Makes sense. I have no objection to a face to face meeting. I just want them to get started on what they need to be doing. I definitely think we should go to them for the face to face. Maybe Tues or Wed.

Sounds OK, Matt, but I have no doubt that a face to face meeting will be necessary.

We don't want them to lose time by trucking over to Main. We'll do a conf call at 1:30 on Monday and find a time later in the week for Faith, Paul, and me to come to ATF if we believe a face-to-face remains necessary. I'll have my assistant set up the call. Thanks.

Think it would be best if we could meet in person if you all could to come to Main, but if that's not convenient on Monday, we should try to do that as soon as we can. Thanks. FB

I agree it is important to have this conversation on Monday, and therefore if the team plans to be at ATF all day let's do a conference call. However, I think it is also important that Matt, Faith and I meet in person with the team as soon as possible after that. So, let's consider the Monday call a "meeting."

Would love to. Thanks, Paul. Can we do it sometime between 12:00 and 2:00? Also, probably best to set it up as a conf call since the team will be out at ATF full time starting Monday morning.

John, my schedule is wide open Monday except for 11 to 12. Faith, how about you? Matt, do you want to join us?

Paul
