Thanks. Do we have a back-up plan? Do you know whether State Leg Affairs has communicated anything to Issa or Grassley's offices? Should we?

I left a detailed message for Miguel Rodriguez but have not heard back yet.

Thanks. I'm assuming that they intend to produce more than the cable. Because our equities are involved here and the time is running out quickly, we at least need a timeline for when the material will come in for review. Can you – or Ron – find out the plan?

Amy, we've had multiple calls with State and Ron will call again today – I think that they'll get something out on time, but we haven't seen their draft yet today. Thanks.
