STAFF DIRECTOR

Kenneth E. Melson  
Acting Director  
Bureau of Alcohol, Tobacco, Firearms, and Explosives  
99 New York Avenue, N.E.  
Washington, DC 20226

Dear Acting Director Melson:

Recent media reports have given rise to grave concerns over Project Gunrunner and Operation Fast and Furious, conducted by the Bureau of Alcohol, Tobacco, Firearms, and Explosives (ATF). Over the past few months, Senator Charles Grassley, the Ranking Member of the Senate Judiciary Committee, wrote you multiple letters asking for documents and information about these programs. I wrote to you on March 16, 2011, requesting substantially similar information by March 30, 2011. You failed to comply with the March 30th deadline, and on March 31, 2011, the Committee issued a subpoena for those documents.

The public deserves assurances that its government is not allowing guns bought by Mexican drug cartels to be "walked" across the border into Mexico. To determine whether this occurred, the Committee is entitled to receive all relevant materials that would aid its investigation. At present, I am not confident that ATF will produce all documents of probative value to enable the Committee to exercise its legitimate oversight responsibilities.

Therefore, I now request that all types of documents and essential communications between and among ATF employees related to the planning and implementation of Project Gunrunner and Operation Fast and Furious be preserved. So that ATF can produce a full and complete record of those documents to the Committee in response to current and future document requests, please take the following steps:

1. Preserve all documents and records, including e-mail, electronic documents, and data ("electronic records") **created since July 1, 2009** related to the planning and implementation of Project Gunrunner and Operation Fast and Furious. For the purposes of this request, "preserve" means taking reasonable steps to prevent the partial or full destruction, alteration, testing, deletion, shredding, incineration, wiping, relocation, migration, theft, or mutation of electronic records, as well as negligent or intentional handling that would make such records incomplete or inaccessible;

Mr. Kenneth E. Melson

2. Exercise reasonable efforts to identify and notify former employees and contractors, subcontractors and consultants who may have access to such electronic records that they are to be preserved; and
3. If it is the routine practice of any agency employee or contractor to destroy or otherwise alter such electronic records, either halt such practices or arrange for the preservation of complete and accurate duplicates or copies of such records, suitable for production if requested.

I request that you respond in writing **no later than April 18, 2011**, to confirm receipt of this letter. Your response should also advise the Committee of actions ATF has taken and will take to comply with the Committee's subpoena and this document preservation request. I am skeptical about ATF's response to the subpoena because I understand that individuals who likely have documents responsive to the subpoena have not been contacted or instructed to gather and forward these documents. A copy of the schedule of documents is attached. Please note that you should take no action related to the documents of the Office of the Inspector General in responding to this request.

If you have any questions, please contact Ashok Pinto or Henry Kerner of the Committee staff at (202) 225-5074. Thank you for your attention to this matter.

Sincerely

Darrell Issa  
Chairman

## SCHEDULE

In accordance with the attached schedule instructions, produce all documents in unredacted form described below:

1. Documents and communications relating to the genesis of Project Gunrunner and Operation Fast and Furious, and any memoranda or reports involving any changes to either program at or near the time of the release of the Department of Justice (DOJ) Office of the Inspector General report about Project Gunrunner in November 2010.
2. Documents and communications relating to individuals responsible for authorizing the decision to “walk” guns to Mexico in order to follow them and capture a “bigger fish.”
3. Documents and communications relating to any investigations conducted by the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF) or any other DOJ component following the fatal shooting of Agent Brian Terry, including information pertaining to two guns found at the crime scene that may have been connected to Project Gunrunner.
4. Documents and communications relating to any weapons recovered at the crime scene or during the investigation into the death of Agent Brian Terry.
5. Documents and communications between ATF and the Federal Firearms Licensee (FFL) who sold weapons to Jaime Avila, including any Report of Investigation (ROI) or other records relating to a December 17, 2009 meeting “to discuss his role as an FFL during this investigation.”
6. A copy of the presentation, approximately 200 pages long, that the Group 7 Supervisor made to officials at ATF headquarters in the spring of 2010.
7. Documents and communications relating to Operation Fast and Furious between and among ATF headquarters and Special Agent in Charge William D. Newell, Assistant Special Agents in Charge Jim Needles and George Gillette, Group Supervisor David Voth, or any Case Agent from November 1, 2009 to the present. The response to this component of the subpoena shall include a memorandum, approximately 30 pages long, from SAC Newell to ATF headquarters following the arrest of Jaime Avila and the death of Agent Brian Terry.
8. Documents and communications relating to complaints or objections by ATF agents about: (1) encouraging, sanctioning, or otherwise allowing FFLs to sell firearms to known or suspected straw buyers, (2) failure to maintain surveillance on known or suspected straw buyers, (3) failure to maintain operational control over weapons purchased by known or suspected straw buyers, or (4) letting known or suspected straw buyers with American guns enter Mexico.
