**Subject:** addressing Mexican concerns regarding Fast and Furious  
Untitled.PDF - Adobe Acrobat Pro.pdf

All,

Molly and I just spoke with Matt and Debbie (copied on this email) regarding finding an avenue to provide a preliminary "official" DOJ response to Mexico to address Mexican concerns regarding Fast and Furious.

**DP**

Molly and I agreed to work with Jason and Bruce to develop a few sentences for this group's consideration. Molly will be consulting with Mary Rodriguez and we will go from there.

Hopefully more soon.
