I can engage Matt Axelrod, **Unrelated** or call the Marshal's Director's office if you like. I believe an email to Lisa from you is the quickest way to resolve the issue.
Thanks. PJC

Subject: Interview

Greetings,

In an effort to coordinate a few details and due to operational conflicts, it is necessary to postpone the interview at this time. The interview will be rescheduled at a mutually convenient time for all parties.

We hope to follow up tomorrow with specifics in coordination with all involved parties. Thank you.
