I met with [redacted] **State** this afternoon. I asked him about DAG **State** comments regarding PGR investigating ATF agents' involvement in the Fast and Furious. According to **State** PGR is investigating the Fast and Furious operation. PGR will file a MLAT request to **State** conduct interviews in the US; for example, the ATF agent who appeared in the CBS news report. **State** would not identify which section within PGR has the investigation; SIEDO, one of the delegados, etc.

Tony
