Do you believe this? They wonder how things get out? Also, I need to talk with you first thing about the Auburn and NCETR email traffic today with DAD Boxler.

See you in the morning.

Apologies for the confusion here; please work from this doc, which picks up Jason's edits and adds a few others.

once we get this finalized and sent – today if possible – we can then move ahead to schedule the briefing. Need to hear from USAO, since they have primary equities in the pending case – Anne, we understand that Dennis was leaving the office yesterday afternoon – don't know if he's back but perhaps you could route this to the FAUSA and other AUSAs with responsibility for this matter if he's not available. Thanks – sorry for the rush. FB
