I'm pretty much booked solid after 2:00. Why don't we still try to do the call at 1:30 and hope Adam's hearing ends before then. When we get on the call, if it turns out that Adam isn't there, we'll just reschedule for 3:30 (and I won't participate). My assistant will send the call in info tomorrow morning for the 1:30 attempt. Thanks.

Why don't you call us when you're ready and we'll figure it out. Think I have a meeting from 2:15 to 3:15 but we should be able to connect after Adam's hearing. - can be reached at 514-1653. Thanks.

All –

I have a hearing that starts with Judge Leon at 11 am on Monday. My hope is that I will be out of there and at ATF by 1:30. However, my understanding is that these hearings may go two or three hours. Can we set our meeting as late as possible on Monday just in case I am not at ATF at a reasonable hour? Say 3:00? I can't imagine the hearing will still be going on by then.
