**Subject:** Scott Hunter

Hey man,

Kyl and Grassley jammed her up yesterday on Terry case in regard to less than lethal – they were quoting from an affidavit from FBI SA Scott Hunter. Only one I could find was one filed for a search warrant on Dec. 29th.

<http://www.cbsnews.com/htdocs/pdf/OSORIO~1.PDF> You aware of any others?

Any help would be much appreciated.

Thanks,  
Matt
