We would. In fact, we advised Grassley's staff verbally that this is our procedure. Grassley's staff decided to seek a signed letter from Chairman Issa rather than from Leahy.

If Chairman Leahy requested this document, would you provide it to him? If not, we think it unwise to suggest that Senator Grassley seek a chairman's letter. Thanks. FB

Faith and Molly,

I have also attached the State Department response letter to Senator Grassley and the initial Grassley request. Please let us know if you have any comments as soon as possible.

Thank you,

Faith and Molly,

Attached is the Issa letter in its final form. Let me know if you have any comments and then we will send it up to the Hill today. The Grassley letter is almost done, but we are awaiting a few more comments. Erik Pederson will forward

that to you as soon as it is ready.
Thanks,
Patrick
