Of course I spoke too soon. Please use this one as the template. Again, it's still not cleared, but we're getting closer. Also, please continue to keep close hold for now. Thanks.

Faith/Molly,

I'm attaching the latest draft of our response to Congressman Smith. Please do not forward. It is still not cleared here, but I have a good degree of confidence that this (or something close to this) will serve as the template going forward. I will work to try to get it cleared today. In the meantime, I think it's safe for you to use this as a template to begin putting together other responses. Thanks.

Matt
