Yes, I've now spoken to him. He didn't have any information about the nature or purpose of the request but had some helpful information about the process. I'd like to discuss it further internally, but we'll have an answer for him by later today or tomorrow. He said that would work in terms of their time frame. Let me know if you want to discuss. Thanks.

Thanks, Rich. Jocelyn, do you plan to reach out to Jon Meyer?

I am copying Jocelyn who I believe was on the email in which you asked that he be contacted directly. I have been out of the country all week and she and I discussed this before I left and was following up.

Hey Matt. Hope you're doing well. I'm still trying to track down more info re Fast and Furious but I was out until today and key people here are now out.

We need to produce docs on Sherkhan Farnood (or tell the Hill why we're not producing) ASAP. They're getting very

impatient.
