Attached is a subpoena for testimony at a May 10 hearing for S/A ATF who is a line agent in the Phoenix Field Division. He was initially assigned to Fast and Furious, but was removed from the investigation at some point. I'm confirming why he was removed, but the initial indication is that it was for reasons similar to those applicable to ATF - unwillingness to work the wire room, unwillingness to work on an investigation where he wasn't he lead agent, etc.
