Subject: Latest draft of Issa response

Attached is the latest draft of the response to Chairman Issa. We are going to work hard to try to get the letter out of the building tomorrow. When OLA spoke with Issa's staff last Thursday, they promised that we would provide documents "within a week." That week ends tomorrow. Faith and Molly have a copy set of the documents that we plan to produce (as do I). If anyone wants to see them, just let one of us know. As you'll see reflected in the letter, our production will not involve any physical handover of documents. The responsive documents that have been located are all law-enforcement sensitive, so Committee staff will be invited here to DOJ to view them.

Thanks.

Matt
