Let me know when you have a moment to chat about this. Once again, Grassley has false accusations in one of his letters.

Hi John, Jesse or Liza: **DP**
DP Grassley is claiming CBP should have seized these weapons from these individuals earlier and he is alleging two of these weapons were found at the Terry murder scene. He attached indictments in New Mexico which describe smuggling on the **New Mexico**/Mexican border, not the Arizona border. I'm not sure whether this senator from Iowa is confusing New Mexico with AZ or whether there is some linkage? Any thoughts or assistance is appreciated. Thanks Carol
