Thanks, Pat. When you say "want a MTC," do you mean file a motion to compel?

Matt: Quick Update:

Trial set for June 7—the second trial setting.
Litigation over a discovery protective order is now complete and discovery process commenced
The first 3203 pages are going out today, 1000 pages along with several months worth of calls to follow.
No pleas yet, but 3 defendants have done three talks and fourth now being scheduled
It is likely someone will want a MTC to review the discovery in entirety.
No one has plead yet because they haven't reviewed discovery.

Pat,

I think you told me this the other day, but could you give me a quick update on the status of the indicted Fast and Furious case? When's the trial date, have any defendants pled, when is trial likely to actually occur, etc. Thanks a ton.

Matt
