Stuart,

Attached is a draft of the response to Chairman Issa. I am still awaiting further edits from Faith, but wanted to send you this as a placeholder as I understand from Melanie that you will soon be airborne (or may be already). I will send the more fully baked version once I have it (so you may want to check your bberry to see if there are any more recent emails from me before you read this version). I hate to bother you with this now, but we need to get the letter out of the building tomorrow. When OLA spoke with Issa's staff last Thursday, they promised that we would provide documents "within a week." That week ends tomorrow. I just had a two-hour meeting with Faith and Paul Colborn from OLC and we have a good handle on what documents we'll be able to produce. I can discuss with you tomorrow. Have a good flight. Don't let the DAG hog all the blankets.

Matt
