Subject: Mexico DC on Friday

There is a DC on Friday. The following ATF issues are going to be raised:

Status of long gun reporting regulation,
Status of Fast and Furious
Mexican E-Trace status and what are the key impediments moving forward (what does the GOM need to improve)

If you can prepare some TPS on these issues and return to me by 3:00 tomorrow afternoon I would appreciate it.

Thanks

Debbie
In addition, Bill is working to get recent stats on our gun seizures and efforts along the SW border for next week's IPC meeting.
