Faith/Molly, can one of you please get back to **ATF**. Also, can you please send him copies of the outgoing Smith and Issa letters if you haven't already done so? Thanks.

We are awaiting some direction regarding a response. **DP** **DP** **Realize**  
**DP** that the lion's share of these "requests" are the Grassley/Issa letters. The multiple requests you see from Lugar and Warner are just "staple-ons" where they are forwarding a constituent's concerns (emails) for a response. I believe we have forwarded all of these to OLA.

Has the Lamar Smith response letter issued?

**ATF** adding Matt Axelrod, who has the lead on these issues. How have you responded to these requests – other than the briefings to SJC staff we provided?
