Does anyone have any additional comments/edits to the letter? I'm trying to get it finalized up here. I made a few small tweaks myself. Here is the latest version in clean and redline.

Attached is the latest draft of the response to Chairman Issa. We are going to work hard to try to get the letter out of

the building tomorrow. When OLA spoke with Issa's staff last Thursday, they promised that we would provide documents within a week. That week ends tomorrow. Faith and Molly have a copy set of the documents that we plan to produce (as do I). If anyone wants to see them, just let one of us know.
