Subject: McCaul calling DOJ re: [redacted] **ATF**

Ron -- I just spoke with Rep. McCaul's staff director and conveyed our position on [redacted] **ATF** testimony, as you and I discussed yesterday, and as was discussed within ICE. Now they want to call DOJ. However, I didn't want to give out your direct number (though this is probably going to make it up to you, anyway). With whom, and at what phone number, should I put them in touch?
