Faith/Molly,

Can you let me know whether OLA is okay with the letter? I'd really like to get this out the door today, but need your sign off before I run the final traps here. Thanks.

Matt

Just a small update on the letter. The USAO and ATF have both cleared (thank you both). OLA is still looking at it. One small change that OLA flagged, which I plan to make [REDACTED]

Attached is what I hope and expect to be the final version of the response to Congressman Smith. It incorporates a number of the changes suggested by OLA, the USAO, and ATF. Please let me know by 4:00 EST if you have strong objections to anything in the letter. If I don't hear back from you by then, I will assume that you have none. I will then work to get the final version cleared here so that it can go out the door. Thanks, everyone, for all your hard work on this.

Matt
