I think the idea was to get cleared language first and then figure out the best way for OIA to use that language in communicating with the Mexicans. I have not yet cleared with OPA or looped in OAG, but am happy to do so.

Matt: Do we know what officials they are going to be discussing this with? Also have you cleared with OPA ? I also think the AG's office should be looped in. I would suggest Molly Moran and Monty Wilkinson but defer to Lisa and Stuart

All,

Our Office of International Affairs has informed me that our Embassy in Mexico has asked whether we could provide

Below

is a draft statement, initially drafted by OIA and then edited by me and USAO-AZ. Are you guys okay with us authorizing OIA to use this language in discussions with the Mexican government? And, if so, who else do I need to get to clear on this?
