIONAGE. ALTHOUGH THE LABEL "STUDENTS" IS USED IN THE MEDIA AND IN THIS REPORT WHEN REFERRING TO THE PRINCIPAL CAPTIVES THE LABEL IS NOT CORRECT. THE "STUDENT CAPTIVE" FORCE CONSISTS OF A GROUP OF SENIOR MEDICAL, ENGINEERING AND RELIGIOUS STUDENTS BELONGING TO A MOJAHEDIN FACTION WHICH SUBSCRIBES TO A BLEND OF ISLAM AND MARXISM. SEVERAL LEFTIST INSTRUCTORS FROM TEHRAN TECHNICAL UNIVERSITY, MEMBERS OF THE TUDEH (COMMUNIST) PARTY MAY HAVE ALSO INFILTRATED THESE GROUPS. IN ADDITION, THE LEADERSHIP OF THE COLLECTIVE GROUP (WHICH IS CALLED A COMMITTEE) RECEIVES COUNSEL ON PROGAGANDA, AND SECURITY MATTERS FROM PLO AND FEYADEEN ADVISORS. THE SITUATION HAS NOW CRYSTALLIZED TO THE POINT THAT THE IRANIAN GOVERNMENT AS A POLITICAL ENTITY MUST BEAR FULL RESPONSIBILITY FOR THE PROTRACTED AND UNCOMPROMISING NATURE OF THE IRANIAN POSITION. THE SITUATION APPEARS TO BE A POLITICAL PROBLEM WITHOUT AN ACCEPTABLE POLITICAL SOLUTION FOR EITHER THE GOVERNMENT OF IRAN OR THE USG.

(U) B. CHARACTERISTICS OF THE OBJECTIVE AREA: THE EMBASSY COMPOUND IS LOCATED IN CENTRAL TEHRAN (UTM 39S-WV-383518//GEOGRAPHIC 4230N/5125E). THE COMPOUND AREA CONSISTS OF 27 ACRES OF FLAT TERRAIN SHAPED IN BASICALLY A RECTANGLE PATTERN RUNNING NORTH/SOUTH. THE COMPOUND IS BOUNDED ON THE SOUTH BY TAKHT-E-JAMSHID BLVD WHICH IS A MAJOR EAST/WEST THOROUGHFARE; ON THE EAST BY ROOSEVELT STREET, (A RELATIVELY BUSY NORTH/SOUTH ROAD); ON THE WEST BY AMERICA AVENUE AND THE NORTH BY ARDALAN STREET. THE MAIN BUILDING (CHANCERY) RUNS EAST/WEST AND FORMS THE BASE LINE REFERENCE POINT. THE CHANCERY FACES ON TAKHT-E-JAMSHID BLVD. THE COMPOUND CAN BE DIVIDED INTO FOUR GENERAL AREAS, GROUPED AROUND TWO PLAYING FIELDS LOCATED IN THE CENTER OF THE COMPOUND. THE CHANCERY AND MOTOR POOL AREA ARE TO THE SOUTH. THE WAREHOUSE, TEMPORARY APARTMENTS AND SUPPLY AREA ARE TO THE NORTH. THE COMMISSARY, CONSULATE STAFF COTTAGES AND OLD POLICE QUARTERS ARE TO THE WEST. THE AMBASSADOR'S AND DCM RESIDENCES ARE LOCATED IN THE EASTERN HALF OF THE COMPOUND WHICH IS FORESTED WITH HIGH TRUNKED PINE TREES. THE NOTHWEST SEGMENT OF THE EMBASSY COMPOUND ABUTTS AN IRANIAN ARMY DEPOT. THE COMPOUND IS SURROUNDED BY A SERIES OF WALLS AND FENCES WHICH RESTRICT INTERIOR VISIBILITY FROM THE SURROUNDING STREETS. STREET AND BUILDING LIGHTS ARE LOCATED THROUGHOUT THE COMPOUND AND SURROUNDING AREAS BUT MANY ARE NOT FUNCTIONING.

(U) (1) THE COMPOUND IS LOCATED IN DOWNTOWN TEHRAN IN THE MIDST OF A MIXED BUSINESS AND RESIDENTIAL AREA, WITH RELATIVELY EASY ROAD ACCESS FROM THE NORTH AND EAST. SEVERAL HIGH BUILDINGS IN THE AREA PROVIDE GOOD VANTAGE POINTS FOR VIEWING THE INTERIOR OF THE COMPOUND. A MAJOR SPORTS COMPLEX WITH LARGE STADIUM AND SEVERAL PLAYING FIELDS IS LOCATED NORTHEAST OF THE COMPOUND DIAGONALLY ACROSS ROOSEVELT AVENUE. A LARGE PARKING LOT IS ALSO LOCATED EAST OF THE COMPOUND ON ROOSEVELT, MIDWAY BETWEEN THE STADIUM AND TASHT-E-JAMSHID BLVD.

(U) (2) THE BUILDINGS FACING THE COMPOUND ON THE SOUTH (TAKHT-E-JAMSHID) ARE MOSTLY OFFICE BUILDINGS WITH SOME RESIDENTS. ON THE WEST SIDE THE PRINCIPAL STRUCTURES APPEAR TO BE FOUR SMALL BUT AFFLUENT PROFESSIONAL OFFICE BUILDINGS SURROUNDED BY TREES AND BACKED BY TWO LARGE PARKING LOTS. THE NORTH SIDE OF THE COMPOUND BACKS INTO A MIDDLE CLASS RESIDENTIAL AREA CONSISTING OF THREE BLOCKS OF MULTI-STORY APARTMENT HOUSES.

(U) (3) ACTIVITY RELATED TO THE EMBASSY TAKEOVER IS LARGELY LOCALIZED WITHIN A TWO BLOCK RADIUS OF THE COMPOUND EVEN WHEN MAJOR DEMONSTRATIONS ARE ON GOING.

(U) (4) TRAFFIC IN THE CITY IS HIGHLY CONGESTED BETWEEN THE HOURS OF 0600-2300 DURING THE ISLAMIC WORK WEEK (SAT-WED) DECREASING IN VOLUME ON THE ISLAMIC WEEKEND (THURS-FRI) ALTHOUGH TRAFFIC ACTIVITY IS LIKELY TO CONTINUE THURSDAY NIGHT UNTIL 0200 FRIDAY MORNING.

(U) (5) THE EMBASSY IS LOCATED APPROXIMATELY 5 KM WEST OF THE NEAREST AIRFIELD (DOSHAN-TAPPEH AFB WHICH IS A NON COMBAT BASE). TWO OTHER AIRFIELDS ARE WITHIN 10KM, GHALI-MORGHI, AN ARMY LIGHT AIRCRAFT/HELICOPTER FIELD IS 8KM SSW AND MEHRABAD INTERNATIONAL IS LOCATED 10 KM WSW.

(U) (6) WEATHER AT THIS TIME OF YEAR IS COMPARABLE TO NW UNITED STATES/DENVER COLORADO WITH CLEAR CRISP DAYS, OCCASSIONAL MIST/RAIN IN THE CITY AND SNOW IN THE NEARBY MOUNTAINS. WINTER TEMPERATURES ORDINARILY RANGE BETWEEN 20 AND 40 DEGREES FAHRENHEIT AT NIGHT RAISING TO THE MID FIFTIES DURING THE DAY.

~~TOP SECRET~~

C (S)

[redacted]

E. EXTERNAL REACTION FORCES

REINFORCEMENTS FOR THE STUDENT GUARDS AND PASDARAN ARE AVAILABLE FROM SEVERAL LOCATIONS AND ORGANIZATIONS. PRINCIPAL FORCES AND THEIR ESTIMATED REACTION TIMES ONCE THEY HAVE RECEIVED NOTIFICATION OR HEARD A MAJOR DISTURBANCE IN THE VICINITY OF THE COMPOUND ARE SHOWN BELOW:

(1) WITHIN 4-7 MIN: FIRE FROM THE CHANCERY AND WEAPONS POSITIONED IN SURROUNDING BUILDINGS.

(2) WITHIN 10-15 MIN: REINFORCEMENTS FROM STUDENT HQS AND PASDARAN KOMITEH STRENGTH 75-100 FROM NEARBY KOMITEH STATIONS.

(3) WITHIN 15-20 MIN: 100-300 PASDARAN AND THE BEGINNINGS OF LOCAL CROWDS.

~~TOP SECRET~~

~~TOP SECRET~~

[redacted]

(4) WITHIN 20-30 MIN: PASDARAN REINFORCEMENTS OF AN ADDITIONAL [redacted]00-300 PLUS.

(5) WITHIN 20-30 MIN: [redacted]

(6) WITHIN 30-40 MIN: PASDARAN BACK-UP UNITS AND ADDITIONAL CROWDS.

(7) WITHIN 45-60 MIN: IRG RESIDUAL FORCES AND MOBS OF 2,000-3,000.

(8) WITHIN 60 MIN: A HAWK SITE [redacted] COULD REACT AND ATTEMPT A LAUNCH AGAINST ANY ORBITTING AIRCRAFT.

(9) WITHIN 60 MIN: HELICOPTERS FROM [redacted] OR FIGHTERS FROM [redacted] COULD LAUNCH AND ATTEMPT TO INTERDICT THE FORCE AT THE COMPOUND OR EXTRACTION AIRFIELD IF THE LOCATION BECOMES KNOWN.

F. ENEMY COMMAND AND CONTROL.

[redacted]

~~TOP SECRET~~

G. ENEMY COURSES OF ACTION

(1) PRIOR TO INITIATION OF RESCUE OPERATION

(A) POSSIBLE ENEMY COURSES OF ACTION

(1) MAINTAIN THE CURRENT SITUATION, I.E. HOLD ALL HOSTAGES PENDING RETURN OF THE SHAH.

(2) BEGIN TO EXECUTE HOSTAGES AS MEANS OF APPLYING PRESSURE ON US.

(3) MOVE HOSTAGES FROM AMEMB COMPOUND TO PRISONS OR OTHER LOCATIONS IN TEHRAN.

(4) RELEASE ALL HOSTAGES WITHOUT TRIAL.

(5) RELEASE MAJORITY OF HOSTAGES; HOLD REMAINDER UNDER THREAT OF TRIAL.

(6) CONVENE INTERNATIONAL TRIBUNAL TO INVESTIGATE CHARGES OF U.S. IMPROPRIETIES.

(7) RELEASE ALL HOSTAGES AFTER INTERNATIONAL TRIBUNAL PUBLISHES ITS FINDINGS.

(8) GRANT CLEMENCY TO ALL HOSTAGES AFTER INDIVIDUAL ESPIONAGE TRIALS.

(9) RELEASE MAJORITY OF HOSTAGES FOLLOWING ESPIONAGE TRIALS; SENTENCE THOSE FOUND GUUILTY TO PRISON TERMS OR DEATH.

(B) PROBABLE ENEMY COURSES OF ACTION

FOR THE IMMEDIATE FUTURE, 30-45 DAYS, THE IRANIANS WILL MAINTAIN THE CURRENT SITUATION, CONVENE THE INTERNATIONAL TRIBUNAL, AND PREPARE FOR INDIVIDUAL TRIALS. THEY WILL NEITHER RELEASE ALL THE HOSTAGES NOR COMMENCE ARBITRARY EXECUTIONS. (NOTE: THE POWER STRUGGLE WITHIN THE IRANIAN HIERARCHY CONTINUES. THE "STUDENTS" AT THE COMPOUND, THE IRG, KHOMEINI AND THE CLERGY, AND OTHER GROUPS ARE VYING FOR POWER. LEFTIST ELEMENTS WITHIN EACH OF THESE GROUPS ALSO ARE MAKING THEIR INFLUENCE FELT. GIVEN THESE POLITICAL CONDITIONS, THE POSSIBILITY OF UNEXPECTED AND/OR ILLOGICAL BEHAVIOUR BY ANY OF THESE GROUPS WITH REGARD TO THE HOSTAGES IS HIGH. FOR THE TIME BEING, THOUGH, THE "STUDENTS" ARE IN CHARGE AT THE COMPOUND, AND THEIR ACTIONS/PRONOUNCEMENTS STILL HAVE THE PRIMARY IMPACT ON THE HOSTAGES' WELL-BEING.)

(2) DURING ASSAULT PHASE

(A) POSSIBLE ENEMY COURSES OF ACTION

(1) SURRENDER HOSTAGES TO THE US RAID FORCE WITH MINIMAL RESISTANCE.

(2) RESIST THE RAID FORCE WITH ALL AVAILABLE WEAPONS AND PERSONNEL.

(3) KILL HOSTAGES ONCE THE RAID FORCE IS DISCOVERED.

(4) REINFORCE PERSONNEL AT THE COMPOUND WITH KHOMITEH AND/OR IRANIAN ARMY ELEMENTS.

(5) ENGAGE US PERSONNEL IN AND NEAR THE COMPOUND WITH FIGHTERS/ATTACK HELICOPTERS.

(B) PROBABLE ENEMY COURSES OF ACTION

THE MAJORITY OF THE IRANIAN PERSONNEL [redacted] ARE NON-MILITARY AND HAVE ACQUIRED ONLY LIMITED MILITARY TRAINING. NEVERTHELESS, SUFFICIENT MILITARY-TRAINED INDIVIDUALS [redacted] PRESENT WHO WILL OFFER A CREDIBLE RESISTANCE DURING THE ASSAULT PHASE. GUARD PERSONNEL SHOULD BE EXPECTED TO RESIST THE ASSAULT FORCE WITH SMALL ARMS, GRENADES, AND POSSIBLY MINES. SOME PERSONNEL WHO ARE GUARDING THE HOSTAGES WILL ATTEMPT TO KILL THE HOSTAGES WITH SMALL ARMS/GRENADES, ONCE THE RAID FORCE IS DISCOVERED. IRREGULAR FORCES IN TEHRAN WILL ATTEMPT TO REINFORCE THE COMPOUND AS SOON AS THE ALARM IS GIVEN. THE POSSIBILITY THAT MILITARY AIR ASSETS WILL BE USED TO SUPPORT PERSONNEL AT THE COMPOUND EXISTS, BUT IS NOT CONSIDERED LIKELY.

(3) DURING EXTRACTION

(A) POSSIBLE ENEMY COURSES OF ACTION

(1) PROVIDE TOKEN OR NO RESISTANCE.

(2) ENGAGE US AIRCRAFT WITH AAA/SAM/FIGHTERS ENROUTE TO EXTRACTION AIRFIELD.

(3) ENGAGE US FORCES AT EXTRACTION AIRFIELD WITH FIGHTERS/ATTACK HELICOPTERS/GROUND ELEMENTS.

(4) PURSUE AND ATTEMPT TO DESTROY US AIRCRAFT WITH AAA/SAM/FIGHTERS FROM EXTRACTION AIRFIELD TO AREAS OUTSIDE OF IRANIAN AIRSPACE.

(B) PROBABLE COURSES OF ACTION

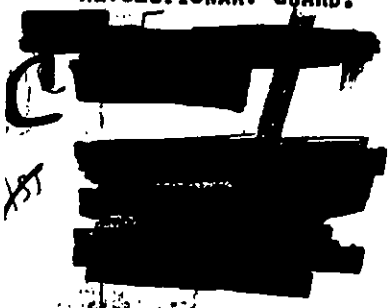

THE CAPABILITIES OF THE IRANIAN ARMY/AIR FORCE ARE LIMITED. HOWEVER, ONLY ONE DETERMINED FIGHTER/HELICOPTER PILOT WOULD BE SUFFICIENT TO WREAK HAVOC ON THE RAID FORCE DURING EXTRACTION. THE LIKLIHOOD OF IRANIAN MILITARY EFFORTS TO ENGAGE RAID FORCE AIRCRAFT OR CONDUCT GROUND ATTACK OPERATIONS WITH FIGHTERS/ATTACK HELICOPTERS AGAINST THE EXTRACTION AIRFIELD IS CONSIDERED HIGH, IF THE US PRESENCE AND PURPOSE IS DETECTED AND REPORTED AND EXCESSIVE TIME IS EXPENDED AT THE AIRHEAD AFTER EXTRACTION BEGINS. (NOTE: THE MINIMUM REACTION TIME IS ESTIMATED TO BE 60 MINUTES, WITH THE MOST PROBABLE BEING 90 MINUTES. REACTION TIMES ARE CALCULATED FROM THE TIME THAT THE COMPOUND ASSAULT ENTERS THE OVERT ACTION PHASE, AND IS FURTHER QUALIFIED BY THE ASSUMPTION THAT US FORCE PRESENCE AND PURPOSE AT THE AIRHEAD BECOMES KNOWN TO HIGHER AUTHORITIES IN TEHRAN. ALTHOUGH ATTEMPTS TO INTERCEPT EXTRACTION AIRCRAFT ARE POSSIBLE, THE PROBABILITY OF SUCCESS IS CONSIDERED EXTREMELY LOW IF PROPER PRECAUTIONS (RADIO SILENCE, LOW ALTITUDE, RADAR AND POPULATION CENTER AVOIDANCE) ARE EMPLOYED BY THE EXTRACTION AIRCRAFT. A, B

3. PART II BACKGROUND.

THE INCREASED TENSION THROUGHOUT THE COUNTRY BROUGHT ABOUT AT LEAST IN PART BY THE SITUATION IN TEHRAN, DETERIORATING RELATIONS WITH IRAQ, AND THE RESULTANT FEAR OF FOREIGN AGGRESSION HAVE LED THE IRANIAN MILITARY TO ISSUE DIRECTIVES AIMED AT INCREASING ITS STATE OF PREPAREDNESS. THESE DIRECTIVES, WHILE HAVING A SHORT TERM EFFECT OF RALLYING PEOPLE BEHIND THE GOVERNMENT, MAY PRODUCE THE OPPOSITE EFFECT IF CONTINUED FOR A PROLONGED PERIOD OF TIME.

A. GROUND FORCES

(1) THE REGULAR ARMY NUMBERS APPROX 150,000, ABOUT HALF WHAT IT WAS PRIOR TO THE REVOLUTION. THE BULK IS STATIONED ALONG BORDERS WITH IRAQ AND THE SOVIET UNION. THE ARMY IS WELL EQUIPPED BUT HINDERED BY LACK OF MAINTENANCE AND SPARE PARTS. DISCIPLINE AND MORALE ARE LOW IN SOME UNITS, DUE TO INTERFERENCE BY THE REVOLUTIONARY GUARD.

TOP SECRET

UNITS IN THE NORTHWEST AND IRAQI BORDER AREAS ARE OCCUPIED WITH SUPPRESSING THE KURDS. EXTRA TROOPS AND REVOLUTIONARY GUARDS HAVE BEEN DEPLOYED TO THESE AREAS AS REINFORCEMENTS. IN THE SOUTHWEST THERE HAS BEEN SOME GUERRILLA ACTIVITY BY ETHNIC ARABS, BUT THIS HAS NOT REACHED THE DIMENSIONS OF THE KURDISH PROBLEM. IRAQ HAS INCREASED PRESSURE IN THE WEST BY A SERIES OF BORDER INCIDENTS, RESULTING IN CONSIDERABLE REINFORCEMENT OF THIS AREA.

B. AIR DEFENSE/ AIR FORCES

(1) FIGHTER AIRCRAFT.

(A) THE OVERALL OPERATIONAL EFFECTIVENESS OF THE IRANIAN AIR FORCE HAS BEEN SERIOUSLY IMPARED BY MAINTENANCE, SUPPLY, AND TRAINING PROBLEMS.

[redacted] IRAN HAS A TOTAL OF APPROX 190 X F-4, 135 X F-5, AND 77 X F-[redacted] FIGHTERS DEPLOYED [redacted] PRIMARILY IN WESTERN IRAN.

[redacted]

(B) [redacted] REPORTEDLY ONLY 20 PILOTS HAD BEEN THROUGH INTERCEPT TRAINING AND ONLY 3 HAD FINISHED THE COMPLETE AIR DEFENSE/ AIR SUPERIORITY COURSE AND WERE OPERATIONALLY QUALIFIED AT THE TIME OF THE REVOLUTION. ONLY 15IP'S WERE TRAINED WEAPON SYSTEMS OFFICERS AND THEY HAD ONLY BEEN THROUGH FIRST-PHASE TRAINING (SINGLE MISSILE ON A SINGLE TARGET).

[redacted]

(C) FIGHTER SUMMARY:

[redacted]

(3) [redacted]

C. NAVY.
THE NAVY'S OPERATIONAL CAPABILITY HAS BEEN INCREASINGLY IMPAIRED SINCE THE REVOLUTION DUE TO MAINTENANCE AND MILITARY DISCIPLINE PROBLEMS AND COMPOUNDED BY A LACK OF PARTS AND REVOLUTIONARY INTERFERENCE IN COMMAND CHANNELS. THE NAVY'S NINE HARPOON-FIRING GUIDED MISSILE PATROL BOATS ARE PROBABLY IN THE BEST CONDITION OF ALL IRANIAN SHIPS. THERE ARE ALSO 3 DESTROYERS IN THE IRANIAN INVENTORY, [redacted] THESE SHIPS EACH CARRY 4 "STANDARD" (NAME OF MISSILE) SURFACE TO SURFACE MISSILES. [redacted] MAINTENANCE MAY HAVE REDUCED THE MISSILE CAPABILITY. THE NAVY HAS 2 COASTAL MINESWEEPERS. [redacted] RH-53D MINE-SWEEPING HELICOPTERS. [redacted] THERE IS ALSO [redacted] SM-3D AND AB-[redacted] HELICOPTERS.

THE IRANIAN NAVY IS NOT BELIEVED TO HAVE ANY MINES OR MINE-LAYING CAPABILITY.

4. PART III
A. MAIN ORIENTATION DATA
(1) LOCATION: MAIN MILITARY IS LOCATED APPROXIMATELY 20NM (37KM) NE OF MAIN, 100[redacted] ENE OF ESFAHAN, AND 180NM (330KM) SE OF TEHRAN. GEORGRAPHIC COORDINATES: 33 DEG 05 MIN 19 SEC NORTH 053 DEG 24 MIN 28 SEC [redacted] (CENTER OF RUNWAY).
(2) MAP REFERENCES:
(A) 1:1,000,000 ONC G5.

SUBJECT: SHORT TERM ASSESSMENT

1. PUBLIC DISCLOSURE OF THE SAFE EXIT OF SIX AMERICANS FROM TEHRAN, THE CONTINUATION OF POLITICAL FACTIONALISM, THE LESSENING OF FOCUS ON THE MILITANTS HOLDING THE EMBASSY TOGETHER WITH OTHER FACTORS SUCH AS THE SOVIET PRESENSE IN AFGHANISTAN AND THE QUESTIONABLE HEALTH OF KHOMEINI MAY PORTEND A MAJOR SHIFT IN THE HOSTAGE SITUATION.

(A) THE NEWLY ELECTED PRESIDENT BANI-SADR HAS STATED HE WOULD LIKE TO SEE THE HOSTAGE SITUATION RESOLVED QUICKLY. HOWEVER HIS ABILITY TO CARRY THIS THROUGH IS HIGHLY SUSPECT.

(B) FOREIGN MINISTER GHOTBAZADEH HAS CONSISTENTLY ATTEMPTED TO PROLONG THE INCIDENT, HAS PUBLICLY SUPPORTED THE MILITANTS, AND WILL CONTINUE TO MANIPULATE THE SITUATION TO HIS PERSONAL BENEFIT.

(C) THE MILITANTS HAVE STATED THEY WOULD NOT TURN THE HOSTAGES OVER TO A THIRD PARTY UNLESS SPECIFICALLY DIRECTED BY KHOMEINI.

(D) THE STATUS OF KHOMEINI'S HEALTH IS OPEN TO QUESTION. THE COMBINATION OF ADVANCED AGE, MINOR INFIRMATIES, AND RECENT HEART CONDITIONS MAKE THE EXTENT OF HIS CONTROL AND KNOWLEDGE OF REALITY LIMITED AND HIMSELF OPEN TO MANIPULATION BY COMPETING ELEMENTS.

(E) MODERATE ELEMENTS IN IRAN ARE WORRIED ABOUT THE FUTURE OF THEIR COUNTRY AND PROBABLY DESIRE THE HOSTAGE SITUATION BE RESOLVED QUICKLY WITH MINIMUM COMPLICATION. DESPITE THIS, THEY WILL CONTINUE TO BE EXTREMELY CAUTIOUS IN REVEALING THEMSELVES IN THE PRESENT ENVIRONMENT AND THEIR IMPACT ON A RESOLUTION OF THE CURRENT CRISIS IS MINIMUM TO NIL.

(F) THE LACK OF A PUBLIC PRONOUNCEMENT OF SUPPORT AT THE CLOSE OF THE MEETING OF 3RD WORLD LIBERATION MOVEMENTS REPRESENTATIVES HELD IN TEHRAN IN EARLY JANUARY WAS PROBABLY A DISAPPOINTMENT AND THE BEGINNING OF A PERIOD OF INTERNAL DEBATE AMONG THE CAPTORS.

(G) THE ESCAPE OF THE SIX AMERICANS PROBABLY PROMPTED ADDITIONAL DEBATE AND AT LEAST TEMPORARY IMPROVEMENT OF SECURITY MEASURES [redacted]

(H) AS LONG AS KHOMEINI REMAINS ALIVE HE IS A STABILIZING FACTOR. NONE OF THE COMPETING ELEMENTS HAVE THE POWER TO OPENLY TAKE AN INITIATIVE THAT MIGHT RUN COUNTER TO THE IMAM'S DESIRES OR THE DESIRES OF HIS CLOSE ADVISORS.

2. AS LONG AS KHOMEINI REMAINS ALIVE AND [redacted]

~~SECRET~~

(A) ESCORT HOSTAGES TO AIRPORT AND RELEASE AS MAGNANIMOUS GESTURE OF GOOD WILL.

(B) RELEASE THE HOSTAGES TO A 3RD PARTY AS DIRECTED BY KHOMEINI

(C) REFUSE TO RELEASE THE HOSTAGES AND RESTATE THEIR DEMAND FOR RETURN OF SHAH.

(D) MAINTAIN CONTROL OF HOSTAGES AND REFOCUS ATTENTION ON THEIR CAUSE BY INITIATING PUBLIC TRIALS OF SELECTED HOSTAGES.

3. HOWEVER THIS OFFICE HOLDS THAT FACTIONALISM EXISTS WITHIN THE COMPOUND AND SEVERAL SCHOOLS OF THOUGHT PROBABLY COMPETE FOR CONTROL.

(A) THE RELIGIOUS/MEDICAL STUDENTS WOULD BE INCLINED TO CONCLUDE THE INCIDENT WITHOUT BLOODSHED AND WOULD BE LIKELY TO OBEY A DIRECTIVE FROM KHOMEINI TO RELEASE THE HOSTAGES TO A THIRD PARTY.

(B) THE MORE RADICAL FACTIONS SUCH AS THOSE WHICH RECEIVED TRAINING FROM THE PLO WOULD PROBABLY BALK AT THE IDEA OF RELEASING THE HOSTAGES WITHOUT EXACTING SOME CONCESSIONS FROM THE USG.

4. HOWEVER IF KHOMEINI WERE TO DIE WITHOUT A CLEAR MANDATE OF AUTHORITY BEING ESTABLISHED THE MILITANTS WOULD PROBABLY QUESTION THE RELIABILITY OF THE PREVAILING AUTHORITIES AND CONSIDER THAT THEIR CAUSE WAS ABOUT TO BE SOLD OUT. THIS SUSPICION WOULD ENGENDER A MAJOR INTERNAL DEBATE WITH UNKNOW RESULTS.

5. IN SUMMARY ALTHOUGH NEGOTIATIONS ARE ONGOING BETWEEN IRANIAN OFFICIALS THE SGUN AND OFFICIALS OF THE USG, THE PRINCIPAL PARTICIPANTS (THE MILITANTS) ARE NOT INVOLVED AND THERE ARE NO INDICATIONS THAT THE MILITANTS HAVE ANY INTENTIONS OF MODIFYING THEIR OBJECTIVES. THE MILITANTS, OUT OF A BELIEF THAT VICTORY IS SLOWLY ESCAPING THEM, WILL ATTEMPT TO REFOCUS ATTENTION ON THEIR CAUSE THROUGH A MAJOR PEACEFUL MEDIA EVENT. HOWEVER IF KHOMEINI SHOULD DIE PRIOR TO A RESOLUTION OF THE CRISIS SOME OF THE MILITANTS MIGHT FEEL COMPELLED TO RESORT TO A MORE VIOLENT COURSE OF ACTION.

SUBJ: MEDIA ANALYSIS, IRAN

1. ANALYSIS OF MEDIA BROADCASTING FROM IRAN INDICATES AT LEAST THREE [redacted] IN USE AND ARE INDICATIVE OF THE ORIGINATORS. THE THREE CATEGORIES ARE DESIGNATED:

(A) FORMAL GOVERNMENT STATEMENTS;

(B) REVOLUTIONARY STATEMENTS WITH MARXIST FLAVOR;

(C) REVOLUTIONARY STATEMENTS WITH ISLAMIC RELIGIOUS FLAVOR.

2. EXAMPLES OF [redacted]

(A) FORMAL GOVERNMENT STATEMENTS

(1) INTERIOR MINISTRY ISSUES CIRCULAR ON ISLAMIC ELECTIONS

(2) D271822 TEHRAN DOMESTIC SERVICE IN PERSIAN 1630 GMT 27 FEB 80

1980 LD

(3) (TEXT) ACCORDING TO PARS NEWS AGENCY, THE SUPERVISOR OF THE INTERIOR MINISTRY ANNOUNCED IN A CIRCULAR TO ALL GOVERNORS AND ASSISTANTS RESPONSIBLE FOR CONSTITUENCY CENTERS THROUGHOUT THE COUNTRY, THAT IN COMPLIANCE WITH ARTICLE 17, SECTION 4 OF THE ACT FOR THE ELECTIONS TO THE NATIONAL CONSULTATIVE ASSEBBLY OF THE ISLAMIC REPUBLIC OF IRAN, IT IS NECESSARY THAT THE ELECTORAL EXECUTIVE COMMITTEES INVITE ALL CLASSES OF THE PEOPLE OF THE CONSTITUENCY TO PARTICIPATE IN THE FORMATION OF ELECTORAL SUPERVISORY BOARDS, IN ORDER TO OBSERVE IMPARTIALITY AND TOAL COMPLIANCE WITH THE LETTER OF LAW AND ITS CODE OF CONDUCT. ALSO THE NUMBER AND THE LOCATION OF THE POLLING BOXES SHOULD BE DETERMINED AND SPECIFIED BY 7 MARCH, SO THAT ALL THE COMPATRIOTS MAY EASILY VOTE FOR THEIR CHOSEN CANDIDATE OR CANDIDATES DURING ELECTION DAY, 15 MARCH.

(4) (SIGNED) MOHAMMAD REZA MAHDAVI KANI.

(B) REVOLUTIONARY STATEMENT WITH MARXIST FLAVOR

(1) REVOLUTION GUARDS ISSUES ANNOUNCEMENT ON [redacted] MARCHES

(2) D271740 TEHRAN DOMESTIC SERVICE IN PERSIAN 1630 GMT 27 FEB 80 LD

(3) (TEXT) ACCORDING TO A CENTRAL NEWS BUREAU REPORT THE PUBLIC RELATIONS OFFICE OF THE CENTRAL ISLAMIC REVOLUTION GUARDS CORPS HAS ISSUED AN ANNOUNCEMENT ON THE MARCHES TO BE HELD TOMORROW AND PRODAFLY FRIDAY. THE TEXT OF THE ANNOUNCEMENT WHICH HAS BEEN SENT TO ALL UNITS IN THE FORM OF A CIRCULAR READS AS FOLLOWS:

ACCORDING TO INFORMION RECEIVED, OPPORTUNISTS AND THE DEFEATED ENEMIES WHO NOW SEE THEIR EXISTENCE AT THE POINT OF EXTINCTION ARE HATCHING CONSPIRACIES AIMED AT TARNISHING THE PURE RECORD OF THESE SELF-SACRIFICING INDIVIDUALS (PRESUMABLY THE GUARDS) WHOSE SEVICE AND CAPABILITY IS KNOWN TO ALL CONSCIENTIOUS IRANIANS AND TO INVOLVE THE GUARDS AGAINST VARIOUS OTHER GROUPS. FOR THIS REASON WE SHOULD ACT WITH COMPLETE VIGILANCE AND NOT ALLOW THE ENEMY TO TAKE UNFAIR ADVANTAGE OF OUR ACTIONS. ACCORDING TO REPORTS WE HAVE RECEIVED, THE OPPORTUNISTS AND THE ENEMIES OF THE REVOLUTION ARE PLANNING TO INVOLVE THE GUARDS CORPS BROTHERS IN CLASHES DURING THE MARCHES TO BE HELD TOMORROW AND PROBABLY ON FRIDAY. THEREFORE, THE CENTRAL HEADQUARTERS HEREBY ANNOUNCES THAT YOU SHOULD REFRAIN FROM ANY KIND OF INVOLVEMENT AND NOT GIVE THE ENEMIES ANY EXCUSE FOR TMISUSING THE OPPORTUNITY. WE ALSO REQUEST THE NOBLE PEOPLE TO BE COGNIZANT OF CONSPIRACIES AND PLOTS BY THE COUNTERREVOLUTIONARIES, TO NIP THEM IN THE BUD AND NOT ALLOW THE ISLAMIC REVOLUTION TO BE DIVERTED FROM ITS COURSE.

~~SECRET~~

~~CONFIDENTIAL~~

(C) REVOLUTIONARY STATEMENTS WITH ISLAMIC RELIGIOUS FLAVOR

(1) STUDENTS' REVELATION STATEMENT

(2) LD2710 10 TEHRAN DOMESTIC SERVICE IN PERSIAN 2030 GMT 26 FEB 80 LD

(3) UNNUMBERED REVELATION STATEMENT BY THE MUSLIM STUDENT FOLLOWERS OF THE IMAM'S POLICY--RECORDED)

(4) (EXCEPPTS) IN THE NAME OF GOD, THE COMPASSIONATE, THE MERCIFUL. AS THE DAYS PASS WE FIND OUT MORE ABOUT THE ENEMIES OF (WORDS INDISTINCT) AND ITS CRUEL SUPPORTERS. IT IS NOT CERTAIN WHETHER HISTORY ITSELF CAN MATCH SUCH CRIMES. THE CRIMES OF THE OPPRESSORS GO BEYOND THE LIMITS OF HUMAN NATURE. THE MIGHTY SEE THEIR SHAMEFUL EXISTENCE IN DOMINATION AND THE CONTINUATION OF THEIR CRIMES IN SMASHING AND KILLING OTHERS; AND LUST FOR POWER HAS MADE THEM BLIND AND DEAF. ALL THE OPPRESSED MUST JOIN TOGETHER AND REMOVE THE ROOTS OF CORRUPTION FROM THEIR COUNTRIES. WORLD PEACE AND SAFETY DEPEND ON THE EXTINCTION OF THE OPPRESSORS; THE OPPRESSED WILL NOT REACH THE HERITAGE GRANTED TO THEM BY ALMIGHTY GOD SO LONG AS THESE IGNORANT HEGEMONISTS ARE ALIVE IN THE WORLD.

O, OPPRESSED OF THE WORLD, TO WHATEVER REGION OR COUNTRY YOU BELONG, COME TO YOUR SENSES AND DO NOT BE AFRAID OF THE NOISE AND CLAMOR OF AMERICA AND OTHER EMPTY-HEADED SUPERPOWERS. MAKE THE WORLD TOO CONSTRICTED FOR THEM (TO LIVE IN) AND SEIZE YOUR RIGHTS FROM THEM WITH CLENCHED FISTS.

THE WORLD OF ISLAM IS NOW IN COMBAT WITH THE WORLD OF BLASPHEMY. AND THE NOBLE NATION OF IRAN, AFTER PROVIDING TENS OF THOUSANDS OF MARTYRS AND NUMEROUS CASUALTIES, IS STILL FACED WITH SATANIC PLOTS FROM ALL DIPECTIONS, ESPECIALL FRIM AMERICA. THE CRIMINAL AMERICA WHICH, AS THE IMMAM SAYS, IS THE CAUSE OF ALL MISFORTUNES OF THE MUSLIMS AND IS PLOTTING AGAINST US OVERTLY AND COVERTLY. AND IN DOING SO IT DOES NOT HESITATE EVEN TO EMPLOY SAVAK AGENTS. AND IT ARRANGES THE ESCAPE FROM THIS COUTRY OF THESE SAVAK AGENTS, WHOSE HANDS WERE ONCE DRENCHED IN THE BLOOD OF OUR YOUTH ON AMERICAN ORDERS. AND IT STILL TALKS ABOUT FRIENDSHIP AND SAYS THAT IT IS THE NATION OF IRAN WHICH IS FLOUTING ALL INTERNATIONAL LAWS.

1. THIS ASSESSMENT CONSOLIDATES AND SUPERCEDES DATA CONTAINED IN REFERENCES. THE FORMAT OF THIS ASSESSMENT IS IAW WITH THE INTELLIGENCE ANNEX OF AN OPLAN/OPORD AND SHOULD BE CONSIDERED AS SUCH. MAJOR CHANGES/SUPPLEMENTS TO THIS ASSESSMENT WILL BE MADE BY TTY AND WILL BE IDENTIFIED IN THE SUBJECT AS SUCH. THE FOLLOWING INDEX IS PROVIDED AS A BASE OF REFERENCE:

PART I SITUATION
- A. GENERAL
- B. CHARACTERISTICS OF AREA
- C. HOSTAGE DISTRIBUTION
- D. GUARD FORCE DISTRIBUTION
- E. EXTERNAL REACTION FORCE
- F. ENEMY COMMAND AND CONTROL
- G. ENEMY COURSES OF ACTION

PART II BACKGROUND
- A. GROUND FORCES
- B. AIR DEFENSE/AIR FORCES
- C. NAVAL FORCES

~~SECRET~~

PART III KEY EXTERNAL LOCATIONS [redacted]
- A. MAIN MILITARY AFLD
- B. SEMAN NEW AFLD

2. PART I SITUATION

A. (U) GENERAL: ON 4 NOVEMBER 1979 MEMBERS OF AN IRANIAN STUDENT GROUP SWARMED ON TO THE US EMBASSY COMPOUND IN TEHRAN, TOOK THE EMBASSY EMPLOYEES HOSTAGE AND STATED THEY WOULD HOLD THE EMPLOYEES HOSTAGE UNTIL THE USG RETURNED THE SHAH TO IRAN FOR TRIAL. THE TAKE OVER WAS ACCOMPLISHED WITHOUT BLOODSHED. APPROXIMATELY 62 AMCITS AND AN UNDETERMINED NUMBER OF IRANIAN AND 3RD COUNTRY CITIZENS WERE INITIALLY HELD. SHORTLY AFTER THE TAKE OVER THE IRANIAN PERSONNEL WERE RELEASED. ON 19 NOVEMBER THE "STUDENTS" BEGAN TO RELEASE SELECTED HOSTAGES, LARGELY NON-WHITE AMCIT MALES, AMCIT FEMALES AND 3RD COUNTRY NATIONALS. THE REMAINING AMERICAN HOSTAGES INCLUDE TWO WOMEN AND 48-50 MALES. THE "STUDENTS" REMAIN ADAMANT IN THEIR DEMANDS FOR THE RETURN OF THE SHAH AND WITH THE CONCURRENCE OF AYATOLLAH KHOMEINI AND THE IRAN GOVERNMENT (REVOLUTIONARY COUNCIL) HAVE REFUSED TO HONOR THE INJUNCTION OF THE WORLD COURT TO RELEASE THE HOSTAGES AND RETURN THE EMBASSY TO AMERICAN CONTROL.

(U) IN ADDITION BOTH THE GOVERNMENT AND THE "STUDENTS" HAVE STATED THEY PLAN TO PUT THE REMAINING HOSTAGES ON TRIAL FOR ESPIONAGE. ALTHOUGH THE LABEL "STUDENTS" IS USED IN THE MEDIA AND IN THIS REPORT WHEN REFERRING TO THE PRINCIPAL CAPTIVES THE LABEL IS NOT CORRECT. THE "STUDENT CAPTIVE" FORCE CONSISTS OF A GROUP OF SENIOR MEDICAL, ENGINEERING AND RELIGIOUS STUDENTS BELONGING TO A MOJAHEDIN FACTION WHICH SUBSCRIBES TO A BLEND OF ISLAM AND MARXISM. SEVERAL LEFTIST INSTRUCTORS FROM TEHRAN TECHNICAL UNIVERSITY, MEMBERS OF THE TUDEH (COMMUNIST) PARTY MAY HAVE ALSO INFILTRATED THESE GROUPS. IN ADDITION, THE LEADERSHIP OF THE COLLECTIVE GROUP (WHICH IS CALLED A COMMITTEE) RECEIVES COUNSEL ON PROGAGANDA, AND SECURITY MATTERS FROM PLO AND FEYADEEN ADVISORS. THE SITUATION HAS NOW CRYSTALLIZED TO THE POINT THAT THE IRANIAN GOVERNMENT AS A POLITICAL ENTITY MUST BEAR FULL RESPONSIBILITY FOR THE PROTRACTED AND UNCOMPROMISING NATURE OF THE IRANIAN POSITION. THE SITUATION APPEARS TO BE A POLITICAL PROBLEM WITHOUT AN ACCEPTABLE POLITICAL SOLUTION FOR EITHER THE GOVERNMENT OF IRAN OR THE USG.

(U) B. CHARACTERISTICS OF THE OBJECTIVE AREA: THE EMBASSY COMPOUND IS LOCATED IN CENTRAL TEHRAN (UTM 39S-WV-383518//GEOGRAPHIC 4230N/5125E). THE COMPOUND AREA CONSISTS OF 27 ACRES OF FLAT TERRAIN SHAPED IN BASICALLY A RECTANGLE PATTERN RUNNING NORTH/SOUTH. THE COMPOUND IS BOUNDED ON THE SOUTH BY TAKHT-E-JAMSHID BLVD WHICH IS A MAJOR EAST/WEST THOROUGHFARE; ON THE EAST BY ROOSEVELT STREET, (A RELATIVELY BUSY NORTH/SOUTH ROAD); ON THE WEST BY AMERICA AVENUE AND THE NORTH BY ARDALAN STREET. THE MAIN BUILDING (CHANCERY) RUNS EAST/WEST AND FORMS THE BASE LINE REFERENCE POINT. THE CHANCERY FACES ON TAKHT-E-JAMSHID BLVD. THE COMPOUND CAN BE DIVIDED INTO FOUR GENERAL AREAS, GROUPED AROUND TWO PLAYING FIELDS LOCATED IN THE CENTER OF THE COMPOUND. THE CHANCERY AND MOTOR POOL AREA ARE TO THE SOUTH. THE WAREHOUSE, TEMPORARY APARTMENTS AND SUPPLY AREA ARE TO THE NORTH. THE COMMISSARY, CONSULATE STAFF COTTAGES AND OLD POLICE QUARTERS ARE TO THE WEST. THE AMBASSADOR'S AND DCM RESIDENCES ARE LOCATED IN THE EASTERN HALF OF THE COMPOUND WHICH IS FORESTED WITH HIGH TRUNKED PINE TREES. THE NOTHWEST SEGMENT OF THE EMBASSY COMPOUND ABUTTS AN IRANIAN ARMY DEPOT. THE COMPOUND IS SURROUNDED BY A SERIES OF WALLS AND FENCES WHICH RESTRICT INTERIOR VISIBILITY FROM THE SURROUNDING STREETS. STREET AND BUILDING LIGHTS ARE LOCATED THROUGHOUT THE COMPOUND AND

PROVIDE GOOD VANTAGE POINTS FOR VIEWING THE INTERIOR OF THE COMPOUND. A MAJOR SPORTS COMPLEX WITH LARGE STADIUM AND SEVERAL PLAYING FIELDS IS LOCATED NORTHEAST OF THE COMPOUND DIAGONALLY ACROSS ROOSEVELT AVENUE. A LARGE PARKING LOT IS ALSO LOCATED EAST OF THE COMPOUND ON ROOSEVELT, MIDWAY BETWEEN THE STADIUM AND TASHT-E-JAMSHID BLVD.

(2) THE BUILDINGS FACING THE COMPOUND ON THE SOUTH (TAKHT-E-JAMSHID) ARE MOSTLY OFFICE BUILDINGS WITH SOME RESIDENTS. ON THE WEST SIDE THE PRINCIPAL STRUCTURES APPEAR TO BE FOUR SMALL BUT AFFLUENT PROFESSIONAL OFFICE BUILDINGS SURROUNDED BY TREES AND BACKED BY TWO LARGE PARKING LOTS. THE NORTH SIDE OF THE COMPOUND BACKS INTO A MIDDLE CLASS RESIDENTIAL AREA CONSISTING OF THREE BLOCKS OF MULTI-STORY APARTMENT HOUSES.

(3) ACTIVITY RELATED TO THE EMBASSY TAKEOVER IS LARGELY LOCALIZED WITHIN A TWO BLOCK RADIUS OF THE COMPOUND EVEN WHEN MAJOR DEMONSTRATIONS ARE ON GOING.

(4) TRAFFIC IN THE CITY IS HIGHLY CONGESTED BETWEEN THE HOURS OF 0600-2300 DURING THE ISLAMIC WORK WEEK (SAT-WED) DECREASING IN VOLUME ON THE ISLAMIC WEEKEND (THURS-FRI) ALTHOUGH TRAFFIC ACTIVITY IS LIKELY TO CONTINUE THURSDAY NIGHT UNTIL 0200 FRIDAY MORNING.

(5) THE EMBASSY IS LOCATED APPROXIMATELY 5 KM WEST OF THE NEAREST AIRFIELD (DOSHAN-TAPPEH AFB WHICH IS A NON COMBAT BASE). TWO OTHER AIRFIELDS ARE WITHIN 10KM, GHALI-MORGHI, AN ARMY LIGHT AIRCRAFT/HELICOPTER FIELD IS 8KM SSW AND MEHRABAD INTERNATIONAL [redacted] ASSIGNED) IS LOCATED 10 KM WSW. [redacted]
IN THE CITY.
ORDINARILY RANGE BETWEEN AT THIS TIME OF YEAR IS COMPARABLE TO NW UNITED WITH CLEAR CRISP DAYS, OCCASSIONAL MIST/RAIN RAISING TO THE MID FIFTIES NEARBY MOUNTAINS. WINTER TEMPERATURES DEGREES FAHRENHEIT AT NIGHT DAY.

SECRET

(2) DURING ASSAULT PHASE
(A) POSSIBLE ENEMY COURSES OF ACTION
(1) SURRENDER HOSTAGES TO THE US RAID FORCE WITH MINIMAL RESISTANCE.
(2) RESIST THE RAID FORCE WITH ALL AVAILABLE WEAPONS AND PERSONNEL.
(3) KILL HOSTAGES ONCE THE RAID FORCE IS DISCOVERED.
(4) REINFORCE PERSONNEL AT THE COMPOUND WITH KHOMITEH AND/OR IRANIAN ARMY ELEMENTS.
(5) ENGAGE US PERSONNEL IN AND NEAR THE COMPOUND WITH FIGHTERS/ATTACK HELICOPTERS.
(B) PROBABLE ENEMY COURSES OF ACTION
THE MAJORITY OF THE IRANIAN PERSONNEL IN THE COMPOUND ARE NON-MILITARY AND HAVE ACQUIRED ONLY LIMITED MILITARY TRAINING. NEVERTHELESS, SUFFICIENT MILITARY-TRAINED INDIVIDUALS ARE PRESENT WHO WILL OFFER A CREDIBLE RESISTANCE DURING THE ASSAULT PHASE. GUARD PERSONNEL SHOULD BE EXPECTED TO RESIST THE ASSAULT FORCE WITH SMALL ARMS, GRENADES, AND POSSIBLY MINES. SOME PERSONNEL WHO ARE GUARDING THE HOSTAGES WILL ATTEMPT TO KILL THE HOSTAGES WITH SMALL ARMS/GRENADES, ONCE THE RAID FORCE IS DISCOVERED. IRREGULAR FORCES IN TEHRAN WILL ATTEMPT TO REINFORCE THE COMPOUND AS SOON AS THE ALARM IS GIVEN. THE POSSIBILITY THAT MILITARY AIR ASSETS WILL BE USED TO SUPPORT PERSONNEL AT THE COMPOUND EXISTS, BUT IS NOT CONSIDERED LIKELY.
(3) DURING EXTRACTION
(A) POSSIBLE ENEMY COURSES OF ACTION
(1) PROVIDE TOKEN OR NO RESISTANCE.
(2) ENGAGE US AIRCRAFT WITH AAA/SAM/FIGHTERS ENROUTE TO EXTRACTION AIRFIELD.
(3) ENGAGE US FORCES AT EXTRACTION AIRFIELD WITH FIGHTERS/ATTACK HELICOPTERS/GROUND ELEMENTS.
(4) PURSUE AND ATTEMPT TO DESTROY US AIRCRAFT WITH AAA/SAM/FIGHTERS FROM EXTRACTION AIRFIELD TO AREAS OUTSIDE OF IRANIAN AIRSPACE.
(B) PROBABLE COURSES OF ACTION
THE CAPABILITIES OF THE IRANIAN ARMY/AIR FORCE ARE LIMITED. HOWEVER, ONLY ONE DETERMINED FIGHTER/HELICOPTER PILOT WOULD BE SUFFICIENT TO WREAK HAVOC ON THE RAID FORCE DURING EXTRACTION. THE LIKLIHOOD OF IRANIAN MILITARY EFFORTS TO ENGAGE RAID FORCE AIRCRAFT OR CONDUCT GROUND ATTACK OPERATIONS WITH FIGHTERS/ATTACK HELICOPTERS AGAINST THE EXTRACTION AIRFIELD IS CONSIDERED HIGH; IF THE US PRESENCE AND PURPOSE IS DETECTED AND REPORTED AND EXCESSIVE TIME IS EXPENDED AT THE AIRHEAD AFTER EXTRACTION BEGINS. (NOTE: THE MINIMUM REACTION TIME IS ESTIMATED TO BE [redacted] MINUTES, WITH THE MOST PROBABLE BEING 90 MI[redacted] ARE CALCULATED FROM THE TIME THAT THE COMPOUND ASSA[redacted] ACTION PHASE, AND IS FURTHER QUALIFIED BY THE ASSU[redacted] THAT US FORCE PRESENCE AND PURPOSE AT THE AIRHEAD [redacted] TO HIGHER AUTHORITIES IN TEHRAN. ALTHOUGH ATTE[redacted] INTERCEPT EXTRACTION AIRCRAFT ARE POSSIBLE, THE PROBABILITY OF [redacted] IS CONSIDERED EXTREMELY LOW IF PROPER [redacted] CAUTIONS (RADIO SILENCE, LOW ALTITUDE, [redacted] AND EVASION [redacted] AVOIDANCE) ARE EMPLOYED BY THE [redacted] AIRCRAFT.

3. PART II BACKGROUND.
THE INCREASED TENSION THROUGHOUT THE COUNTRY BROUGHT ABOUT AT LEAST IN PART BY THE SITUATION IN TEHRAN, DETERIORATING RELATIONS WITH IRAQ, AND THE RESULTANT FEAR OF FOREIGN AGGRESSION HAVE LED THE IRANIAN MILITARY TO ISSUE DIRECTIVES AIMED AT INCREASING ITS STATE OF PREPAREDNESS. THESE DIRECTIVES, WHILE HAVING A SHORT TERM EFFECT OF RALLYING PEOPLE BEHIND THE GOVERNMENT, MAY PRODUCE THE OPPOSITE EFFECT IF CONTINUED FOR A PROLONGED PERIOD OF TIME.

A. GROUND FORCES
(1) THE REGULAR ARMY NUMBERS APPROX 150,000, ABOUT HALF WHAT IT WAS PRIOR TO THE REVOLUTION. THE BULK IS STATIONED ALONG BORDERS WITH IRAQ AND THE SOVIET UNION. THE ARMY IS WELL EQUIPPED BUT

[redacted]

UNITS IN THE NORTHWEST AND IRAQI BORDER AREAS ARE OCCUPIED WITH SUP-
PRESSING THE KURDS [redacted] TROOPS AND REVOLUTIONARY GUARDS HAVE BEEN
DEPLOYED TO THESE AREAS AS REINFORCEMENTS. IN THE SOUTHWEST THERE HAS
BEEN SOME GUERRILLA ACTIVITY BY ETHNIC ARABS, BUT THIS HAS NOT REACHED
THE DIMENSIONS OF THE KURDISH PROBLEM. IRAQ HAS INCREASED PRESSURE IN
THE WEST BY A SERIES OF BORDER INCIDENTS, RESULTING IN CONSIDERABLE
REINFORCEMENT OF THIS AREA.

B. AIR DEFENSE/ AIR FORCES

(1) FIGHTER AIRCRAFT.

(A) THE OVERALL OPERATIONAL EFFECTIVENESS OF THE IRANIAN [redacted] IMPARED BY MAINTENANCE, [redacted] IRAN HAS A TOTAL OF APPROX 190 X F-4, 135 X F-5, AND 77 X F-14 FIGHTERS DEPLOYED [redacted] PRIMARILY IN WESTERN IRAN. [redacted]

[redacted] REPORTEDLY ONLY 26 PILOTS HAD BEEN THROUGH INTERCEPT TRAINING AND ONLY 3 HAD FINISHED THE COMPLETE AIR DEFENSE/ AIR SUPERIORITY COURSE AND WERE OPERATIONALLY QUALIFIED AT THE TIME OF THE REVOLUTION. ONLY 15 IRIAFS WERE TRAINED WEAPON SYSTEMS OFFICERS AND THEY HAD ONLY BEEN THROUGH FIRST-PHASE TRAINING (SINGLE MISSILE ON A SINGLE TARGET).

E. EXTERNAL REACTION FORCES

REINFORCEMENTS FOR THE STUDENT GUARDS AND PASDARAN ARE AVAILABLE FROM SEVERAL LOCATIONS AND ORGANIZATIONS. PRINCIPAL FORCES AND THEIR ESTIMATED REACTION TIMES ONCE THEY HAVE RECEIVED NOTIFICATION OR HEARD A MAJOR DISTURBANCE IN THE VICINITY OF THE COMPOUND ARE SHOWN BELOW.

(1) WITHIN 4-7 MIN-FIRE FROM THE CHANCERY AND WEAPONS POSITIONED IN SURROUNDING BUILDINGS.

(2) WITHIN 10-15 MINUTES REINFORCEMENTS FROM STUDENT HQS AND PASDARAN KOMITEH STRENGTH 75-100 FROM NEARBY KOMITEH STATIONS.

(3) WITHIN 15-20 MINUTES 100-300 PASDARAN AND THE BEGINNINGS OF LOCAL CROWDS.

(4) WITHIN 20-30 MINUTES PASDARAN REINFORCEMENTS OF AN ADDITIONAL 200-300 PLUS.

(5) WITHIN 20-30 [redacted]

(6) WITHIN 30-40 MINUTES PASDARAN BACK-UP UNITS AND ADDITIONAL CROWDS.

(7) WITHIN 45-60 MINUTES IRG RESIDUAL FORCES AND MOBS OF 2,000-3,000.

(8) WITHIN 60 MINUTES IT IS POSSIBLE THAT A HAWK SITE AT [redacted] COULD REACT AND ATTEMPT A LAUNCH AGAINST ANY ORBITTING AIRCRAFT.

(9) WITHIN ONE HOUR IT IS POSSIBLE THAT HELICOPTERS FROM [redacted] OR FIGHTERS FROM [redacted] COULD LAUNCH AND ATTEMPT TO INTERDICT THE FORCE AT THE [redacted] compound or fixed airfield if [redacted] location became known.

(10) [redacted]

(1)

[redacted]

G. ENEMY COURSES OF ACTION

(1) PRIOR TO INITIATION OF RESCUE OPERATION

(A) POSSIBLE ENEMY COURSES OF ACTION

(1) MAINTAIN THE CURRENT SITUATION, I.E. HOLD ALL HOSTAGES PENDING RETURN OF THE SHAH.

(2) BEGIN TO EXECUTE HOSTAGES AS MEANS OF APPLYING PRESSURE ON US.

(3) MOVE HOSTAGES FROM AMEMB COMPOUND TO PRISONS OR OTHER LOCATIONS IN TEHRAN.

(4) RELEASE ALL HOSTAGES WITHOUT TRIAL.

(5) RELEASE MAJORITY OF HOSTAGES; HOLD REMAINDER UNDER THREAT OF TRIAL.

(6) CONVENE INTERNATIONAL TRIBUNAL TO INVESTIGATE CHARGES OF U.S. IMPROPRIETIES.

(7) RELEASE ALL HOSTAGES AFTER INTERNATIONAL TRIBUNAL PUBLISHES ITS FINDINGS.

(8) GRANT CLEMENCY TO ALL HOSTAGES AFTER INDIVIDUAL ESPIONAGE TRIALS.

(9) RELEASE MAJORITY OF HOSTAGES FOLLOWING ESPIONAGE TRIALS; SENTENCE THOSE FOUND GUUILTY TO PRISON TERMS OR DEATH.

(B) PROBABLE ENEMY COURSES OF ACTION

FOR THE IMMEDIATE FUTURE, 30-45 DAYS, THE IRANIANS WILL MAINTAIN THE CURRENT SITUATION, CONVENE THE INTERNATIONAL TRIBUNAL, AND PREPARE FOR INDIVIDUAL TRIALS. THEY WILL NEITHER RELEASE ALL THE HOSTAGES NOR COMMENCE ARBITRARY EXECUTIONS. (NOTE: THE POWER STRUGGLE WITHIN THE IRANIAN HIERARCHY CONTINUES. THE "STUDENTS" AT THE COMPOUND, THE IRG, KHOMEINI AND THE CLERGY, AND OTHER GROUPS ARE VYING FOR POWER. LEFTIST ELEMENTS WITHIN EACH OF THESE GROUPS ALSO ARE MAKING THEIR INFLUENCE FELT. GIVEN THESE POLITICAL CONDITIONS, THE POSSIBILITY OF UNEXPECTED AND/OR ILLOGICAL BEHAVIOUR BY ANY OF THESE GROUPS WITH REGARD TO THE HOSTAGES IS HIGH. FOR THE TIME BEING, THOUGH, THE "STUDENTS" ARE IN CHARGE AT THE COMPOUND, AND THEIR ACTIONS/PRONOUNCEMENTS STILL HAVE THE PRIMARY IMPACT ON THE HOSTAGES' WELL-BEING.)

SUBJECT: IMPENDING CHANGE INDICATORS

(U) (1) SINCE THE FIRST OF FEBRUARY THERE HAS BEEN AN APPARENT CHANGE IN THE ATTITUDE OF IRANIAN GOVERNMENT OFFICIALS TOWARD THE HOSTAGE SITUATION. THE GOVERNMENT HAS TAKEN MANY ACTIONS AND WILL CONTINUE TO DO SO DURING THE UP COMING DAYS AND WEEKS TO RESOLVE THE CRISIS.

(S) (2) THIS APPARENT CHANGE AND SOME OF THE ACTIONS HAVE BEEN NOTED BY THE MILITANTS HOLDING THE COMPOUND. THE STUDENTS ARE CONCERNED AND ARE PROBABLY REAVALUATING RE-EVALUATING THEIR OPTIONS IN VIEW OF THE GOVERNMENT ACTIONS, BOTH ONGOING AND SUSPECTED.

(U) (3) THIS OFFICE IS PREPARING AN ANALYSIS OF THE OPTIONS OPEN TO THE

SUBJ: ANALYSIS OF "STUDENT"/MILITANT OPTIONS

REF: JTF MSG 0454/DTG 040010Z FEB 80 (SHORT TERM ASSESSMENT)

1. (S) THIS MESSAGE PROVIDES AN ANALYSIS OF THE CURRENT HOSTAGE SITUATION FROM THE VIEWPOINT OF THE MILITANTS AND "STUDENTS" HOLDING THE EMBASSY COMPOUND.

2. (S) THE ELECTION OF BANI-SADR, HIS INSTALLATION AS PRESIDENT OF IRAN BY AYATOLLAH KHOMEINI, AND HIS SUBSEQUENT DESIGNATION AS "PROVISIONAL" HEAD OF THE REVOLUTIONARY COUNCIL HAVE CONTRIBUTED TO THE GROWING FEELING OF ISOLATION FELT BY THE STUDENTS AND MILITANTS.

PAGE 2 RUEIZJC 0056 [redacted] ~~S E C R E~~ T NOFORN LIMDIS

3. (S) PUBLIC STATEMENTS (DENOUNCEMENTS) BY BOTH BANI-SADR AND FOREIGN MINISTER GHOTBZADEH INDICATE THE GOVERNMENT IS DISSATISFIED WITH THE MILITANTS' INFLEXIBILITY AND INTRANSIGENCE. THE REVERSAL OF AN ARREST ORDER FOR IRANIAN INFORMATION MISISTER MINATCHI; THE TEMPORARY DETENTION OF THE 49 (50) AMERICAN MUSLIMS VISITORS AT MEHRABAD; AND THE SEVERING OF MILITANT ACCESS TO IRANIAN RADIO/TV BROADCAST FACILITIES PROVIDE FURTHER INDICATIONS OF A DIFFERENCE OF VIEW BETWEEN THE MILITANTS AND AT LEAST PART OF THE GOVERNMENTAL AND CLERICAL HIERARCHY.

4. (S) STUDENT/MILITANT DEBATES AND DISCUSSIONS ARE DOUBTLESS NOW MOTIVATED BY A GREATER SENSE OF FRUSTRATION AND SUSPICION THAN EVER BEFORE. THIS ATMOSPHERE MAY BREED DECISION-MAKING BASED MORE ON FEAR THAN FACT. PREVIOUSLY, THE MILITANTS' COMMITTEE SYSTEM HAS ENABLED THEM TO PRESENT A CONSISTENTLY UNITED FRONT, INDICATING THAT DISCUSSION, DEBATE, AND CONSENSUS PRECEDED VIRTUALLY ALL MAJOR MOVES OR STATEMENTS. THIS PROCESS HAS BEEN SUCCESSFUL BECAUSE OBJECTIVES HAVE REMAINED CONSTANT AND STRATEGIES WERE FORMULATED WELL IN ADVANCE. THUS TACTICAL MOVES AVOIDED SELF CONTRADICTION AND ALLOWED THE CAPTORS TO STAY AHEAD OF THE SITUATION. THERE IS EVIDENCE THAT THIS SAME SORT OF REAPPRAISAL OF CURRENT CONDITIONS HAS BEEN ONGOING SINCE AT

Classified By: JCS
Declassified ON: OADR

~~SECRET~~

PREVIOUS ACTIONS (BOTH SUCCESSFUL AND UNSUCCESSFUL), A REEVALUATION OF THE DEGREE OF EXTERNAL SUPPORT TO BE EXPECTED IN THE FUTURE, AND AN ASSESSMENT OF THE "THREAT" TO THE COMPOUND. DEBATE PROBABLY FOCUSES ON A SERIES OF THREE OR FOUR BROAD OPTIONS.

OPTION A: CONTINUE TO HOLD THE HOSTAGES WITHIN THE COMPOUND AND ATTEMPT TO STAGE SOME SORT OF MEDIA "EVENT" WHICH WOULD REFOCUS ATTENTION ON THE "CRIMES OF THE SHAH" AND/OR THE DUPLICITY OF AMERICAN "SPIES". TO DATE THE MILITANTS HAVE NOT BEEN SUCCUSSFUL IN THEIR ATTEMPTS TO GARNER INTERNATIONAL SUPPORT FROM THIRD WORLD NATIONAL LIBERATION MOVEMENTS OR FROM ANY PROMINENT LEFTIST POLITICAL FIGURES. THEIR CALLS FOR AN INTERNATIONAL TRIBUNAL HAVE NOT RESULTED IN ANY TANGIBLE MOVEMENT IN THAT DIRECTION. THEY MAY HOPE THAT THE RECENT ARRIVAL OF THE 49 LIBERAL AMERICANS MAY PROVIDE AN OPPORTUNITY OR STEPPING STONE TO SUCH AN EVENT. HOWEVER, IT IS DOUBTFUL THAT THE GOVERNMENT WILL ALLOW THIS TO HAPPEN. IF SUCH A TRIBUNAL WAS HELD WITHIN THE COMPOUND WITH SELECTED THIRD WORLD TV COVERAGE, IT MIGHT PROVIDE A FACE-SAVING VEHICLE FOR THE MILITANTS TO RESTATE THEIR POSITION, OFFER EVIDENCE OF AMERICAN "CRIMES", AND THEN MAGNANIMOUSLY RELEASE THE HOSTAGES. THIS OPTION WOULD THUS ALLOW THE MILITANTS AN APPEARANCE OF CONTROLLING THE SITUATION AND ENDING THE CRISIS ON THEIR OWN.

OPTION B: CONTINUE TO HOLD THE HOSTAGES WITHIN THE COMPOUND AND PREPARE TO DEFEND AGAINST ANY GOVERNMENT OF IRAN ATTEMPT TO GAIN CONTROL WITHIN THE COMPOUND. THE MILITANTS MAY BELIEVE THAT SUCH A STAND COULD REAFFIRM THEIR POSITION AS TRUE VANGUARDS OF THE REVOLUTION AND WILLING MARTYRS FOR ISLAMIC MARXISM.

[redacted]

OPTION C: CLADESTINELY REMOVE SOME OR ALL OF THE HOSTAGES FROM THE COMPOUND TO ANOTHER LOCATION OR LOCATIONS. THIS OPTION WOULD ALLOW THE MILITANTS TO AVOID A PHYSICAL CONFRONTATION WITHOUT MATERIALLY AFFECTING THEIR BARGAINING POWER. IT WOULD REFOCUS WORLD ATTENTION ON THE HOSTAGE ISSUE AND EMBARRASS THE BANI-SADR GOVERNMENT. SUCH A MOVE WOULD PROBABLY RESULT IN A NUMBER OF SEPARATE DETENTION AREAS, COMPOUNDING THE PROBLEM OF SAFELY RECOVERING THE HOSTAGES.)

[redacted]

(A)

(B)

(C)

(D)

(E)

(F)

(G)

4. (U) IN SUMMARY, IT IS LIKELY THAT THE STUDENTS/MILITANTS HAVE AT LEAST THREE OPTIONS:

(A) CONTINUE CURRENT POSTURE, ARRANGE MEDIA EVENT, AND EVENTUALLY RELEASE THE HOSTAGES AT A TIME OF THEIR CHOOSING.

(B) BUILD UP DEFENSIVE CAPABILITY WITHIN THE COMPOUND AND PREPARE TO REPULSE ANY GOVERNMENT ATTEMPT TO GAIN CONTROL OF THE COMPOUND.

(C) BUILD UP A CAPABILITY TO SECRETLY RELOCATE OUT OF COMPOUND TO UNKNOWN LOCATION(S) TAKING SOME OR ALL HOSTAGES WITH THEM.

~~SECRET~~

~~CONFIDENTIAL~~

PAGE 3 RUEIZJC0059 [redacted] ~~S E C R E T~~
BEGIN REVIEWING EVIDENCE IN THE FORESEEABLE FUTURE (O/A 23 FEB 79), THIS OFFICE OFFERS THE FOLLOWING ASSESSMENT FOR PLANNING PURPOSES.

(A) UNLESS CONTROL OF THE COMPOUND IS GAINED BY THE IRANIAN GOVERNMENT PRIOR TO OR IN CONCERT WITH THE BEGINNING OF THE COMMISSION'S INVESTIGATION, IT IS DOUBTFULL IF ANY OF THE HOSTAGES MUCH LESS ALL OF THEM WILL BE RELEASED BY THE MILITANTS.

(B) IF THE COMMISSION INDICATES THAT "CRIMES AGAINST THE IRANIAN PEOPLE" DID OCCUR UNDER THE SHAH AND RECOMMENDS THAT THE SHAH BE BROUGHT TO TRIAL, THE MILITANTS MIGHT RELEASE SOME OF THE HOSTAGES BUT NOT ALL. HOLDING SOME AS INSURANCE AGAINST THE TRIAL AND RETURN OF THE SHAH.

(C) IF THE COMMISSION INDICATES THAT THE USG WAS NOT INVOLVED IN "THESE CRIMES" THE MILITANTS WILL PROBABLY REJECT THE COMMISSIONS FINDINGS AS AN EXAMPLE OF AMERICAN MANIPULATION OF FACTS AND CONTINUE TO HOLD THE HOSTAGES AND DECLARE THEY (THE MILITANTS) MUST NOW HOLD THE TRIAL THEMSELVES TO PROVE "AMERICAN COMPLICITY" TO THE WORLD.

PAGE 4 RUEIZJC 0059 [redacted] ~~S E C R E T~~
5. (S) THIS OFFICE BELIEVES THAT THE STUDENT/MILITANT OPTIONS AS STATED IN REFERENCE ARE STILL OPERATIVE. ALTHOUGH THE [redacted] OPTION ALFA SEEMS TO BE FADING, WHILE [redacted] MAY INDICATE AN INCREASING POSSIBILITY OF OPTION BRAVO.

6. (S) IN SUMMARY, UNLESS KHOMEINI DECLARES SUPPORT FOR THE COMMISSION, ORDERS THE TRANSFER OF THE HOSTAGES TO GOVERNMENT CONTROL AND THEY (THE HOSTAGES) ARE IMMEDIATELY AND SECRETLY FLOWN OUT OF THE COUNTY THEIR LIVES AND THOSE OF LAINGEN, HOWLAND AND TOMSETH WILL REMAIN IN JEOPARDY.

SUBJ: CONTRIBUTING FACTORS ASSESSMENT.
REF: JTF/DICE BOWL//00059//DTG 161805Z FEB 80 SUBJ: HOSTAGE LOCATION// SITUATION PROJECTIONS.

(U) THIS ASSESSMENT HAS BEEN PREPARED AS A COMPANION TO THE REFERENCE CITED ABOVE WHICH DELTA WITH FACTORS HAVING AN IMMEDIATE (INTERIM) IMPACT ON THE FUTURE SAFETY OF HOSTAGES. THIS ASSESSMENT ADDRESSES OTHER FACTORS WHICH HAVE HAD AN IMPACT ON HOSTAGES SITUATION AND ARE LIKELY TO CONTINUE TO DO SO. THE FACTORS TO BE COVERED ARE:
(A) THE POLITICAL (POWER) POSTURE OF KEY IRANIAN OFFICIALS SUCH AS KHOMEINI, BANI-SADR, GHOTBZADEH AND AYATOLLAH BEHESTI.
(B) PSYCHOLOGICAL ASSESSMENT OF THE HOSTAGES AND THEIR CAPTORS.
(C) TIMING OF FUTURE EVENTS IN THE NEXT 30 DAYS.

PAGE 2 RUEIZJC 0070 [redacted] ~~SECRET~~ LIMDIS

(U) (2). A SUMMARY OF POLITICAL (POWER) POSTURE OF KEY IRANIAN FIGURES FOLLOWS:
(A) AYATOLLAH KHOMEINI, AS SPIRITUAL FOCAL POINT OF THE REVOLUTION AND ARCH-ENEMY OF THE FORMER SHAH, HOLDS A SPECIAL POWER POSITION THAT RESTRICTS THE FULL AND INDEPENDENT USE OF POWER BY ANY OF THE OTHER IRANIAN PRINICPLES. KHOMEINI HAS HAD THE POWER AND STILL HAS THE POWER TO EFFECT THE SAFE RELEASE OF THE AMERICAN HOSTAGES. KHOMEINI IS APPARENTLY CONCERNED WITH CONTINUATION OF THE REVOLUTION AND THE ESTABLISHMENT OF A NON-ALIGNED INDEPENDENT ISLAMIC IRANIAN REPUBLIC. HIS CHARGE TO THE MILITANTS AND THE PEOPLE OF IRAN NEVER TO COMPROMISE THEIR DEMAND FOR THE SHAH'S RETURN AND NOT TO STOP UNTIL VICTORY IS ACHIEVED IS AN ATTEMPT TO INFLUENCE THE COURSE OF AFFAIRS AFTER HE DIES.
(B) BANI-SADR'S POWER IS LIMITED AND HIS ABILITY TO MAINTAIN HIS POSITION IS QUESTIONABLE IF HE LOSES KHOMEINI'S SUPPORT. BANI-SADR'S POLITICAL RIVALS ARE SEVERAL AND ARE MERELY WAITING FOR AN OPPORTUNITY TO ADVANCE THEIR OWN AMBITIONS. SADR HAS BEEN DESCRIBED AS AN ADEPT POLITICAL INDIVIDUAL INTENT ON ADVANCING HIS OWN PRESTIGE AND POWER. HE IS AND HAS BEEN ANTI-AMERICAN

PAGE 3 RUEIZJC 0070 [redacted] ~~SECRET~~ LIMDIS
AND HAS NOT SOUGHT THE SPEEDY RELEASE OF THE HOSTAGES PREFERRING TO PROLONG THE CRISIS AND EXTRACT MAXIMUM CONCESSIONS FROM THE USG AT THE EXPENSE OF BOTH THE HOSTAGES AND THE MILITARY, AERONAUTICAL AND ECONOMIC VIABILITY OF IRAN.
BANI-SADR CAN BEST BE DESCRIBED AS A QUIET BEHIND THE SCENES INTELLECTUAL WITH A PSUEDO-ACADEMIC BACKGROUND WHO IS A FERVENT BUT PRAGMATIC ISLAMIC MILITANT MORE INCLINED TO ATTEMPT TO RESOLVE PROBLEMS THROUGH DISCUSSION AND CONCENSUS THAN VIOLENT ACTION. HE IS ASSESSED AS MOVING ON A SUBJECT ONLY WHEN THE PROBABILITY OF SUCCESS IS HIGH.
(C) FOREIGN MINISTER GHOTBZADEH IS RECOGNIZED AS A RIVAL TO BANI-SADR AND CAN BE DESCRIBED AS A POLISHED POLITICAN WITH A "HARDLINE" APPROACH TO MOST SUBJECTS, HE OFTEN SPEAKS IN EXTREME TERMS, TAILORS HIS OPINIONS TO SUIT THE AUDIENCE (TO SUIT HIS OBJECTIVES AT THE TIME). INCLINED TO BE SEMI-CLANDESTINE IN NATURE MIXED WITH A FLAIR FOR THE MEDIA SPOTLIGHT. SAID TO HAVE PLAYED AN IMPORTANT ROLE IN THE HOSTAGE-TAKING INCIDENT. HAS OPENLY AND PRIVATELY DEMONSTRATED PRO-PLO LEANINGS. CAN BE DESCRIBED AS AN OPPORTUNIST, AN INSTIGATOR, OR QUIET ADVOCATE OF VIOLENT ACTION BY OTHERS. IS RECOGNIZED AS ANTI-AMERICAN AND MAY POSSIBLY

PRO-MARXIST IDEAS. MORE INCLINED TO CALCULATED INDEPENDENT ACTIONS THAN BANI-SADR.

(D) AYATOLLAH BEHESTI, SENIOR RELIGIOUS MEMBER OF REVOLUTIONARY COUNCIL, ADVISOR TO KHOMEINI, ANTAGONIST OF BANI-SADR, ADHERENT OF PURE ISLAMIC REVOLUTION, WITHOUT CONTAMINATION OR DIMINTION BY EITHER USSR OR USA. CONTENDER FOR KHOMEINI RELIGIOUS LEADERSHIP IF KHOMEINI WERE TO DIE.

(E) AYATOLLAH SHARIAT-MADARI ALSO CONTENDER TO REPLACE KHOMEINI SHOULD HE DIE. OPPOSED BY BEHESTI, BECAUSE OF HIS MODERATE ATTITUDE AND POSITION THAT CHURCH AND STATE SHOULD BE SEPARATE. CONSIDERED TO BE SENSIBLE, POLITICAL PRAGMATIST, BELIEVES THAT AN ISLAMIC REPUBLIC CAN BENEFIT FROM MODERN CIVILIZATION. BELIEVES USSR MAJOR ENEMY OF IRAN. NOT INCLINED TO INSTIGATE, PROVOKE, OR SUPPORT A VIOLENT ACTION. IS OPEN IN HIS CRITICISM OF POLICIES AND MAY BE THE ONLY STABILIZING RELIGIOUS FACTOR IF CIVIL UNREST WERE TO BREAK OUT AFTER KHOMEINI'S DEATH. ADVISED FORMER ADMIRAL MADANI TO REFRAIN FROM ACCEPTING POST AS BANI-SADR'S PRIME MINISTER.

(F) ADMIRAL MADANI IS REGARDED AS A MODERATE AND ALTHOUGH HE DID NOT MAKE A GOOD SHOWING IN THE RECENT PRESIDENTIAL ELECTIONS, THIS MAY HAVE BEEN MORE A RESULT OF KHOMEINI SUPPORT FOR BANI-SADR

THAN A REJECTION OF MADANI BY THE PEOPLE.

(U)

(3) ONCE KHOMEINI PASSES FROM THE SCENE AND WITH HIM EITHER BANI-SADR OR GHOTBZADEH, IT IS POSSIBLE THAT THE AYATOLLAH MADARI AND ADMIRAL MADANI COMBINATION MIGHT COME TO A POSITION OF RESPONSIBILITY WITH THE SUPPORT OF THE BUSINESS POPULATION.

(U)

(3) THE PSYCHOLOGICAL ATTITUDE OF THE CAPTORS AND HOSTAGES COULD HAVE AN EFFECT ON EVENTS IN THE NEXT 30-60 DAYS.

(A) THE CAPTORS ARE ASSESSED AS BEING A MULTI-FACTIONAL GROUP UNITED BY THEIR AIM OF OBTAINING THE RETURN OF THE SHAH AND ALL IT IMPLIES (EMBARRASSMENT OF USG). IF THE GROUP CONSENSUS WERE TO BREAK DOWN UNDER FRUSTRATION, PERCEPTION OF IMPENDING DEFEAT OR ALIENATION BY THEIR SUPPORTERS THE LIVES OF THE HOSTAGES WOULD BE IN DANGER. THE RECENT CHARGE BY KHOMEINI NOT TO GIVE UP THEIR AIM OF OBTAINING RETURN OF THE SHAH HAS PROBALLY GIVEN THEM NEW HOPE OF SUCCESS. THIS HOPE HAS BEEN FUELED BY THE HARDLINE ATTITUDE EXPRESSED BY BANI-SADR AND GHOTZABEH AND THE PROSPECTS OF THE UN COMMISSION DISCUSSING

[redacted] ~~SECRET~~ LIMDIS CITE JT 00070 FINAL SECTION OF 2 SECTIONS

EVIDENCE OF THE SHAH'S CRIMES

[redacted]ND U.S. COMPLICITY.

(B) THE PSYCHOLOGICAL STATE OF HOSTAGES HAS PROBABLY UNDERGONE SEVERAL CHANGES SINCE THE INITIAL TAKE OVER, FROM SHORT TERM THOUGHTS THAT THE INCIDENT WOULD BE OVER QUICKLY, (FIRST TEN DAYS) TO ONE WHERE THEY ACCEPTED SOME DELAY WHILE THE USG WAS ARRANGING FOR THEIR RELEASE. THROUGH SOME MEANS (NEXT THIRTY DAYS), TO A PROBABLE HIGH POINT OF EXPECTATION JUST PRIOR TO CHRISTMAS, THEN RESOLATION WHEN THE HOLIDAYS PASSED WITHOUT ACTION, REACHING A POINT OF EITHER DETERMINED RESOLUTION OR FEELING OF ISOLATION AND ABANDONMENT BY THE USG AND GROWING DISLIKE FOR THEIR CAPTORS. DURING THIS PERIOD THOSE HOSTAGES THAT WERE AFFECTED BY THE STOCKHOLM SYNDROME MAY HAVE PASSED BEYOND THAT PHASE AND NOW RESENT THEIR CAPTORS. ALTHOUGH EACH HOSTAGE IS COPING WITH THE STRESS OF ISOLATION

PAGE 2 RUEIZJC 0071 [redacted] ~~SECRET~~ LIMDIS
AND CONFINEMENT IN THEIR INDIVIDUAL WAYS SOME HAVE SHOWN A CHANGE WHICH INDICATES A GROWING FEELING OF FRUSTRATION AND DESPAIR, WHILE OTHERS HAVE EVIDENCED A GREATER DEGREE OF HOSTILITY TO THEIR CAPTORS. TH UN COMMISSION HEARINGS MAY BE VIEWED BY SOME AS AN ORDEAL (OR TRIAL) OR BY OTHERS AS AN OPPORTUNITY TO STRIKE BACK AT THEIR CAPTORS. IF THE COMMISSION HEARINGS ARE CONCLUDED WITHOUT INCIDENT AND THE HOSTAGES NOT RELEASED WITHIN AN ACCEPTABLE TIME (POSSIBLY 7-12 DAYS), IN THE EYES OF THE HOSTAGES, SEPARATE HOSTAGES MAY TAKE DESPARATE ACTIONS TO SECURE THEIR OWN RELEASE.

(U)

4. IN EXAMINING THE POSSIBLE COURSE OF EVENTS IN THE NEXT 30 DAYS THE PRINCIPLE UNPREDICTABLE IS THE POSSIBILITY OF KHOMEINI'S DEATH. IF HE WERE TO DIE DURING THE COMMISSION'S VISIT TO TEHRAN, THE COMMISSION'S ACTIONS WOULD BE SUSPENDED AT LEAST TEMPORARILY DURING THE INITIAL PERIOD OF MOURNING.

(A) DURING THE FIRST MOURNING PERIOD (3-4 DAYS) THE HOSTAGES ARE LIKELY TO BE IGNORED AS MASSIVE PUBLIC DEMONSTRATIONS WILL FOCUS ON THE RELIGIOUS EMOTIONS OF LOSS AND GRIEF. HOWEVER, LARGE CROWDS WILL BE EVIDENCE THROUGHOUT TEHRAN INCLUDING THE VICINITY OF THE COMPOUND

PAGE 3 RUEIZJC 0071 [redacted] SECRET LIMDIS
ELEMENTS AT THE EMBASSY COMPOUND. SECURITY ELEMENTS WOULD BE UNABLE TO CONTROL THE CROWDS WITHOUT INFLUENCIAL RELIGIOUS SUPPORT. IF STABILITY IS NOT MAINTAINED THE DANGER TO THE HOSTAGES WILL INCREASE AND REACH ANOTHER HIGH POINT WITH THE FOURTEETH DAY OF COMMEMORATION OF KHOMEINI'S DEATH.

(U)

5. ASSUMING THAT KHOMEINI DOES NOT DIE THE FOLLOWING EVENTS ARE LIKELY TO TRANSPIRE IN THE NEXT 28-30 DAYS.

(A) UN COMMISSION HEARING CONTINUE THROUGH AT LEAST 27 FEB MORE LIKELY 3/4 MARCH WITH EARLIEST OFFICIAL RELEASE OF THE COMMISSION'S FINDING COMING ON 5 MARCH ALTHOUGH A MORE LIKELY DATE WOULD BE THE 8TH IN NEW YORK.

(B) THE IRANIAN RESPONSE TO THE FINDINGS WILL LIKELY COME WITHIN 24-48 HOURS AFTER THE FINDINGS ARE RELEASED AND IF THE FINDINGS ARE FAVORABLE TO THE IRANIAN GOALS, SOME OF THE HOSTAGES MIGHT BE RELEASED BUT NOT ALL. THE IRANIAN GOVERNMENT MIGHT BE ABLE TO PERSUADE THE MILITANTS TO TRANSFER CONTROL OF THE REMAINING HOSTAGES TO THE GOVERNMENT FOR TRIAL IF KHOMEINI SO DIRECTS.

(C) ALTERNATIVELY, THE IRANIAN OFFICIALS MAY TAKE ADVANTAGE OF KHOMEINI'S STATEMENT THAT THE DISPOSITION OF THE HOSTAGES IS A

PAGE 4 RUEIZJC 0071 [redacted] SECRET LIMDIS
FUNCTION OF THE IRANIAN PARLIAMENT. ELECTION OF THE PARLIAMENT (MAJLIS) IS NOW SCHEDULED TO BE HELD 14-17 MARCH. DELIBERATIONS BY THE PARLIAMENT WOULD THEN PRESUMABLY TAKE SEVERAL DAYS WITH A POSSIBLY OF FURTHER DELAYS DUE TO THE CELEBRATION OF THE PERSIAN NEW YEAR. (22 MARCH).

(U)

6. IN SUMMARY THE PROJECTED EVENTS AS WE KNOW THEM NOW DO NOT INDICATE A RELEASE OF HOSTAGES, BUT RATHER A FURTHER PROTRACTION OF THE CRISIS. FROM AN INTELLIGENCE STANDPOINT THE CRITICAL TIME FRAME WILL BE THAT TIME FROM WHEN THE FINDINGS OF THE COMMISSION ARE RESPONDED TO BY THE IRANIAN GOVERNMENT AND THE IMPLEMENTAL OF FOLLOW-ON ACTIONS BY THE GOVERNMENT OR THE MILITANTS. THIS TIME FRAME WILL RUN 7-10 DAYS AND COULD BEGIN AS EARLY AS 5 MARCH FC.

SUBJECT: OPERATIONAL ASSESSMENT

REF: A. JTF/RICE BOWL/00070/ DTG 231900Z FEB 80
SUBJ: CONTRIBUTING FACTORS ASSESSMENT

B. JTF582/DTG 26/1525Z/INTELLIGENCE SUPPLEMENT

(U) C. JTF/RICE BOWL/ DTG 251700Z FEB 80 SUBJECT:

1. REF ALPHA REVIEWED THE POLITICAL AND PSYCHOLOGICAL FACTORS PERTAINING TO THE HOSTAGE SITUATION AND INDICATED TWO CRITICAL TIMES IN THE NEXT 30 DAYS. THE FIRST, WHICH IS UNPREDICTABLE WOULD BE 4 - THROUGH 7 DAY AFTER KHOMEINI'S DEATH IF THIS WERE TO OCCUR. THE SECOND WILL BE THE PERIOD AFTER THE UN COMMISSIONS FINDINGS ARE RELEASED AND COMMENTED ON BY THE IRANIAN GOVERNMENT. THIS LATTER TIME FRAME WILL RUN 7-10 DAYS AND COULD BEGIN AS EARLY AS 5 MARCH 1980.

(U)

2. (S) REF BRAVO PROVIDED RETRANSMISSION OF DIA DEFENSE INTELLIGENCE NOTICE 56-1A/WT FEB 80 WHICH CLOSED WITH THE STATEMENT QUOTE "BARRING ANY DRAMATIC DEVELOPMENT THE HOSTAGE CRISIS IS NOT LIKELY TO BE RESOLVED FOR MANY MONTHS".

3. (TS) REF CHARLIE PROVIDED LATEST JTF ESTIMATE [redacted]

(U)

4. (S) IN EXAMINING OTHER FACTORS WHICH COULD IMPACT ON MISSION PLANNING SEVERAL DATES IN MARCH MUST BE RECONSIDERED. THESE ARE:
(A) 14-17 MARCH - THE ELECTION OF REPRESENTATIVES TO THE IRANIAN PARLIAMENT. (MAJLIS)
(B) 21-27 MARCH - BEGINNING OF PERSIAN NEW YEAR WHICH IN THE PAST (DURING THE SHAH'S REGIME) WAS A PERIOD OF MAJOR SECULAR CELEBRATION. THE DEGREE OF PUBLIC CELEBRATION DECREASED SUBSTANTIALLY FOLLOWING THE REVOLUTION. PERIOD OF CELEBRATION THEORETICALLY RUNS 10 DAYS (UNTIL 2 APRIL)
(C) 30-31 MARCH- FIRST ANNIVERSARY OF THE REFERENDUM WHICH ESTABLISHED THE ISLAMIC REPUBLIC OF IRAN. MAJOR SIGNIFICANCE FOR REVOLUTIONARY AND RELIGIOUS LEADERS. LIKELY TO BE MARKED BY MASSIVE DEMONSTRATIONS.
(D) OTHER DATES OF INTEREST ARE THE IRANIAN WEEKENDS (NOON THURSDAY AND FRIDAY.) THESE ARE 6 AND 7TH //13 AND 14TH// 20 AND 21// 27 AND 28 MARCH.

(U)

5. (S) A SUMMARY OF CLIMATOLOGICAL DATA (SUNRISE/SUNSET/MOON LIGHT) FOR THE PERIOD 5 MARCH THROUGH 30 MARCH 80 FOLLOWS.
(A) NUMBERS OF HOURS OF DARKNESS AVAILABLE
(1) FIFTH MARCH (10:37 HRS)
(2) FIFTEENTH MARCH (10:13 HRS)
(3) TWENTY FIFTH MAR (09:47 HRS)
(B) NUMBER OF HOURS OF MOONLIGHT AND ILLUMINATION AVAILABLE
(1) 5 MAR/07:45 HOURS AT 91 PERCENT LATE NIGHT THRU DAWN
(2) 10 MAR/0330 HOURS AT 50 PERCENT EARLY MORNING (2130Z) TO DAWN
(3) 15 MAR/NO USEABLE MOONLIGHT
(4) 20 MAR/04:02 HOURS AT 15 PERCENT DUSK THRU EARLY NIGHT
(5) 25 MAR/07:49 HOURS AT 65 PERCENT DUSK PAST MID-NIGHT
(6) 30 MAR/1053 HOURS AT 98 PERCENT FULL NIGHT

WORKING PAPER FOR LTG SHUTLER

SUBJECT: Reaction to Rescue Attempt ~~(S/NOFORN)~~

1. ~~(S/NOFORN)~~ [redacted] Middle East:

a. ~~(S/NOFORN)~~ A US military operation to free the hostages in Tehran will most likely trigger a negative public reaction from [redacted] and all other Arab states except [redacted] The extent and duration of Arab reaction would depend on several factors. The strongest public outcry would result from the violation of airspace or territorial waters of any neighboring Arab state by the US military force. The use of the airspace or territorial waters of any Arab state would imply that either the US has no respect for the independence of that state or even worse, that the state in question has cooperated with an outside force in an attack against a fellow Islamic nation. Therefore, despite possible private feelings of support for the US action, any such state interested in maintaining its strong Islamic credentials will be required to condemn the US action. The same requirement to maintain strong Islamic credentials will prompt negative public reaction from the other Arab states. At least two other factors will determine the degree of the private reaction. Although Arab leaders would not wish to be considered in any way a party to such an operation against Iran, they would most likely be upset if they did not receive official US notification of such an operation at least as it was being launched. The emotional response would also expectedly be keyed to the nature and extent of damage or injuries incurred by Iran as a result of the operation.

b. ~~(S/NOFORN)~~ Despite the fact that Arab leaders can be expected to denounce such a US military action, most of them would privately be expected to take delight in any successful operation which would serve to embarrass the Iranian leadership. Over the longer term, a successful operation would result in renewed respect by the leadership of the more radical states of the region, and possible increased US influence among the Arab moderates.

2. ~~(S/NOFORN)~~ Soviet Union:

a. (S/NOFORN) The Soviet Union likely would view with alarm an attempted US military rescue of the American hostages in Iran. Moscow is unlikely, however, to counter such a US move militarily if Washington--as the rescue mission commences--announces to the world that the mission is limited in scope to rescuing our hostages and that our forces will be withdrawn as soon as the mission is completed. Should the mission extend beyond a short duration, however, Moscow would likely offer Tehran military aid thereby gaining considerable propaganda profit. Additionally, should the rescue mission encounter difficulty and require an additional

Review on

military commitment, Moscow's reaction would necessarily depend on the size and perceived intent of the US action.

(U) b. (S/NOFORN) Although we cannot rule out Soviet military intervention into northern and eastern Iran with Moscow invoking the terms of the 1921 Russo-Persian Treaty of Friendship as justification, we do not believe a limited US rescue operation of short duration would prompt a Soviet military move against Iran. However, Soviet military units along the Iranian border would probably go on an increased state of readiness. Moscow would likely launch a vigorous propaganda campaign and diplomatic effort citing "US military aggression", not only to exploit the situation and cultivate the current Iranian regime, but to divert world attention from Afghanistan.

(U)

3. (S/NOFORN) There would not likely be a "Muslim" reaction per se, simply because there is no united Islamic movement. The possible exception might be a reaction from the Islamic Conference, an organization of states with large Muslim populations. The Conference might meet and condemn the action. Strongly Muslim states, other than those in the Middle East, such as Pakistan and some African states, would likely react negatively. Pakistan as well as Libya would condemn the action as excessive. President Zia of Pakistan has made it clear that he would support Iran if the US were to take military action, and there would be harsh rhetoric from Islamabad. If the operation were detected by the Pakistanis, there is the possibility that they could react in time to launch aircraft against US forces. Other states with large Muslim populations would deplore the loss of life in the rescue attempt, but we do not expect it to be a lasting phenomenon. Aside from the official reaction noted above, there would likely be demonstrations against the US on the part of Muslims in some states. Sudan and Libya are probable candidates for this type activity.

(U)

4. (S/NOFORN) The rest of the world, including Western Europe and Japan, would likewise voice expressions of concern that the hostage situation had to be resolved in such a way; but the US would probably not be condemned. To protect their interests in Iran these countries would likely avoid laudatory statements for the US act. Privately there would be expressions of approval.

SUBJECT: POLITICAL FOPECAST MESSAGE

(U)
1. THE EMPASSY TEHRAN HOSTAGE SITUATION REMAINS A POLITICAL PROBLEM WITHOUT A NEGOTIABLE SOLUTION. HOMEVER DUE TO THE INTERNAL ISOLATION OF IRAN, INCREASED THPEATS ON ITS WESTERN AND NORTH, AND A WOPSENING OF THE MEDICAL CONDITION OF KHOMEINI, THE SITUATION COULD BE PARTIALLY RESOLVED THE NEXT 12-14 DAYS.

(U)
2. THIS POSSIBILITY EXISTS ONLY IF BANI SADR IS ABLE TO CONVINCE KHOMEINI THAT IN FACT THE HOSTAGE SITUATION IS HAVING A NEGATIVE EFFECT ON THE STABILITY OF THE GOVERNMENT AND THE ECONOMY OF THE NATION. IF SADR SUCCEEDS IT IS POSSIBLE THE KHOMEINI COULD IN HIS 22 MARCH NEW YEARS ADDRESS DIRECT THE TRANSFER OF THE HOSTAGES TO A HOSPITAL UNDER GOVERNMENT CONTROL, REQUEST THE UN COMMISSION TO RETURN TO TEHRAN AND RESUME HEARINGS, WITH THE ULTIMATE GOAL OF NEGOTIATING THE RELEASE OF THE HOSTAGES IN EXCHANGE FOR A PUBLIC PRONOUNCEMENTS OF ITS FINDINGS.

(U)
3. IF HOWEVER A PRINCIPLE SADR RIVAL SUCH AS BESHESTI (WHO COVETS KHOMEINIS ROLE) WHO IS EXTREMELY INFLUENCIAL IN THE REVOLUTIONARY COUNCIL AND WHOSE POLITICAL PARTY (THE ISLAMIC REVOLUTIONARY PARTY) APPEARS TO HOLD A MAJORITY IN THE NEW PARLIAMENT SUCCEEDS IN GAINING KHOMEINI'S EAR AND CONVINCING HIM THAT THE RELIGIOUS FERVOR OF THE ISLAMIC REVOLUTIONARY WILL NOT BE SERVED BY THE RELEASE OF THE HOSTAGES WITHOUT EXTRACTING A FORMAL STATEMENT OF APOLOGY FROM THE US GOVERNMENT, THE SITUATION IS LIKELY TO DRAG ON INDETERMARLY.

(U)
4. THE VIEWS EXPRESSED ABOVE REFLECT TWO EXTREMES OPTIMISTIC AND PESSIMISTIC. THE REALITY OF THE FUTURE LIES SOMEWHERE IN BETWEEN, AND SOME INDICATION AS TO THE MOST PROBABLE COURSE HOPEFULLY WILL BE FORTH COMING ON THE 22 OF MARCH. IN EITHER CASE IT WOULD BE PREMATURE FOR ANY ELEMENTS OF THIS TASK FORCE TO STACK ARMS. EVERY EFFORT MUST BE MADE TO FURTHER REFINE OUR INDIVIDUAL AND COLLECTIVE SKILLS AND BE PREPARED TO ACCOMPLISH OUR ASSIGNED MISSION UNTIL ALL THE HOSTAGES ARE FREE.

VAUGHT SENDS.

SUBJ: DETECTION ASSESSMENT

1. THE FOLLOWING ASSESSMENT WAS PREPARED BY THE J-2 STAFF AND BRIEFED AT THE 18 MARCH PLANNING MEETING. THE ASSESSMENT WAS PREPARED WITHOUT ACCESS TO ALL OPERATIONAL PLANS AND THEREFORE IN A FEW CASES THE ASSESSMENT MAY BE MORE PESSIMISTIC THAN WARRANTED.

2. THE ASSESSMENT COVERS THE PERIOD FROM NCA DECISION TO FORCE EXTRACTION FROM MANZARIYEH AND WAS BASED UPON THE FACT THAT THE GREATEST DANGER TO MISSION SUCCESS IS DETECTION, IDENTIFICATION, AND COMPROMISE OF THE FORCE PRIOR TO CLOSURE WITH THE EMBASSY COMPOUND, AND RECOGNITION THAT MANZARIYEH AFLD IS BEING USED AS THE EXTRACTION AIRHEAD.

3. FOR THE PURPOSES OF THE ASSESSMENT THE MISSION SEQUENCE WAS DIVIDED INTO FIVE STAGES AS FOLLOWS. AND EACH SUB SET WAS EVALUATED AS TO THE CHANCES OF MISSION COMPROMISE.

A. DEPLOYMENT ORDER
B. MOVEMENT TO STAGING AREA
C. FORCE LAUNCH AND INSERTION
D. OBJECTIVE RECON AND CLOSURE
E. EXECUTION AND EXTRACTION

4. DEPLOYMENT ORDER (LIMITED ACCESS)

A. JCS (SOD/OPG/DIA) LOW #
   # INITIATE CAMPAIGN TO PLAYDOWN POSSIBILITY.
B. U AND S COMMAND CINC LOW #
   # CLOSEHOLD VIA BACK CHANNEL TO CINC
C. JTF STAFF LOW#
   # IF NORMAL PROFILE MAINTAINED UNDER EXERCISE COVER
D. JTF FORCES
   - DELTA FAMILIES LOW
   - HELO FAMILIES LOW
   - [redacted] STAYBEHINDS MOD
   - AC/MC SUPPORT TROOPS MOD
   - CVA (AIR OPS TEAM) LOW
   - 135 UNIT STAFF LOW
   - MAC UNIT STAFF LOW

5. MOVEMENT TO STAGING AREA

A. MC/AC - [redacted] LOW
B. UNIT MOVEMENT - USING NON-DESCRIPT ID'S LOW
C. TANKER MOVEMENT -USING AWAC/FTR/RECCE/SUPPORT --LOW
D. FOREIGN OBSERVATION
   1. USSR MODERATE
   2. ISRAEL MODERATE
   3. SAUDI LOW
   4. IRAQ LOW
   5. IRANIAN LOW

6. FORCE LAUNCH AND INSERTION

A. HELO LAUNCH --LOW
B. MC LAUNCH--LOW
C. KC LAUNCH--MOD/HI
D. HELO PENETRATION--MOD
E. MC REFUEL-- MOD/HI
F. HELO TO NAIN--LOW
G. SEIZURE OF NAIN--LOW
H. NAIN 2ND DAY--MOD#
I. EGRESS OF MC--LOW
J. HELO TO TRANSFER PT--LOW
K. DELTA TRANSFER--LOW/MOD
L. HELO HIDE--LOW#
M. DELTA TO WAREHOUSE--LOW#

3. (U) (TS) Timing. PRESS SPECULATION RELATES LOGICALLY STRIKES TO HARM TO PRISONERS. NO INDICATIONS OF DATES. IRAN, AS REFLECTED IN KHOMEINI's STATEMENTS, PROBABLY REALIZES STRIKES COULD COME AT ANY TIME.

4. (U) (S) (TS) SOVIET INTELLIGENCE REACTIONS. [redacted] SURVEILLANCE CAPABILITIES AND COVERAGE APPEAR [redacted] FOR THE SITUATION EXISTING. [redacted] C

5. (U) (S) (TS) IRANIAN INTELLIGENCE REACTIONS. [redacted] PATROL NEAR KHARG ISLAND AND [redacted]. C

6. (U) (TS) ASSESSMENT

a. (U) (TS) STRIKES. [redacted] SURPRISE OF TIME AND TARGET POSSIBLE. SOVIETS PROBABLY WILL DETECT CARRIER MOVEMENT AND LAUNCHES. ESTIMATE INSUFFICIENT TIME FOR SOVIETS TO WARN IRANIANS AND FOR IRANIANS TO REACT.

b. (U) (TS) RESCUE. SECRECY AND POSSIBILITY OF SURPRISE APPEAR TO BE RETAINED TO DATE.

c. [redacted] SOVIET ACTIONS. [redacted] C

d. (U) (S) (TS) IRANIAN ACTIONS. IRANIANS CONCERNED ABOUT FEASIBILITY OF US ACTION. [redacted] ALERTING OF FORCES [redacted] SIMPLICITY OF WARNINGS MAY [redacted] BETTER PREPARED FOR ACTION. [redacted] CONDITIONED TO WARNING [redacted] AND REDUCE REACTING, [redacted] AND FALSE WARNINGS. C

TOP SECRET

[redacted]

C MAY ALSO INCREASE APPREHENSION IN IRAN]
IRANIAN PERCEPTION MAY BE DEVELOPING THAT THE HOSTAGES THEY HOLD MUST REMAIN UNHARMED TO AVOID U SEVERE US RETRIBUTION.

[redacted] RECOMMENDATIONS

- CONTINUE TO STRESS THREAT OF STRIKES AND VULNERABILITY OF IRAN.
- CONSIDER [redacted] ACTIONS TO CREATE PERCEPTION THAT US WILL NOT CONDUCT ATTACKS [redacted] IF HOSTAGES RELEASED.
- [CONTINUE TO [redacted] REFLECT TO PRESS PERCEPTION THAT RESCUE [redacted] IS TOO DIFFICULT TO UNDERTAKE.]
- IF ENSURE C&D ACTIONS TO PRESERVE SECRECY OF RH-53 MOVEMENTS [redacted] TO KITTY HAWK E AND KITTY HAWK TO LAUNCH POINT PRESERVED.
- INITIATE LEAKS THAT [redacted] GULF OF OMAN, E GULF STATES] LIKELY PLACES TO MARSHALL FORCES FOR RESCUE.
