Need to know who was briefed in UEITA. Or was it the whole division?

Need to know who went from PGR to AZ on what date for the announcement on Fast and Furious. Were they briefed there?

When you say that PGR was briefed, were they briefed that operations were continuing? And what those operations entailed?

We've been trying to get this for days. I need this tonight. My intent is to pass this information to the GOM tonight – the information on who was briefed and when.

They were briefed December 15 2010. They were also briefed on the Wide Recover case out of Tucson the same day by the AUSA's from AZ. They briefed UEITA prosecutors.
