Jill points out that 2/21 is a holiday, so the switch should be 2/22.

Subject: ATF --

Greg and Jim called me just now to talk about Grassley staff's (Jason's) reaction to our letter. As expected, it landed with a thud there. They don't want to hear about Gunrunner, they want to hear about this case. Sounds like ATF is respecting the line. I encouraged Greg to push Jason toward us.

Also, Mary, I told them that you would be coming back there around 2/21.
