Admin. Assistant, please see the email addresses below for Grassley's SJC staff - Brian Downey and Jason Foster. When you send it to them and Matt, please copy Molly and me.

In a separate message, we should also send the pdf final to ATF Jim McDermond, Stuart Lowry – all at ATF, plus Dennis Burke, Jason Weinstein, and Tracy Schmalzer. Thanks. FB

Faith,

That is correct, Feb. 16th letter. Senator Grassley requested that the first tranche of documents be delivered by today, February 23rd. So, to clarify, DOJ will not be delivering today?

Thanks,

Brian

Brian, I believe you're referring to the letter, dated February 16, 2011, following up on the briefing regarding Project Gunrunner investigations. We are working on a response to that letter but it will not be ready to go out today. If you're referring to another letter from Senator Grassley, please let me know. Thanks. FB
