Subject: Project Gunrunner Inquiry

I just received an inquiry from Jamie Miller of Congressman Rob Wittman's (R- VA 1) Office about Project Gunrunner. She said that the Congressman is interested in following up on the information being tossed about in the blogs. I explained that the Department would be the appropriate place to make the inquiry since Jason Weinstein briefed the Senate Judiciary Staff and I gave her the main number for his office.

Wittman is not on Judiciary, House Oversight, or Appropriations so he doesn't have direct oversight of ATF. But apparently his constituents have contacted him about the issue.

Best regards,
