I assume this will be in the AG's notebook a copy of which I will have, right. If so, no need to print this out.

**Subject:** AG press conference materials

Hello Admin. Assistant and Linda,

Attached please find the current briefing materials for the AG in preparation for Wednesday's press conference. Specifically, attached are:

- 1) The third superseding indictment
- 2) The draft release (slight tweaks are expected)
- 3) Transcript of President Obama and President Calderon's press briefing last week
- 4) Complaints (2) in Dallas case announced last week involving federal firearms violations, one of which separately discusses a weapon used in the assault on Agent Zapata traced to one of the defendants (Docs titled Osorio and Morrison complaints)
- 5) Press clips regarding the consulate murders when they occurred
- 6) Recent CBS article regarding Fast and Furious case/Project Gunrunner

I emailed with Matt Miller and we'll have a draft Q&A document later. I also believe Jason Weinstein will be sending you a short case summary.

Please let me know if there's anything else you need.

Best,  
Laura
