Jim Needles and his team in DC this weekend are preparing a spreadsheet for Matt pairing surveillance of guns and the resulting fate of those guns later recovered, never recovered or otherwise seized. We will get these notes.

Mike, Emory, and Kristen: **ATF** Please review them this weekend yourselves and mark all the portions with Surveillance of guns so we can cross reference them for Matt.

Mike, Emory and Kristen: I have new questions for you on F and F. Let's plan on clearing the decks Monday to work all day to gather the answers, and to the extent you have not read all the ROIs in which we surveilled or laid eyes on guns being transferred, please read them this weekend at home. Thanks! PJC
