Ron, it just occurred to me that neither you nor Jamie were on this email and may not have seen this letter--apologies for not forwarding sooner.

It is a Grassley letter sent Friday night asking for information and documents related to ATF activities in Texas and the gun that has been traced from the death of ICE agent Zapata in Mexico to a straw purchaser in Texas. If you have time in the morning, I will check in with you on how to proceed.

Thanks very much,
Molly
