Subject: Draft Issa response

Attached is a draft response to Chairman Issa's letter of March 16, as well as two attachments that would go with it. I've attached the incoming letter as well for ease of reference. We're hoping to get this letter back to Chairman Issa in the next day or two, so I'd ask the USAO and ATF to each send back comments/edits (if any) by the end of the day tomorrow. As always, if anything is inaccurate, please make sure to let me know. As always, thanks for your help on this.
