Here's the draft with Jason's language. Sending to ATF now, but please advise if there are other comments. Thanks.

For what it's worth, I much prefer the previous version of this sentence:

This version picks up Jason's edit and another one I made - we're ready to send this on to ATF, and later today to ODAG unless there are more comments from you all now. Thanks. FB

Faith: At page 2 of the Post Story:

"The controversy came to Grassley's attention after border agent Brian Terry, 40, was gunned down in December while patrolling the border. Two assault rifles on an ATF watch list as part of Fast and Furious were found nearby, but both have been ruled out as the murder weapon, officials said."
