CHAPTER 1

GENERAL (U)

1. (C) Purpose. The purpose of the Emergency Actions Procedures of the Joint Chiefs of Staff is to prescribe the emergency action messages and associated conferences and procedures used by the Joint Chiefs of Staff to maintain worldwide command and control of US Forces and US nuclear weapons.

2. (U) Concept. The Emergency Action Procedures of the Joint Chiefs of Staff are designed for use in emergency situations requiring one or more of the following general categories of actions:

1

2

3

4

5

6

7

8

9

10

11

12

3. (U) Reproduction and Release of Emergency Action Procedures.

Because of their sensitivity, the Emergency Action Procedures of the Joint Chiefs of Staff are published in multiple volumes to restrict access to detailed procedures to appropriate users with a need to know. Furthermore, reproduction and release of these procedures are governed by JCS Memorandum of Policy No. 39, "Special Safeguards for JCS Papers." Under this policy, all agencies authorized to receive these procedures shall employ every suitable measure to protect them against unauthorized disclosure.

a. Reproduction to effect initial distribution of, to extend initial distribution of, or to reissue these Emergency Action Procedures will be restricted to that authorized by the Secretary, Joint Chiefs of Staff.

(1) Chief of Staff, US Army; Chief of Naval Operations; Chief of Staff, US Air Force; and Commandant of the Marine Corps, within their area of concern, are authorized to distribute Emergency Action Procedures of the Joint Chiefs of Staff within their respective Services following the guidance provided in JCS Memorandum of Policy No. 39 and based on a strict NEED TO KNOW.

(2) Commanders of unified and specified commands are authorized to distribute Emergency Action Procedures of the Joint Chiefs of Staff provided to them, including extracts thereof, to their subordinate military activities or commands as required by their NEED TO KNOW. Whenever possible, extracts of these procedures rather than the entire publication will be used.

b. Requests for release of Emergency Action Procedures of the Joint Chiefs of Staff, or for information therefrom, to any person or agency, military or civilian, not on the original distribution list for these procedures will be referred to the Secretary, Joint Chiefs of Staff, for appropriate action.

c. Because the emergency action procedures of the Services and unified and specified commands are frequently based on the Emergency Action Procedures of the Joint Chiefs of Staff and contain extracts from them, the safeguards above apply to those Service and unified and specified command publications which reveal the Emergency Action Procedures of the Joint Chiefs of Staff.

4. (U) Revisions to the Publication. The Director for Operations, Joint Staff, is responsible for maintaining these procedures and for accomplishing revisions in accordance with JCS Memorandum of Policy No. 114. Holders of this document should submit comments and recommendations for improvement to the Joint Chiefs of Staff, J-3 (ATTN: EA Division). The Director for Operations, Joint Staff, will revise these procedures as required, making urgent revisions by message and incorporating them into the next printed change.

SECTION 1

2

GENERAL (U)

3

1. (U) Purpose. The Emergency Action Procedures of the Joint Chiefs of Staff (EAP-JCS) are designed to prescribe the emergency action messages and procedures used by the Joint Chiefs of Staff to maintain command and control of US Forces and nuclear weapons.

4

5

6

7

8

2. (U) Concept. EAP-JCS are designed to accomplish the following tasks:

9

10

11

12

13

14

15

16

17

3. (U) Dissemination. Emergency Action Procedures of the JCS will be disseminated on a strict need-to-know basis only. EAP-JCS are published in separate volumes to restrict access of critical procedures to those users with a specific need to know. Reproduction and release of these procedures are governed by JCS Memorandum of Policy No. 39, "Special Safeguards for JCS Papers," and SM-313-FY, "Safeguarding the Single Integrated Operational Plan."

a. (U) Reproduction to support implementation of the EAP-JCS will be restricted to that authorized by the Director for Operations, Joint Chiefs of Staff.

(1) (U) Chief of Staff, US Army; Chief of Naval
Operations; Chief of Staff, US Air Force; and
Commandant of the Marine Corps are authorized to
distribute EAP-JCS within their respective Services,
following the guidance in JCS Memorandum of Policy No.
39.

(2) (U) Commanders of unified and specified commands
may distribute EAP-JCS to their subordinate military
activities or commands based on their NEED TO KNOW.
Whenever possible, extracts of these procedures will
be used.

b. (U) Requests for release of the EAP-JCS, or for
information therefrom, to any person or agency, military
or civilian, not on the original distribution list for
these procedures will be referred to the Secretary, Joint
Chiefs of Staff.

c. (U) Because emergency action procedures of the
Services and unified and specified commands are
frequently based on the EAP-JCS, the safeguards above
apply to those Service and unified and specified command
publications which reveal the EAP-JCS.

d. (U) Under no condition will information contained in
the EAP-JCS be released to contractor personnel.
4. (U) Revisions to the Publication. The Director for
Operations, Joint Staff, will maintain these procedures and
revise them. Submit comments and recommendations to the
Joint Chiefs of Staff, J-3 (ATTN: Command and Control
Division (CCD)).
