The Honorable Hillary Rodham Clinton  
Secretary  
U.S. Department of State  
Harry S. Truman Building  
2201 C Street, NW  
Washington, DC 20520

Dear Secretary Clinton:

On March 4, 2011, Senator Charles E. Grassley wrote to you requesting basic information about the connection between Operation "Fast and Furious," conducted by the Bureau of Alcohol, Tobacco, Firearms, and Explosives (ATF), and the December 14, 2010 firefight that claimed the life of Border Patrol Agent Brian Terry.<sup>1</sup> I understand that you have yet to respond and are likely to refuse Senator Grassley's request for information without a letter from the Chairman of the Senate Judiciary Committee. This refusal is mystifying in its own right, given Senator Grassley's standing as the Ranking Member of that Committee. More inexplicably, your refusal stands in stark contradiction to the promise of transparency promoted by President Obama. During Sunshine Week last year, the President stated that he had "recommit[ed] [his] administration to be the most open and honest ever."<sup>2</sup>

Given the gravity of this matter, this refusal is simply unacceptable. Therefore, I am joining Senator Grassley's request for any and all records relating to a meeting involving the then-U.S. Ambassador to Mexico Carlos Pascual with Assistant Attorney General Lanny Breuer, Mr. Breuer's deputy, and other officials in Mexico City in the summer of 2010 regarding "on-going investigations" related to Project Gunrunner and its "Fast and Furious" component. The records sought include meeting minutes, briefing notes, e-mails and cables relating to any such meeting or meetings that may have occurred from June through September 2010. Additionally, please explain in detail the reasons behind your refusal to answer the Senator directly.

<sup>1</sup> Letter from Sen. Charles Grassley, Ranking Member, S. Jud. Comm., to Hon. Hillary R. Clinton, Sec'y, U.S. Dep't of State (Mar. 4, 2011).

The Committee on Oversight and Government Reform is the principal oversight committee of the House of Representatives and may at "any time" investigate "any matter" as set forth in House Rule X.

We request that you provide the requested documents and information as soon as possible, but no later than 5:00 p.m. on April 12, 2011. When producing documents to the Committee, please deliver production sets to the Majority Staff in Room 2157 of the Rayburn House Office Building and the Minority Staff in Room 2471 of the Rayburn House Office Building. The Committee prefers, if possible, to receive all documents in electronic format. An attachment to this letter provides additional information about responding to the Committee's request.

If you have any questions about this request, please contact Ashok Pinto or Henry Kerner of the Committee Staff at (202) 225-5074. Thank you for your attention to this matter.

Sincerely,

Darrell Issa  
Chairman

Enclosure

ONE HUNDRED TWELFTH CONGRESS  
**Congress of the United States**  
**House of Representatives**

COMMITTEE ON OVERSIGHT AND GOVERNMENT REFORM  
2157 RAYBURN HOUSE OFFICE BUILDING  
WASHINGTON, DC 20515-6143

Majority (202) 225-5074  
Minority (202) 225-5051

**Responding to Committee Document Requests**

1. In complying with this request, you should produce all responsive documents that are in your possession, custody, or control, whether held by you or your past or present agents, employees, and representatives acting on your behalf. You should also produce documents that you have a legal right to obtain, that you have a right to copy or to which you have access, as well as documents that you have placed in the temporary possession, custody, or control of any third party. Requested records, documents, data or information should not be destroyed, modified, removed, transferred or otherwise made inaccessible to the Committee.
2. In the event that any entity, organization or individual denoted in this request has been, or is also known by any other name than that herein denoted, the request shall be read also to include that alternative identification.
3. The Committee's preference is to receive documents in electronic form (i.e., CD, memory stick, or thumb drive) in lieu of paper productions.
4. Documents produced in electronic format should also be organized, identified, and indexed electronically.
5. Electronic document productions should be prepared according to the following standards:
  - (a) The production should consist of single page Tagged Image File ("TIF"), files accompanied by a Concordance-format load file, an Opticon reference file, and a file defining the fields and character lengths of the load file.
  - (b) Document numbers in the load file should match document Bates numbers and TIF file names.
  - (c) If the production is completed through a series of multiple partial productions, field names and file order in all load files should match.

6. Documents produced to the Committee should include an index describing the contents of the production. To the extent more than one CD, hard drive, memory stick, thumb drive, box or folder is produced, each CD, hard drive, memory stick, thumb drive, box or folder should contain an index describing its contents.
7. Documents produced in response to this request shall be produced together with copies of file labels, dividers or identifying markers with which they were associated when they were requested.
8. When you produce documents, you should identify the paragraph in the Committee's request to which the documents respond.
9. It shall not be a basis for refusal to produce documents that any other person or entity also possesses non-identical or identical copies of the same documents.
10. If any of the requested information is only reasonably available in machine-readable form (such as on a computer server, hard drive, or computer backup tape), you should consult with the Committee staff to determine the appropriate format in which to produce the information.
11. If compliance with the request cannot be made in full, compliance shall be made to the extent possible and shall include an explanation of why full compliance is not possible.
12. In the event that a document is withheld on the basis of privilege, provide a privilege log containing the following information concerning any such document: (a) the privilege asserted; (b) the type of document; (c) the general subject matter; (d) the date, author and addressee; and (e) the relationship of the author and addressee to each other.
13. If any document responsive to this request was, but no longer is, in your possession, custody, or control, identify the document (stating its date, author, subject and recipients) and explain the circumstances under which the document ceased to be in your possession, custody, or control.
14. If a date or other descriptive detail set forth in this request referring to a document is inaccurate, but the actual date or other descriptive detail is known to you or is otherwise apparent from the context of the request, you should produce all documents which would be responsive as if the date or other descriptive detail were correct.
15. The time period covered by this request is included in the attached request. To the extent a time period is not specified, produce relevant documents from January 1, 2009 to the present.
16. This request is continuing in nature and applies to any newly-discovered information. Any record, document, compilation of data or information, not produced because it has not been located or discovered by the return date, shall be produced immediately upon subsequent location or discovery.

17. All documents shall be Bates-stamped sequentially and produced sequentially.
18. Two sets of documents shall be delivered, one set to the Majority Staff and one set to the Minority Staff. When documents are produced to the Committee, production sets shall be delivered to the Majority Staff in Room 2157 of the Rayburn House Office Building and the Minority Staff in Room 2471 of the Rayburn House Office Building.
19. Upon completion of the document production, you should submit a written certification, signed by you or your counsel, stating that: (1) a diligent search has been completed of all documents in your possession, custody, or control which reasonably could contain responsive documents; and (2) all documents located during the search that are responsive have been produced to the Committee.
