Dear Sir,

- From October 2007 to December 2007, I was detailed to the Orlando, Florida Field Office in support of the Violent City Impact Team (VCIT) program. During this detail to the VCIT program in Orlando, FL, I established many positive working relationships with various Federal, State, and Local Law Enforcement Agencies, as well as the United States Attorney's Office in that Judicial District. These relationships led to the opening of joint investigations which resulted in the arrest and/or conviction of numerous violent offenders.

Thank you again for your help and support. If you need any further information, please do not hesitate to ask.

Sincerely yours,

ATF
