**Subject:** Response to Smith, et al, sent today, plus revised draft response to Issa, per our meeting this am with CIGIE and Reno enclosures

We've explained to Smith and Conyers staff that the penultimate para means only that we'll share with them whatever docs we provide to Issa, which they request, but that we do not expect to disclose any non-public pending investigation materials. Also, please see the enclosed revised draft to Issa, per our conversation this morning with enclosures.

Some of the enclosures that we've received to date look to be law enforcement sensitive;
