Are you going to come back after BP meeting? If John is going with you to BP, he can do the 4 briefing in the care, otherwise Rachel and I can cover by phone.

I'm sure you got Robbie's email about CNN. I'm sure the Grassley stuff will come up. **DP**

Also wanted to see if you wanted to go to HIDTA tomorrow w/ McCain. I think the executive board will meet with him at 4.
