You may have this, but here is a CRS report – nice to cite Congress’s own back to them. DP

Looks even better. Two things – DP
DP Weinstein should have the info – if not, I saw it

Attached is the latest draft of the response to Congressman Smith's letter concerning Fast and Furious. I have attempted to take into account Rob's comments from last night, Stuart's from this morning, and Lisa's from fifteen minutes ago. You'll see that one of the paragraphs contains two blanks and two question marks. If everyone is comfortable with the letter, I will double check with USAO-AZ and ATF to confirm the missing pieces of information. Along the same lines, before the letter goes out, I plan to ask the USAO-AZ and ATF to vet the entire letter scrupulously for accuracy.
