I spoke with Kathy Ruemmler about the AG meeting with the President. She said that it would probably be scheduled for 30 minutes and could be placed on the calendar as early as late next week.

Other potential topics that she mentioned were **Unrelated** (2) **DP** and (3)

I told her that I would get back to both of you and come up with our list given that the meeting is only 30 minutes long. **Unrelated**

Do you want to meet on this? I think we should provide Kathy with our agenda ideas sometime tomorrow or Thursday at the latest.
