Here is what I understand to be the lay of the land (and have confirmed with OLP/Gross). MY comments are **bold blue** (with strikethrough of old/inaccurate text):

To all,

Attached are some talking points on the three firearms related topics below. If you have any questions or require additional information, please let me know.

Thanks,

William G. McMahon
Deputy Assistant Director (West)
Office of Field Operations
Office - (202) 648-7374

Bill/Jill,

I'll write something up on Fast and Furious if you guys can take care of the others. Thanks.

Matt

Subject: Tomorrow's DC

I just reviewed the read ahead and the issues track the ones we have discussed and were discussed at the IPC earlier this week. If everyone can prepare a couple of talking points in their respective areas and get to me this afternoon. I would appreciate it .
