I do not know the details, except one of the questions is why bean bags were used. I should get more before the tel com. When do you want to talk?

BP has asked for a 4:00 p.m. telcom on two issues regarding the Terry case. There is a request from S1 for a written report on the Terry matter and second is a congressional from Grassley on the Terry case. BP is sending the materials for our review and possible redaction. Bob, Liza, Jesse and I will review the materials and discuss what might need to be redacted. If we could do the tel com as soon as the BP call is over, I would appreciate it.
