Just spoke to him — **DP**
DP

He's let 3 of his senior staff know and left a note for his secretary. His door is closed and he's going to have Hoover (1 of the 3) tell his secretary to keep it closed and not tell anyone. There's a chance he can come back late tomorrow so he can tell staff personally Tuesday, **Unrelated** He's going to call back later tonight w/ word. If not, he won't be back until late Tuesday so he'll plan to do a conference call w. his AD's Tuesday morning some time and **DP**

My bet is this leaks tomorrow.

Fyi. I also want to flag that Ken says he has cleaned out his office. That will create a buzz at ATF if it is apparent and I am guessing Ken notified a bunch of people directly about his departure especially since he will not be around most of Monday and Tuesday. **DP**

Ken - thanks for the email. A couple of things. It looks like your email was sent to a James Cole at BOP instead of the DAG I will forward it to him but you may want recall your other message. I will also send your draft onto OPA. Also I see your email references OLA -- do you mean OLP? **Unrelated**

The previous email was sent before the message was added. Still getting used to the iPad. The prior email contains a draft press release for Monday that I would like to issue from ATF. Stuart, could you pass it on to OPA? I have my office cleared out **Unrelated**

Unrelated I may not be back until late Tuesday afternoon in time for the class at 6.

I will need to know to whom to report to in OLA on Wednesday.

Thanks. Ken
