This is the 2009 edition of the "parent document" that lays out the USG strategy. Project Gunner is specifically named in Chapter 7. This is a public document which is available on ONDCP's website : http://www.whitehousedrugpolicy.gov/publications/swb_counternarcotics_strategy09/swb_counternarcotics_strategy09.pdf

I have also attached the 2011 version of the same document – it is not officially "public" (though it is in wide circulation within the USG for final review) and has been entered at OMB for clearance.
