Attached is a revised draft. Let me know what you think. All comments/edits welcome. Unless folks tell me they think it's a bad idea, [DP] Thanks.

Thanks, Faith. Are you okay with my circulating to the USAO and ATF?

We've explained to Smith and Conyers staff that the penultimate para means only that we'll share with them whatever docs we provide to Issa, which they request, but that we do not expect to disclose any non-public pending investigation materials. Also, please see the enclosed revised draft to Issa, per our conversation this morning with enclosures. Some of the enclosures that we've received to date look to be law enforcement sensitive; [DP]
