Molly just this morning provided draft answers to Wolf 20-22 (attached). I have to upload them ASAP into the JMD "Max" system, BUT please let me know if you have any edits so I can enter them in immediately, or else it is going straight to ODAG/OAG for review.

Never mind re Wolf 1; it says below what that one is. (And we have answered Wolf 1 and 2 by letter, by the way.) But the others I asked about are missing.

Rita, what are Wolf 1 and Wolf 20-22, and who in OLA is doing the latter? Do they involve CRT? And what's Bonner 1?

Also, what happens to the drafts OLA has signed off on? Is there still leadership office review? I never reviewed some in my area (e.g., DOMA), but if ODAG or OASG will be reviewing, I won't worry about it.
Thanks.

Good Afternoon,

Attached please find QFRs from the AG House hearing for your review (except Wolf 20-22 and Bonner 1 which are still in the drafting stage). I have provided them in a Word document for your internal use only. Please make all changes, edits, and/or corrections directly into MAX by April 6, 2011. If you have any questions, please feel free to contact me.
