If a case is placed in "Judicial Pending" status and no additional investigative action or new indictments are expected, an Interim Report need only be filed once to provide information between the case initiation or last date of filing of an Interim Report and the date on which the case was placed in "Judicial Pending" status; thereafter, an Interim Report need not be filed. A pre-populated Interim Report from the OCDETF MIS should be used to file a current report. If some information already has been reported, provide and/or check boxes for new information only, unless otherwise indicated. Please strike through any incorrect information.
