The Honorable Eric H. Holder, Jr.
Attorney General
U.S. Department of Justice
950 Pennsylvania Avenue, N.W.
Washington, DC 20530

Dear Attorney General Holder:

During our meeting on January 31, I provided you with copies of my recent letters to Acting ATF Director Kenneth E. Melson. I had received serious allegations from ATF whistleblowers. ATF agents told my staff that the agency allowed the sale of assault rifles to known and suspected straw purchasers for an illegal trafficking ring near the southwest border. Authorities allegedly recovered two of those weapons at the scene of a fire near the southwest border on December 14, 2010. Customs and Border Protection Agent Brian Terry lost his life in that fire and may have been killed with one of those two rifles. That is why I requested nearly two weeks ago that the ATF brief my staff as soon as possible.

Unfortunately, the reaction to my request has, so far, been little more than delay and denial. I finally received a letter at close of business on Friday, February 4, in response to my request. It came not from the ATF, but from the Justice Department. In that letter, the Department categorically denied that the ATF “knowingly allowed the sale of assault weapons to a straw purchaser....” The Department said the ATF makes “every effort to interdict weapons that have been purchased illegally and prevent their transportation into Mexico.”

However, as I explained in my initial letter to Acting Director Melson, the allegations I received are supported by documentation. It is already public record that federal agents arrested Jaime Avila on December 15, 2010—the very same day that CBP Agent Terry died. The ATF had been tracking Avila’s firearms purchases because Avila was a suspected trafficker since at least November 2009.¹ According to the whistleblowers, at least one gun dealer wanted to stop participating in sales like those to Avila sometime around October 2009. However, the ATF allegedly encouraged the dealer to continue selling to suspected traffickers and asked the dealer to forward information about the sales to the Bureau.

¹ Bureau of Alcohol, Tobacco, and Firearms, “Multiple Sale Summary,” Nov 25, 2009 (Attachment 1).

The dealer who sold the weapons allegedly recovered at the scene of Agent Terry's death met with both ATF representatives and Assistant U.S. Attorneys as early as December 17, 2009 to "discuss his role as [a Federal Firearms Licensee] FFL during this investigation."² On January 9, 2010, Jaime Avila bought three more firearms at the same Glendale, Arizona gun dealer and his purchase was entered into an ATF database two days later.³ By January 13, ATF added Avila to a suspect person database for the investigation.⁴ On January 14, ATF entered the firearms Avila purchased five days earlier into the National Tracing Center's Suspect Gun Database.⁵

On January 16, 2010, Avila bought three AK-47 variant, Romanian WASR-10 assault rifles from the same dealer with the serial numbers 1983AH3977, 1979IS1530, and 1971CZ3775.⁶ ATF entered these weapons into the National Tracing Center's Suspect Gun Database three days later.⁷ Over the next several months, ATF continued to track Avila's multiple firearms purchases in near real-time, including two purchases of .50 caliber rifles in June 2010.⁸

After the shooting of CBP Agent Terry, law enforcement officials recovered from the scene two assault rifles.⁹ On December 16, 2010, ATF's trace results confirmed that serial numbers 1983AH3977 and 1971CZ3755 match two of the three rifles purchased by Avila and tracked by the ATF nearly a year earlier.¹⁰ In addition to these specific weapons, the indictment of Avila and others references approximately 769 firearms. Of those, the indictment refers to the recovery of only about 103 weapons. So, where are the other approximately 666 weapons referenced in the indictment? Why did the ATF not seize them?

The Justice Department's reply asked that Committee staff stop speaking to law enforcement personnel about these matters. However, if not for the bravery and patriotism of law enforcement personnel who were willing to put their careers on the line, this Committee would have been forced to rely on nothing more than rumors in the blogosphere and a Justice Department denial to resolve these allegations. We need more than that. To be an effective check on Executive Branch power, we need cold, hard facts. We will seek them from whatever source is necessary.

Unfortunately, the Justice Department's letter suggested that my attempts to seek information about these matters might be politically motivated. I understand the Department needs to "protect ... law enforcement personnel ... from inappropriate

political influence.”¹¹ However, there is a difference between inappropriate political influence and appropriately holding officials accountable to the American people. I try to conduct non-partisan oversight of the Executive Branch. Regardless of which party controls the White House or the Congress, I do my best to ask tough questions. If you have any evidence that there is anything “inappropriate” about my motives in this matter, please let me know. Otherwise, I respectfully request that the Department avoid such implications in the future.

Finally, I want to share with you a portion of an e-mail from Carolyn Terry, Agent Terry’s stepmother. She wrote yesterday:

It’s hard to accept that our son was shot and murdered with a gun that was bought in the U.S. We have not had any contact from the Border Patrol or any other agents since returning home on the 22nd of [January]. Our calls are not returned. I truly feel that our son’s death is a cover-up and they hope that we will go away. That will not happen. We want to know who allowed the sale of that gun that murdered our son. Any help will [be] appreciated. We are the victims of this case and we want some answers.¹²

The Terry family deserves answers. The whistleblowers have expressed a desire to honor Agent Terry’s memory by disclosing this information. The Justice Department should work to do the same. The best way to honor his memory is to come clean.

Dear [REDACTED],

Per your request, 42 subjects have been added to the Suspect Person Database for IN# 785115-10-[REDACTED]. Attached are PDF files based on queries executed in the Firearms Tracing System (FTS), and a Suspect Person Information Report revealing the information currently entered into the Suspect Person Database for this investigation. Please see below for a summary of the information found within the FTS.

By entering these subjects into the Suspect Person Database, queries of the FTS will be conducted on a monthly basis and any new associations will be forwarded to you. If you should have any questions or need assistance, please feel free to contact me at the number below.

When information is provided by e-mail, a copy is also provided to the Intelligence Group Supervisor and designated FIST (Field Intelligence Support Team) member.

SYNOPSIS OF INCIDENT/ACTIVITY

Arrest of Jaime AVILA.

NARRATIVE OF INCIDENT/ACTIVITY

On January 16, 2010, Jaime AVILA purchased three (3) AK-47 variant rifles from a Phoenix area FFL. On December 15, 2010, after the shooting death of a U.S. Border Patrol agent in Southern Arizona law enforcement officers/agents conducted a search of the area. Two (2) of the AK-47 variant rifles purchased by AVILA on 01/16/2010 were recovered in the area during this search.

On December 15, 2010, ATF agents located AVILA and subsequently interviewed and arrested him on charges stemming from this January 16, 2010, firearm purchase. In summary AVILA admitted to ATF agents that he straw-purchased these firearms for an unidentified Hispanic male.

AVILA was held overnight and ATF agents have prepared a criminal complaint for Jaime AVILA on firearm charges relating to the straw purchase of these three (3) AK-47 variant rifles on 01/16/2010 and are presenting it to a Federal Magistrate today (12/16/10).
