Great. Thanks. There appears to be numerous Fast and Furious folders and files in a variety of locations on the Q: drive already. I would like to create a folder Q:\FastandFurious and put the files attached to the email you had forwarded there. Also, I would then encourage all other parties involved to consolidate the folder and files in that location.

I will work with Viv to get the attachments into the folder.

How does that sound?

Thanks All.

Sure. I don't see why not. Pat: Any problem moving the folder to the Q drive? Saves space and is easier to give multiple people access.

Rachel,

Can we use the Q:\ drive folder (where we put the emails) for these as well?

Thanks.

Mike and Friends: Issa Subpoena at your service!

These docs are all in Viv's Correspondence Index in hard copy in my office, in my Email Archive which can be intelligently searched, and in the N Drive in the Fast and Furious Folder marked in the file Final Correspondence.

I will give you all access to that N Drive. Enjoy PJC
